

Bachelor of Science in Psychology AY 2010/11			
Student Learning Outcomes	Assessment Methods & Criteria	Student Learning Evidence	Utilization of Evidence
Graduates will demonstrate familiarity with the major concepts, theoretical perspectives, empirical finds and historical trends in psychology.	Assessment will be through administration of the Major Field Test.	There were 37 graduates for this academic year. At least 50% of graduates scored at or above the national mean.	Criterion not met. PSYC faculty will review test scores of the graduates to determine any additional measures that must be taken.
