***Update: Student successfully passed ASCP-BOC on second attempt*

****3 Year Average National Accrediting Agency for Clinical Laboratory Science (NAACLS) Benchmarks.**

NAACLS BENCHMARK FOR CERTIFICATION RATES

Three years consecutive results of graduate rr rates demonstrate a 3-year average of 82% pass rate on the ASCP-BOC examinations, for those who take the exam within the first year of graduation.

NAACLS BENCHMARK FOR GRADUATION

RATES

Three years consecutive results of graduation rates demonstrate 89% of students who have begun the final half of the program go on to successfully graduate from the program as calculated by the most recent three-year period.

NAACLS BENCHMARK FOR GRADUATE PLACEMENT RATES

Three years consecutive results of graduate placement rates demonstrating that an average of at least 70% of respondent graduates either find employment in the field or a closely related field (for those who seek employment), or continue their education within one year of graduation as calculated by the most recent three-year period.

Three-year average of certification rate is calculated by total number of students who pass the exam/total number who took the exam within one year of graduation.
