

higher in each, and an overall GPA of at least 2.0; or

- 4) Meet freshmen admission requirements and be in good standing with their previous institution.

Transfer applicants who have been suspended from another college or university will not be considered for admission to LSUA until the duration of their suspension has expired.

To apply for admission, transfer students must follow the steps outlined below:

- 1) complete an application and a Proof of Immunization Compliance form and return them to Admissions as early as possible before their intended enrollment date.
- 2) ask the Registrar of each college in which they have been enrolled to send an official transcript of record. → Transcripts are required regardless of whether credit was earned, attempted, or is being pursued at the other institution. ← Students who are enrolled in college when they apply should send at least unofficial transcripts with their applications and should ensure that official transcripts are sent at the end of the semester for which they are enrolled. Eligibility for full admission cannot be determined until an application and a complete, official transcript from each college or university attended has been received. → Each college or university attended must be listed on the application. The registration of students who fail to acknowledge prior attendance at any other college or university may be cancelled; such students may be dismissed from the university. ←

→ The regulations governing the transfer of credit to LSUA from other institutions are presented on pages 58-59 of this catalog. ←

III. Re-Entry (Former LSUA) Students

Former students who have interrupted their enrollment at LSUA for two or more semesters (excluding summer sessions) must apply to the university for readmission. → Students should note that their enrollment is interrupted if, on or before the 14th day of classes, they have resigned from the university; had their schedule deleted due to non-payment of tuition and fees; or been dropped from their courses because they have not met admission requirements. ←

Reentry applicants who have been suspended from LSUA or from another college or university will not

be considered for admission until the length of their suspension has expired.

To apply for readmission, students must

- 1) complete an application and return it to Admissions as early as possible before their intended enrollment date;
- 2) submit official transcripts from each college or university attended since their initial enrollment at LSUA, regardless of whether credit was earned, attempted, or is being pursued at the other institution. → The registration of students who fail to acknowledge prior attendance at any other college or university may be cancelled; such students may be dismissed from the university. ←

For more information about acceptance of credit from other institutions, see page 58-59 of this catalog.

IV. Summer-Only Students

Students who are enrolled in another college or university and who are eligible to continue in that institution in the summer session may enroll at LSUA as *summer-only* students. Such enrollment will conclude at the end of the summer term and does not presuppose or constitute admission to the university for a regular semester. To apply for summer-only admission, transfer students must follow the steps outlined below:

- 1) complete an application and Proof of Immunization Compliance form and return both to Admissions as early as possible before their intended enrollment date;
- 2) submit official transcripts from the last school attended or a letter of good standing from the registrar of the home institution.

Summer-only students assume full responsibility for the selection of courses to be applied at the institutions at which they are pursuing degrees; such students are urged to seek guidance from that institution.

Summer-only students who wish to become regular students in the fall semester must complete a new application for admission and supply official transcripts of all college-level work previously taken.
