

Completer Assessment of the Program Survey

Standards Alignment

- InTASC: Standards 1, 2, 3, 4, 5, 6, 7, 8, 9, 10

Purpose

Evidence shows that program completers provide useful information for program improvement. Survey results provide valuable information to the EPP about areas that need to be strengthened and the overall effectiveness of the program.

Description

The EPP surveys completers regarding their preparation to teach effectively. This survey was sent to completers after one year of employment as a teacher. They were asked to give feedback based on their experience in the classroom about how well the EPP prepared them to teach effectively.

Instructions for respondents to the surveys

Rate how well the LSUA School of Education assisted you in acquiring the knowledge, skills, and dispositions needed to become a certified teacher. This survey is for students who completed a teacher preparation program during one of the following semesters: Summer 2023, Fall 2023 or Spring 2024. This survey will take approximately 3 minutes to complete. All responses will be aggregated in a central database system and used to improve LSUA educator preparation programs and the professional performances of program completers. Identities of respondents will be unknown. Your time and participation are greatly appreciated.
