## ACCREDITATION

Louisiana State University at Alexandria is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia, 30033-4097; telephone number 404-679-4501) to award associate and baccalaureate degrees.

The Nursing Program is accredited by the National League for Nursing Accrediting Commission (NLNAC) and is approved by the Louisiana State Board of Nursing. The Clinical Laboratory Technology Program is accredited by the National Accrediting Agency for Clinical Laboratory Sciences. The Certificate in Pharmacy Technology is accredited by the American Society of Health-System Pharmacists.

## STUDENT RESPONSIBILITY

Each student is personally responsible for completing all requirements established for his or her degree by the University, college, and department. The student is responsible for informing herself or himself of these requirements. A student's adviser will assist, but may not assume these responsibilities. Any substitution, waiver, or exemption from any established requirement or academic standard may be accomplished only with the approval of the Provost and Vice Chancellor for Academic and Student Affairs.

This Catalog represents the program of the current educational plans, offerings, and requirements, which may be altered from time to time to carry out the purposes and objectives of the University. The provisions of this publication do not constitute an offer for a contract which may be accepted by students through registration and enrollment in the University. The University reserves the right to change any provision, offering, or requirement at any time within the student's period of study at the University. The University further reserves the right to require a student to withdraw from the University for cause at any time.

LSUA assures equal opportunity for all qualified persons without regard to race, color, religion, gender, national origin, age, disability, marital status, or veteran's status in the admission to, participation in, and treatment or employment in the programs and activities which the University operates. Anyone having questions or complaints regarding equal opportunity at LSUA should contact the Director of Human Resource Management, LSU at Alexandria, 8100 Highway 71 South, Alexandria, LA 71302-9121, telephone (318)473-6401. Persons believing they have been discriminated against contrary to federal law are entitled to make an inquiry or file a complaint with the U.S. Equal Employment Opportunity Commission, 601 South Street, New Orleans, Louisiana 70130, telephone (1-800-669-4000) or the U.S. Department of Education, Office of Civil Rights, 1200 Main Tower Building, Dallas, Texas 75202.

The LSUA Catalog is published by Louisiana State University at Alexandria.

## Louisiana State University at Alexandria Organizational Chart February 2006

## ADMINISTRATION

## ORGANIZATION AND ADMINISTRATION

Louisiana State University at Alexandria is a publicly supported University offering associate and baccalaureate degrees. The University is a unit of the LSU System and operates under the auspices of the Louisiana Board of Regents. University leadership is that of a Chancellor assisted by two Vice Chancellors, one for Academic and Student Affairs and the other for Finance and Administrative Services. The academic areas of the University are organized into two colleges, Arts and Sciences and Professional Studies, each with four departments. The catalog is arranged in terms of this general organization. An organizational chart for the University is found on the preceding page.

A primary focus of the Foundation is the establishment of scholarships, professorships and unrestricted gifts to benefit the University. The Foundation is proud to offer 89 scholarships, 15 endowed professorships and one endowed chair to benefit LSUA faculty and students.

In 1999, the Foundation provided funds to establish a campus child care center that serves the campus and community with a quality early learning program for the children of students, faculty and staff. In April 2006, the Foundation obtained the Alexandria Museum of Art and increased the Foundation's assets and endowment to a market value of approximately $\$ 15$ million. The beautiful Museum building expands the University's physical presence to the downtown area and will provide opportunities for students to attend classes in Alexandria. The Foundation is also working to bring housing to the university.

Donations to the LSUA Foundation are tax deductible to the extent allowed by law. For more information about the LSUA Foundation and its programs, call (318) 473-6472 or write to the LSUA Foundation at P.O. Box 100, Lecompte, LA 71346.

LSU Board of Supervisors member Charlie Weems and SGA President Connie Cooper share a few words during the Alumni and Friends Fall Social in December 2005. LSUA Foundation Board member Wayne Denley, in background, was among the special guests.

## LSUA ALUMNI AND FRIENDS ASSOCIATION

The LSU Alexandria Alumni and Friends Association is a new organization operated under the direction of the LSUA Foundation. Membership dues are $\$ 25$ per year and the organization is open to anyone who is interested in LSU Alexandria including former students and friends of the University. The AFA hosts two social functions
each year and provides an avenue for former students and friends to stay connected to the University.

For more information about the Alumni and Friends Association, contact Missy LaBorde at (318) 473-6472 or mlaborde@lsua.edu.

LSU at Alexandria is located on land that was formerly Oakland Plantation, named for the beautiful oak trees that adorn the campus.

Louisiana State University at Alexandria is located approximately six miles south of the city of Alexandria in Rapides Parish in predominantly rural central Louisiana. The campus is located on land that was originally part of Oakland Plantation, but the property had been owned by Louisiana State University since 1946. The Dean Lee Agricultural Center was established on the property in 1955. In 1959, the U.S. Congress released a portion of the Dean Lee property for general education purposes. That same year, the Louisiana Legislature authorized the establishment of LSUA as a twoyear commuter college under the governance of the LSU Board of Supervisors. LSUA registered its first students in September 1960. The sophomore curriculum was added in 1961. The first degree program, an Associate in Nursing degree, was initiated in the Division of Nursing in 1964.

In 1967, the additional academic divisions of Liberal Arts, Business Administration, and Sciences were created. The Division of Nursing was renamed Nursing and Health Sciences in 2000. In 1974, LSUA was accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS) to award associate degrees. This accreditation was reaffirmed in 1984, 1994 and 2005.

Only one associate degree was available at LSUA from 1964 until the Associate of Arts and Associate of Science transfer degrees were approved in March 1986. Over the next 15 years, several associate degree and certificate programs were added. These new programs included the Associate of Science in Computer Information Technology (first offered in 1988); the Associate in Criminal Justice (first offered in 1994); the Associate of Science in Clinical Laboratory Science (first offered in 1996); the Associate in Paralegal Studies (first offered in Fall 1999); the Associate of Arts in Early Childhood Education (first offered in Spring 2001); the Certificate in Pharmacy Technician (also initiated in Spring 2001); and the Associate of Science in Radiologic Technology (first offered in Fall 2001).

From 1976 through Spring 2003, Louisiana State University and Agricultural and Mechanical College offered the upper-level course work for select bachelor's degree programs on the LSUA
campus through a program known as LSU Senior College. Initially, the Bachelor of Science in Business Administration and Bachelor of General Studies were offered. The Bachelor of Science in Elementary Education was added in 1982-83.

On June 5, 2001, following approval by both the Louisiana State University Board of Supervisors and the Louisiana Board of Regents, the Louisiana Legislature passed legislation (Senate Bill 853) allowing Louisiana State University at Alexandria to offer baccalaureate degrees. In December 2002, SACS approved a substantive change, level change request for LSUA, thereby accrediting the University to award both associate and baccalaureate degrees.

In Fall 2003, LSUA was reorganized into colleges and departments rather than divisions. The College of Arts and Sciences consists of the departments of Arts, English and Humanities; Behavioral and Social Sciences; Biological Sciences; and Mathematics and Physical Sciences. The College of Professional Studies consists of the departments of Allied Health, Business Administration, Education, and Nursing.

LSUA began offering four baccalaureate degrees in Fall 2003: Bachelor of Science in Biology, Bachelor of General Studies, Bachelor of Science in Elementary Education, and Bachelor of Liberal Studies. At present, students pursuing a Bachelor of Liberal Studies can major in one of seven different areas: Business, Communication Studies, English, History, Mathematics, Psychology, or Theatre. Because there were students at LSUA who had completed upper-level course work through LSU Senior College, LSUA was able to produce its first bachelor's degree graduates in December 2003. Additional baccalaureate degrees are being developed.

## LSU SYSTEM

LSUA is one of nine institutions of the Louisiana State University System. The By-Laws and Regulations of the Board of Supervisors specify that LSUA will "extend basic as well as unique programs to citizens" of Central Louisiana, and this mission was included when LSU President Troy Middleton spoke at LSUA's dedication on

December 3, 1960. At that time, he said that LSUA must maintain the same academic standards and academic respectability that existed on the main campus.

Today, LSUA stands alongside Louisiana State University and Agricultural and Mechanical College, University of New Orleans, LSU Health Sciences Center in Shreveport, LSU Health Sciences Center in New Orleans, Hebert Law Center, LSU Agricultural Center, LSU in Shreveport, and LSU at Eunice in providing public higher education opportunities to the people of Louisiana, the nation, and the world.

## BOARD OF REGENTS

The Louisiana Board of Regents, a state agency created by the 1974 Louisiana Constitution, coordinates all public higher education in Louisiana. The Board of Regents is authorized to plan, coordinate, and have budgetary responsibility for Louisiana's public higher education community, including 19 public colleges, universities, and/or professional schools.

The Board of Regents is a policy-making and coordinating board only; it is not directly involved in overseeing the day-to-day operations of the various college campuses. The 1974 Constitution reserves that responsibility for the state's four higher education management boards: the LSU Board of Supervisors, the Southern University Board of Supervisors, the University of Louisiana System Board, and the Louisiana Community and Technical College Board.

## VISION STATEMENT

A university of choice recognized for academic excellence and a commitment to fostering student and community growth through teaching, research, and service.

## MISSION STATEMENT

Louisiana State University at Alexandria offers Central Louisiana access to affordable baccalaureate and associate degrees in a caring environment that challenges students to seek excellence in and bring excellence to their
studies and their lives. LSUA is committed to a reciprocal relationship of enrichment with the diverse community it serves.

## STRATEGIC GOALS

I. Develop facilities, services, activities and academic programs conducive to the evolution of a baccalaureate culture.
II. Recruit and retain high quality students that meet raised academic standards.
III. Recruit and retain high quality faculty and staff.
IV. Enhance reciprocal relationships with the Central Louisiana community.

## INSTITUTIONAL GOALS

Campus Wide (all departments)

1. Recruit and retain a diverse faculty, staff, and student population.
2. Support community and economic development programs related to the university's mission.
3. Develop systematic processes that encourage effective communication among students, faculty, administration, and staff.
4. Enhance and expand the appropriate use of technology.
5. Increase campus effectiveness, efficiency, and accountability.

Academic
6. Strengthen the quality of instructional programs.
7. Provide instruction with sufficient flexibility to meet substantiated student needs.
8. Develop cultural and intellectual programming for the campus and the community.
9. Develop and encourage a culture of scholarship among students and faculty.

## Administrative Support

10. Expand the university's support network of alumni, advocates, and financial supporters.
11. Maintain, enhance, and expand physical facilities and grounds.
12. Effectively market services, programs, and activities.

## Student Services

13. Increase the array and flexibility of student activities and support services for both traditional and non-traditional students to a level commensurate with an expanded baccalaureate mission.

## FACILITIES

Morris N. Abrams Hall is composed of two sections. The north section was one of the three original buildings of the Vocational Agricultural School of the Dean Lee Research Station. The north section was remodeled in 1960 when LSUA was established and a new south section was completed and occupied in 1984. This building houses the offices of Academic and Student Affairs, Chancellor, Enrollment Services, Finance and Administrative Services, Financial Aid and Scholarships, Human Resource Management, and Procurement Services and Property Management.

Avoyelles Hall, the third of the original buildings, was renovated and occupied in 1985. Classrooms and offices as well as the LSUA Golf Course Clubhouse are located in Avoyelles Hall.

The James C. Bolton Library was completed in 1964. It was designed with several group study rooms and open areas with abundant seating in a pleasant atmosphere and room for a growing book and periodical collection. The administrative offices for the Library, Institutional Research and Effectiveness, and Institutional Advancement are in this building as well as SGA and student publications' offices.

Chambers Hall, another original building of the Vocational Agricultural School, was remodeled and named the Activities Building with the establishment of LSUA in 1960. In 1985, the building was remodeled and the name changed to

Chambers Hall. Chambers Hall houses the departmental offices for Business Administration and Behavioral and Social Sciences. Information and Educational Technology Services, faculty offices, and classrooms are also located in Chambers Hall.

The Children's Center was built by the LSUA Foundation and donated to LSUA in 1999. The Center provides childcare for approximately 48 children of faculty, staff, and students. It contains classrooms, offices, a covered patio, and a kitchen. The grounds of the Center provide an outdoor play area with equipment appropriate for the children.

The Conference Center was constructed as a "temporary building" in 1961 and was renamed in 1992. It houses University Police; classrooms; and conference rooms that are used for continuing education and various campus activities.

Continuing Education occupies a small house that was originally built in the 1950's and was renovated in 1992.

The F. Hugh Coughlin building was completed in 1979. The building houses administrative offices for the Departments of Allied Health; Arts, English and Humanities; and Nursing. Faculty offices, a multipurpose auditorium, learning laboratories, a student lounge, and conference rooms are also located in the building.

The Electronic Resource Center is a modular building constructed in Summer 2003. The Information and Educational Technology Services department is located in this facility. The building houses a large general access computer lab, a smaller computer training lab, two electronic classrooms with video conferencing capability, multi-media equipment to develop electronic course content, and staff offices.

The Fine Arts building, constructed in 1961 as a "temporary building," was renamed in 1992. It houses faculty offices, classrooms, and fine arts instructional facilities.

The Fitness Center (formerly the Health and Physical Education building) was completed in 1968. Departmental and faculty offices for Education are housed in the Fitness Center. The building includes a gymnasium, swimming pool, indoor archery range, weight room, cardio room, and classrooms for a comprehensive physical education program. The LSUA Empty Space

Players theatre group also occupies a room in this building.

Oakland Hall, occupied in September 1961, provides offices for the Department of Mathematics and Physical Sciences, mathematics faculty offices, and classrooms.

Facilities Services occupied its modern complex of buildings in 1985. These provide the administrative offices and work-storage areas needed to operate and maintain the physical plant.

The Weldon "Bo"Nipper Building houses the Rapides Parish Technology Center which offers computer technology education programs associated with workforce development for eligible youth and young adults. The building, completed in 2004, was built through a cooperative partnership between LSUA and the Rapides Parish Police Jury.

The Science building was completed in 1965 and is a well-equipped two-story facility. In addition to classrooms, conference rooms, faculty offices, and research laboratories, it contains fifteen laboratories designed for applied learning in chemistry, physics, and biological sciences. In addition, the 300 -seat auditorium allows large groups to participate in teleconferences, workshops, and distance education activities. The Science building is undergoing a major renovation. The administrative office for the Department of Biological Sciences is in this building.

The Student Center is a multipurpose facility that accommodates student activities and public service opportunities. The building was erected in 1965 and expanded in 1983. The Student Center includes the Tutoring, Learning and Computer Lab, the Live Oaks Conference Room, the Middleton Room, the Barbara Brumfield Caffey Annex (a multipurpose room that can be used as a ballroom or meeting room), the bookstore, Student Services, Auxiliary Services, cafeteria and snack bar, conference and banquet rooms, and other features designed for the comfort and convenience of commuter students.

The Utility Plant was constructed in 1963 and expanded in 1973. The facility provides campus buildings with heat and air conditioning via underground lines, resulting in a quiet, comfortable environment which is conducive to learning.

## ALEXANDRIA MUSEUM OF ART

Through a partnership with the Alexandria Museum of Art and the LSUA Foundation, the University operates a downtown location providing access to the Alexandria Museum of Art, classes in a wide variety of disciplines, and continuing education. The LSUA Foundation also uses the space for a number of functions related to the development efforts of the University. The building is a renovated and remodeled former bank building situated along the riverfront in downtown Alexandria on Main Street.

## LEARNING CENTER FOR RAPIDES PARISH

The Louisiana Board of Regents operates the Learning Center for Rapides Parish located at England Air Park near the Alexandria airport terminal. Several colleges and universities cooperate in offering courses at the Learning Center. In cooperation with the LSU System and LSU at Eunice, the University maintains an office at the Learning Center. LSUA offers developmental education as well as general education courses on a regular basis and occasionally offers more advanced courses as programmatic demand warrants. Registration for LSUA courses at the Learning Center is through the regular registration process.

## ACADEMIC PROGRAMS

Louisiana State University at Alexandria offers a one-year certificate program, several associate degree programs, and bachelor's degree programs (with opportunities for varied majors and areas of concentration).

The Associate of Arts and the Associate of Science degrees are designed for students who plan to pursue baccalaureate degrees in fields that will require them to transfer to another college. These programs provide the core general education requirements for any bachelor's degree as well as electives that may be used to take courses specific to the student's intended major.

The remaining associate degrees offered by LSUA are professionally oriented and designed to
prepare students to enter the workforce directly upon graduation.

LSUA offers bachelor's degree programs in Biology, Elementary Education, General Studies, and Liberal Studies.

Credits earned at LSUA transfer to other regionally-accredited institutions, and LSUA accepts credits from other regionally-accredited institutions. Students should, however, be aware that transfer of credit does not mean that the courses transferred will satisfy requirements for a specific degree program at the receiving institution. Students should check in advance with the receiving institution to determine applicability of transfer credit.

See the section of this catalog entitled "Academic Programs" for a complete list of degree offerings and specific degree requirements.

## COMMUNITY ENRICHMENT

## Continuing Education

Louisiana State University at Alexandria's commitment to learning as a lifelong process is supported by offering opportunities for personal and professional growth and development through the Continuing Education department. The resources of the University are extended to the community through a variety of non-credit courses, seminars, conferences, and business and industry training programs. Continuing education activities include Short Courses, Community Programs, Children's Academic Program for Summer (CAPS), Conferences, Business and Industry Training, Incumbent Worker Training, Seminars and Conferences, and Free Forums. For more information, call (318) 473-6495 or e-mail learn@lsua.edu.

## Short Courses

Non-credit short courses are offered each semester and are designed for leisure learning, self-enrichment, professional development, and personal growth. The offerings include a mix of computer classes, water aerobics, health programs, leisure classes and business-related courses. Interest in learning is central to each course, which is presented in a non-competitive
atmosphere. Grades are not assigned and examinations are not required.

## Community Programs

Continuing Education community programs include Leadership Central Louisiana. This program allows business leaders and volunteers to participate in leadership education programs and community awareness programs which result in advancement of leadership skills and exposure to community leaders, challenges and opportunities.

## CAPS - Children's Academic Program for Summer

The Children's Academic Program for Summer gives approximately 150 school children (completing grades 1-5) an opportunity to study on the University campus. Instructors in this program include University professors as well as outstanding instructors from the local community. CAPS is a one-week summer program and includes courses in math, forensics, creative dramatics, computer technology, science, art, photography, sports, and much more.

## YouthLearn!

The YouthLearn! Summer program offers challenging, fun and educational opportunities for academically motivated students in grades 6-8. Instructors include University professors as well as instructors recognized as experts in their field from the community. YouthLearn! is a one-week program and includes course subject areas such as math, art, English, journalism, computer technology, science, criminal justice, and biology.

## Business and Industry Training

LSUA works with local business and industry to enhance individual performance and organizational productivity through customized training and workshops on business-related topics. These training programs can be conducted at the client site or on the LSUA campus and are offered during the day, evenings, or weekends. Staff from the client business and LSUA program coordinators work together to develop customized course outlines to ensure that employee training needs are met.

## Incumbent Worker Training

LSUA Continuing Education serves as a Public Training Provider for the Louisiana Department of Labor's Incumbent Worker Training Program (IWTP). As a public training provider, LSUA will assist eligible employers in applying for IWTP funding; will administer the IWTP training grant; and will coordinate the training presented under the grant.

## Seminars/Conferences

In an effort to help local professionals meet their continuing education requirements and to offer programs that increase professional development, LSUA works with community and University groups to sponsor programming that satisfies continuing education requirements.

## Free Forums

LSUA offers programs of community interest called Free Forums. These programs cover a wide array of topics of general interest to the community, and are presented as a public service at no charge to participants. In addition to faculty and staff, community guest speakers participate in these programs.

## Meet the Artist

The "Meet the Artist" series originated in 1968 as an educational vehicle to present to the community visual artists of exceptional talent. Several exhibits of regional and local artists are held each year. The various exhibits include paintings, photography, pottery, exhibitions of Louisiana contemporary art, botanical prints, folk art, and outsider art.

## Bolton Lecture Series

Outstanding speakers with a variety of backgrounds visit several times during each academic year to speak to students, faculty and staff, and residents of Central Louisiana. The Series is supported by a gift from Mrs. Frances Sample Bolton.

## LSUA Empty Space Players

Organized in 1990, LSUA Empty Space Players currently produces four main stage shows each year for student and community audiences. The company's repertoire includes both period and contemporary productions, including an annual offering of a play by William Shakespeare.

## Spring Renaissance Festival

LSUA's Spring Renaissance Festival has been an annual event on campus for several years now. In part an attempt to recreate the life and exuberant spirit of Elizabethan England, the festival features music and song, dance, theater, games, and historical reenactment. Each year the festival's center-piece has been an outdoor performance by students and faculty of one of the plays of William Shakespeare; past productions have included The Tempest, The Merchant of Venice, and Measure for Measure.

The festival is also a fair at which aspiring entrepreneurs can advertise and sell their wares; visitors to the festival can buy books, jewelry, trinkets and knick-knacks, arts and crafts, as well as food and beverages. The festival is open to members of the public at no charge; visitors are encouraged to come in costume.

Room 112, Abrams Hall
Room 103, Abrams Hall
Room 112, Abrams Hall
Room 112, Abrams Hall

Louisiana State University at Alexandria operates on a two-semester plan with an additional eight-week summer term. Qualified applicants may register at the beginning of any term. The University offers some courses in a concentrated format each semester. These courses meet for longer periods of time and are referred to as "A-term" (the first half of the semester) and "B-term" (the second half of the semester). Courses must be registered for when a student completes his/her registration. B-term courses may be registered for up to the beginning of "B-term".

A-term and B-term courses are open to all students who meet the prerequisite requirements. These courses are particularly designed for students who could benefit from a concentrated enrollment period, such as students who are military or have employment obligations.

Admission decisions are determined in accordance with university regulations and are based on evidence provided in the application for admission and related documents. Students have the right to appeal admission decisions through the Registrar.

Individuals seeking additional information about LSU at Alexandria should contact Admissions, 112 Abrams Hall, or call (318) 473-6417. Application forms and schedules are available at http://www.Isua.edu.

## Application for Admission

Students seeking admission to Louisiana State University at Alexandria should obtain appropriate bulletins, application, and Proof of Immunization forms from their high school counselors or from LSUA Admissions and follow the appropriate application procedure outlined in this section of the catalog. Applicants who meet requirements as listed below are considered for admission to associate or bachelor's degree programs.

## Application Fee

Louisiana State University at Alexandria charges a fee of $\$ 20$ for processing applications. The nonrefundable $\$ 20$ fee must be submitted with the application and will not be applied to total registration fees. This fee will be waived for reentry students who have missed only one regular semester (excluding summer session). Students who previously applied for admission, but failed to register are required to pay the $\$ 20$ application fee when they re-apply.

The application fee is non-refundable if the applicant does not register in the semester for which application is made. However, the application fee is transferable if the applicant requests the fee be transferred to a different semester prior to the last day to add classes in the semester for which the student submitted the application.

## Application Deadlines

Application deadlines vary each semester and are published in each semester's registration schedule. Applications received by the published deadlines will be given top priority in preparation for registration. All applicants are encouraged to submit their applications as early as possible prior to their intended enrollment date.

## Provisional Admission

Provisional admission, pending receipt of complete and official academic records, may be given when it is impossible to obtain these records prior to scheduled registration dates. This admission will be cancelled if the required records are not received by Admissions within 30 days after the first day of classes or if it is determined, upon receipt of records, that the applicant does not qualify for admission.

## Applicants Receiving Financial Assistance

Students expecting to receive financial assistance (grants, loans, scholarships, etc.) should have the application for admission and all supporting academic materials on file in Admissions far enough in advance of registration so that they can be fully admitted to the University prior to the day of registration. Failure to comply could adversely affect the awarding of financial aid.

PASS students, Early Admission and Early Admission-Concurrently Enrolled students, provisionally-admitted students, and students not working toward degrees are not eligible for financial aid or VA benefits.

Any questions regarding financial aid should be directed to LSUA Financial Aid and Scholarships.

## English Proficiency

Students whose native language is not English are required to show evidence of English proficiency through acceptable TOEFL scores (see section on International Students).

## Other Considerations

The University may deny admission, readmission, or continued enrollment to persons whose behavior is disruptive, dangerous, or abusive.

University regulations provide that a person who has been convicted of a felony or who has been committed to a correctional, penal, or training institution must have served the full sentence imposed, been pardoned, been issued a final discharge by the board of parole or other competent authority, been placed on parole, or been placed on a work-release program before his/her application may be considered. Such an application is reviewed by a university committee and an admission decision is made on the basis of information submitted to the committee after an interview with the applicant. All required documentation must be provided at least three weeks prior to the time of registration. For a list of required documentation, contact Admissions.

## Residence Status

The residence status of an applicant or a student is determined in accordance with LSU System regulations and is based upon evidence provided in the completed application for admission and related documents. The regulations are based primarily on
the location of the home and the place of employment.

Residence status may not be acquired by an applicant or a student residing in Louisiana for the primary purpose of attending school.

Residence status is not determined for students auditing only or for students enrolled in only noncredit courses through Continuing Education.

More detailed information regarding Louisiana residence classification may be found in the "University Regulations" section of this catalog.

## Proof of Immunization Compliance

Louisiana law requires immunization against measles, mumps, rubella, tetanus, and diphtheria for all first-time LSUA students born after 1956, and for re-entering students (born after 1956) who have been out of school for one semester or longer.

Students are required to file a Proof of Immunization Compliance with their application. Forms for this documentation may be obtained from Admissions.

Students whose major area of study will be nursing should contact the Department of Nursing prior to their enrollment in clinical nursing courses for physical examination forms and immunization sheets.

## Selective Service Compliance

Act No. 185 of the 1985 Louisiana Legislature states that no one who is required to be registered under the provisions of the Federal Selective Service Act shall be permitted to enroll in a post-secondary school until such person has registered for the draft. Students are responsible for complying with this act prior to registration at LSUA.

## Academic Bankruptcy

Under specified conditions, students who have interrupted their college attendance for a period of at least five consecutive calendar years, may, at the time of application for admission to the University, declare academic bankruptcy. Under this policy, college-level work done at an earlier date is eliminated from computation of the grade point average and cannot be applied toward a degree at LSUA. Such work, however, will not be removed from students' scholastic records and transcripts. Academic Bankruptcy may be declared only once and once declared, may not be reversed. Students qualifying for academic bankruptcy are
admitted on scholastic probation. Details of this policy may be obtained from Admissions.

## ORIENTATION

Making the decision to come to college is one of great significance. College can change you life. To assist students with the important tasks associated with beginning college, LSUA provides formal orientation programs prior to registration. Orientation is mandatory for new and transfer students. Orientation sessions are listed in each semester's class schedule. All students will receive a card in the mail inviting them to the appropriate orientation session.

The faculty and staff of LSUA are ready to help students make a smooth transition to college life. Students are encouraged to visit Student Services, located in the Student Center West Wing, Room 206, (318) 473-6545, with questions or concerns.

## EARLY START PROGRAM

The Early Start Program (ESP) is designed to give high school graduates the opportunity to experience college life and receive advance standing credit in USTY 1001 at Louisiana State University at Alexandria. This program follows high school graduation and precedes enrollment in the University as a regularly-admitted student. The participant may choose from different sessions (see enrollment form for dates). A fee of $\$ 20$ will be charged to participate in this program in addition to the $\$ 20$ admission application fee.

The Early Start Program will provide participants with a variety of opportunities to include:

- Introducing campus life and university culture
- Addressing study skills necessary for college life
- Exploring career development
- Learning how to apply for admission to LSUA as a regularly-admitted student
- Speaking with an LSUA faculty advisor
- Scheduling LSUA classes for the following semester
- Earning college credit by passing the USTY 1001 credit exam
Credit earned by passing the USTY 1001 credit exam will be "banked" at LSUA until which time the student enrolls at LSUA as a regularly-admitted
student. Until that time, the credit may not be transferred to another institution.

A participant in the Early Start Program should provide the following materials to LSUA Admissions as early as possible preceding the session in which participation is desired:

- Completed Early Start Program Enrollment Form
- Proof of graduation
- $\$ 20$ participation fee, in addition to the $\$ 20$ admission application fee
For more information, call (318) 473-6545.
E-mail: generalinfo@Isuamail.Isua.edu

## ADMISSION TO A DEGREE PROGRAM

Selected degree programs have admission requirements beyond the general requirements for admission to the University. For details, students should consult the catalog description for the degree program in which they are interested.

## CATEGORIES OF ADMISSION

The following are categories of admission to degree and non-degree programs.

## Early and Concurrent Admission

High school students who have not completed their secondary school work and who meet specified criteria.

## New Freshmen

Applicants who have never attended any college or university.

## Transfer

Applicants who have attended one or more colleges or universities other than LSUA.

## Re-Entry

Students previously enrolled at LSUA who have interrupted their residence for one or more regular semesters (excluding summer). All re-entry students are required to submit transcripts of any courses taken at other colleges or universities during their absence from LSUA.

## Summer-Term-Only

Applicants who are students at other colleges or universities and who desire to attend LSUA for the summer term only.

## Visiting Students

Applicants who have attended and are in good standing with another university and who desire to attend LSUA for one semester only.

## Auditors

Applicants who wish to enroll in courses and not receive credit.

## Program for Adult Special Students (PASS)

Students who participate in the Program for Adult Special Students (PASS) may be permitted to schedule courses for credit without submitting the usual scholastic records needed to determine admissibility to the University. Credits earned are included on the student's official transcript, and will be considered for a degree only after qualifying for admission to the University by submitting a new application, acceptable scholastic records, and test scores.

## International

Applicants who are foreign nationals on nonimmigrant visas.

## APPLICATION PROCEDURES

## Early and Concurrent Admission (EA, EACE, EACED)

I. Early Admission - (EA) Applicants Who Wish to Attend LSUA and Not Continue Studies at the High School Level.
Student must
(1) have completed 15 high school units including:
3-Units English
2-Units Math
2-Units Social Science
2-Units Science
(2) have an overall high school grade point average of 3.0 (B) in academic subjects
(3) have a MINIMUM composite score of 28 on the American College Test (ACT)
(4) have the high school principal's recommendation
(5) have parent/guardian consent

NOTE: High school diplomas are neither required of these students nor granted by the University to students enrolled in the Early Admission Program. Information regarding the granting of high school diplomas may be obtained from the high school guidance counselor. See Section IV for application procedures.
II. Early Admission-Concurrent Enrollment (EACE) Applicants Who Wish to Attend LSUA While Concurrently Enrolled in High School
Student must
(1) have completed 15 high school units including:
3-Units English
2-Units Math
2-Units Social Science
2-Units Science
(2) have an overall high school grade point average of 3.0 (B) in academic subjects
(3) have a MINIMUM composite score of 23 on the American College Test (ACT)
(4) have the high school principal's recommendation
(5) have parent/guardian consent
(6) not enroll for more than 9 hours per semester
NOTE: See Section IV for application procedures.
III. Early Admission-Concurrent Enrollment for Developmental Students - (EACED) Applicants Who Wish to Attend LSUA for Developmental Courses Only While Concurrently Enrolled in High School.
Developmental courses carry no degree credit and must be scheduled in accordance with LSUA placement policies.
Student must
(1) have earned at least 12 units of high school credit
(2) have an overall high school grade point average of 2.0 (C) in academic subjects
(3) not enroll for more than 8 hours per semester
(4) have the high school principal's recommendation
(5) have parent/guardian consent

NOTE: See Section IV for application procedures.

## IV. Application Procedures - (EA), (EACE), (EACED)

An applicant for one of the enrollment programs for high school students should provide the following materials to LSUA Admissions as early as possible preceding registration for the semester in which enrollment is desired.
(1) Completed LSUA application for admission
(2) Completed parent/guardian consent form
(3) Completed principal recommendation form
(4) American College Test (ACT) Profile Sheet
(5) Official high school transcript (Must be mailed directly to LSUA by the high school)
The above items along with the applicant's maturity, rank in class, and other evidence of scholarly achievement will be considered in the selection of students accepted to participate in these programs.

A student may enroll in the EACE or EACED program only until May of the year in which he or she attains 18 years of age. A completed parent/guardian consent form and principal's recommendation form must be submitted PRIOR TO THE BEGINNING OF EACH SEMESTER the student wishes to attend. These forms are available in Admissions at LSUA. Failure to submit the forms in advance of registration will cause delay during registration. Once students become ineligible to continue in the concurrent enrollment programs for high school students, they should contact Admissions for information regarding application procedures for regular admission.

## New Freshmen

To prepare for study at LSUA, students should follow a college preparatory curriculum in high school. Reading comprehension and the ability to write clear prose are skills essential to college success. LSUA recommends that, at minimum, students complete the TOPS curriculum as follows:

- English (4 units): courses emphasizing composition skills
- Mathematics (3 units): Algebra I and II, geometry, trigonometry, advanced mathematics, or calculus
- Natural Science (3 units): biology, chemistry, physics
- Social Studies (3 units): world history, American history, and civics
- Foreign Language (2 units): single language
- Computer Studies ( $1 / 2$ unit)
- Fine Arts Survey (1 unit) or TOPS-approved substitutions
High school students should submit their applications as early as possible in their senior year of high school. Applicants who have already graduated from high school should submit applications as early as possible in the semester preceding the date admission is desired.

To apply for admission, beginning freshmen should follow the steps outlined below:

1. Complete an application and a Proof of Immunization Compliance form and return them to Admissions early in the semester preceding the date for which admission is desired.
2. Submit scores on the American College Test (ACT). High schools should have application forms for this test. If applications are not available, they may be obtained by writing to the Registration Department, American College Testing Program, P. O. Box 414, Iowa City, lowa 52240, or by contacting LSU at Alexandria (318) 427-4492. The application form is accompanied by a Student Information Bulletin which describes the test, gives dates and places for test administrations, and outlines procedures for registration. Test centers are located throughout the U.S. with tests administered on five specific dates established by the testing service each year. Scores are reported to colleges and universities as requested by the student. LSUA's
ACT code number is 015890 and should be specified by students at the time they register for the ACT.
Applicants are advised to take the ACT in April or June of their junior year of high school or as early as possible in their senior year. Scores on this test constitute a valuable aid in gaining insight into a student's capacity for college work. They are used with other data for placing students at
appropriate levels in freshman courses, for counseling, and for selection of scholarship and loan recipients. All freshman are required to submit ACT scores before full admission may be granted.
3. Request high school principal to send an official transcript of work immediately following graduation. Transcript must be mailed directly to LSUA by the high school and must contain an official date of graduation, rank in class, and overall grade point average.
Note: Students who graduated from a Louisiana public high school since 2003 do not need to request a transcript of high school work. This information is now obtained electronically from the Board of Education with the consent indicated on the student's signed application for admission.

## GED Graduates

General Education Development (GED) graduates must submit copies of their high school equivalency diplomas, official transcripts, Louisiana Certificate DE509, or a copy of the Louisiana State Department of Education test results. GED graduates who have taken fewer than 12 credit hours of non-remedial college work must also submit scores on the American College Test (ACT).

## Home-Schooled Applicants

The following admission requirements must be met in order for home-schooled applicants under twenty-five years of age to be accepted for admission to the University:

1. Freshman applicants should submit their application for admission and Proof of Immunization Compliance form as early as possible in their senior year.
2. 

Home-schooled applicants should request to have their high school equivalency transcript (available if home schooling has been conducted through a nationally-recognized home school accrediting agency) sent to Admissions as soon as possible after completion of the $12^{\text {th }}$ grade.
3. All applicants for admission to the freshman class are required to submit scores on the American College Test (ACT). Applicants are advised to take the ACT as early as possible in
the senior year of home schooling. Scores on this test are used for placing students at appropriate levels in freshman courses and for selection of scholarship recipients.
4. In the event that a home-schooled applicant has neither a home school transcript from a nationally-recognized accrediting agency nor a G.E.D., then he or she may apply for admission by entrance examination. (The ACT is used for this purpose.)

## Non High School Graduates

Applicants who have not graduated from high school must be at least 25 years of age and must submit ACT scores. Non high school graduates who are interested in obtaining a General Education Development (GED) diploma should contact the Adult Education Center, 3443 Prescott Road, Alexandria, LA 71301. Phone: 445-7017.

## Graduates of Unaccredited High Schools

Louisiana residents who have not attended another college or university and who are graduates of "unaccredited" or "unapproved" high schools may be considered for admission based on the quality of their performance on the ACT.

## Transfer Students

Undergraduate students with satisfactory records in other accredited colleges and universities are eligible to apply for admission to Louisiana State University at Alexandria as transfer students.

To apply for admission, transfer students should follow the steps outlined below:

1. Complete an application and a Proof of

Immunization Compliance form and return them to Admissions early in the semester preceding the date on which admission is desired.
2. College students should request the Registrar of each college in which they have been registered to send an official transcript of record, regardless of whether credit was earned or is desired. If fewer than 12 semester hours of college credit (nonremedial) have been earned, students must also submit official high school transcripts complete with date of graduation.

Eligibility for full admission cannot be determined until the application and a complete, official transcript from each college or university attended has been received.
Each college or university attended must be listed on the application. Students who fail to acknowledge attendance at any college or university in which they have been registered are subject to dismissal from LSUA.
Students enrolled in college at the time applications are submitted should have transcripts sent when they apply for admission, to be followed by supplementary records at the close of the semester.
3. Transfer students who have completed fewer than 12 semester hours of college credit (nonremedial) must submit ACT scores before full admission may be granted. Transfer students who have not completed freshman math and English, or whose first college enrollment was Fall 1982 or earlier, must submit ACT scores in order to avoid possible placement in developmental math and/or English courses.

## Transfer Admission Requirements

Transfer applicants who have been suspended from another college or university will not be considered for admission to LSUA until the length of the suspension has expired.

Transfer applicants who are eligible to continue enrollment at their former institution but whose overall GPA is below LSUA's standard for academic good standing may be admitted to LSUA on probation. More information regarding probation and suspension may be found in the "Scholastic Regulations" section of this catalog.

## Transfer Credit

In computation of the grade point average on credits transferred to LSUA, a grade of "A" carries 4 quality points per semester hour; "B," 3 quality points; "C," 2 quality points; "D," 1 quality point; "F," no quality points. The symbols "+" and "-" are disregarded. Grades of "pass," "credit," and "satisfactory" are treated alike and will be counted as earned hours, but will not be counted in the computation of the GPA. "Fail" will count as hours attempted, but not as hours earned, and will be used to compute the GPA, including any remedial course
work. All courses taken, including repeated and unresolved incomplete courses, as well as courses with any other grades, except those in which grades of "W" are recorded, are included in the computation of the grade point average. This policy is followed regardless of the practice of the sending institution.

Evaluations of credits from other institutions are made by qualified faculty and are processed by Admissions. These evaluations are not made until the student's complete application and all official transcripts from each college and university attended are received. In general, credit earned in colleges and universities accredited by regional accrediting associations is given full value.

When transfer courses were taught at the lower (1000-2000) level at the sending institution but the courses are taught at the upper (3000-4000) level at LSUA, upper-level credit may be granted if the courses are determined to be equivalent by the departmental faculty and department chair. Such equivalencies will normally be limited to differences of one level (i.e., 2000 to 3000). Any exceptions must be approved by the departmental faculty and department chair. A maximum of 15 hours of lowerlevel transfer credit that has been evaluated as upper-level credit at LSUA may be used to satisfy the 45-hour upper-level course requirement for baccalaureate degrees.

LSUA welcomes transfer of students from institutions on both semester and quarter systems. Quarter system transcripts will be evaluated on a case by case basis in accordance with the individual institution's policy on course credit hours.

Each student's record from a non-accredited college will be considered on the basis of individual merit. Applicants are given an opportunity, usually through credit examinations, to validate some or all of the credits not accepted for transfer.

Nontraditional credit (credit earned in any way other than through residence study) is awarded according to university policy as stated in this catalog, regardless of the policy of the sending institution.

Credit earned by departmental or institutional examinations at other regionally-accredited colleges and universities and listed on an official transcript is recognized in the same way that residence credit earned in those institutions is accepted. Such credit is not generally computed in the grade point average.

Students who have taken subject examinations in the College-Level Examination Program (CLEP) or who have participated in the Advanced Placement Program of the College Board (AP) should have examination scores sent directly to Admissions for evaluation.

Credit is not awarded for work or travel experience except as validated by appropriate credit examinations at LSUA.

Credit allowed by Admissions for transfer is, in all cases, subject to review by the student's department chair with the approval of the dean and the Vice Chancellor for Academic and Student Affairs. Consideration will be given to its applicability toward a particular degree and the student is expected to conform to all requirements of the chosen degree program.

Questions relating to the evaluation of credits should be referred to Admissions. Questions relating to the acceptance of credits toward a degree program and the length of time required for completion of degree requirements should be referred to the appropriate academic department.

## Procedure for Appealing Transfer Credit Evaluations

If a course equivalency evaluation is questioned by a student, Admission's staff will review the current course documentation on file to determine if the evaluation was done correctly. If an error is found, the evaluation will be corrected. If no error is found, a verbal explanation of the decision will be provided to the student. If the student disagrees with the decision, he or she has the right to appeal.
To Appeal--

1. The student should complete an appeal request form and submit it to Admissions. Forms are available in Admissions.
2. Admissions will forward the request to the appropriate department chair.
3. The department chair will review the evaluation and make a recommendation to Admissions.
4. Admissions will notify the student in writing of the recommendation, whether favorable or unfavorable. If a revision is recommended, Admissions will correct the original evaluation and will forward a copy to the student, to the student's academic department, and to Records for posting.

Students who have questions regarding whether or not transfer credit will apply toward their degree requirements should contact the department chair of their intended major.

## Former LSUA Students (Re-entry)

Former students who interrupted their attendance at LSUA for one or more regular semesters (excluding summer sessions) must file a formal application for readmission. Applications should be submitted as early as possible in the semester preceding the date that admission is desired. Although all records may be on file, it is necessary to examine them to determine eligibility. If a student has been suspended for academic or other reasons, or if there is any irregularity in the academic record, it may be necessary to discuss the record with the Vice Chancellor for Academic and Student Affairs.

Former students who have remained out of the University for one or more regular semesters (excluding summer sessions) and who plan to reenter LSUA must follow the steps outlined below:

1. Complete an application and return it to

Admissions early in the semester preceding the semester for which admission is desired.
2. Students previously enrolled at LSUA who have subsequently enrolled at another campus of the LSU System or at another institution must submit official transcripts from each college or university attended prior to further registration on the LSUA campus, regardless of whether credit was earned or is desired. Failure to acknowledge such attendance or to submit transcripts will result in cancellation of registration and/or dismissal from the University.
For further information about acceptance of credit from other institutions, see "Transfer Students" discussed earlier.

## Summer-Term-Only Students

Students enrolled in another college or university who are eligible to continue in that institution in the summer session may register as summer-term-only students. Such enrollment will terminate at the end of the summer term and does not presuppose or
constitute admission to the University for a regular semester. Summer-term-only students should:

1. Complete an application and Proof of Immunization Compliance form and return them to Admissions early in the semester preceding the summer for which admission is desired.
2. Summer-term-only students may submit, in lieu of college records, a statement from the Registrar of the last school attended certifying eligibility to continue at that institution in the summer session. This statement must include the total number of semester or quarter hours of credit previously earned.
These students further assume full responsibility for the selection of courses to be applied at the institutions in which they are pursuing degrees, and they are urged to seek guidance from that institution.

Students admitted on summer-term-only basis who wish to become regular students in the fall semester, must complete a new application for admission for the fall semester and must supply official transcripts of all college-level work previously taken.

## Visiting Students

Students who have been enrolled in another college or university who are eligible to continue in that institution may register as visiting students. Enrollment for visiting students is for one semester only and does not constitute or presuppose continuing admission to the University. These students may schedule no more than 12 credit hours in the semester of their attendance as a visiting student. To apply for admission, visiting students should:

1. Complete an application and Proof of Immunization Compliance form and return them to Admissions early in the semester preceding the date on which admission is desired.
2. Visiting students may submit in lieu of college transcripts, a statement from the Registrar of the last school attended certifying eligibility to continue at that institution. This statement must include the total number of semester or quarter hours of credit previously earned.
These students further assume full responsibility
for the selection of courses to be applied at the
institutions in which they are pursuing degrees, and they are urged to seek guidance from that institution. For registration in courses that require prerequisite coursework, students must provide proof that all requirements have been met. Visiting students who wish to become regular students in a subsequent semester, must complete a new application for admission and must supply official transcripts of all college-level work previously taken.

## Program for Adult Special Students

Students who participate in the Program for Adult Special Students may be permitted to schedule courses for credit without submitting the usual scholastic records needed to determine admissibility to the University.

Credits and grades earned in the PASS program are included on the student's official transcript.

Credits earned in the PASS program will be considered toward a degree only after the student has been admitted to the University in regular degree-seeking status. See appropriate application procedures under "New Freshmen," "Transfer Students," or "Former LSUA Students" section.

## Applicants Not Pursuing a Degree (PASS)

Adults who wish to schedule part-time study, who have not been enrolled in high school or college during the past calendar year, who are at least 21 years old, and who do not plan to work toward a degree may participate in this program.

These students may schedule as many as nine (9) semester hours in a semester and may attempt, including courses graded Pass/No Credit (P/NC), as many as twenty-four (24) semester hours in this program.

Students who decide that they wish to work toward a degree or who wish to continue their enrollment after having attempted twenty-four (24) semester hours in this program may apply for regular admission to the University and submit complete, official scholastic records.

Eligibility for admission to the University as a regular student will be determined on the basis of the student's entire academic record including grades earned as an adult special student.

A course requiring a prerequisite should not be attempted unless the student has had the stated prerequisite (previous course(s) or its equivalent
through work, living experience, or counseling) and has obtained approval of appropriate University personnel.

## Class Attendance

If a student registers as a PASS student and then decides not to attend, he or she should process an official resignation. Non-attendance in a class or informing the instructor of plans not to return do not constitute an official withdrawal from a class. Students still on the official roster of a class at the end of the semester will receive a grade.

PASS students are not eligible for financial aid or VA benefits.

PASS students and other students who are not seeking a degree must meet the requirements of the catalog in effect at the time they enter a degree program.

## Auditors

1. An enrolled student may be admitted to class as an auditor by obtaining written consent of the instructor of the course.
2. An individual who wishes to enroll in classes for audit only must obtain special enrollment forms from Admissions and be admitted as an audit only student.
3. Auditors will not receive degree credit for courses audited, nor will they be permitted to take advanced-standing examinations on such work. However, courses previously audited may be taken later for credit.
4. Change in registration from audit to credit or credit to audit requires permission from the instructor of the course and the student's advisor.
5. Approval for change from audit to credit or credit to audit may take place no later than the final date for adding courses for credit as shown in the Academic Calendar.
6. Students who wish to make these changes should contact their advisors who will assist them in processing a schedule change form.
7. Students who wish to audit a course more than once must obtain permission from the chair of
the department offering the course.

## International Students

International students with superior scholastic records and English proficiency, as demonstrated by acceptable scores on the TOEFL, are considered for admission as freshmen or transfer students.

Freshman applicants must be graduates of recognized secondary schools which at a minimum are comparable in level to U.S. high schools.

Transfer applicants are considered on the basis of secondary school records, as well as records of post-secondary study (university, institute, or technical schools).

Factors considered in making the admission decision are grades earned, subjects taken, and ability to carry a full course of study; scores on college entrance examinations such as the American College Test, the Scholastic Aptitude Test of the College Board, or the Prueba de Aptitud Academica; appropriateness of proposed field of study in relation to the applicant's general ability; and letters of recommendation.

An applicant whose native language is not English is required to submit a score of 500 or better on the Test of English as a Foreign Language (TOEFL), 173 on the computer-based TOEFL, or 61 on the internet based test. This is a test designed to evaluate proficiency in English and is administered at testing centers overseas and throughout the U.S. Information regarding this test may be obtained by writing to TOEFL, Educational Testing Service, Princeton, New Jersey 08541.

Louisiana State University at Alexandria's TOEFL code number is 6383. Applicants who want their scores sent to LSUA should enter this code number on their answer sheets when they sit for the TOEFL examination. They should also enter the code on Score Report Request Forms when requesting TOEFL scores from tests previously taken. The scores will then be sent directly to LSUA from the Educational Testing Service.

The following materials must be received by Admissions at least 90 days before the beginning of the semester in which admission is desired. I 20's will not be issued until all documentation is received. Students may contact Admissions at (318) 473-6417 for more information.

- Application for admission and $\$ 20$ application fee
(Check or money order must be drawn on a United States bank.) International students are also charged an additional processing fee.
- Complete, official scholastic records submitted directly by the institution attended.
- A professional evaluation of the applicant's educational credentials by an evaluation service recognized by LSUA (World Education Service www.wes.org; or Global Credential Evaluation Service - www.gcevaluators.com).
- Scores on the American College Test (ACT) and the Test of English as a Foreign Language (TOEFL).
- An official Financial Statement Certification verifying bank funds available in U.S. dollars to cover the educational and living expenses.
- A completed immunization form included with the application.
International applicants are required to offer proof of the availability of sufficient funds to meet all costs while studying at the University.

When sufficient scholastic records and acceptable evidence of English proficiency are not received early enough to determine admissibility for the semester for which application was made, consideration will be delayed until the following semester.

Any student on a student visa is classified as a non-resident for tuition purposes. Students enrolled at LSUA on an F-1 type visa will be required to pay all tuition and fees at the time of registration. There will be no deferment option.

## PLACEMENT AND ADVANCED STANDING

The opportunity for advanced standing is open to students with superior ability who have acquired excellent preparation in high school or through their own initiative. Advanced standing recognizes superior attainment and permits students to
demonstrate academic competence through examinations. Students who earn acceptable scores on these examinations are allowed placement at a higher level and credit in courses bypassed. Students may qualify for advanced standing credit in the ways listed below.

## ACT - The American College Test

ACT scores are used for placement and for granting advanced-standing credit in freshman English and mathematics.

## AP - The Advanced Placement Program of the College Board

Advanced Placement credit will be granted in appropriate subjects to admitted students who earn grades of 3, 4, or 5 on Advanced Placement subject examinations.

## CLEP - Subject Examinations of the College Level Examination Program <br> LSUA awards credit on the basis of CLEP subject examinations.

## Credit Exams - Departmentally Administered LSUA Credit Exams

Students of superior ability and preparation and students who have already obtained a fundamental knowledge of subjects offered at the University may be permitted to take a credit examination(s) in a specific course(s), which, if passed with satisfactory grades, will enable students to receive degree credit.

## Credit for Approved Specialized Certification or Training Programs

In very limited cases, students may receive credit for specialized professional certifications. Generally, any such credit awarded will require presentation of an official copy of the certification award or transcript from a recognized training provider or licensing authority. Such award requires approval by the department in which the credit is granted, the Registrar, and the Vice Chancellor for Academic and Student Affairs.

## The American College Test (ACT)

The American College Testing Program (ACT) is organized to provide accurate, timely, and useful information which students, educators, and administrators need to make rational and productive plans and decisions. All freshmen and new transfer students who have not completed freshman English and math must take the ACT assessment before registration.

The ACT assessment is administered on five national test dates each academic year at designated test centers. To register for one of the national test dates, obtain a registration packet from a secondary school counselor or from LSUA (Room 220 of the Student Center) or by writing directly to Registration Department, American College Testing Program, P.O. Box 414, lowa City, lowa 52243. LSUA's ACT Code Number is 015890. For information on upcoming ACT test dates, call (318) 427-4492.

## Placement

## ENGLISH

## Enhanced ACT English Score

0-13
14-17
18-25
26 - Higher (and English score plus composite total $53^{*}$ or more)

## Placement

ENGL 0001(Developmental English I) non-degree credit ENGL 0002 (Developmental English II) non-degree credit ENGL 1001 (1 ${ }^{\text {ST }}$ Freshman English)

ENGL 1002 (2 ${ }^{\text {nd }}$ Freshman English); credit will be awarded for ENGL 1001 upon request.

## Students with ACT English scores of 22 are exempt from reading.

*If minimum total on English plus Composite is less than 53, placement is in English 1001. A total of 65 on the combined ACT English and Composite Scores results in credit for both English 1001 and English 1002.

|  | MATH |
| :---: | :---: |
| Enhanced ACT Math Score* | Placement |
| 0-14 | MATH 0003** (Pre College Algebra with Arithmetic) non-degree credit |
| 15-17 | MATH 0004** (Pre College Algebra) non-degree credit |

## COLLEGE STUDY SKILLS

Enhanced ACT Composite Score
0-16
Placement
STSK 0006

Students who register without ACT scores are subject to placement in developmental courses exclusively.

## Advanced Placement Examination of the College Board (AP)

The Advanced Placement Program of the College Board allows high schools to offer well-qualified students college-level courses simultaneously with their high-school programs of study. Each May, advanced placement examinations are administered (by the College Board) to students who have participated in this program. The following list shows credit awarded by LSUA and the score requirements:

| Examination | Minimum Score | Courses | Hrs. Cr. |
| :---: | :---: | :---: | :---: |
|  | 3 | FIAR 2440 or 2441 | 3 |
| Art, History of | 4 | FIAR 2440, 2441 | 6 |
| Biology | 3 | BIOL 1001, 1002 | 6 |
| Chemistry | 3 | CHEM 1201, 1202 | 6 |
| Economics | 4 | ECON 2010, 2020 | 6 |
|  | 3 | ENGL 1001 | 3 |
|  | 4 | ENGL 1001,1002 | 6 |
| English Language and Composition | 5 | ENGL 1001, 1002 (\&) 2025 (or) 2027 | 9 |
|  | 3 | FREN 1001, 1002 | 8 |
|  | 4 | FREN 1001, 1002, 2101 | 11 |
| French | 5 | FREN 1001, 1002, 2101, 2102 | 14 |
| Government, Politics (US) | 4 | POLI 2051 | 3 |

For information on general program data and policies, contact Advanced Placement Program, The College Board, 45 Columbia Avenue, New York, NY 10023-6917, or LSUA Enrollment Services.

## College Level Examination Program of the College Board (CLEP)

This program offers the opportunity for a student to obtain college-level credit based on intensive reading in a particular field, on-the-job experience, correspondence courses, or other means of formal or informal preparation. LSUA grants college-level credit on the basis of scores earned on certain CLEP subject examinations. LSUA does not offer credit for CLEP general examinations. See below for a list of credit awarded by LSUA on the basis of the subject exams. Additional CLEP subject examinations may be accepted for credit. Contact Admissions for the latest list of approved subject examinations.

LSUA also administers CLEP subject examinations. Students interested in taking one or more CLEP subject examinations at LSUA should contact Testing Services at (318) 427-4492 for details.

| CLEP Subject Exam | Minimum Score | LSUA <br> Equivalent | Hrs. <br> Credit |
| :---: | :---: | :---: | :---: |
| Composition and Literature |  |  |  |
| Analyzing \& Interpreting Literature | 50 | ENGL 2025 | 3 |
| Composition, Freshman | 50 | ENGL 1001 | 3 |

| Western Civilization II: 1648 to the Present | 50 | HIST 1003 | 3 |

## Credit Examinations

Students may apply for these tests at anytime after they have been admitted to LSUA.

To initiate credit examinations, students must obtain permission from the instructor and from the chair of the department offering the course.

Tests will be given subject to the following conditions:

1. The student must have been admitted to LSUA (not in provisional status) and must be in "good standing" (see Scholastic Requirements). If the
examinations are taken while the student is not enrolled at LSUA, credit will be granted after registration for resident study. NOTE: Students enrolled in non-degree-seeking status (summer only, PASS, etc.) are not eligible for credit examinations.
2. To initiate the examination, permission must be obtained from the appropriate instructor and chair of the department offering the course. After such permission is granted, Admissions will issue an official permit. No instructor may
give a credit examination until the official permit has been received.
3. If a grade of "C" or higher is earned on the examination, a mark of " P " and regular credit in the course are entered in the student's record. If a grade of lower than "C" is earned, only the fact that the examination has been attempted will be recorded; credit will not be allowed. A student may take a credit examination in a particular course only once.
4. Students are not permitted to schedule credit examinations in courses they have audited, in courses in which they have earned unsatisfactory grades, or in courses they have dropped and received a "W."
5. Credit earned through credit examinations will not be used in computing the student's grade point average.
6. Credit examinations are given to students enrolled at LSUA. Students must pay a fee for each exam taken. (Materials' fees apply in some courses.) Information about testing fees is available in Testing Services located in Student Center 220.
Credit by examination is limited to onefourth of the number of hours required for the degree.

Credit by examination cannot be used to reduce the minimum residence requirement for graduation.

## Credit for Approved Specialized Certification and/or Training Programs

Currently, LSUA only grants credit in this category in the following two areas: active duty military service and completion of a POST approved police academy.

## Military Service Credit

Students who have served on active duty in the United States military may receive Military Service credit on the following basis:

A student who has completed four months of continuous full-time active military duty will be granted one semester hour of Military Service credit for such service on presentation of satisfactory evidence. Two semester hours of credit will be allowed for six months of continuous fulltime active military duty. For longer periods of military service, credit is allowed at the rate of one semester hour per each additional three months of continuous active duty service, not to exceed 12 semester hours.

University credit is also allowed according to the recommendation of the American Council on Education for satisfactory completion of specific series schools. A copy of the service record (the DD214 or the DD295) must be submitted for evaluation and awarding of credit. Army Veterans should submit an official copy of their Army/American Council of Education Registry Transcript (AARTS). Write for transcripts to AARTS, Operations Center, Ft. Leavenworth, MS, 66027-5073. FAX: AARTS, Operations Center, Commercial (913) 684-2011; Autovon 552-2011.

## Police Academy Credit

Criminal justice students who have passed a 320 -hour (or more) basic training course as prescribed and certified by the Louisiana Council on Peace Officers Standards and Training (POST) may apply to receive three semester hours credit in lieu of CJUS 2999 (Internship in Criminal Justice). If the training was completed outside the State of Louisiana, it must transfer to Louisiana in accordance with Louisiana Administrative Code, Title 22, Part III, Chapter 47.

Kerra Marcotte, a radiologic technology major from Avoyelles Parish, is the reigning Ms. LSU Alexandria.

Financial Aid and Scholarships is located in 109 Abrams Hall. For information, students may telephone (318) 473-6423; e-mail charvey@lsua.edu; visit our website at http://sfa.Isua.edu.; or write to Financial Aid and Scholarships, Louisiana State University at Alexandria, 8100 Highway 71 South, Alexandria, LA 71302.

## SCHOLARSHIPS AND AWARDS

In selecting recipients of scholarships and awards, consideration is given to academic excellence, character, leadership, general accomplishments, and financial need. In general, students who receive scholarships and awards rank in the top 10 percent of their high school graduation class and present placement and aptitude test scores in the upper ranges. A scholarship does not require service, but scholarships are awarded according to the academic eligibility set forth by the scholarship guidelines. An award made for "one year" covers two consecutive semesters, beginning with the academic session in the fall.

Scholarships awarded by outside agencies will be administered according to the rules and regulations prescribed by the donors as accepted by the LSU Board of Supervisors.

## Board of Supervisors Scholarships

Board of Supervisors Scholarships are awarded by Board of Supervisors members and the President of the LSU System. Applications are available in Financial Aid and Scholarships at the school the student will be attending.

## Centennial Honor Awards ${ }^{1,2}$

Centennial Honor Awards may be presented to high school seniors who have a " $B$ " average or higher at mid-term of their senior year and have a composite score of 25 or higher on the American College Test. Continuing Louisiana State University at Alexandria students may be considered for the award if they have a " $B$ " average on all prior college work and have a 25 composite score on the American College Test. The value of the scholarship is $\$ 825$ per semester up to eight (8) consecutive semesters. To retain the scholarship, the student
must maintain a "B" average on a minimum of 12 semester hours of work each semester. Scholarships may be adjusted or cancelled if a student receives other state-funded scholarships.

## Chancellor Scholarship Awards ${ }^{1}$

Chancellor Scholarship Awards are presented to high school seniors and/or continuing Louisiana State University at Alexandria students who have shown academic potential. The value of the scholarship can vary from $\$ 200$ to full tuition for one (1) to eight (8) consecutive semesters. To retain the scholarship, recipients must maintain at least an overall 2.5 grade point average.

## Founders Scholarship Awards ${ }^{1}$

Founders Scholarship Awards in the amount available per semester for up to eight (8) consecutive semesters are made by the Louisiana State University at Alexandria Scholarship Committee to high school seniors or continuing students. To retain the scholarship, each recipient must remain enrolled full-time and earn a grade point average of 2.0 on all work taken during the first semester and a grade point average of 2.5 each of the succeeding semesters. Scholarships may be adjusted or cancelled if a student receives other state-funded scholarships.

## Merit Honor Awards ${ }^{1,2}$

Merit Honor Awards in the amount of $\$ 585$ per semester for up to eight (8) consecutive semesters may be made by the Louisiana State University at Alexandria Scholarship Committee to high school seniors or continuing students. To retain the award, each recipient must enroll and remain enrolled fulltime and earn a grade point average of 2.0 on all work taken during the first semester and a grade point average of 2.5 or higher in each of the succeeding semesters. Scholarships may be adjusted or cancelled if a student receives other state-funded scholarships.

## University Scholarship Awards ${ }^{1}$

University Scholarship Awards in the amount of $\$ 215$ per semester for up to eight (8) consecutive semesters may be made by the Louisiana State University at Alexandria Scholarship Committee to
high school seniors or continuing students. To retain the scholarship, recipients must remain enrolled full time and maintain the required grade point average. This scholarship may be adjusted if the student receives another scholarship for tuition and fees.

Applications for the Centennial Honor, Chancellor Scholarship, Founders Scholarship, Merit Honor and University Scholarship Awards are available from the Louisiana State University at Alexandria Financial Aid and Scholarships office or from high school counselor offices. Applications can also be downloaded and printed from the LSUA website, http://sfa.Isua.edu.

[^1]
## Transfer Scholarships

Numerous transfer scholarships are made available to Louisiana State University at Alexandria students who are transferring to other four-year schools in Louisiana. For information about these scholarships, contact the Financial Aid and Scholarships office.

## State Scholarships

## Louisiana Rockefeller Scholarship

Louisiana Rockefeller Scholarship is a state program which offers scholarships to high school graduates with an interest of majoring in forestry, wildlife or marine science.

## Louisiana's Tuition Opportunity Program for

 Students (TOPS)TOPS is a comprehensive program of state scholarships. TOPS has four components, the Opportunity Award, the Performance Award, the Honors Award, and the Tech Award (for Technical Schools only). These programs are open only to Louisiana residents.

Any graduating high school student who achieves a cumulative 2.5 grade-point average, completes a specified college-preparatory
curriculum, and who scores at or above the state average (not less than 20) on the American College Test (ACT) is eligible to receive free college tuition through the TOPS program.

For the TOPS Opportunity Award, the Performance Award and the Honors Award, students must take a minimum of 16.5 core units in the college prep curriculum, achieve minimum standards for their grade point average, and achieve a minimum score on the ACT.

In order to continue receiving TOPS Honors and Performance Awards, recipients must maintain a 3.00 GPA and earn 24 hours each academic year. Opportunity scholars must achieve a 2.30 GPA in their first year, but must increase the GPA to 2.50 as they accumulate more than 48 credit hours. Award limits on all components of the program are four years or eight semesters. Eligibility is lost if the student fails to make steady academic progress, but may be reinstated.

The student must apply for all TOPS awards and the Louisiana Rockefeller Scholarship by submitting that version of the Free Application for Federal Student Aid (FAFSA), which corresponds to the year he/she plans to enroll in a postsecondary school. For example, submit the 2006-2007 version for school year 2006-2007. The state deadline is published on the FAFSA. Applications for these scholarships may be obtained from the high school counselor's office, the Financial Aid and Scholarships office, over the Internet at www.fafsa.ed.gov, or by writing to Student Financial Assistance, P. O. Box 91202, Baton Rouge, LA 70821 or by phoning 1-800-259-5626 Ext. 1012 (web site www.osfa.state.la.us ).

## Endowed Scholarships

To apply for the endowed scholarships, students should submit a Louisiana State University at Alexandria scholarship application which is available from Financial Aid and Scholarships, from high school counselor offices, or from the LSUA website, http://sfa.Isua.edu. All scholarships will be administered according to scholarship guidelines. For additional information, contact Financial Aid and Scholarships.

Morris N. Abrams Memorial Scholarship
Awarded to full-time students who are dependents of LSUA faculty and staff.

## Alexandria Exchangette Nursing Scholarship

 Awarded to a qualified applicant in Nursing.Thomas T. and Barbara R. Allen Scholarship Awarded to a qualified student majoring in Education.

## Barbara Rothschild Allen Psychology Scholarship

 Awarded to a student majoring in psychology who has an overall grade point average of at least 3.0.The Jackie Hubley Blanda Memorial Scholarship Awarded to a qualified Central Louisiana high school graduate.
Elizabeth M. Bolton Art Scholarship Awarded to a qualified applicant majoring in Art.

## Frances Sample Bolton Scholarship

 Awarded to a qualified entering freshman.
## James C. Bolton Memorial Scholarship

 Awarded to qualified students majoring in the field of Business.Lacy G. Bordelon Kiwanis Scholarship Awarded to a qualified entering freshman from Rapides Parish.
Mr. and Mrs. W. W. Bossier Memorial Scholarship Awarded to a qualified student from Rapides Parish.
The Lyle E. Brumfield Sch olarship Awarded to a qualified female applicant whose education has been previously interrupted.
John H. Cade, Jr. Memorial Scholarship Awarded to a qualified entering freshman.

## Barbara Brumfield Caffey Scholarship

 Awarded to a qualified dependent child of a current, retired or deceased LSUA faculty and staff.Jeremy E. "Jay" Carruth and David C. Ezernack

## Endowed Scholarship

Awarded to a student seeking a career in the field of Criminal Justice.

Charles J. and Eloise Gill Cavanaugh Endowed Scholarship Awarded to a qualified teacher education major.
Chancellor Robert Cavanaugh Endowed Scholarship Awarded to a full-time student enrolled in one of the University's baccalaureate programs.
Central Louisiana Advertising Club Scholarship Awarded to a qualified entering freshman majoring in marketing, public relations, or communication.
The Central Louisiana Chapter of the American Institute of Banking Scholarship

Awarded to a qualified student majoring in Business.
Central Louisiana Sheep Association Scholarship Awarded to a qualified applicant with an interest in Agriculture.

Dr. Charnia L. Cheatwood, Jr. Scholarship Awarded to a qualified entering freshman.
CLECO Endowed Scholarship
Awarded to a qualified entering freshman.
Bill Cotton Scholarship
Awarded to a qualified Freshman.
Anne Splon Coughlin Memorial Scholarship Awarded to a qualified entering freshman.
F. Hugh Coughlin Memorial Scholarship Awarded to an entering freshman who has shown academic ability and financial need.

Credit Bureau of Alexandria Scholarship Awarded to a qualified applicant in Nursing.
Crossroads Regional Hospital Scholarship Awarded to a qualified applicant in Nursing.
James W. Firnberg Scholarship Awarded to a qualified entering freshman.

The Moses R. Firnberg Memorial Scholarship Awarded to a qualified entering freshman.
Dr. Robert J. Freedman, Sr. Scholarship Awarded to a qualified applicant in Nursing.
Bernard Bindursky/Leonard Fuhrer Memorial Scholarship Awarded to a full-time student majoring in criminal justice or theatre who has an overall grade point average of 2.5.
Helen S. Gault Memorial Scholarship Awarded to a qualified applicant in Nursing.
Robertson L. Gilliland Memorial Scholarship Awarded to a qualified entering freshman.

The Irving and Lillie Goldstein Memorial Scholarship Awarded to a qualified applicant in the Department of Business Administration.

Helen, Shick, and Doug Gormanous Memorial Scholarship Awarded to a qualified entering freshman.
Helen, Shick, and Doug Gormanous Staff Scholarship Awarded to a qualified LSUA employee.
McDonald Kirby Guy Memorial Scholarship Awarded to qualified graduate of Glenmora High School
Dr. Alvin H. Honigman Memorial Scholarship in Nursing Awarded to a qualified applicant in Nursing.

Mark Eugene Howard Endowed Scholarship Awarded to a qualified student majoring in biology.
Huie Dellmon Trust Scholarship Fund Awarded to a qualified applicant in clinical nursing.

Albin S. Johnson Endowed Scholarship
Awarded to qualified applicant.
Albin S. and Rebecca Woodin Johnson Memorial Scholarship

Awarded to qualified applicant.

## Penny Johnson Scholarship

Awarded to a qualified graduate of Pine Prairie High School.

## Marion Kurfiss Scholarship

Awarded to a qualified entering freshman.
Lucien P. and Peggy Laborde Endowed Scholarship
Awarded to a qualified graduate of an Avoyelles Parish High School.

## Jimmy Lanius Memorial Scholarship

Awarded to a qualified applicant majoring in Accounting.

Francis L. Lavigne Memorial Scholarship
Awarded to an entering freshm an with preference to a student majoring in Pharmacy.

The Malcolm and Jean Levy Nursing Scholarship Awarded to a qualified applicant in Nursing.

## LSUA Ebony Endowment Scholarship

Awarded to an outstanding African-American freshman

## The LSUA Silver Anniversary Endowed Scholarship

 Awarded to a qualified entering freshman.
## Darrell Mabou Endowed Scholarship

Awarded to a qualified graduate of Buckeye High School.

## MacArthur Drive Lions Club Scholarship

Awarded to a qualified Central Louisiana high school graduate.
C. O. and Elizabeth Magee Scholarship

Awarded to entering freshman with preference to a student with an interest in Engineering.

The Wayne and Mary Malone Scholarship
Awarded to a qualified full-time student.

## Barbara M. Martin Scholarship

 Awarded to a qualified applicant majoring in Science.Dr. Benjamin F. Martin, Jr. Scholarship Awarded to a qualified applicant majoring in Science.

Dr. Bernard H. and Sandra Taylor McSparrin Endowed Scholarship in Nursing Awarded to a qualified applicant in Nursing.
Dr. Claude Melebeck Endowed Scholarship
Awarded to a qualified student majoring in Communication Studies or Theater.

Mid-State Sand and Gravel Scholarship Awarded to a qualified graduate of a Rapides Parish high school.
Col. W. R. Middleton Honor Awards
Awarded to an outstanding freshman, sophomore, junior and senior.

David A. Miller Memorial Scholarship Awarded to a qualified applicant.
William and Alice Mildred Morros Scholarship Awarded to a qualified applicant in Nursing.
Anthony, Mary and Joe S. Mowad Memorial Scholarship

Awarded to a qualified graduate of Oakdale High School.
Jerry Myrick Endowed Scholarship Awarded to a qualified child of current, retired or deceased LSUA faculty or staff member.
Valerie and Robert Neblett Scholarship
Awarded to a student with an overall grade point average of 2.5 or higher.

Regions Bank Scholarship
(formerly Security First National Bank Scholarship) Awarded to a qualified entering freshman.

Helena Corrigan Ritter Scholarship
Awarded to a qualified full-time student.
John L. Ritter Scholarship
Awarded to a qualified full-time student.
George H. Rothschild, Sr. Business Administration
Scholarship
Awarded to qualified applicant majoring in Business.
CHRISTUS St. Frances Cabrini Hospital Auxiliary Scholarship

Awarded to a qualified applicant in Nursing.
Gloria Bryant Shelby Scholarship
Awarded to qualified applicant majoring in Business or Science

Wayne Shelby Scholarship
Awarded to a qualified applicant whose major is in the Department of Business Administration.
Noel T. Simmonds M.D. Endowed Scholarship
Awarded to a qualified pre-medicine student or a student majoring in Science or Allied Health fields.
Albert (Zig) Slayter Memorial Scholarship Awarded to a qualified graduate of Grant High School.

## Student Nurses Association Scholarship

Awarded to a qualified applicant majoring in Nursing.
Syra-Meric Memorial Sch olarship
Awarded to a qualified student whose parents are members of Syra-Meric Club.

Honorable Richard S. Thompson Memorial Scholarship

Awarded to a qualified applicant who is a resident of Grant Parish.

The Samuel B. Thornton Memorial Scholarship Awarded to a qualified entering freshman.
Tillman Endowed Scholarship
Awarded to a qualified student pursuing a career in the field of law.
Gary Tisdale Memorial Sch olarship
Awarded to a student majoring in History or Geography.
Lavergne L. and D. Merrick Turpin Endowed Scholarship

Awarded to a qualified applicant.
Voiture Local 309--40/8 Scholarship for Nursing Awarded to a qualified applicant majoring in Nursing.

## Dr. D.V. Wells Endowed Scholarship

Awarded to a student majoring in biological or physical science with at least a 2.5 grade point average

## Non-Endowed Scholarships

To apply for the non-endowed scholarships, students should submit an LSUA scholarship application. All scholarships will be administered according to scholarship guidelines. For additional information, contact Financial Aid and Scholarships

## Alexandria Business Foundation Scholarships

Awarded to a qualified applicant majoring in Business.
Helen M. Armstrong, R.N. Scholarship in Nursing Awarded to a qualified applicant in Nursing.
Mary Jane Brown Memorial Sch olarship
Awarded to a full-time African American student who has a 2.5 grade point average on work attempted.

## LSUA Staff Senate Scholarship

Awarded to a qualified full-time staff member.
Sam and Myrtle Lyles Memorial Scholarship
Awarded to a qualified applicant from a rural area.

## The Martin Foundation Scholarships

Awarded to qualified applicants who are dependents of employees of the Roy O. Martin Lumber Company or its affiliates or qualified students in Avoyelles, Grant, Rapides, or St. Landry Parishes.

Gary and Deborah Tillman Scholarships
Awarded to a student classified as a sophomore or higher who is pursuing a career in the field of law.

## Club/Agency Scholarships

To apply for one of these scholarships, students should contact the personnel in the agency/club. All scholarships will be administered according to scholarship guidelines.

## Exchange Club of Alexandria

Awarded to qualified applicants in Nursing, Education, or with an interest in Agriculture.
Charlie G. Johnson, CLU Scholarship
Awarded by Central Louisiana Association of Life Underwriters to a qualified applicant.
LaPine Chapter, Professional Secretaries International Awarded to a qualified Business major.

## Rapides LSU Alumni

Awarded to a qualified applicant from Rapides Parish.

## Rapides Parish Fair Association

Awarded to qualified applicants from Rapides Parish with an interest in Agriculture.
Rapides Regional Medical Center Women's Auxiliary Awarded to qualified applicants in Nursing.
John "Jack" Franklin Taylor Memorial Nursing Scholarship

Awarded to a qualified applicant in clinical Nursing.
Voiture Locale 430 40/8 Scholarship for Nursing Awarded by the Voiture Locale 430 to qualified applicants in Nursing from Avoyelles Parish.
Sara Weiss Scholarship established by the Eighth District of Louisiana Garden Club Federation Awarded to a qualified applicant.

## Fee Exemption Scholarships

Students automatically forfeit their award when they fail to maintain the required grade point average for any given scholarship or award, when students fail to claim their award any semester, when they resign during a semester, or when they are suspended from the University.

## Louisiana Boys'/Girls' State Honor Awards

These awards are made annually upon the recommendation of the Director of Louisiana Boy's State and the Director of Louisiana Girls' State. Such recommendation is not automatic and does not accrue on the basis of attendance in these events. This award entitles the recipient to an exemption of $\$ 25$ for each semester and $\$ 20$ each summer term. The period of validity is four years, so long as the
recipient maintains the required scholastic average. Students must complete 12 hours of work with 2.0 average for their first semester in attendance and must earn a 2.0 on all work taken as a freshman and 2.3 on all work taken as a sophomore. Application should be made to the Director of Louisiana Boys'/Girls' State.

## Veterans Orphans Scholarships

The Veterans Orphans Scholarships are awarded by the Louisiana Department of Veterans Affairs to children of veterans who were killed or disabled as a result of military service. The value of the award is exemption from University fees. Fee exemption certificates should be presented to Financial Aid and Scholarships. Correspondence regarding this certificate should be addressed to Department of Veterans Affairs, Room 113, Old State Capitol Building, Baton Rouge, Louisiana 70801. Assistance is also given by the local Veterans Administration office in securing additional aid for war orphans. Students must be enrolled full time.

## National Guard Fee Exemptions

National Guard fee exemptions are available to active members of the Louisiana National Guard who are not on scholastic probation and who maintain satisfactory participation in the Louisiana National Guard. Applicants should apply through their unit commander at least six weeks prior to registration and should make sure that their name is on the master National Guard list.

## 65 and Older Fee Exemptions

An exemption of tuition for up to 6 credit hours is offered to any person 65 years of age or older. This exemption is allowed under Act 525 of the 1975 Louisiana Legislature. However, all persons are required to pay a $\$ 20.00$ application fee at the time application is made for admission to the University. All persons 65 years of age or older are responsible for all course fees other than tuition. Students must bring their driver's license or a valid I.D. containing their birth date to Financial Aid and Scholarships in order to receive this exemption. Further information may be obtained from Financial Aid and Scholarships.

## 4-H Club Honor Awards

These are awarded based on competition at the annual 4-H Club Short Course held at LSU in Baton Rouge. This award entitles the recipient to an exemption of $\$ 25$ each semester and $\$ 20$ each summer term. The period of validity is four years, so long as the recipient maintains the required grade point average. Awards are made upon the recommendation of the State 4-H Club Agent.

## CODOFIL Teachers

Teachers participating in the CODOFIL program in Louisiana who wish to take courses at LSUA are provided exemption from University and non-resident fees.

## Foreign Associate Teachers

Teachers sponsored by the CORDELL HULL FOUNDATION FOR INTERNATIONALEDUCATION are authorized a waiver of University and nonresident fees.

## FINANCIAL AID PROGRAMS BASED ON NEED

Financial Aid and Scholarships administers a number of federally-funded financial aid programs to help students to continue their education. All such programs are subject to regulations stipulated by the United States Department of Education, as well as University policies consistent with these federal regulations.

In order to receive funds from these programs, a student must have a high school diploma or general equivalency diploma (GED), be officially admitted to the University, and maintain satisfactory academic progress as defined by Federal regulations and LSUA's Financial Aid and Scholarships' policies and procedures.

## Grants

## Federal Pell Grants

These grants are available to students who have established financial need by means of the Free Application for Federal Student Aid (FAFSA) or the Renewal Application.

Students who are in need of financial assistance
to meet college expenses should regard this source of aid as the basic and primary one in meeting their needs. Other kinds of assistance for which students may qualify should be supplemental to the Pell Grant.

Depending on the cost of attendance and the ability of the applicants and their families to meet these costs, the value of the Pell Grant may vary from year to year. Applications may be obtained from Financial Aid and Scholarships at LSUA, high school guidance counselors, and most public libraries. Applicants must complete the paper application listing LSUA (Federal School Code 002011) as a school choice and mail it in the envelope provided or apply online at www.fafsa.ed.gov, making sure they print the signature page and mail it in (Applicants will be mailed a pin number). In accordance with the directions provided, an agency of the federal government will establish the student's eligibility for the grant and notify the applicants of their eligibility. This usually takes four to six weeks.

When LSUA receives electronic PELL information, the student will be sent a letter requesting additional information and/or supporting documents. To ensure availability of funds at registration, all required supporting documents should be submitted to Financial Aid and Scholarships by July 1 for Fall, October 1 for Spring, and May 1 for Summer.

## Federal Supplemental Educational Opportunity Grants

The amount of financial assistance students receive through a Supplemental Educational Opportunity Grant depends upon their need, taking into account their personal financial resources and those of their parents as compared to the cost of attending LSUA.

Students should complete the FAFSA and submit necessary paperwork to Financial Aid and Scholarships by May 1.

## Leveraging Educational Assistance Partnership (LEAP) - Formerly SSIG

These are available to students who are residents of Louisiana and the United States.

Eligibility for LEAP will be based upon the student's academic record and a recommendation by the school financial aid officer certifying substantial
financial need as determined through federallyapproved needs analysis systems.

Students must be enrolled full-time (twelve or more hours) and be in good standing academically to qualify for LEAP. High school graduates are required to have a "C" average in English, mathematics, social studies, and science. Postsecondary students who may qualify are required to have a "C" average for all grades or a "C" average for the immediate past school year. Grants range from $\$ 200$ to $\$ 1,500$ per year. Students should make an appointment with the Director of Financial Aid and Scholarships to discuss this grant.

## Loans

## Federal Family Education Loan Program (FFELP)

FFELP offers loans that are subsidized (interest paid by the federal government while the student is in school) and unsubsidized (student responsible for the interest) to students and/or parents who meet certain specific criteria. Under the terms of this program, loans up to $\$ 2,625$ per year for freshmen students, $\$ 3,500$ for sophomore students, and $\$ 5,500$ for junior and senior students are made by banks, credit unions, and other lending institutions.

There are also Unsubsidized Stafford Loans available up to the amount of $\$ 4,000$ for freshman and sophomore students and $\$ 5,000$ for junior and senior students per year. Eligibility and interest on these loans vary, depending on several factors. To establish eligibility, students must submit the Free Application for Federal Financial Aid or the Renewal Application. Check with Financial Aid and Scholarships for further information.

Junior- and senior-level loan amounts apply only to those students who are enrolled in a four-year degree program offered by LSUA.

Students who receive these loans must enroll and remain enrolled at least half time (six hours regular semester, three hours for summer session).

## Student Employment

Students are eligible for campus employment if they are classified as full time (12 hours or more) and have maintained either a " C " average during their last semester in attendance as a full-time (12 or more hours) student or are making satisfactory academic progress as determined by the University.

Securing student employment is a matter of making official application with Human Resource Management and then being interviewed by a job supervisor. Students who have a preference for a particular appointment may request a specific assignment. Students' pay rate is determined by previous employment, academic classification, and the nature of the assignment.

Most jobs require between 50 and 60 hours of work each month. The jobs are varied in nature. Some require special skills; others demand only a willingness to learn. Jobs listed include library assistant, office assistant, food service worker, laboratory assistant, research assistant, grounds assistant, recreation assistant, and desk attendant.

Incorporated into LSUA's campus employment program is the Federal Work Study Program which is a joint effort by the Federal government and the University to provide part-time jobs for students who have a great degree of need for financial assistance.

Under the terms of the Federal Work Study Program, high school students showing academic promise and documented need to help finance their college education may be guaranteed student jobs before they arrive on campus. It is estimated that such jobs will likely pay $\$ 800$ to $\$ 1,000$ per academic year for 10-20 hours of work per week.

## OTHER FINANCIAL AID AVAILABLE TO STUDENTS

## Vocational Rehabilitation Grants

Grants are made to students who are disabled and would ordinarily be unable to hold exacting parttime jobs. Based on need, aid is given for payment of instructional and other costs. Students should apply through the local Vocational Rehabilitation office or address correspondence to Executive Officer and Director, Vocational Rehabilitation, P. O. Box 44064, Baton Rouge, LA 70804.

## Veterans Benefits

Certifications for benefits are processed under the direction of the Director of Financial Aid and Scholarships. To begin processing their applications for VA benefits, students eligible for VA benefits should report to Veterans Affairs, Room 109, Abrams Hall, or call (318)473-6423, or complete the electronic application at www.gibill.va.gov. This includes those entitled to Chapter 30 (New G.I. Bill), Chapter 32 (VEAP), Chapter 34 (Old G.I. Bill), Chapter 35 (Survivors of Disabled Veterans) and Chapter 106 (Reservists G.I. Bill). Students are required to keep LSUA and the Veterans Administration advised of address and curricula changes and must complete and submit a VA data form each semester.

## FEES AND EXPENSES

## FEES

Information regarding fees may be obtained from Enrollment Services, Louisiana State University at Alexandria, 8100 Highway 71 South, Alexandria, LA 71302-9121.

The LSU Board of Supervisors may at any time adjust fees without advance warning to students.

## SPECIAL FEES

## Application Fee

Louisiana State University at Alexandria charges a fee of $\$ 20$ for processing applications. The $\$ 20$ application fee is non-refundable and is not applied to total fees due.

## Registration Fee

A registration fee of $\$ 15$ will be assessed every semester that a student enrolls for credit courses. The $\$ 15$ registration fee is non-refundable.

## Late Registration Fee

A late registration fee of $\$ 20$ will be assessed to all students who fail to register for classes during the open registration period and wish to enroll during the late registration period. The $\$ 20$ late registration fee is non-refundable.

## Laboratory Fee

A fee is assessed for all laboratory courses, including, but not limited to, education, fine arts performance, health sciences, kinesiology activities, natural sciences, and nursing courses.

## International Student Fee

International students will be assessed a onetime fee of $\$ 60$. The $\$ 60$ international student fee is non-refundable.

## Student Technology Fee

Students will be assessed a Student Technology Fee of $\$ 5$ per credit hour for up to 12 credit hours per semester. Students who register for more than 12 credit hours will be charged no more than $\$ 60$.

This fee is dedicated to the acquisition, installation, and maintenance of technology for student use.

## Academic Excellence Fee

Students will be assessed an academic excellence fee of $\$ 10$ per credit hour for up to 12 credit hours per semester. Students who register for more than 12 credit hours will be charged no more than $\$ 120$. This fee is used to promote academic excellence by enhancing instructional programs.

## Operational Fee

Students will be assessed an Operational Fee of $\$ 4.50$ per credit hour for up to 12 credit hours per semester. Students who register for more than 12 credit hours will pay no more than $\$ 54$. This fee is used to cover mandated costs and enhance instructional programs.

## Audit Fees

Students who enroll in courses for a combination of both "credit" and "audit" and students who enroll for "audit only" will pay the same amount in fees as students who schedule courses for "credit only." Fee schedules are available in Enrollment Services.

## Credit Examination Fee

Students will be assessed $\$ 20$ per credit examination. See the Admission section of this catalog for more information regarding credit examinations.

## Diploma Fees

- Associate and Bachelor
degree diploma fee . . . . . . . . . . . . . . . . . \$20
- Duplicate diploma fee . . . . . . . . . . . . . . . \$20
(Charged if student graduates in a semester subsequent to when the original diploma was ordered.)
- Replacement diploma fee . . . . . . . . . . . \$20

## Athletic Fee

Students will be assessed an Athletic Fee of $\$ 3.50$ per credit hour for up to 12 credit hours per semester. Students who register for more than 12
credit hours will be charged no more than $\$ 42$. This fee is restricted to support the athletic program.

## PAYMENT OF FEES

Prior to the beginning of each semester or summer term, Accounting Services and Bursar Operations mails fee bills to the mailing addresses of students who pre-registered. All fees are due by the date indicated on the bill. Payment should be made by mail using either a cashier's check, a personal check, or a money order.

If the invoice indicates that financial aid is available, the student should sign and return the invoice to Accounting Services and Bursar Operations to initiate payment of fees. If available financial aid does not cover the entire amount of fees, the student should include a check or money order for the balance.

## FINANCIAL OBLIGATIONS TO THE UNIVERSITY

## Non Sufficient Funds - Fees

A $\$ 25$ per check fee will be assessed when a check offered by a student in satisfaction of an obligation to the University is not honored by the bank on which it was drawn. A student can clear the obligation created by the insufficient fund check only by bringing cash or a money order equal to the amount of the NSF check plus the $\$ 25$ service charge.

Stopping payment on a check used to pay tuition and fees is not sufficient notice of withdrawal from courses and will not release the student from his or her financial obligation for those courses.

## Delinquent Accounts

Dropping courses or withdrawing from the University does not relieve a student of the responsibility for unmet financial obligations to the University. Students enrolled in a deferred payment plan will be required to continue making payments until the non-refundable portion of their account is paid in full.

A student whose account becomes delinquent as a result of the failure to make deferred payment of attendance fees in accordance with the terms of his or her agreement will lose the privilege to defer fees
in the future. In addition, the University reserves the right, under certain circumstances, to drop a student for non-payment.

Failure to pay in a timely manner can result in a $\$ 75$ financial reinstatement fee.

Student accounts not paid in full within 90 days after the end of the semester will be turned over to a collection agency and may be reported to the Credit Bureau. Students will be responsible for all costs associated with the debt and its collection, including attorney fees.

Sanctions will be imposed upon a student with delinquent financial obligations to the University, including:

1. Final grade reports for the current semester will be withheld.
2. Requests for the release of academic transcripts will not be honored.
3. The student will not be allowed to enroll again until he or she makes payment in full or takes other appropriate steps acceptable to the University to satisfy the financial obligation.

## REFUND OF FEES

Refund of University fees will be made according to the following policy when students RESIGN from the University or their provisional admission is CANCELLED. Refunds resulting from schedule changes will follow this same policy.

1. Resignations initiated through the first 5 class days of a full semester will result in a 100\% refund of refundable fees.
Summer, Fall A or B-Term, or Spring A or B-
Term resignations initiated through the first 3 class days will result in a $100 \%$ refund of refundable fees. (Summer A or B-Term initiated through the first 2 class days.)
If a student registered for a full-term and/or A-
Term AND also a B-Term course and resigns or drops from the B -Term course no later than the third day of B -Term, a full refund is due for the B-Term course.
2. Schedule changes initiated through the first 5 days of a full semester and 3 days in Summer, Fall A or B-Term, Spring A or B-Term, will result in a $\mathbf{1 0 0 \%}$ refund in the difference of fees.
(Summer A or B-Term initiated through the first 2 class days.)
Students who made schedule changes or resign
will receive a notice from Accounting concerning any refunds or any balances due the University.
3. Resignations or schedule changes initiated during class days 6-14 of a regular semester or class days 4-7 of Summer, Fall A or B-Term, will result in a $50 \%$ refund of refundable fees. (Summer A or B-Term class days 3-4.)
4. After class day 14 of a regular semester or class day 7 of a summer or half-term (A or B) NO REFUNDS will be given. (Summer A or B-Term $B$ after class day 4)
5. The application fee, registration fee, late registration fee, and international student fee are non-refundable.
6. The application for graduation fee is nonrefundable and not transferable to a future semester. In the event that an applicant fails to complete requirements for graduation, this fee will be forfeited and the student will be required to submit a new Application for Candidacy form along with the applicable fee.
Students attending LSUA and receiving Title IV assistance (Federal Financial Aid) will have a portion of their tuition refunded to Title IV if they withdraw from the University during the first $60 \%$ of the enrollment period.
NOTE: Refunds will be applied to any existing indebtedness to the University prior to disbursement to a student.

Stopping payment on a check used to pay tuition and fees is not sufficient notice of withdrawal from courses and will not release the
student from financial obligations for those courses.

Merely discontinuing class attendance is not considered to be a formal resignation from the University. Students who discontinue class attendance and who fail to follow the e s t a b l i s h e d resignation procedure will be held responsible for all tuition and fees.

Dropping courses or withdrawing from the University does not relieve a student of the responsibility for unmet financial obligations to the University. Students enrolled in a deferred fee payment plan will be required to continue making payments until the non-refundable portion of their account is paid in full.

## ESTIMATED EXPENSES

Following is a summary of estimated expenses for full-time students for nine months. (Two regular semesters.) See previous page for information regarding additional fees that may be assessed depending on the number and the type of courses taken and on the student's admission status.

Resident Students
Tuition and Fees . . . . . . . . . . . . . . . . . \$2,816
(based on 12 semester hours)
Textbooks and School Supplies . . . . . . 1,000
(estimate) \$3,816
Non-Resident Students
Tuition and Fees . . . . . . . . . . . . . . . . . . \$5,276
(based on 12 semester hours)
Textbooks and School Supplies . . . . . . 1,000
(estimate) \$6,276

Haywood Joiner, chair of the Department of Allied Health, helps student Bruce Perkins of Alexandria with his schedule on the first day of school. Faculty and staff members man Welcome Booths at the beginning of each semester to help answer questions and provide help for new students.

## SEMESTER HOUR SYSTEM

The value of each course of instruction and the amount of work required for graduation are stated in terms of semester hours. A semester hour of credit represents an hour of classwork, or two to four hours of laboratory work per week for a semester. Other forms of learning are awarded credit as appropriate.

## STUDENT RESPONSIBILITY

Each student is personally responsible for completing all requirements established for his or her degree by the University and the academic department in which he or she is enrolled. It is the student's responsibility to meet these requirements. A student's advisor or counselor may not assume that responsibility. Any substitution, waiver, or exemption from any established degree requirement or academic standard may be accomplished only with the approval of the student's department chair and the Vice Chancellor for Academic and Student Affairs.

## FACULTY ADVISORS

Each student enrolling at LSUA will be assigned a faculty advisor to assist in the scheduling of classes, work with the student in meeting University obligations, be available for students to guide them to get appropriate assistance on the campus and to discuss post-graduation opportunities. For most students, the advisor will be a faculty member from the discipline of their major. For students who are undecided on a major, an advisor from the Advising Center will be selected from individuals who are specifically oriented to helping students select a major, minor and program of study. Advisors work with students, but ultimately it is the student who has responsibility for ensuring that he/she completes the appropriate program of courses to earn a certificate and/or a degree.

## PRIVACY OF STUDENT RECORDS

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are

1. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access. Students should submit to the Registrar an official, written request that identifies the record(s) they wish to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to consent to disclosures of personallyidentifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the University's governing boards, or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her
tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.
The University discloses educational records
without consent when requested by officials of another school in which a student seeks or intends to enroll.
Directory information concerning the student may be released by the University unless the student has informed the University that such information should not be released. Directory information is defined as student's name; student's mailing and home address; student's telephone number; student's campus e-mail address; date and place of birth; major field of study and classification; academic terms attended; full or part-time status; degrees, awards, and honors received; the most recent previous educational institution attended by the student; and student ID photograph.
Student social security numbers may be released only to faculty for purposes of recording grades. Student cumulative grade point averages may be released only to honorary organizations for use in determining eligibility for membership. Participation in sports activities and related information such as weight and height of members of athletic teams may also be released upon request.
Students who wish to withhold directory information should complete the appropriate form in Records, 112 Abrams Hall, prior to the $7^{\text {th }}$ class day in any term. Each semester, LSUA publishes a student directory that contains the names and local addresses of all students enrolled. Students who want their name and address withheld should submit the request to withhold the information by the deadline indicated above.
Photographs created for student identification cards are also used in the LSUA Yearbook. Students who do not wish to have this picture appear in the yearbook must submit their request to withhold their picture by the above mentioned deadline. These forms are available
in Auxiliary Services, Room 201 of the Student Center.
Requests to prevent disclosure of directory information will remain in effect until a written request to rescind is received by the Registrar. Parents or guardians of students who are dependents for income tax purposes may review their dependents' academic records. It is assumed that all undergraduates are independent of their parents unless the University is notified to the contrary by the student and/or his/her parents. However, transcripts cannot be released to a third party without the student's signature except as provided in the Family Educational Rights and Privacy Act.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Louisiana State University at Alexandria to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education

600 Independence Avenue, SW
Washington, DC 20202-4605

## RESIDENCE CLASSIFICATION

The residence status of a student is determined by Admissions in accordance with university regulations and is based on evidence provided on the application for admission and related documents. Regulations relate primarily to the location of the home and the place of employment.

A resident student is defined as one who has been domiciled in Louisiana continuously for at least one full year immediately preceding the first day of classes of the term for which residence classification is sought.

Nonresident students who come to LSUA for the primary purpose of attending school rather than establishing a domicile in Louisiana will continue to be classified as non-residents throughout their attendance, unless they demonstrate that the previous domicile has been abandoned and a Louisiana domicile established.
"Domicile," as the term is used in the context of residence regulations, is defined as an individual's true, fixed, and permanent home and place of
habitation at which the individual remains when not called elsewhere for labor, studies, or other special or temporary purposes, and the place to which the individual returns after an absence.

Factors considered in establishing residence classification are the residence of a student's parents, parents' tax returns and other financial information (particularly when emancipation is claimed), former domicile in Louisiana, location of the source of the student's income, and the state in which the student is registered to vote.

An international student on a student visa is classified as a nonresident.

Residence status is not determined for students auditing only.

Further information concerning residence classification may be obtained from Admissions.

## OFFICIAL REGISTRATION

Students may attend classes only after completing registration, which includes paying fees. Records will provide evidence of proper registration to instructors. Students whose names are not on the official class rosters cannot attend classes until they provide evidence that they have registered.

Students may add courses for credit, make section changes, or drop courses with approval of the appropriate university personnel within the periods specified in the Academic Calendar. Students who register for classes during late registration (for late registration dates, see the current Class Schedule) will be charged a late registration fee of $\$ 20$.

In unusual and extenuating circumstances, a student may be permitted to register after the final date provided in the academic calendar upon approval of the Vice Chancellor for Academic and Student Affairs. Determination of such eligibility will be based on the reason for failure to register in accordance with the calendar, the strength of the applicant's academic record, and the number of courses he or she wishes to schedule.

## CROSS ENROLLMENT

From time to time, students will choose to enroll in more than one college or university at the same
time. Cross enrollment is permitted though not encouraged. Students are urged to undertake this practice only after consultation with a faculty advisor, checking to ensure that credits from other universities will transfer to LSUA, and investigating the potential impact to financial aid resources. Students should be mindful of the fact that for each hour of credit earned, there is an expectation of an hour in class and two hours of work outside of class. A fifteen credit hour class load is the equivalent of a 45 hour work week. Students enrolled concurrently at another university must submit an official transcript of transfer work to LSUA after grades are posted.

## IDENTIFICATION CARDS

When first enrolled in the University, students are issued photo identification cards at no cost. The ID card (OaKard) is the property of the University.

Students who alter or intentionally mutilate a university ID card, who use the card of another, or who allow others to use their ID cards may be subject to university discipline.

A $\$ 25.00$ charge is assessed to replace a lost, stolen, or mutilated ID card. If a replacement card is issued, the original card is no longer valid and cannot be made valid.

An identification card may be obtained in Auxiliary Services, Room 201 of the Student Center, during registration periods only after registration fees are paid. Identification cards may also be replaced during the semester in Auxiliary Services.

The OaKard is not only an identification card but also a debit card which can be used on campus in the following locations:

- bookstore
- student copiers
- food service
- vending machines
- computer lab printers.

Photographs created for student identification cards are also used in the LSUA Yearbook. Students who do not wish to have this picture appear in the yearbook must submit their request to withhold their picture by the $7^{\text {th }}$ class day in any given term. These request forms are available in Auxiliary Services.

## VEHICLE REGISTRATION

All motorized vehicles must be registered immediately upon arrival on campus in Auxiliary Services, Room 201 of the Student Center. Disciplinary charges will be levied for failure to register a vehicle and for violation of published traffic and parking regulations. Students may obtain their auto decal free of charge anytime throughout the year in Auxiliary Services.

Disabled students may apply for a special parking permit at this same location. The policy on issuance of parking decals for disabled students is as outlined below:

1. All requests for parking decals for disabled students will be routed to Auxiliary Services. Students with a state issued handicap parking permit will be given an LSUA handicap parking permit. Students without said permit will be required to complete a request form.
2. The completed form with supporting documentation attached will be returned to Auxiliary Services.
3. A committee will review the request and attachments and make a decision.
4. Auxiliary Services will issue the permit or inform the student that the request has been denied.
5. Students dissatisfied with the decision of the committee may appeal to the Chancellor. This appeal must be in writing and will include the original form, documentation, and any additional information from the student or the committee.
6. The decision of the Chancellor is final.

## NAMES AND ADDRESSES

Students are expected to keep the University informed of their current addresses and will be held responsible for communication from any University office sent to the most recent address(es) provided. Changes in addresses may be made in Records.

A student who wishes to change a name must present a social security card issued under the new name, along with a change of name form, to Records. Other name or characteristic changes are made upon the presentation of a court order.

## CREDIT FOR REPEATED COURSES

When students are permitted to repeat for credit a course previously taken, the most recent grade and credits earned determine acceptability of the course for degree credit. All instances of repeated courses, however, are included in grade point average calculations.

A student may not repeat a course in which a grade of "C" or better has been earned unless the catalog description indicates that the course may be repeated for credit or the student's dean approves the repetition for some special reason. If a student registers for a course in violation of the above policy, the Vice Chancellor for Academic and Student Affairs may deny degree credit for the course.

## COURSE LOAD

## Full-Time Classification:

- 12 semester hours in a regular semester
- 6 semester hours in a summer session

## Maximum Course Load: *

Regular Semester:

- 21 semester hours (may be earned in any combination of full semester and A- or BTerm courses)
Summer Session:
- 10 semester hours for a full summer session
- 6 semester hours for either $A$ or $B$ session
- 12 semester hours maximum may be earned in any combination of sessions.
*Under no circumstances can these maxima be exceeded.

## YEAR CLASSIFICATION OF STUDENTS

The number of semester hours of credit earned determines a student's year classification.

Freshman . . . . . . . . . . . . . . . . . . . . . . . . 0-29 hours
Sophomore . . . . . . . . . . . . . . . . . . . . . . . . . 30-59 hours
Junior
60-89 hours

Senior 90 or more hours

See "Courses of Instruction" section of this catalog for regulations governing the level of courses students may take, based on their classifications.

## Full-Time Students

A student enrolled for 12 or more hours of resident credit in a regular semester or 6 or more hours of resident credit in a summer term is classified as a full-time student.

## Part-Time Students

A student who schedules or drops to fewer than 12 hours in a semester or fewer than 6 hours in a summer term is classified as a part-time student.

For financial aid and general certification purposes, the following categories of part-time enrollment will be used.

## Enrolled less than half-time

$1-5$ semester hours fall or spring
1-2 semester hours summer

## At least half-time

6 or more semester hours fall or spring
3 or more semester hours summer

## At least three-quarter time

9 or more semester hours fall or spring
5 or more semester hours summer
A part-time student is subject to all university rules concerning registration, attendance, scholarship, and conduct.

## SCHOLASTIC REQUIREMENTS

Scholastic regulations embody the academic standards of a university. The application of the following regulations is directed toward upholding the standards of this University, specifically, to impose the requirement of satisfactory academic achievement. Continuation of students who have demonstrated a lack of the necessary ability, preparation, industry, or maturity to make such progress and to benefit from a program of university study is inconsistent with the purposes and
responsibilities of the University.

## Definitions

## Overall Grade Point Average

Overall (or cumulative) grade point average is calculated by dividing the total number of quality points earned by the total number of GPA credit hours.

## Computation of Grade Point Average

For all academic purposes, grade point averages shall be specified to four significant figures (three decimal places). No rounding occurs.

Any grade point average cited to only one decimal place (as 2.0) shall be construed to mean, mathematically, a figure accurate to three decimal places (as 2.000), regardless of the text.

## Good Standing

Students are in good standing if they are eligible to continue or to enroll at the University, even if on scholastic probation.

## Probation and Suspension

## Probation

1. Students who have carried 11 semester hours or less of college work will be placed on scholastic probation if their cumulative average is less than 1.5.
2. Students who have carried from 12 to 24 semester hours will be placed on scholastic probation if their cumulative average is at least 1.0 but less than 1.5 .
3. Students who have carried 25 or more semester hours of college work will be placed on scholastic probation if their cumulative average is at least 1.0 but is 10 or more quality points below 2.0 ("C").
4. Students can be placed on scholastic probation only on the basis of unsatisfactory grades made in college.
5. Once placed on probation, students will remain on probation each enrollment until they have earned a 2.0 cumulative average.
6. Students cannot be placed on scholastic probation on the basis of work taken during a
summer term.

## Suspension

1. Students who are not on scholastic probation and have carried 12 or more semester hours will be suspended from the University if their cumulative average is below 1.0 ("D").
2. Students already on scholastic probation will be suspended from the University if their grade point average for a given semester is less than 2.0 ("C").
3. Students cannot be suspended from the University based on work taken during a summer term.
4. LSUA does not accept for credit toward a degree any credits earned from another institution during the period of ineligibility to register at LSUA.

## Re-admission of Students Suspended from the University

Students who have been suspended from the rolls of the University may be considered for readmission in accordance with the following rules:

1. A student who has been suspended from the rolls of the University for the first time for academic reasons at LSUA will not be permitted to register until the expiration of one full semester unless readmitted through the First Drop Program.
Under the First Drop Program, students will participate in training designed to improve study skills and increase academic success. Students may register for at least 3, but no more than 6 hours of course work for credit.
If this course work is completed with at least a " C " average (2.0), the student will be allowed to continue in school. If, however, the course work is completed with less than a "C" average (2.0), the student will incur a second academic drop and will be suspended from the University for one calendar year.
Students who wish to re-enter through the First
Drop Program must contact Admissions to request permission no later than two working days prior to regular registration for that semester or session. Re-admission may be delayed or denied at the discretion of the

Registrar.
The student's transcript will carry a notation that
the student was suspended but conditionally readmitted on probation based on this option.
When students register early for an upcoming
semester and are subsequently suspended for academic reasons, the classes for which they registered are automatically cancelled.
2. Students who have been suspended more than once for academic reasons at LSUA must remain out of the University for at least one calendar year. They may then apply for readmission. Readmission may be delayed or denied at the discretion of the Vice Chancellor for Academic and Student Affairs.
3. Appeals of academic ineligibility to enroll for students who have been suspended more than once are considered only in the event of extenuating circumstances. Students to whom this applies may contact Admissions for information about filing an academic appeal.
4. A student who has been suspended for academic reasons may not obtain credit toward a degree at LSUA with credits earned from another institution during the period of ineligibility to register at LSUA. However, with the approval of the student's department chair, dean, and/or the Vice Chancellor for Academic and Student Affairs, the student may register to audit regular courses offered at LSUA or may register for non-credit correspondence courses offered by regionallyaccredited universities.
5. Students re-admitted to LSUA after being suspended for academic reasons will be on scholastic probation when they return and will remain on probation until their overall average is 2.0 or better.

## Summer Only Drop Status Re-Admission

Students who are currently in suspension status at LSUA may apply to attend in the summer only through the Summer Only Drop Status (SODS) program. This program is not available to students who are in suspension status with another university. To obtain SODS program permission forms or information about other required re-entry documents, contact Admissions.

Students cannot be placed on probation or
suspended from the University on the basis of work taken during a summer term.

Work taken during the summer term can result in students being removed from scholastic probation or suspension.

## FINAL EXAMINATIONS

Final examinations are required and must be given at the end of each semester or summer term in accordance with the dates published in the Final Examination Schedule issued by Enrollment Services. Any exception to this requirement must be approved by the Vice Chancellor for Academic and Student Affairs.

A student requesting a change in an exam time (within the established exam period) must present his or her request in writing to the instructor of the course, secure the instructor's written approval, and secure the written approval of the instructor's department chair.

A student who, because of illness or other valid reason, is absent from any final examination may take a special examination only with authorization of the instructor's department chair and dean of the college with the concurrence of the instructor involved. This special exam must be completed prior to the deadline for turning in semester grades.

## GRADING SYSTEM

## Exams and Other Graded Material

At the beginning of each semester, faculty members are expected to announce to their classes the basis on which the final grade will be determined. On request, faculty members should provide to students a review of all graded material, including final examinations, which contributed to the course grade and a review of the method by which the grade was determined. Unreturned examinations and other graded material should be kept on file for at least six months following termination of a course. Faculty members who leave the campus during this period should file such material in their departmental office.

## Grades

It is the right and responsibility of the instructor to determine and assign the grade for each student
enrolled in his or her course beyond the final date for withdrawing with a "W." The instructor's assignment of a grade is final, and the grade may not be changed or altered unless an official Change of Grade form is processed by the instructor and approved by the department chair (grade changes made as a result of the student grievance procedure must be approved by the Vice Chancellor for Academic and Student Affairs).

In extraordinary circumstances which make it impossible for the instructor to fulfill the responsibility of determining a course grade, the department chair shall assign the grade. In such cases, the department chair may elect to award a "P" (Passing) for work of at least " $C$ " quality.

1. Grades of "A," "B," and "C" are given for satisfactory work.
A grade of " A " indicates distinguished mastery of
the course material; a grade of "B," good mastery; a grade of "C," acceptable mastery. A grade of "D" indicates minimally acceptable achievement for credit; in some degree programs, a grade of "D" in certain courses does not carry degree credit. A grade of " $F$ " is failing. A "P" (Passing) denotes satisfactory completion (grade of "C" or better) on advanced-standing examinations and certain courses.
An "NC" (No-credit) denotes unsatisfactory performance on advanced-standing examinations and certain courses.
A student's grade point average is determined by dividing the total quality points earned by the total hours pursued. Quality points are assigned to letter grades as follows:
" A " = 4 quality points;
" B " $=3$ quality points;
"C" = 2 quality points;
"D" = 1 quality point;
"F" = 0 quality points.
Grading symbols of "P," "NC," "W," and "I" are
not used in computing the official grade point average and, therefore, do not carry quality points.
All courses taken for which grades of " $\mathrm{A}, \mathrm{B}, \mathrm{C}, \mathrm{D}$, or F" are assigned, including "repeated courses," are considered in calculating grade point averages.
2. A "W" will be entered on a student's record for any course dropped within the dates specified in the Academic Calendar. In extraordinary cases, the Vice Chancellor for Academic and Student Affairs may authorize a resignation and/or a drop from a course after the last dates specified.
3. Work that is of passing quality but is incomplete because of circumstances beyond the student's control may be marked "I" (Incomplete).
The Request for "I" Grade Form along with instructions for completing and returning the form may be obtained from Records located in Abrams Hall.
It is the student's responsibility to initiate the request for an incomplete grade. Arrangements to complete the missed work must be made with the instructor at the time the request is submitted. If authorization for the incomplete grade is not received prior to submission of final grades for the course, the instructor is to consider the delinquent work to be of failing quality, and an "I" is not to be given.
The "I" will be converted to "F" unless it is removed prior to the deadline for adding courses for credit as published in the University calendar. The conversion of the "I" takes place in the next regular semester following the assignment of the "l" grade. It is the responsibility of the student to make arrangements with the instructor for removing the "I" before this deadline.
In extraordinary cases, the dean of the college or the Vice Chancellor for Academic and Student Affairs may authorize that an extension of time for removing the "I" be given or that the "I" become permanent.

## SCHEDULE CHANGES

(Adding and Dropping Courses)
Courses may be added or dropped only in accordance with the dates indicated in the Academic Calendar.

A "Schedule Change Slip" for the purpose of adding or dropping courses is initiated by the student through his/her academic department and advisor.

The student is required to complete the schedule change on the date the change is initiated. Details
regarding the schedule change process may be obtained from the student's academic department.

Schedule changes are not considered official until they are processed through the student's academic department.

A course dropped prior to, and including, the fourteenth class day (seventh class day in a summer session or 8-week term) will not be recorded on the student's permanent academic record.

A "W" will be recorded for a course dropped between the fifteenth class day and the tenth class day after the mid-semester examination period has ended (eighth class day through fifth class day after mid-semester during a summer session or 8 -week term).

A student who does not withdraw from a class during the dates listed above must complete the course or receive an "F." (See "Resignation from the University" below for further information.)

## RESIGNATION FROM THE UNIVERSITY

A student may withdraw from all courses by resigning from the University at his or her option until the "final date for resigning" shown in the Academic Calendar. A student may not resign from the University until all financial obligations are satisfied.

Resignation is accomplished by obtaining a resignation form from the student's academic department, securing the necessary administrative signatures and submitting the form to Accounting Services in Abrams Hall within five class days of the date the resignation form was initiated.

A student who is unable to visit campus to resign must provide to his department chair a signed and dated request to resign. The postmark date will determine the effective date of resignation for fee refund and grade purposes.

A resignation is not official until the resignation form has been processed through Records.

Students who resign after the fourteenth day of class (seventh class day during a summer session or 8 -week term) will receive "W's."

## Unofficial Withdrawals

Students who fail to attend classes without processing official Schedule Change Slips to drop classes or official resignations will not be assigned
"W's" and, at the end of the semester will normally receive grades of "F" in courses for which they are registered. These students may be ineligible for readmission for a semester or longer, depending upon their academic standing at the conclusion of the semester during which they stopped attending classes.

Instructors, however, do have the option of dropping students from their classes for nonattendance at any time during that period of time in which "W's" are given as specified in the Academic Calendar. Instructors are not required to withdraw students from classes for non-attendance. Consult the latest Student Handbook for details of the Class Attendance Policy.

Financial aid will be adversely impacted by failure to officially withdraw from a class.

## GRADE REPORTS

The University mails grade reports to students at the mailing address on file at the end of each semester and summer term to inform them of their academic status, provided their financial accounts with the University are current.

## GRADE APPEALS

Students who wish to appeal a final grade should consult the latest Student Handbook for details of the Student Grievance Policy.

## TRANSCRIPT OF RECORD

Students may obtain a transcript of the work they have completed, provided they are current in their financial, library, and all other obligations to the University.

There is no charge for the first five transcripts requested from LSUA. (This includes all transcripts requested since 1960). The 6th and subsequent transcripts cost $\$ 5$ each, payable before the transcript can be issued.

Transcripts cannot be released without the student's written authorization. Students may complete a transcript request form in Records, 112 Abrams Hall. Written requests for official transcripts may also be mailed to LSUA Records, 8100 Hwy. 71 South, Alexandria, LA 71302-9121. Written requests must include the student's name (and
name while attending LSUA, if different), social security number, date of birth, last semester of attendance, student's signature, date of request, and address to which the transcript should be mailed.

## HONORS

## Dean's List

Each fall and spring semester, an honor list is compiled. Full-time students who earn a semester average of at least 3.5 and who have no "I" grades for the semester are included in the list. Full-time status ( 12 semester hours) will be calculated without considering courses audited, dropped, or resigned, and will exclude developmental education courses and any other credits not earned while enrolled for resident study at LSUA.

## Honor's Day

Honor's Day Convocation is held during the Spring semester each year. On this occasion, awards are presented to deserving students in the areas of academics, leadership and community service.

## University Honors

The Chancellor's Award for "Highest Academic Achievement" is awarded at each commencement to the graduate receiving an associate degree and to the graduate receiving a baccalaureate degree with the highest GPA provided that more than $50 \%$ of the total hours attempted in pursuit of the degree has been earned at LSU Alexandria.

Graduates receiving baccalaureate degrees may receive their degrees summa cum laude, magna cum laude, or cum laude. The determination for these designations is based on the student's grade point average. Degrees are awarded summa cum laude to students whose grade point averages are within the 3.90 to 4.0 range. In order for a degree to be awarded magna cum laude, the grade point average must be within the 3.70 to 3.89 range. Degrees are awarded cum laude to students whose grade point averages are between 3.50 and 3.69. Students who are awarded their degrees with honors must also have satisfied all additional requirements imposed by their college or department.

Students graduating with honors are recognized at commencement by wearing honors cords. Students graduating summa cum laude wear gold
cords. Those graduating magna cum laude wear silver cords; cum laude graduates wear white cords.

## Gamma Beta Phi

Gamma Beta Phi is a national collegiate honor and service organization. Students must have an overall 3.0 grade point average to be invited to become members. The gold satin stole worn by graduates at commencement signifies that they are members in good standing.

## ACADEMIC EXCEPTIONS

Under rare circumstances, a student may wish to seek an exception to the policies of this catalog. To
do so requires a "petition" which takes the form of a letter addressed to the Vice Chancellor for Academic and Student Affairs. The letter must be accompanied by documentation of the reasons for the petition. Typically, exceptions are granted for non-academic reasons such as extended medical leave or illness or an accident which requires an extended leave of absence. Petitions are acted upon as quickly as the Office of the Vice Chancellor can verify the facts of the petition. On some occasions, the Vice Chancellor will request a consultation with the student prior to acting on the petition. The granting of the request contained in a petition is at the discretion of the Vice Chancellor or his/her designee.

## STUDENT LIFE AND SERVICES

## STUDENT SERVICES

Student Services support academic excellence and campus enrichment through programs designed to foster student life. Quality programs provided in a learning environment include: counseling, career services, tutoring, subject specific video tapes, computer lab, writing center, testing center, disability services, student activities, intramural sports, student organizations, orientation activities and student leadership.

To access services, visit Student Services located in the Student Center, West Wing, Room 206. Offices are open Monday through Friday, 8:00 a.m. to 4:30 p.m. Appointments are preferred, walkins are welcome. After hours appointments can be scheduled by telephone at 318-473-6545 or e-mail studentservices@Isua.edu

## Counseling Services

Personal, academic, and career counseling is provided through Student Services. The counselor's approach is to prevent major issues in the student's life from becoming problems that interfere with academic progress. Students may receive professional assistance in the following areas.

## Personal Counseling

- Counseling sessions with qualified counselors for students, faculty, and staff
- Personal growth issues, interpersonal relationship skills, and crisis intervention
- Personal enrichment library consisting of books, audio and video tapes
- Appropriate referrals

## Academic Counseling

- Study skills training
- Time management assistance
- College adjustment counseling

## Career Counseling

- Choosing a College Major
- Computer-based assessment DISCOVER with follow-up counseling sessions
- Choosing Career Options
- Career library consisting of books, audio tapes and video tapes
- Computers for student use in developing
resumes and career exploration
- Career-related workshops
- Resume and interview assistance

Assistance is provided through individual appointments, group counseling, educational workshops and seminars, self-help information and assessment. All counseling services are free and confidential.

## Career Services

DISCOVER is a computerized career information and guidance system designed to assist in career planning. This system is available to students free of charge. Knowledge of typing or computers is not required to use the program. Students and prospective students may use DISCOVER and may meet with a counselor to receive assistance in choosing a college major or making other career decisions.

All students are encouraged to attend the Job Fair held each spring. Employers attending the Job Fair are looking for part-time workers as well as recruiting for full-time positions. Meeting employers at Job Fair is the first step of the networking process.

Full-time/Part-time Job Referrals are available to students seeking off-campus employment. Career Services post job listings on the Job Opportunity Board, located in Student Services. For additional information, or to list your resume with Career Services, visit our office located in the Student Center, West Wing, Room 206, or call 318-4736545.

A Vocational Counselor, funded through the Carl Perkins Program, provides academic guidance, vocational counseling, and job search assistance for vocational education students. The vocational counselor works specifically with vocational and special population students to provide guidance and direction in completing their vocational program. Assistance is provided in areas of time management, stress management, study skills, and the components of a job search.

Tutoring, Learning and Computer Lab (TLC Lab)
The TLC Lab, located in room 204 of the Student Center West Wing, provides a quiet, pleasant study area for both individual and group work. The lab is equipped with sixteen computers and excellent
software packages. The Writing Center, located within the TLC Lab, provides free peer tutoring for students needing assistance with Developmental English courses and English Composition courses. The Tutoring, Video, and Testing room provides the following services and resources: free peer tutoring for students needing assistance in Math and Science courses, an eight station video viewing area, and a quiet testing environment.

Students are encouraged to take advantage of tutoring and other academic support services provided by Student Services. Tutoring hours are posted at the entrance of the TLC Lab each semester. For additional information call (318) 4736545.

## Testing Services

Testing Services administers the following national tests to area students: ACT, PRAXIS, Pearson Vue, Dantes, and CLEP. Testing Services also administers Independent Study tests, special needs tests, and other testing as appropriate. For additional information, please contact Testing Services by telephone at (318) 427-4492.

## Services for Students with Disabilities(SSD)

Students who identify themselves to SSD and present written documentation of a learning, physical or psychological disability may be eligible for academic accommodation(s). Students who are having problems or need assistance should contact the Director of Student Services, located in the Student Center West Wing, above the Bookstore, in Room 206, telephone (318) 473-6545, e-mail studentservices@Isua.edu.

Students who are Louisiana residents may also contact the Louisiana Office of Vocational Rehabilitation, 900 Murray Street, Alexandria, LA 71301 to inquire about benefits that may be available to disabled persons.

## Student Publications

Paper Tiger is the campus newspaper published throughout the regular school term. The Paper Tiger informs students, faculty, and staff about news at LSUA. All students are invited to explore the opportunity to be on the Paper Tiger staff as editor, reporters, cartoonists, contributing writers, and photographers. The various newspaper duties allow
students to learn the fundamentals and mechanics of reporting news. Telephone (318) 767-2602 or e-mail papertiger@lsua.edu.

Sauce Piquante is the campus yearbook, which is published bi-annually. The yearbook is a pictorial documentation of the years covered by the publication. Yearbooks are offered at a minimal fee and may be purchased at Auxiliary Services in the Student Center. All students are invited to explore the opportunity of working on the yearbook staff. For more information, call (318) 473-6472 or contact the Student Publications office at (318) 767-2602 or email yearbook@lsua.edu.

Jongleur is the literary magazine published each spring by students interested in creative writing. All students are invited to submit poems, essays, short stories, cover designs, or photographs to the Jongleur staff for publication. Students who are interested in working on the editing staff of this publication should contact Dr. Bernard Gallagher at (318) 427-4472 or email bernardg@Isua.edu.

## Student Activities, Intramural Sports, and Organizations

## Student Activities

Louisiana State University at Alexandria offers a number of organizations, clubs, and activities to meet the educational, cultural, and social needs and interests of students. The primary purpose of Student Activities is to coordinate student activities and specific services on campus. Student Activities assists individual students, student organizations, and instructional departments in coordinating activity projects.

The Student Activities Council (SAC) supports the endeavors of student organizations and the development of student leaders. All organization presidents are members of SAC.

## Student Organizations

Students are encouraged to participate in one or more organizations on campus. New organizations may be formed by following procedures established in Policy Statement 239. For additional information concerning starting new organizations or inquiring about established organizations, visit the Student Activities office located in the Student Center West Wing, Room 209, or call (318) 473-6486.

The Student Government Association is the recognized governing organization of the student body of Louisiana State University at Alexandria. All registered students are automatically members. SGA provides student representation in all areas of the University. For additional information, e-mail SGA@Isua.edu.

Clubs and organizations at LSUA include the following:

Apostolic Student Fellowship (ASF)
Apothecary Club
Art Students Association
Baptist Collegiate Ministries (BCM)
Biological Sciences Organization (BSO)
Canterbury Club
Catholic Student Organization (CSO)
Circle K International
Clio History Society
College Democrats
College Republicans
Criminal Justice Association (CJA)
El Circulo Español
Empty Space Players
Future Leaders and Majors in Education (FLAME)
Gamma Beta Phi
Gamma Lambda Tau - Clinical Lab Tech (CLT) Identity
Information Technology Organization (ITO)
International Student Organization
Jongleur (Literary Magazine)
Kappa Sigma Fraternity
LSUA Movie Club
Non-traditional Student Organization
Paper Tiger (Newspaper)
Psi Chi
Psychology Club
Sauce Piquante (Yearbook)
Sigma Tau Delta International English Honor Society
Speak Easy Communication Club
Student Government Association
Student Nurses Association (SNA)
Student Radiological Technology Association (SRTA)
Student Social Workers Association
Students for International Relations
Intramural Sports
The Intramural Sports Program is designed to
provide every student an opportunity to participate in competitive and noncompetitive recreational sports and activities. Intramurals are designed to develop team work, sportsmanship, and leadership. Every student, regardless of his or her skill or ability, is given the chance to enjoy various voluntary competitions which build positive lifetime attitudes toward recreation. Game equipment is furnished by the Intramural Sports office. Watch for sign-up information on campus. The intramural Sports Program is part of Student Activities. For additional information, call $473-6468$ or visit the Student Center, West Wing, second floor.

## BOOKSTORE

The LSUA Bookstore, operated by Follett, located in the west wing of the Student Center, carries a wide range of products including required new textbooks and a large inventory of used textbooks, clothing, gifts, school supplies, graduation supplies, novels, and book bags. The bookstore is open Monday through Thursday from 7:30 a.m. until 4:30 p.m. Friday hours are 7:30 a.m. until 3:30 p.m. Scheduled hours are provided at the beginning of each semester. Stop by the store to purchase books or go online at http://www.Isua.bkstr.com/ to purchase online. Bookstore staff can be reached at (318) 473-6420.

## CHILDREN'S CENTER

The LSUA Children's Center is a Class A licensed, early care and education facility, accepting children ages 12 months to 5 years. School-age children may be enrolled during elementary school holidays if space and staffing permit. Top priority is given to LSUA students requiring full-time child care. Children of full-time faculty and staff make up approximately one-fourth of the total enrollment.

The LSUA Children's Center has a commitment to children, parents, and staff to provide an enriching experience in growing and learning together. The goal of the Children's Center is to provide a safe, happy, nurturing environment where children will be motivated and enriched socially, emotionally, intellectually, and physically.

The Children's Center recognizes the wonderful uniqueness of each child, and strives to nurture the development of a positive self-image within each one
by providing an atmosphere of love, trust, and respect for their needs and developmental stages of learning.

The Children's Center is committed to the following:

1. High quality, early care and education for children of the LSUA community.
2. Observation and demonstration facilities for LSUA students and faculty.
3. Collaboration with other agencies in the Central Louisiana area that provide services to young children and families.
Any student, faculty, or staff member wishing to enroll a child at the Children's Center should request a registration packet. Inquiries may be made by mail: LSUA Children's Center, 8100 Highway 71 South, Alexandria, LA 71302-9121; telephone (318) 473-6484; FAX (318) 767-3977; e-mail rrsmith@lsua.edu; or in person at the Center.

## FOOD SERVICES

LSUA's Food Services is located in the Student Center and prepares hot breakfast and lunch items for the convenience of students, faculty, and staff. Meal plans are now available for purchase at food services and are designed to help the customer save money at the register. Come and enjoy an assortment of entrée items on the cafeteria line and a wide variety of fresh selections at the grill. If you have a need for catering, look no further. LSUA Food Services is well prepared to handle any size catering event. Food Services personnel can be reached at (318) 473-6430.

## GOLF COURSE

LSUA has a beautiful nine-hole golf course that is used for teaching physical education classes and is also open to the public. Students, faculty, and staff enjoy lower rates than the general public. The course is open seven days a week from 7 a.m. until 7 p.m. Golf carts are available for rental. The golf course office is located in Avoyelles Hall. For information and current rates, call (318) 473-6507.

## LIBRARY

The James C. Bolton Library is a two story building with comfortable areas for individual reading and group study. The library houses over 160,000 volumes and 19,000 microfilms. Physical holdings are supplemented by numerous subscription databases, online periodicals, and electronic books. Eighteen computer workstations with network printers are in the reference area for student use.

The online catalog and other resources are available from the library's home page at http://library.Isua.edu. In addition to access from any networked computer on campus, resources are available to current students from off campus via the Internet.

The library is fully committed to supporting students in their quest for knowledge and to enhancing LSUA's efforts to design challenging and interesting courses. Library faculty collaborate with classroom faculty to ensure that all LSUA students become information literate. Library instruction for entire classes is available on request for any class assignment or course. Online tutorials are also available. Librarians are on duty whenever the library is open to help with individuals' research needs.

Any member of the LSUA community may request books or articles from other libraries through Interlibrary Loan. Most books and articles available from any of Louisiana's academic libraries can reach LSUA within a week of the request. After application for a LALINC Borrowers Card at the circulation desk in the Bolton Library, students and faculty may directly borrow books from many of Louisiana's academic libraries, including nearby Louisiana College in Pineville.

Other library services include circulation, course reserves, and a pay copier. Several laptop computers are available for in-library use. Laptops can connect wirelessly to the campus network from within the library.

## MULTICULTURAL AFFAIRS

LSUA's student population includes a diversity of cultural backgrounds. The Office of Multicultural Affairs coordinates special activities and events designed to highlight these and other ethnic groups and broaden exposure to different cultural
experiences. Multicultural Affairs works closely with counseling, advising, and admissions services to reinforce the University commitment to serving its diverse constituents. The office is located in the Student Success Center, and the coordinator can be reached at (318) 473-6473.

## ADVISING CENTER

The LSUA Advising Center is located in the Student Success Center, Room W211, above the Bookstore. The Advising Center exists primarily to help students develop successful academic and career goals. Students may obtain assistance with curriculum selection, career guidance, college study skills, and /or personal challenges that may interfere with academic progress. For more information please call (318) 767-2604 or email SSAC@lsua.edu.

## UNIVERSITY POLICE

LSU at Alexandria is dedicated to preserving a peaceful and safe environment for the entire University community. Students, faculty, staff and visitors are urged to be aware of and alert to the possible existence of criminal activity on campus and to report all crimes or suspicious activity to the University Police.

The University Police office is located in Conference Center 105-A, telephone (318) 4736427 , cell (318) 709-0545. LSUA has two full-time officers, commissioned under the provisions of Louisiana R.S. 17:1805. Each officer has completed a minimum of 285 hours of formal police training and is commissioned by the Louisiana Department of Public Safety. LSUA also has one Police Officer I.

Rapides Parish Deputies and Louisiana State Police Troopers patrol the LSUA campus. LSUA police officers will request assistance from the municipal fire, EMS, or police as needed.

University Police provide a full range of law enforcement services, including criminal investigations, accident investigations, emergency services, and crime prevention services. Administrative responsibility for safety, security, and police service for the campus is coordinated by the Vice Chancellor for Finance and Administrative Services.

University Police have jurisdiction on all

University facilities, premises, and property. This jurisdiction may be extended off campus when requested by another law enforcement agency, when in close pursuit, or when the investigation of a crime occurring on campus takes officers off campus. The University Police department reports the number and types of crimes monthly to the LSU Board of Supervisors. These figures are published annually in a Campus Security Report, as a matter of public record, and may be obtained from the Vice Chancellor for Finance and Administrative Services.

## EMERGENCY RESPONSE PROCEDURES

An emergency is defined as an unexpected, serious occurrence resulting in injury or illness, requiring immediate attention. To care for such emergencies, an Emergency Response Team is appointed by the Chancellor. This team includes individuals from the faculty, administration, and staff. They will be appointed to rotating terms to insure that there are experienced people on the team at all times.

The following general procedures should be followed:

1. A room for campus medical emergencies is located in Hugh Coughlin Hall (Nursing Education Building). Access to this room is controlled by the Emergency Response Team.
2. The "Emergency Response Person In-Charge," or in his/her absence, a member of the Emergency Response Team, should be called to the scene. This can be accomplished by calling " 0 " or Extension 5500 (the Campus Medical Emergency Number) as the central location for reporting accidents and coordinating attention relating to them. After 4:30 p.m., call University Police at (318) 473-6427 or cellular (318) 7090545. If University Police cannot be reached, dial 9 (for an off-campus line) and 911. The 911 operator will contact University Police.
3. The Emergency Response Team is responsible for developing and posting in the first aid room a procedure to be followed in responding to the administration of first aid. This should include hospital emergency room telephone numbers and ambulance information. An immediate report should be made to Ms. Belinda Aaron, the
campus safety officer, who will then be responsible for (1) contacting the family, and
(2) completing an appropriate report for files and future use. The Emergency Response Person InCharge, or a team member, should also file a brief report. Ms. Aaron's office is located in 116 Abrams Hall, and her telephone number is (318) 473-6515.

## LOST AND FOUND

All items found on campus should be turned in immediately to Auxiliary Services, Room 201 of the Student Center, or to University Police. When an item is submitted to LOST AND FOUND, an information form with the description of the item and location and date of where it was found is completed. The item and information sheet are kept on file until the item is either claimed or disposed of. When an item is claimed, it is so noted and the owner or claimant is required to sign for the property.

All items turned in to Lost and Found are held for 180 days unless claimed by the owner. After the 180-day period, items are listed by description and either disposed of or donated to various charities in the area.

Every attempt possible will be made to contact the owner of items turned in to Lost and Found. Students should ensure that their names are on all books and other personal property. Students should report lost items at Auxiliary Services.

## SMOKING POLICY

Smoking is prohibited in all buildings, in the Oakland Hall breezeways (both floors), and at all building entrances, including the steps.

Smoking is allowed on the porch of the Student Center, on the second floor patio area of Coughlin Hall, and on the patio at the rear of the Science Building. Smoking receptacles have been placed throughout campus in designated smoking areas for convenient disposal.

University police will be carding violators of this policy.

## STUDENT CONDUCT

Louisiana State University at Alexandria expects
of each student a high expression of honor in all phases of University life. At all times while they are on campus, students are expected to conduct themselves in a manner harmonious with sociallyaccepted standards of behavior.

While the administration of Louisiana State University at Alexandria exercises no direct responsibility for, nor control of, the conduct of students while off the campus, students are expected to conduct themselves at all times in a manner that commends them and the University. Behavior of students that is in conflict with the general interest and welfare of the University and its student body will result in appropriate disciplinary measures.

It is the responsibility of all students at Louisiana State University at Alexandria to familiarize themselves with the rules and regulations governing student conduct and discipline as outlined in the Student Handbook issued at the beginning of each school year and available in Student Services, Room 206 of the Student Center, West Wing.

## STUDENT HOUSING

LSUA has received approval from both the LSU Board of Supervisors and the Louisiana Board of Regents to proceed with construction of a 250 -bed apartment complex to be built on the south side of the campus. This complex will be for LSUA students as well as LSUA faculty and staff. The complex will be constructed on 6 acres of land, and will include a Community Center with an in-ground pool and sand volleyball court. The apartment complex will be designed as multiple buildings, all completely furnished and with kitchens.

## STUDENTS' ROLE IN INSTITUTIONAL DECISION MAKING

Louisiana State University at Alexandria strongly believes in the importance of student participation in the process of campus decision-making. LSUA has a long tradition of including students on appropriate LSUA Faculty Senate Committees, LSUA Administrative Committees, and Departmental Committees. Students on these committees are voting members with all the rights and privileges of
any other member. LSUA students have an opportunity to participate actively in the decisionmaking process.

LSUA Faculty Senate Committees with student members include:

Admissions and Standards
Improvement of Instruction
Library
Public Relations
LSUA Administrative Committees with student members include:

Arts and Humanities
Campus Beautification
Enrollment Management
Honors Convocation
Information Technology Advisory
Multi-Cultural Affairs
Operation of the Student Center
Planning Council
Strategic Planning Steering
Student Conduct
Student Grievance

Student Organizations and Activities Student Technology Fee Traffic Appeal
Students who are interested in serving as committee representatives should contact the Chancellor's Office or the President of the Faculty Senate for more information.

LSUA administrators value students' ideas and suggestions regarding services. Students are welcome to make an appointment to see the Chancellor, the Vice Chancellor for Academic Affairs, or the Vice Chancellor for Finance and Administrative Services to discuss ideas with them.

## VETERANS SERVICES

A counselor is available in 109 Abrams Hall or by telephone at (318) 473-6423 to assist veterans and dependents of veterans in obtaining Veterans Administration educational benefits. (See section titled "Financial Aid and Scholarships.")

Jessica M. Double and John Cady starred in a one-act play presented by the University's Empty Space Players. The theatre group offers four major productions each school year.

## GENERAL EDUCATION REQUIREMENTS

## DEFINITION OF GENERAL EDUCATION

General education comprises that core of knowledge and skills that educated people need regardless of what career or vocation they enter.

The University's General Education Requirements represent a conviction on the part of the faculty that all students need to reason logically, communicate effectively, and relate to the world around them. The University has adopted the following definition of an "Educated Person" and while this definition represents a continuing discussion, it is a guide to the University's approach to general education.
"The collective result of a college experience, through both the curriculum and the co-curricular activities, will be an educated person. Ideally, an educated person can acquire, understand, analyze, synthesize, evaluate and communicate information and knowledge; can think critically, solve problems, and create original work; is proficient in at least one discipline, having familiarity with a broad range of knowledge in other disciplines; and has an ongoing desire to learn, to acknowledge and respect diversity, to appreciate aesthetic values and to maintain a commitment to the improvement of local and global communities." [August 2005]

LSUA believes that students should acquire a substantial knowledge of general education when completing any degree program. All graduates of LSUA degree programs are expected to demonstrate the following general education outcomes.

## LSUA'S EXPECTED STUDENT OUTCOMES

1. The ability to read with comprehension at the college level.
2. The ability to communicate effectively in writing.
3. The ability to communicate effectively through speech.
4. A basic competency in the use of computers.
5. A basic understanding of mathematical and statistical concepts and their application.
6. A basic understanding of the scientific method
and its application.
7. The ability to find, analyze and synthesize information logically.
8. An awareness and an appreciation of the cultures of the United States and the world.
9. An understanding of the methods of discovery in the humanities, arts and social sciences.
10. A basic understanding of the American political and economic system in a global perspective.

Students seeking associate or bachelor's degrees are required to take the general education exit exam during the semester they plan to graduate. Detailed information about the exit exams is available in each academic department and the Office of Academic and Student Affairs.

## GENERAL EDUCATION REQUIREMENTS

The following list shows the minimum number of general education courses that must be completed by students to earn a degree at LSUA. Depending on the specific major, students may wish to select particular courses to satisfy general education requirements. Suggested course combinations are provided in the section of the catalog that describes degree programs and majors. All suggested course sequences for degree programs and majors will conform to the general education requirements listed below. Specific general education requirements may differ from degree to degree, but all degrees require a minimum number of designated courses within each of the main categories identified in the table below.

LSUA associate and bachelor's degrees require a minimum number of semester credit hours in each of the six discipline areas listed below. In addition to the required credit hours, students must demonstrate competency in the use of computers ${ }^{1}$. These requirements conform to the general education requirements of the Louisiana Board of Regents.

Biology professor Dr. David Huey assists a student in an anatomy and physiology class.

## ACADEMIC PROGRAMS

Louisiana State University at Alexandria is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097: Telephone number 404-679-4501) to award associate and baccalaureate degrees.

## DEGREE PROGRAMS

Louisiana State University at Alexandria offers associate and bachelor's degree programs. All credits completed with satisfactory grades are transferable to other accredited institutions. Acceptance of credits in satisfaction of degree requirements at other institutions will be determined by the receiving institution.

Career education associate degrees are designed to prepare students for immediate gainful employment. Associate of Arts and Associate of Science degrees consist of the first two years of academic work required in various curricula leading to bachelor's and professional degrees. They are designed as transfer degrees and students taking those degrees may continue at LSUA or may transfer to another post-secondary institution.

All associate and bachelor's degree programs contain a minimum number of credit hours in general education courses (See the "General Education Requirements" section of this catalog) and requirements in the major. The minimum number of hours is dictated by the requirements of the Southern Association of Colleges and Schools, the institutional accreditor for LSUA, and the Louisiana Board of Regents.

A major is that part of a degree program that consists of a specified group of courses in a particular discipline(s) or field(s). The name of the major is usually consistent with the degree subject area. A major consists of at least 15 credit hours for associate degrees and at least 30 credit hours for bachelor's degrees. Specific requirements for majors are listed under the colleges and departments.

A minor is similar to a major in that it is that part of a degree program consisting of a specified group of courses in a particular discipline or field. A minor usually consists of $15 \%$ or more of total hours required in a baccalaureate curriculum. Minors,
available to students, on an optional basis, are established by the departmental faculties offering the minor in consultation with the faculties of other departments allowing the minor option for their majors. Once a minor has been established, any LSUA student may pursue that minor subject to the following rules and procedures:

- The course requirements for the minor as published in the LSUA catalog must be followed, including prerequisites.
- Any substitutions in the minor must be approved by the chair of the department and the dean of the college offering the minor.
- A student must earn a minimum of 2.00 GPA in the minor field.
- A student must earn a minimum of 18 semester hours in the minor of which six semester hours must be taken at the 3000 and / or 4000 level.
- No courses may be used to satisfy the minor requirements that employ a pass-fail grading system.
The total number of semester hours in the minor
may not exceed 24 unless the minor is used to fulfill requirements for certification and/or licensure in which case the minor may exceed the 24 hour maximum.
- Courses already required (6 hrs. of English, Math, etc.) may not count for the minor.

## DUAL MAJORS/DEGREES

Students interested in completing a bachelor's degree with two majors listed on the transcript may do so by completing the residence and academic requirements for each major and the degree program to which they belong. In cases where there are different numbers of hours required for the desired degrees or majors, a student may opt to complete a minimum of 30 hours beyond the first major/degree and completion of all requirements for the second major/degree. If the two programs are in different colleges, he/she must be fully admitted to both colleges and adhere to the regulations of each one. In each case, the student must declare a home college where registration is initiated and where permanent files will be maintained. Furthermore, the
student must remain in contact with the second college to ensure that satisfactory progress is being made towards fulfilling the degree requirements of that catalog.

## ADMISSION TO A DEGREE PROGRAM

Some degree programs have admission requirements beyond the general requirements for admission to the university. For details, students should consult the catalog description for the degree program in which they are interested.

## DEGREE REQUIREMENTS

## Catalog to Use

Students must meet the curricular requirements for a degree outlined in one issue of the LSUA Catalog. Students are responsible for knowing degree requirements.
Students may elect any issue of the LSUA catalog in force during their residence at this or any other accredited institution of higher learning, provided their residence is continuous. The catalog chosen is for use in determining curricular requirements only. Students whose enrollment here or elsewhere is interrupted (either voluntarily or by compulsion) for at least two consecutive regular semesters may not elect a catalog issued earlier than the one in force at the time of re-entry. The act of transferring from one institution to another is not regarded in itself as an interruption of enrollment; the interval between enrollments is the controlling factor. Students changing from one degree program to another may not elect to follow a catalog in force earlier than the date on which the student's change was made.
Under no circumstances may students use a catalog more than five (5) years old.
PASS and non-degree students must meet the requirements of the catalog in effect at the time they enter a degree program.
In some cases, necessary curriculum changes may supercede those printed in previous catalogs. In these cases, students will be required to meet the new requirements when they become effective. The university reserves the right to make such necessary changes without prior notice. Should the university find it necessary to discontinue an academic program, every reasonable effort will be made to enable students already admitted to the program to complete degree requirements on schedule.

## Academic Requirements for Obtaining Degrees

It is the responsibility of all students to become familiar with degree requirements as published in this catalog.

## All Degrees

1. Students must complete curricular requirements for a degree outlined in one issue of the LSUA Catalog as specified under "Catalog to Use."
2. Students must earn a grade of "C" or better in ENGL 1001, ENGL 1002, and MATH 1021.
3. Students must achieve an overall grade point average of 2.0 or better on all college work attempted.
4. Students must demonstrate computer literacy by passing a computer competency exam or successfully completing CMIS 1000.
5. Students must be enrolled at LSUA during the semester in which the degree will be awarded.
6. Students will receive no degree credit for courses numbered below 1000, i.e., developmental education courses.
7. Students must complete at least $25 \%$ of the total hours required for a degree in courses taught by LSUA.
8. Degrees are conferred only by vote of the LSU Board of Supervisors upon recommendation of the faculty of the university.

## Additional Associate Degree Requirements

1. Associate of Arts and associate in discipline students must complete a minimum of 30 semester hours in general education courses as outlined in the "General Education Requirements" section of this catalog. Associate of Science students must complete a minimum of 27 semester hours in general education courses.
2. Students must complete a minimum of 21 semester hours of courses that are 2000-level or above.
3. Twelve (12) of the last 15 semester hours must be resident hours.

## Additional Bachelor's Degree Requirements

1. Students must complete a minimum of 45 hours at the 3000 level or above.
2. Students must complete at least 15 hours of 4000-level courses.
Twenty-four (24) of the last 30 semester hours must be taken at LSUA.
3. Students must complete a minimum of 39 semester hours in general education courses as outlined in the "General Education Requirements" section of this catalog.
4. Students who are pursuing the Bachelor of Science in Elementary Education must earn a 2.5 overall grade point average.

## Procedural Requirements for Obtaining a Diploma

1. Prior to the final date for applying for degrees to be awarded at commencement as indicated in the Academic Calendar, candidates must have the appropriate department chair or dean evaluate their academic records for compliance with degree requirements. After the degree checkout form has been signed by the appropriate department chair or dean, it is presented to Enrollment Services for verification. At that time, candidates must apply for a degree and state their exact name as it is to appear on the diploma and in the commencement program.
2. Candidates must pay the diploma fee.
3. Candidates must meet all of the requirements as outlined in the appropriate degree curriculum. Only candidates who have fulfilled all degree requirements may participate in commencement.
4. All financial indebtedness and other obligations to the university must be cleared prior to graduation.
5. Candidates for degrees are expected to participate in the commencement exercises unless excused by the Vice Chancellor for Academic and Student Affairs.
6. LSUA continually evaluates its instructional programs. For this reason, candidates for degrees are required to complete an exit examination, as stipulated by the Office of Academic and Student Affairs. The academic unit from which the candidate is graduating may require additional exit assessments.

## Requirements for a Second Degree

Students who wish to receive more than one associate degree must complete a minimum of 15 additional hours at LSUA after fulfilling requirements for the first degree and must meet all General and Procedural Associate Degree Requirements.

Students who wish to obtain a second bachelor's degree from LSUA must meet all academic and residence requirements set by the college(s) concerned and must earn a minimum of 30 semester hours beyond the work offered for the degree requiring the fewer number of hours. Students may not earn more than one bachelor's degree with the same major field of study.

Curriculum requirements may be changed without prior notice, and students may be required to conform to such changes when they become effective. Students should consult their department chairs for the latest requirements.

## POSTHUMOUS DEGREES

LSU at Alexandria recognizes that under certain and quite rare circumstances, a student will be sufficiently close to earning a degree at the time of death that consideration by the faculty of a posthumous degree is warranted. Upon due consideration and recommendation, the institution will consider the awarding of such posthumous degrees.

## Requirements for Awarding Posthumous Degrees

1. The student must have been in good academic standing and must have met residential requirements for the degree
2. At the time of the student's death, he or she must have been enrolled at LSUA and within 21 credit hours of completing a degree as well as having substantially met the requirements for his/her specific major.
3. While any interested person outside the department may make a recommendation of the award to the department, the recommendation for the award of such degree must be made by the student's major department and subsequently approved by the appropriate departmental faculty, chair and college dean before consideration by the Vice Chancellor for

Academic and Student Affairs and the Chancellor.
4. Under extraordinary circumstances short of death - for example a terminal illness documented by the student's treating physician - this action may also be considered. In such instances, the same guidelines apply and the same path of recommendation must be followed.
5. All recommendations will be considered by the

Vice Chancellor for Academic and Student Affairs and on his/her recommendation will be forwarded to the Chancellor who, in turn, will make an independent recommendation to the Board of Supervisors for final action.

## ASSOCIATE OF ARTS <br> AND ASSOCIATE OF SCIENCE

The Associate of Arts and Associate of Science degrees are designed for students who intend to transfer to another institution to complete a bachelor's degree that LSUA does not offer. These degrees enable students to demonstrate completion of a coherent body of course work prior to transfer and ensure that a student has completed most of the general education course work necessary for a bachelor's degree.

Students who plan to transfer to complete bachelor's degrees in education and in traditional liberal arts areas such as communication studies, English, geography, history, music, architecture, philosophy, journalism, languages, sociology, religion, political science, or visual and performing arts, should consider the Associate of Arts degree.

Students who plan to transfer to complete bachelor's degrees in areas of business, science, or technology, such as accounting, computer science, forestry, geology, mathematics, physics, agriculture, engineering and allied health fields, should consider the Associate of Science degree.

## Associate of Arts <br> (61 Hrs.)

The Associate of Arts can be adapted to fulfill requirements for a variety of academic majors for
transfer toward a bachelor's degree.
The curriculum listed below is meant to serve as a guide. Students who plan to pursue a bachelor's degree will select different electives according to the requirements of the particular bachelor's degree they intend to pursue. All Associate of Arts majors should consult their department chairs and/or academic advisors for approval of all courses not specifically outlined in the curriculum listed below.

## Admission Requirements

Students must meet all requirements for admission to the university.

## Degree Requirements

Students must complete all of the requirements pertaining to associate degrees as prescribed in "Academic Requirements for Obtaining a Degree" located in the Academic Programs section of this catalog.

## Curriculum

** Must include one laboratory, and courses in both biological and physical sciences in combination with a general education sequence.

## BACHELOR OF GENERAL STUDIES AND BACHELOR OF LIBERAL STUDIES

## Bachelor of General Studies ( 123 Hrs .)

The Bachelor of General Studies degree program is designed for students interested in interdisciplinary education. The program is broadly focused compared to degrees offering specific majors. The degree program includes a core academic base and allows for flexibility in selecting an area of concentration. Because it is individualized and flexible, it offers the student an opportunity to build a degree around career goals. The program is ideal for students who wish to 1) help design their own course of study in a degree program, 2) change college majors late in their academic careers,
3) return to college as mature students with new career interests, 4) attend college irregularly or at night, or 5) pursue a non-traditional degree program for personal enrichment and satisfaction.

## Admission Requirements

Students must meet all requirements for admission to the University. The Bachelor of General Studies program has no separate or special admission requirements.

## Degree Requirements

Students must complete all of the requirements pertaining to bachelor's degrees as prescribed in "Academic Requirements for Obtaining a Degree" located in the Academic Programs section of this catalog.

Of the 24 hours required in the Area of Concentration, 9 hours must be at the 3000-4000 level.

Students are required to make a "C" or better in all courses applied toward the Area of Concentration.

A maximum of 4 hours of activity courses may be counted toward the degree. KINS professional courses are not included in this 4-hour limit.

## Curriculum

I. GENERAL EDUCATION REQUIREMENTS * (39)
A. English (6)

ENGL 1001 . . . . . . . . . . . . . . . . . . . . . . . . . 3
ENGL 10023
B. Social Sciences (6)

C. Mathematics (6)

MATH 10213

General Education Math (above 1021) ...... 3
D. Natural Sciences (9) ${ }^{2}$

General Education Biology3

General Education Natural Sciences ....... . 6
E. Humanities (9)

General Education Communication Studies . . 3
General Education History ${ }^{3}$. . . . . . . . . . . . . . 6
F. Computer Literacy

Requirement may be met through successful completion of CMIS 1000 or through an acceptable score on the computer competency examination (CCE).
G. Fine Arts (3)

General Education Fine Arts 3
(fine arts, music, theatre)

## II. AREA OF CONCENTRATION (24)**

III. ENRICHMENT BLOCKS (36)**

## IV. ELECTIVES (24)

English Literature Elective . . . . . . . . . . . . . . . . . . . 3
Humanities Elective ${ }^{4}$. . . . . . . . . . . . . . . . . . . . . . . 3
Social Science Electives ${ }^{1}$. . . . . . . . . . . . . . . . . . 9
Electives outside the area
of Professional Disciplines . . . . . . . . . . . . . . . . . 9
Courses counted as General Education requirements and Electives
(I. \& IV.) cannot also be counted toward an Area of Concentration or as Enrichment Blocks. The same course cannot be counted in 2 categories.

* See list of approved courses in the General Education section of the catalog.
** During the first semester enrolled in the program, students must select an Area of Concentration in which they must earn 24 hours. Students must also select the 3 Enrichment Blocks in which they must earn 36 hours (12 hours in each block). Selections must be made with approval. Areas of Concentration and Enrichment Blocks can be changed after the initial selection.

1 Between the 6 hour General Education Social Science requirement and the 9 hour Social Science Elective requirement, students must earn credit in at least 3 subject areas.
${ }^{2} 6$ hours must be in a 2 -semester sequence.
${ }^{3} \quad$ Must be a 2 -semester sequence
4 Humanities elective may not include English.

## AREAS OF CONCENTRATION AND ENRICHMENT BLOCKS - 60 hours

## Area of Concentration

Select 24 hours from one of the following Areas of Concentration:

Biology, Business, English, History, Mathematics, Psychology, Communication Studies/Theatre

## Enrichment Blocks

Select 36 hours from the Enrichment Blocks listed below excluding the discipline selected for the Area of Concentration in which 24 hours must be earned. Twelve hours must be earned in each of $\underline{3}$ different Enrichment Blocks in order to reach a total of 36 . With permission from the Coordinator of General Studies, a student may divide an Enrichment Block. The student can select one subject within an Enrichment Block in which to earn 12 hours as a first Block. A second Enrichment Block can then be earned by counting 12 hours in one or more subjects within the same Enrichment Block from which the first subject was selected. The third Enrichment Block must be a separate area.

- Fine Arts: Fine Arts, Music, Theatre
- Social/Behavioral Sciences: Anthropology, Economics (ECON 2010 and 2020), Geography, Political Science, Psychology, Sociology
- Humanities: English, History, Philosophy, Religion, Communication Studies
- Languages: French, Interpretation, Spanish
- Business Administration: Accounting, Business, Computer Information Systems, Economics (except ECON 2010 and 2020)
- Natural Science: Biology, Chemistry, Geology, Mathematics, Physics, Statistics
- Professional Disciplines: Clinical Laboratory Technician, Criminal Justice, Education, Engineering, Health Sciences, Kinesiology, Military Science, Nursing, Paralegal Studies, Radiologic Technology, Social Work

## Bachelor of Liberal Studies (123 Hrs.)

The Bachelor of Liberal Studies degree program is designed for students interested in a particular major rather than interdisciplinary education. It is more narrowly focused than the Bachelor of General Studies.

## Admission Requirement

Students must meet all requirements for admission to the University. The Bachelor of Liberal Studies has no separate or special admissions requirements.

## Degree Requirements

Students must complete all of the requirements pertaining to bachelor's degrees as prescribed in "Academic Requirements for Obtaining a Degree" located in the Academic Programs section of this catalog.

A minimum of 30 semester hours is required for the major selected by the student.

Students are required to make a grade of "C" or better in each course applied toward the major.

A maximum of 4 hours of KINS activity courses can be counted for the degree. KINS professional courses are not included in this 4 -hour limit.

## MINOR IN WOMEN'S STUDIES <br> (18 Hrs.)

The University also offers a Minor in Women's Studies. The women's studies minor requires a minimum of 18 hours from the following courses: SOCL 2095, SOCL/SOWK 2092, CMST 3115, RELG 3300, CJUS 4476, ENGL 4593, NURS 1009, SOCL 4401, SOCL 2505. Six hours should be selected at the 3000/4000 level. Sociology 2095 is the only required course. The minimum GPA of these courses must be at least 2.0.

Up to 6 hours of Special Topics or Selected Topics courses (e.g. SOCL 2091, ENGL 3099, HIST 2920) may be considered for the minor if they address how gender differences impact social life, individual perceptions, or scholarship.

## COLLEGE OF ARTS AND SCIENCES

The College of Arts and Sciences houses the departments of Arts, English and Humanities; Behavioral and Social Sciences; Biological Sciences; and Mathematics and Physical Sciences. The College offers both associate and bachelor's degrees. The College of Arts and Sciences provides general education courses to support its own degrees as well as those degree and certificate programs offered by the College of Professional Studies.

Listed below are the departments and the programs offered through the departments. Program information is listed under the respective department in the order shown.

Information on the Associate of Arts, Associate of Science, and Bachelor of General Studies degree programs may be found in the "Academic Programs" section of this catalog.

## DEPARTMENTS AND DEGREES

Department of<br>Arts, English and Humanities

Interim Chair: Dr. Eamon Halpin
Office Location: Coughlin Hall 147
Telephone: (318) 473-6581

The Department of Arts, English and Humanities offers courses that lead to the Associate of Arts, the Bachelor of General Studies, and the Bachelor of Liberal Studies (majors in Communication Studies, English, and Theatre). In addition to providing degree-specific courses, the department provides general education courses and electives in support of other degree programs. The department offers courses in communication studies, English, fine arts, French, interpretation, music, philosophy, religion, Spanish, university studies, and theatre.

> Bachelor of Liberal Studies (Communication Studies Major)
> (123 Hrs.)

The Bachelor of Liberal Studies degree program is designed for students interested in a particular major.

## Admission Requirement

Students must meet all requirements for admission to the University. The Bachelor of Liberal Studies with a major in Communication Studies has no separate or special admissions requirements.

## Degree Requirements

Students must complete all of the requirements pertaining to bachelor's degrees as prescribed in "Academic Requirements for Obtaining a Degree" located in the Academic Programs section of this catalog.

A minimum of 30 semester hours is required for the major selected by the student.

Students are required to make a grade of "C" or better in each course applied toward the major.

A maximum of 4 hours of KINS activity courses can be counted for the degree. KINS professional courses are not included in this 4-hour limit.

## Bachelor of Liberal Studies (Theatre Major) <br> (123 Hrs.)

The Bachelor of Liberal Studies degree program is designed for students interested in a particular major.

## Admission Requirement

Students must meet all requirements for admission to the University. The Bachelor of Liberal Studies with a major in Theatre has no separate or special admissions requirements.

## Degree Requirements

Students must complete all of the requirements pertaining to bachelor's degrees as prescribed in "Academic Requirements for Obtaining a Degree" located in the Academic Programs section of this catalog.

A minimum of 30 semester hours is required for the major selected by the student.

Students are required to make a grade of "C" or better in each course applied toward the major.

A maximum of 4 hours of KINS activity courses can be counted for the degree. KINS professional courses are not included in this 4-hour limit.

## Curriculum

** Theatre majors take THTR 1020.
*** Theatre majors select two theatre history coursesfrom:
THTR, 3121, THTR 3122, THTR 3123.
**** Theatre majors will accomplish three hours ofpracticum and/or labs from:
THTR 2026, THTR 2040, THTR 2041.
***** Theatre majors will take ENGL 2148 OR ENGL 2029.

## MINORS

The Department of Arts, English and Humanities also offers Minors in Acting, American Literature, Art History, British Literature, Communication Studies, Literature, Theatre, and Writing. Requirements to complete specific minors are listed as follows:

## Minor in Acting <br> (22 Hrs.)

In order to complete an acting minor, one must complete sixteen hours from THTR 1020, THTR 1025, THTR 1029, THTR 2022, THTR 2023, THTR 2025, or THTR 2028 and six hours from THTR 3025, THTR 3027, THTR 4024, THTR 4025, or THTR 4127. The minimum GPA of these courses must be at least 2.0.

## Minor in American Literature (18 Hrs.)

In order to complete an American literature minor, one must complete ENGL 3070 and ENGL 3072; six hours from ENGL 3011, ENGL 3043, ENGL 3073, ENGL 3176, or ENGL 3674; three hours from ENGL 4020*, ENGL 4026*, ENGL 4028*, ENGL 4054, ENGL 4173, or ENGL 4674; and any three hour English course at the sophomore, junior or senior level. The minimum GPA of these courses must be at least 2.0.

* At least one of the authors studied must be American.

## Minor in Art History <br> (18 Hrs.)

In order to complete an art history minor, one must complete FIAR 2440, FIAR 2441, FIAR 2470 and nine hours from FIAR 4423, FIAR 4424, FIAR 4450, FIAR 4451, or FIAR 4490. The minimum GPA of these courses must be at least 2.0.

## Minor in British Literature (18 Hrs.)

In order to complete a British literature minor, one must complete ENGL 3020 and ENGL 3022; six hours from ENGL 3019, ENGL 3021, ENGL 3023, ENGL 3025, ENGL 3061 or ENGL 3071; three hours from ENGL 4020*, ENGL 4026*, ENGL 4028*, ENGL 4031 or ENGL 4148; and any three hour English course at the sophomore, junior or senior level. The minimum GPA of these courses must be at least 2.0.

## * At least one of the authors studied must be British.

## Minor in Communication Studies (18 Hrs.)

In order to complete a communication studies minor, one must complete CMST 2010, CMST 3100; three hours from CMST 2061, CMST 2063, or CMST 3060; and nine hours form CMST 3115, CMST 3116, CMST 4104, CMST 4114, or CMST 4160. The minimum GPA of these courses must be at least 2.0.

[^4]
## Minor in Literature (18 Hrs.)

In order to complete a literature minor, one must complete ENGL 2029 and ENGL 2032; three hours from ENGL 3071, ENGL 3073, or ENGL 3074; three hours from ENGL 3011, ENGL 3019, ENGL 3021, ENGL 3023, or ENGL 3025; three hours from ENGL 4020, ENGL 4026, ENGL 4028, ENGL 4052, ENGL 4054, ENGL 4086, ENGL 4148, ENGL 4173, ENGL 4593 or ENGL 4674; and any three hour English course at the sophomore, junior or senior level. The minimum GPA of these courses must be at least 2.0.

## Minor in Theatre <br> (22 Hrs.)

In order to complete a theatre minor, one must complete THTR 1020, THTR 1025, THTR 2022, THTR 2026, THTR 2028, THTR 4024 and six hours from any 3000/4000 level theatre courses. The minimum GPA of these courses must be at least 2.0.

## Minor in Writing <br> (18 Hrs.)

In order to complete a writing minor, one must complete at least three hours at the 3000 or 4000 level from ENGL 2001, ENGL 2002, ENGL 2005, ENGL 3002, ENGL 3005, ENGL 3007, ENGL 3009, ENGL 4008, ENGL 4505, or ENGL 4507; and at least three hours at the 3000 or 4000 level from ENGL 2010, ENGL 2300, ENGL 3009, ENGL 3311, ENGL 4300, ENGL 4301, or ENGL 4710. The minimum GPA of these courses must be at least 2.0.

## Department of Behavioral and Social Sciences

Chair: Dr. Greg Gormanous
Office Location: Chambers 103
Telephone: (318) 473-6470

The Department of Behavioral and Social Sciences offers courses that lead to the Associate of Arts and the Bachelor of Liberal Studies (majors in

History and Psychology). In addition, the department offers many courses that provide either general education or elective course work to support degrees offered by other departments in the University. The department offers courses in anthropology, geography, history, military science, political science, psychology, social work, and sociology.

## Bachelor of Liberal Studies -

(History Major)
(123 Hrs.)

The Bachelor of Liberal Studies degree program is designed for students interested in a particular major.

## Admission Requirement

Students must meet all requirements for admission to the University. The Bachelor of Liberal Studies with a major in History has no separate or special admissions requirements.

## Degree Requirements

Students must complete all of the requirements pertaining to bachelor's degrees as prescribed in "Academic Requirements for Obtaining a Degree" located in the Academic Programs section of this catalog.

A minimum of 30 semester hours is required for the major selected by the student.

Students are required to make a grade of "C" or better in each course applied toward the major.

A maximum of 4 hours of KINS activity courses can be counted for the degree. KINS professional courses are not included in this 4-hour limit.

## MINORS

The Department of Behavioral and Social Sciences also offers Minors in History, Political Science, Psychology, and Southern Studies. Requirements to complete specific minors are listed as follows:

## Minor in History ( 18 Hrs .)

In order to complete a history minor, one must complete six hours of a two semester sequence of history courses (HIST 1001 or 2055 and HIST 1003 or 2057); six hours of upper level (3000 or 4000) history courses, and six hours of history electives. The minimum GPA of these courses must be at least 2.0.

## Minor in Political Science (18 Hrs.)

In order to complete a political science minor, one must complete POLI 1001 AND POLI 2051; six hours of upper level (3000 or 4000) political science courses, and six hours of political science electives.

The minimum GPA of these courses must be at least 2.0.

## Minor in Psychology <br> (18 Hrs.)

In order to complete a psychology minor, one must complete PSYC 2000 OR PSYC 2060; nine hours of upper level (3000 or 4000) psychology courses, and six hours of psychology electives. The minimum GPA of these courses must be at least 2.0.

## Minor in Southern Studies <br> ( 18 Hrs .)

In order to complete a southern studies minor, one must complete HIST 2061, HIST 4055, HIST 4071, HIST 4072, GEOG 4050, and three hours from POLI 4039 or POLI 4996. The minimum GPA of these courses must be at least 2.0.

## Department of Biological Sciences

| Interim Chair: | Dr. David Huey |
| ---: | :--- |
| Office Location: | Science 120 |
| Telephone: | $(318) 473-6431$ |

The Department of Biological Sciences offers courses that lead to the Associate of Science and the Bachelor of Science in Biology. In addition to providing degree-specific courses, the department provides general education courses and electives in support of other degree programs. Students wishing to pursue a variety of professional, human or animal health programs will find the Department of Biological Sciences provides excellent preparation to enter the graduate or professional school of their choice.

## Bachelor of Science in Biology (129 Hrs.)

The Bachelor of Science in Biology is designed to meet the needs of a wide variety of students. The curriculum contains enough flexibility to
accommodate students with various career goals, but is structured enough to assure graduates a strong background in fundamental sub-disciplines. Those receiving this degree may find employment in the biological sciences/natural resources fields or the degree may serve as the foundation for graduate studies in biological sciences. Additionally, the degree is designed to benefit pre-professional students preparing to enter dental, medical, occupational therapy, optometry, pharmacy, physical therapy, veterinary and many other professional schools.

## Admission Requirement

Students must meet all requirements for admission to the University. The Bachelor of Science in Biology has no separate or special admission requirements.

## Degree Requirements

Students must complete all of the requirements pertaining to bachelor's degrees as prescribed in "Academic Requirements for Obtaining a Degree" located in the Academic Programs section of this catalog. Students are required to make a grade of "C" or better in all courses listed under the Major Requirements section of the biology curriculum.

Department of
Mathematics and Physical Sciences
Chair: Dr. Tommy Awtry
Office Location: Oakland 107-A
Telephone: (318) 473-6591

The Department of Mathematics and Physical Sciences offers courses that lead to the Associate of

Science and the Bachelor of Liberal Studies (major in Mathematics). In addition to providing degreespecific courses, the department provides general education courses and electives in support of other degree programs. These offerings include courses in chemistry, geology, mathematics, physical science, physics, statics, and statistics.

## Bachelor of Liberal Studies - <br> (Mathematics Major) (123 Hrs.)

The Bachelor of Liberal Studies degree program is designed for students interested in a particular major.

## Admission Requirement

Students must meet all requirements for admission to the University. The Bachelor of Liberal Studies with a major in Mathematics has no separate or special admissions requirements.

## Degree Requirements

Students must complete all of the requirements pertaining to bachelor's degrees as prescribed in "Academic Requirements for Obtaining a Degree" located in the Academic Programs section of this catalog.

## MINOR IN MATHEMATICS

The Department of Mathematics and Physical Sciences also offers a Minor in Mathematics for those interested in another degree but who want a strong secondary emphasis in mathematics. In order to complete a mathematics minor, one must complete MATH 1550 and MATH 1552 or their
equivalents together with no more than four other mathematics courses numbered 2040 or above. At least six hours must be numbered 3000 or above and the minimum GPA of these courses must be at least 2.0. MATH 1021, 1022, 1030, 1100, 2011, and 3012 may not be counted towards the minor.

## ENGINEERING MAJORS

Students pursuing a degree in engineering may take non-engineering courses at LSUA before
transferring to another institution. Students are encouraged, however, to contact their transfer institution regarding curriculum requirements before registering for courses at LSUA. Pre-engineering advisors at LSUA will apply the Board of Regents Crosswalk for General Education Courses to the curriculum requirements of the appropriate institution but because of untimely changes in articulation agreements, it is wise to contact an advisor of the transfer institution to verify that the appropriate coursework is pursued at LSUA.

## COLLEGE OF PROFESSIONAL STUDIES

The College of Professional Studies includes the departments of Allied Health, Business Administration, Education, and Nursing. Through its four departments, the College offers a one-year certificate program, associate degrees and bachelor's degrees. The College of Professional Studies provides a variety of courses to support its own degrees as well as those degrees offered by the College of Arts and Sciences.

Listed below are the department names and the programs offered through each department. Program information is listed under the respective department in the order shown below.

Information on the Associate of Arts, Associate of Science, and Bachelor of General Studies degree programs may be found in the "Academic Programs" section of this catalog.

## DEPARTMENTS AND DEGREES

## Department of Allied Health

Associate of Science in
Clinical Laboratory Science
Associate of Science in Radiologic Technology
Certificate in Pharmacy Technology
Department of Business Administration
Associate in Criminal Justice
Bachelor of Liberal Studies (Business Major)

## Department of Education

Associate of Arts in Early Childhood Education Bachelor of Science in Elementary Education

Department of Nursing
Associate in Nursing

## Department of Allied Health

Chair: Mr. Haywood B. Joiner, Jr. Office Location: Coughlin 212

Telephone: (318) 473-6466

The Department of Allied Health offers a Certificate in Pharmacy Technology, an Associate of Science, an Associate of Science in Clinical Laboratory Science, and an Associate of Science in Radiologic Technology. In addition to courses that directly support one of the department's programs of study, the department offers courses to provide introductory or ancillary skills in areas such as phlebotomy, EKG technology, and medical coding. The department also offers courses in health sciences.

Students applying to enter any Allied Health program who have ever been arrested, charged with, convicted of, pled guilty or no contest to, or have been sentenced for any criminal offense in any state or foreign country, must contact the Chair of the Allied Health Department for guidance and further information. Students may be subjected to a background check prior to clinical rotation, if required by the clinical facility.

> Associate of Science in Clinical Laboratory Science (76 Hrs.)

## Program Purpose

The Clinical Laboratory Science program prepares individuals in theoretical and practical skills required for the entry-level practice of clinical laboratory science. Under the supervision of a medical technologist/clinical laboratory scientist, chemical/biological scientist, pathologist and/or other physicians, the CLT performs routine laboratory procedures and tasks in the areas of hematology,
parasitology, bacteriology, serology, blood banking, chemistry and urinalysis.

## Program Objectives

The program objectives are to prepare graduates who are able to:

1. Demonstrate cognitive, psychomotor, and affective skills necessary to fulfill the roles and responsibilities of the clinical laboratory technician.
2. Demonstrate technical skills and delivery of reliable results with assurance and confidence in performing laboratory tasks.
3. Cultivate appropriate professional communication skills, attitudes, and ethics required of clinical laboratory technicians.
4. Value the service clinical laboratory technicians render to the consumer/public and other health care professionals.
5. Appreciate the role of other laboratory and health care professionals in the delivery of patient care.
6. Gain understanding that continuing education and personal development are life-long pursuits necessary for the maintenance and growth as health care professionals.

## Approval and Accreditation

The Associate of Science in Clinical Laboratory Science is accredited by the National Accrediting Agency for Clinical Laboratory Science (NAACLS) (8410 W. Bryn Mawr Avenue, Suite 670, Chicago, IL 60631-3415; Telephone number 773-714-8880; FAX number 773-714-8886). Students who successfully complete the program are eligible to seek national certification through completion of the national certification examination.

## Academic and Professional Standards

## Admission Requirements

In addition to the general requirements for admission to LSUA, entry into the Clinical Laboratory Science program requires that the applicants meet the following criteria:

1. Possess an overall college grade point average (GPA) of at least 2.0.
2. Have completed all prerequisite courses with no grade below a "C."
3. Be enrolled in CLT 1010 and/or have completed CLT 1010 with a "C" or better.
4. Be able to meet the program's technical standards/essential requirements.
5. Submit to the Department of Allied Health a completed CLT Application Form accompanied by all required documents.
6. Attend an admission orientation when the above minimal requirements are met.

## Progression Requirements

These program progression criteria apply to the student's progress prior to and after enrollment in the CLT program.

1. Prior to entering the CLT program, a student may take any of the academic support courses.
2. Any required academic support course completed more than five years previous to the time the student is accepted into the program, or any required CLT course completed more than three years previous to the time the student is accepted into LSUA's program may not satisfy degree requirements.
3. A CLT student must earn a grade of " C " or better in all courses required in the curriculum.
4. A CLT student must maintain an overall GPA of at least 2.0 in order to progress in the CLT program.
5. A student may be terminated from a program if clinical performance is unsatisfactory.
6. A student not successfully completing a CLT course with a " C " or better for the second time will be subject to dismissal.
7. If a student is not enrolled in a CLT course for a semester, application for readmission to the CLT program is required.
8. Hospitalization insurance, lab apparel, and transportation to and from various health facilities are the responsibility of the student.

## Associate of Science in Radiologic Technology <br> (72 Hrs.)

## Program Purpose

The Radiologic Technology Program is designed to prepare graduates who are competent in the art and science of radiology. The graduates of the program receive an Associate of Science in Radiologic Technology and are prepared to complete the National Certification Examination administered by the American Registry of Radiologic Technologists.

## Program Objectives

At the completion of the Radiologic Technology Program the graduate will be able to:

1. Competently perform a full range of radiologic procedures on clients as an entry-level practitioner;
2. Apply imaging principles and concepts to produce diagnostic radiographs;
3. Apply knowledge acquired in the biological, physical, and behavioral sciences to the practice of radiologic technology;
4. Utilize problem solving, critical thinking, decision making, and communication skills in the performance of medical imaging procedures;
5. Demonstrate use of management skills in the delivery of radiologic services;
6. Provide patient and family education regarding preparation, expectations, and post-procedural care;
7. Practice within the legal and ethical scope of practice to meet health care needs of clients;
8. Accept responsibility for continuing the process of professional and personal growth;
9. Consistently maintain an image, including attitudes, attributes and values, appropriate for the profession.

## Accreditation

Accreditation is pending by the Joint Committee on Education in Radiologic Technology (JRCERT).

## Institutional Affiliations

Clinical experiences for students are provided in the health care facilities of the community including: CHRISTUS St. Frances Cabrini Hospital
LSUHSC Huey P. Long Medical Center Mid-State Orthopaedic \& Sports Medicine Center Orthopaedic and Sports Medicine Specialists Rapides Regional Medical Center Veterans Administration Medical Center

## Admission Requirements

Students desiring admission to the Radiologic Technology Degree Program must meet the following minimum requirements:

1. Be unconditionally admitted to the University and declare major as Radiologic Technology.
2. Possess a high school diploma and a cumulative high school GPA of 2.0 or better or complete a General Education Development (GED) diploma with an average score of 45 or better.
3. Have an ACT composite score of 19 or higher. *
4. Possess a minimum grade of " $C$ " in high schoollevel algebra, biology, and physics or their equivalents.
5. Achieve an overall college GPA of 2.3 or higher.
6. Submit a Radiologic Technology Program application to the Department of Allied Health by May 1.
7. Submit all official grades from other universities by May 1 of the semester the petition is submitted. Concurrent enrollment at other universities the semester the petition is submitted is prohibited.
8. Students must have at least twelve (12) hours of study completed with a grade of " $C$ " or better at

LSUA prior to the clinical portion of the program.
> * Requirements 3, 4, and 5 may be waived upon successful completion of 14 credit hours of the Natural Sciences and Mathematics courses required in the program with a GPA of 2.3 or higher.

## Degree Requirements

Students must complete all of the requirements pertaining to associate degrees as prescribed in "Academic Requirements for Obtaining a Degree" located in the Academic Programs section of this catalog.

## Curriculum

I. GENERAL EDUCATION REQUIREMENTS * (27)
A. English Composition (6) ENGL 1001 ................................ . . 3

## III. OTHER REQUIREMENTS (2)

General Education Natural Sciences ** . . . . . . . . 2

```
See list of approved courses in General Education section of this catalog.
** Students must take BIOL 1161 and BIOL 1162.
```

## Admission Process

Admission into the clinical portion of the program will be on a selective basis and occur each year. During the month of June, a selection committee composed of the chair of the Department of Allied Health, the director of the Radiologic Technology Program, and faculty will review applications and make selection decisions based on eligibility of applicants.

If the number of applicants exceeds the availability of positions, those applicants who have completed the following required courses of the curriculum, and have the highest overall GPA, will be given selection priority:

MATH 1021
BIOL 1161, 1162
PSYC 2000
RADT 1000

## Retention and Promotion Requirements

1. Maintain an overall GPA of 2.0 or higher.
2. Earn a grade of "C" or better in all courses required in the curriculum.
3. Maintain health clearance as documented on annual health forms.
4. Attend an annual Infection Control Update.
5. Maintain CPR for Health Care Providers certification provided through Continuing Education at LSUA.
6. Comply with professional standards of the Department of Allied Health.

## Certificate in Pharmacy

 Technology (40 Hrs.)
## Program Purpose

The Pharmacy Technology Program is a competency-based educational program designed to
provide for the development of skills, knowledge and attitudes necessary to function as a pharmacy technician in the health care delivery system. Competency attainment includes skills in oral and written communication, computer literacy, and skills related to pharmacology, law, calculations and pharmacy management. Opportunities are provided for students to function under the direct supervision of the pharmacist in institutional, retail and long-term care settings.

The forty (40) credit hour curriculum was developed in compliance with the American Society of Health-System Pharmacists' guidelines for Pharmacy Technology Programs. Upon successful completion of the program, students will be eligible to complete the national certification examination administered by the Pharmacy Technician Certification Board and obtain licensure by the Louisiana Board of Pharmacy.

## Program Objectives

1. Assist the pharmacist in collecting, organizing and evaluating information for direct patient care, drug use review and departmental management.
2. Communicate effectively, orally and in writing, with clients and all members of the health-system team.
3. Implement the duties and responsibilities of the pharmacy technician while adhering to standards of practice in a variety of health-system settings (retail, institutional and long-term).
4. Utilize knowledge of pharmaceutical-medical terms, abbreviations and symbols in screening prescription/medication order for completeness and accuracy.
5. Prepare and distribute medications in a variety of health-system settings using appropriate procedures and operations.
6. Organize and accurately perform essential functions related to collecting payment and/or billing for pharmacy services or goods.
7. Utilize an established plan in a variety of healthsystems to purchase pharmaceuticals, devices and supplies.
8. Maintain pharmacy equipment and facilities in a variety of health-system settings according to established procedures.
9. Assist the pharmacist in monitoring the practice sites and/or service area for compliance with federal, state and local laws, regulations and professional standards.
10. Utilize appropriate procedures and operations to assist the pharmacist in preparing, storing and distributing investigational drug products.
11. Demonstrate appropriate judgement in assisting the pharmacist in monitoring drug therapy.
12. Demonstrate ability to utilize the computer to perform pharmacy functions and maintain a client information/profile system.
13. Apply legal and ethical standards to the practice of pharmacy care.
14. Assume responsibility for assisting the pharmacist in improving the pharmaceutical care of patients and adapting pharmacy services for customers of diverse cultures.
15. Assume accountability for one's own practice, for self-evaluation, and for life-long learning.
16. Consistently maintain an image, including attitudes, attributes and values, appropriate for the profession of pharmacy.

## Accreditation

The Certificate in Pharmacy Technology is accredited by the American Society of HealthSystem Pharmacists and is an approved program by the Louisiana Board of Pharmacy.

## Institutional Affiliations

CHRISTUS St. Frances Cabrini Hospital
LSUHSC Huey P. Long Medical Center
Rapides Regional Medical Center
Veterans Administration Medical Center
Retail Pharmacies (Multiple locations in Central Louisiana)

## Admission Requirement

Students must meet all requirements for admission to the University and have an overall GPA of 2.0 or higher.

To apply to the program, students must complete an application and return it to the Department of Allied Health by May 1. Depending on the number of students applying, admission will be determined by
the students having completed the required courses with the highest grade point average.

## Requirements for Completion

1. Students must complete curricular requirements for the certificate.
2. Students must earn a grade of "C" or better in all courses.
3. Students must achieve an overall GPA of 2.0 on all college coursework attempted.
4. Students must be enrolled at LSUA during the semester the certificate will be awarded.
5. Students will receive no credit for courses numbered below 1000, i.e., developmental education courses.

## Curriculum

## Progression Standards

1. Students must maintain an overall GPA of 2.0 or higher.
2. Transfer and continuing students must possess an overall GPA of 2.0 or higher to enroll in or continue in the Pharmacy Technology program.
3. Students must maintain a " $C$ " average or better in all pharmacy technology courses and a satisfactory grade for clinical experiences in order to progress in the sequence.
4. Students must have a course grade of "C" or better in all courses listed in the pharmacy technology curriculum in order to graduate with a Certificate in Pharmacy Technology.
5. Students who have unsuccessfully completed a pharmacy technology course (withdrew after one exam, earned " $U$ " in clinical component or earned below $70 \%$ in theory component) may reenroll in the course only one time.

# Department of Business Administration 

Chair: Dr. Dixie Clark<br>Office Location: Chambers 106<br>Telephone: (318) 473-6414

The Department of Business Administration offers courses that lead to the Associate in Criminal Justice, Associate of Science, and Bachelor of Liberal Studies (Business Major). In addition to the courses in these programs, the department offers a variety of courses that support other degrees offered at the University. The department offers courses in accounting, business, computer information systems, criminal justice, and economics.

## Associate in Criminal Justice ( 66 Hrs .)

The Associate in Criminal Justice provides a solid foundation for a career in law enforcement, corrections, and related fields. Students who intend to pursue a bachelor's degree in criminal justice may wish to complete this degree prior to transferring.

## Admission Requirements

Students must meet all requirements for admission to the University.

## Degree Requirements

Students must complete all of the requirements pertaining to associate degrees as prescribed in "Academic Requirements for Obtaining a Degree" located in the "Academic Programs" section of this catalog.

Students must complete the Departmental Exit Examination/Interview.

Students must earn a "C" or better on each criminal justice course.

Students must earn a " C " or better in English 2002.

## Advanced Standing Credit

Criminal justice students who have passed a 320 hour or more basic training course as prescribed and certified by the Louisiana Council on Peace Officers Standards and Training (POST) may apply to receive three semester hours credit in lieu of CJUS 2999 (Internship in Criminal Justice). If the training was completed outside the State of Louisiana, it must transfer to Louisiana in accordance with Louisiana Administrative Code, Title 22, Part III, Chapter 47.

## Bachelor of Liberal Studies

 (Business Major) (123 Hrs.)The Bachelor of Liberal Studies degree program is designed for students interested in a particular major.

## Admission Requirement

Students must meet all requirements for admission to the University. The Bachelor of Liberal Studies with a major in Business has no separate or special admissions requirements.

## Degree Requirements

Students must complete all of the requirements pertaining to bachelor's degrees as prescribed in "Academic Requirements for Obtaining a Degree" located in the Academic Programs section of this catalog.

A minimum of 30 semester hours is required for the major selected by the student.

Students are required to make a grade of "C" or better in each course (ACCT, BUSN, CMIS, and ECON) applied toward the major.

A maximum of 4 hours of KINS activity courses can be counted for the degree. KINS professional courses are not included in this 4-hour limit.

## MINORS

The Department of Business Administration also offers Minors in Accounting, Business, and Computer Information Systems. Requirements to complete specific minors are listed as follows:

## Minor in Accounting <br> (18 Hrs.)

In order to complete an accounting minor, one must complete ACCT 2001, ACCT 2101, ACCT 3020, ACCT 3121, ACCT 3221 and any three hour

3000/4000 level accounting course. A grade of "C" or better is required in all courses applied toward the minor.

## Minor in Business (24 Hrs.)

In order to complete a business minor, one must complete ACCT 2001, ACCT 2101, ECON 2010, ECON 2020, CMIS 1150, BUSN 3200, BUSN 3401, and BUSN 3715. A grade of " C " or better is required in all courses applied toward the minor.

## Minor in Computer Information Systems (21 Hrs.)

In order to complete a computer information systems minor, one must complete CMIS 1150, CMIS 1200, and CMIS 1250 or their equivalents; six hours from CMIS 2300, CMIS 2400 or CMIS 2500; and six hours of 3000/4000 level courses. The minimum GPA of these courses must be at least 2.0.

## Department of Education

Chair: Dr. Judy Rundell
Office Location: Fitness Center 110
Telephone: (318) 473-6474

The Department of Education offers courses that lead to an Associate of Arts in Early Childhood Education and the Bachelor of Science in Elementary Education. Additionally, courses are offered for alternative certification in the following areas: Elementary Education, Grades 1-5; Health and Physical Education, Grades 1-12; and Secondary Education, Grades 6-12 for the areas of biology, business, English, history, and mathematics. Add-on certifications are available for Early Childhood Education (PK-3) and Special Education.

## Associate of Arts in Early Childhood Education (64 Hrs.)

## Admission Requirements

Students must meet all requirements for admission to the University.

## Degree Requirements

Students must complete all of the requirements pertaining to associate degrees as prescribed in "Academic Requirements for Obtaining a Degree" located in the Academic Programs section of this catalog.

** Must take six (6) semester hours of GE Natural Science PLUS a laboratory course OR 9 semester hours of GE Natural Science lecture courses.
*** Students must consult with the Early Childhood Education Program director prior to taking ECED 2999.

## Bachelor of Science in Elementary Education (128 Hrs.)

Louisiana State University at Alexandria's bachelor's degree in elementary education is intended to prepare proactive educators who possess the knowledge, skills, and dispositions to effectively teach all content areas in grades 1-5. The requirements of the curriculum are designed to produce educators who will perform professionally and successfully in a variety of elementary settings in a world of continuous social and cultural change.

## Requirements for Admission to Professional Elementary Education Program

Admission of Department of Education students to upper-level professional education courses will be restricted to those who have been formally admitted to the teacher education program. To be admitted to the LSUA Professional Teacher Education Program, the following criteria must be met.

1. Earn 65 hours of degree credit
2. Achieve a minimum grade point average of 2.5
3. Earn credit for EDCI 2020 and EDCI 2030
4. Receive Department of Education faculty approval of application for entry into LSUA's Professional Teacher Program
5. Demonstrate proficiency in writing based on submitted essays
6. Complete a dispositions self-rating scale
7. Demonstrate computer literacy by passing a computer competency exam or successfully completing CMIS 1000.
8. Pass the following Pre-Professional Skills PRAXIS Tests:

Reading (10710)
Writing (20720)
Math (10730)
All students, regardless of their catalog issue, must meet these requirements.

The University will make every reasonable effort to honor the statement of curricular requirements in the chosen issue of the LSUA Catalog. However, courses and programs are sometimes discontinued, and requirements are changed as a result of actions by accrediting associations and other external agencies.

## Requirements for Student Teaching (EDCI 4900)

Applications for student teaching must be made to the Department of Education no later than two weeks following the first day of classes in the semester prior to student teaching. Late applications cannot be guaranteed consideration. The following criteria must be met to qualify for student teaching:

1. Attain senior standing with an overall grade point average of 2.5 and at least a 2.0 grade point average in professional education courses.
2. Possess no grade lower than " C " in professional education courses and in specialized courses required for certification in elementary education, regardless of institution(s) attended. (Professional courses are listed under "Major Requirements" and specialized courses are all courses listed under "Other Requirements" with the exception of History 1005 and the 6 hours of English electives.)
3. Pass the following PRAXIS II exams:

Elementary Education Content Knowledge (10014)

Principles of Learning and Teaching K-6 (30522)

NOTE: No candidate may schedule more than one three-hour course in addition to EDCI 4900 during the student teaching semester.
Degree RequirementsStudents must complete all of the requirementspertaining to bachelor's degrees as prescribed in"Academic Requirements for Obtaining a Degree"located in the Academic Programs section of thiscatalog.

Alternative Certification in Elementary (1-5) Education (24-33 Hrs.)

Louisiana State University at Alexandria's alternative certification in elementary education program is intended to allow potential applicants with a bachelor's degree from a regionally accredited university to earn their certification in elementary education. The curriculum allows those interested in becoming teachers to take prescribed courses to fulfill state requirements for certification.

## Requirements for Admission to the Alternative Certification in Elementary Education Program

To enter the alternative certification program, the following criteria must be met:

1. Possess a baccalaureate degree from a regionally accredited university.
2. Pass PRAXIS Pre-Professional Skills Test (PPST)
3. Pass PRAXIS content-specific subject area examination (Elementary Education Content Knowledge \#0014)
4. Complete the program entrance interview
5. Complete the Dispositions Self-Rating Scale
6. Submit 2 letters of recommendation
7. Submit a current resumé
8. Complete the admissions application for Alternative Certification Program
9. Achieve a 2.5 GPA on undergraduate coursework
10. Receive acceptance to the University

2. Pass PRAXIS II Principles of Learning and Teaching (30522)

## NOTE: No alternative certification candidate may

 schedule more than two three-hour courses in addition to student teaching.
## Alternative Certification in Secondary Education (24-33 Hrs.)

Louisiana State University at Alexandria's Secondary Alternative Certification Program for the fields of biology, business, English, history, and mathematics is designed to offer potential applicants with a bachelor's degree from a regionally accredited university the opportunity to earn certification in their major area of study. The curriculum allows those interested in becoming secondary (6-12) teachers to take prescribed courses to fulfill state requirements for certification.

## Requirements for Admission to the Alternative Certification in Secondary Education Program

To enter the alternative certification program, the following criteria must be met:

1. Receive acceptance to the University
2. Possess a baccalaureate degree from a regionally accredited university with at least 31 hours in the major subject area and overall 2.5 GPA with a 2.5 GPA in the area in which certification is sought with no grade lower than a "C" in the area of certification sought regardless of institution attended.
3. Pass PRAXIS Pre-Professional Skills Test (PPST)
4. Pass PRAXIS content-specific subject area examination:
The following content area PRAXIS exams are required: Biology - (\#0235); Business - (\#570); English - (\#0041 and \#0043); History - (\#0081 and \#0083); Math - (\#0061)
5. Complete the admissions application for Secondary Alternative Certification Teacher Education Program
6. Complete the program entrance interview
7. Complete the Dispositions Self-Rating Scale
8. Submit 2 letters of recommendation
9. Submit a current resumé

IV. PRESCRIPTIVE PLAN

EDCI 2700, EDCI 2900 or EDCI 4840
(As advised)
To obtain certification, a candidate must:

1. Pass the PRAXIS PPST and identified contentspecific subject area exam(s).
2. Complete all courework with a minimum 2.5 GPA and no grade lower than a " C " in any course required for certification.
3. Pass the PRAXIS Principles of Learning and Teaching (PLT) 7-12 (\#0524)

## Requirements for Student Teaching/Internship (EDCI 4945)

Applications for student teaching/internship must be made to the Department of Education no later than two weeks following the first day of classes in the semester prior to student teaching/internship. Late applications cannot be guaranteed consideration. The following criteria must be met to qualify for enrollment in student teaching/internship.

1. Possess an overall GPA of 2.5 and at least a 2.0 grade point on all courses required for certification.
2. Pass PRAXIS II Principles of Learning and Teaching (\#0524).
NOTE: No secondary alternative certification candidate may schedule more than two threehour courses in addition to student teaching/internship.

## Alternative Certification in Health and Physical Education (33 Hrs.)

Louisiana State University at Alexandria's Health and Physical Education Alternative Certification Program for Grades 1-12 provides a certification option for potential applicants with a bachelor's
degree from a regionally accredited university. The curriculum allows those interested in becoming health and physical education teachers to take prescribed courses to fulfill state requirements for certification in this area.

Requirements for Admission to the K-12 (all level) Alternative Certification in Health and Physical Education Program

1. Possess a baccalaureate degree from a regionally accredited university.
2. Have a 2.5 or higher on all undergraduate work.
3. Pass PRAXIS I--Pre-Professional Skills Test (PPST).
4. Pass PRAXIS II-Physical Education: Content Knowledge (\#0091).
5. Apply and be accepted to the University.
6. Apply and be accepted to the alternative certification program.
7. Complete the program entrance interview.
8. Submit a current resumé and 2 letters of recommendation.
9. Complete the admissions application for Alternative Certification Program.
10. Complete the Dispositions Self-Rating Scale.

## * Hours exceed methodology requirement to ensure that cnadidates receive sufficient field experiences in elementary and secondary settings.

To complete certification requirements, a candidate must:

1. Complete all coursework with an overall GPA of 2.5 or higher.
2. Pass the pedagogy exam. Choose one of the following PRAXIS II-Principles of Learning and Teaching exams: K-6 (\#0522), 5-9 (\#0523), or 712 (\#0524).

## Requirements for Student Teaching/Internship (EDCI 4940)

Applications for student teaching/internship must be made to the Department of Education no later than two weeks following the first day of classes in the semester prior to student teaching. Applicants must meet the following criteria.

1. Possess a GPA of 2.5 or higher and with a minimum GPA of 2.0 on all courses required for certification.
2. Pass one PRAXIS II--Principles of Learning and Teaching exam K-6 (\#0522) or 5-9 (\#0523) or 712 (\#0524).
3. Complete all coursework except EDCI 4800 and one additional 3 hour course.

## Add-on Certifications

The Department of Education currently offers courses that lead to add-on certifications in Early Childhood Education (PK-3) and Special Education. An add-on certification allows someone with a valid teaching certificate to add additional areas of certification. Courses may be taken during the completion of a baccalaureate degree or an alternative certification program. The courses for each add-on are listed below.

## Early Childhood Certification

ECED 2001
ECED 2002
ECED 2076
ECED 2999

## Special Education

SPED 2701
SPED 3701
SPED 3702

SPED 4701
SPED 4702
In addition to completing the designated 15 hours, applicants for special education add-on certification must pass PRAXIS tests \#0353 and \#0542.

## Minor in Education Leading to Secondary Education (6-12) Certification (33 Hrs.)

A minor in education may be completed so that a candidate may apply for a Louisiana teaching certificate upon successful completion of the following courses.

PSYC 2060

* Methods II is content-specific. Biology - 4041; English - 4042; Math - 4043; Social Studies - 4044; Business - 4045.
For certification, a candidate must have a minimum of 31 hours in the content area in which certification is sought. PRAXIS exams are also required. The exact exam numbers and current score requirements can be obtained from the Department of Education. Those seeking certification must pass PRAXIS I prior to entering 3000/4000 level EDCI courses and pass PRAXIS II Content Knowledge exam(s) and Principles of Learning and Teaching (\#0524) prior to entering student teaching (EDCI 4945). See the department which houses the major to obtain a curriculum plan that includes a minor in education.

## Teacher Education

## Correspondence Course Policy

Louisiana State University at Alexandria Department of Education will accept a maximum of 24 transfer hours of correspondence and/or extension credit from accredited institutions. Courses taken by correspondence may not be applied toward the 24 hours residency requirement which must be satisfied through enrollment in
courses on the LSUA campus.
Education majors who have been officially admitted to the LSUA Teacher Education Program may take courses by correspondence only in exceptional cases (e.g., conflicts between single sections of required courses) and with the specific approval of the chair of the Department of Education. No major professional requirements may be taken by correspondence. Students in all programs must complete all correspondence course work by the end of the semester prior to the onset of the student teaching or intern semester.

| Department of Nursing |  |
| ---: | :--- |
| Chair: | Ms. Dorothy Lary |
| Office Location: | Coughlin 128 <br> Telephone: |

The Department of Nursing offers courses that lead to the Associate in Nursing (ADN program). Those individuals who already hold the LPN credential are encouraged to apply for the accelerated LPN-to-ADN transition program. Admission to the ADN program is highly competitive as described in the information provided below.

## Associate in Nursing (72 Hrs.)

## Program Purpose

The primary purpose of the Department of Nursing at Louisiana State University at Alexandria is to provide an associate degree education for qualified individuals desiring to provide direct patient care as members of the health care delivery system.

## Program Objectives

The program objectives are to prepare graduates who are able to:

1. Implement the nursing process to promote adaptation throughout the life span in individuals, families, and groups.
2. Communicate effectively with individuals, groups, and families to promote and maintain adaptation.
3. Provide education for individuals, families, and
groups to promote and maintain adaptation.
4. Apply Selye's theory of stress adaptation to provide nursing care.
5. Collaborate with interdisciplinary groups to meet the evolving health care needs of persons in the environment.
6. Demonstrate accountability for individual professional nursing practice.
7. Generate self-development activities which contribute to and result in continuous improvement of nursing practice.

## Approval and Accreditation

The Associate in Nursing Program is approved by the Louisiana State Board of Nursing and accredited by the National League for Nursing for Accrediting Commission. Graduates are eligible to apply to write the National Council Licensure Examination for Registered Nurses (NCLEX-RN) to receive licensure as a registered nurse (RN).

## Institutional Affiliations

Clinical experiences for students are provided in the health care facilities of the community including:

Alexandria/Pineville Addictive Disorders Clinic
Alexandria Wellness Center
Central Louisiana State Hospital
CHRISTUS St. Frances Cabrini Hospital
Dubuis Hospital
Gateway Adolescent Treatment Center
LSUHSC Huey P. Long Medical Center
Northside Partial Day Program
Pinecrest State School
Rapides Parish Health Unit
Rapides Regional Medical Center
Red River Treatment Center
Veterans Administration Medical Center
Special and/or individualized experiences may be provided in other community health care agencies.

## Admission Requirements

See "Academic and Professional Standards" listed after the Curriculum.

## Degree Requirements

Students must complete all of the requirements pertaining to associate degrees as prescribed in "Academic Requirements for Obtaining a Degree"
located in the Academic Programs section of thiscatalog.

Accelerated LPN $\rightarrow$ ADN (72 Hrs.)

Licensed Practical Nurses pursuing an Associate in Nursing may elect to enroll in the LPN to ADN articulation track. The goal of the accelerated track is to facilitate educational mobility from the Licensed

Practical Nursing level to Registered Nurse practice at the associate degree level. In the program, LPN's will be able to progress without prior testing to verify previous nursing education. Twelve hours of nursing credit will be awarded after completion of the LPN transition course (LPN Transitional Course: Nursing 1018). Additional information regarding the admission and standards for the Accelerated LPN to ADN track may be obtained from the Department of Nursing.

One course credit hour is generally equivalent to any of the following:

1. One hour of classroom study
2. Two hours of laboratory experience
3. Three hours of laboratory/clinical experience
4. A combination of any of the above

```

## Academic Advising

Students in the Nursing curriculum are assigned a faculty advisor from the Department of Nursing to assist in designing a curriculum pattern. The advisor is available to the student during posted office hours or by appointment. A student should meet with the assigned advisor each semester for advisement and registration. The student is responsible for being well informed about the requirements of the curriculum in Nursing, as well as regulations of the University. The department specific requirements are outlined in the Nursing Student Handbook which is updated annually.

The Academic and Professional Standards may be changed without prior notice, and students may be required to conform to such changes when they become effective. Consult the Chair of the Department of Nursing for the latest requirements.

## Academic and Professional Standards

## Admission

Students are admitted into the first required nursing course, Nursing 1014/1015, in the fall and spring semesters. LPN's are admitted into the first required nursing course, Nursing 1018, in the summer session. To be eligible for admission, the student must:

1. Be unconditionally admitted to the University and have declared Nursing as a major.
2. Attain a minimum grade of " $C$ " in each of the prerequisites to Nursing 1014/1015 or Nursing1018, which must be completed no later than the semester during which the written application to enroll is submitted.
3. Have LSU and overall grade point average of 2.5 or higher.
4. Submit "Nursing 1014/1015 Application" by February 1, for Fall selection or by October 1, for Spring selection. Students selected for Fall admission into Nursing 1014/1015 must
maintain an overall GPA and a LSUA GPA of 2.5 or higher during their summer course work to retain eligibility.
5. Submit "Nursing 1018 Application" by February 1.
6. Submit all official grades from other universities by May 1 for Summer and Fall selection or by December 1 for Spring selection. Concurrent enrollment at other universities the semester the petition is submitted is prohibited.
7. Submit LSBN Application to Enroll in Clinical Nursing Course and complete the Fingerprinting process by February 1 for Summer and Fall selection and by October 1 for Spring selection.
8. Fingerprinting
a. $\$ 50.00$ to Department of Public Safety
b. $\$ 20.00$ to Louisiana State Board of Nursing

If the number of eligible students petitioning exceeds the number of openings in the course, students with the highest overall GPA will be selected. If two students have the same overall GPA, the LSUA GPA will be used (example: student \#1 and student \#2 have an overall GPA of 2.78, student \#1 has a LSUA GPA of 3.0 and student \#2 has a LSUA GPA of 2.3 , then student \#1 would be chosen). If both students have the same LSUA GPA, then the selection committee will take into consideration the number of non-nursing courses each student has successfully completed (minimum grade of "C"). Students previously enrolled in Nursing 1014/1015 or Nursing 1018 who wish to register again for either course must resubmit the Nursing 1014/1015 or Nursing 1018 application. Students earning a "D," or "F" in either course are eligible to reapply during the next regular semester (if their overall and LSUA GPA remain at or above 2.0). These students will be considered with all other applicants following the selection criteria. Example: The student earns a "D" or "F" in the Fall semester would be able to re-apply by February 1 of the Spring semester for Nursing 1014/1015 in the following Fall semester.

Students applying to enter the Nursing program who have ever been arrested, charged with, convicted of, pled guilty or no contest to, or been sentenced for any criminal offense in any state or foreign country, must contact the Chair of the Department of Nursing for guidance in obtaining Louisiana State Board of Nursing approval to enter
the clinical nursing practice area.
Students who hold or have held licensure in any health care discipline and who have or have had disciplinary action against such license shall petition the Louisiana State Board of Nursing for review and action regarding their right to practice as students of nursing in Louisiana prior to entry into the first clinical course.

Transfer students requesting admission into nursing courses must meet application deadlines, application criteria established for admission into the Associate in Nursing Program, and successfully complete a minimum of 9 semester hours at LSUA in the same semester they petition to enroll in Nursing 1014/1015 or Nursing 1018.

LSUA students are not allowed to repeat courses in which they have earned a " $C$ " or better, in accordance with the LSUA Catalog. Transfer students who have repeated courses after having earned a " $C$ " or better will have their GPA calculated to reflect the removal of any grades earned after earning a "C" or better in the repeated courses.

Transfer students requesting permission to challenge nursing courses at LSUA must have successfully completed equivalent nursing courses from other universities within the last three (3) years.

The Academic and Professional Standards of the Department of Nursing for admission, retention, promotion, and dismissal will apply to transfer students who have earned a "W," "D," or "F" in required nursing courses at other universities.

Students who have been placed on probation, or who have been dismissed for academic reasons or professional misconduct from other universities are ineligible for admission into the nursing program at LSUA.

## Advanced Standing Criteria

Licensed Practical Nurses may enter an accelerated program if required criteria are satisfactorily met (criteria are available in the Department of Nursing office).

## Criteria for Selection in Subsequent Nursing Courses

Once accepted into clinical nursing courses, continuing nursing students who have been arrested, charged with, convicted of, pled guilty or no contest to, or been sentenced for any criminal offense in any state or foreign country, must complete an
application for Louisiana State Board of Nursing approval to enroll/continue in a clinical nursing course.

The number of students for each semester will vary according to the resources available to the Nursing Program at that time. If a student's progression in Nursing courses is interrupted for any reason, the student must apply to re-enroll in Nursing.

A student applying for re-enrollment to the Department of Nursing must also:

Submit "Application to Re-Enter Nursing" by
October 1 for spring selection and February 1 for fall selection. (Students who fail a fall semester clinical nursing course may re-apply by February 1 for the next fall semester)
2. Meet all academic requirements in effect at the time of re-enrollment.
a. A student whose enrollment is interrupted for two consecutive regular semesters must complete curriculum requirements in effect at the time of re-enrollment.
b. A student whose enrollment in Nursing courses is interrupted for a period of three years must repeat $\underline{A L L}$ required courses titled Nursing.
Course placement of students meeting criteria for reenrollment will vary and may be altered according to resources available each term/semester. If the number of students applying for re-entry exceeds the number of openings, re-entry applicants with the highest overall GPA will be given preference. Should two students have the same overall GPA, the student with the highest LSUA GPA will be selected.

## Retention and Promotion

To satisfactorily progress in the Nursing program, a student must:

1. Maintain an overall grade point average of 2.0 or higher.
2. Achieve a grade of " $C$ " or above in the theory component of each required Nursing course. The following grading scale is used by the Department of Nursing.

| $100-93$ | A |
| ---: | ---: |
| $92-85$ | $B$ |
| $84-77$ | $C$ |

| $76-65$ | $D$ |
| :--- | :--- |
| $64-00$ | $F$ |

3. Achieve a "Satisfactory" evaluation in the clinical component of each required Nursing course. An "Unsatisfactory" evaluation will result in a course grade of "D."
4. Earn a grade of " $C$ " or higher in each course required in the Nursing curriculum. If a grade of "D" or "F" is earned in a non-Nursing required course, the student may progress in Nursing courses provided that prerequisites have been met and an overall grade point average of 2.0 is maintained.
5. Satisfactorily complete health form as required annually. This form must be completed by the student, verified by the physician, and submitted by August 10 for Fall admission; January 10 for Spring admission; June 1 for Summer admission. Additionally, students who have a change in health status, while enrolled in a clinical Nursing course, must present a release from the attending physician to continue in the course. Examples of changes include pregnancy, hypertension, surgery, injury, change in mental health status, substance abuse, etc.
6. Submit evidence of current American Heart Association CPR Health Care Provider course completion upon enrollment in Nursing 1014/1015 or Nursing 1018 and maintain annually.
7. Complete Universal Precautions Update in Nursing Learning Laboratory annually.
8. Complete an American Heart Association (BLS) Health Care Provider Review class offered at LSUA or local hospitals prior to the first day of a clinical nursing course. Reviews are required annually. Accelerated LPN $\rightarrow$ ADN students are required to complete the American Heart Association (BLS) Health Care Provider Review class offered at LSUA or local hospitals upon enrollment and maintain annually.

## Probation

A student may be placed on probation and is subject to dismissal when failing to comply with certain standards. Probation in the Department of Nursing serves as notice to the student that a violation of standards has been committed when:

1. A lack of professional compatibility is
demonstrated. Such status is a warning that an additional violation will result in immediate dismissal from the Department of Nursing. Professional compatibility is demonstrated by consistently meeting standards described in the Louisiana Nurse Practice Act and the American Nurses Association Code of Ethics. (The Louisiana Nurse Practice Act is available in the James C. Bolton Library or from the Louisiana State Board of Nursing, 5207 Essen Lane, Suite 6, Baton Rouge, LA 70809).
2. A grade of "W," " $D$," or " $F$ " is earned in any required clinical nursing course.
3. A student is arrested or charged with any criminal offense in any state or foreign country.

## Suspension

A student who is arrested, charged with, convicted of, pled guilty or nolo contendere to, or sentenced for any criminal offense in any state or foreign country will be immediately suspended from any clinical nursing courses. Suspension will remain in effect until a decision is made by the Louisiana State Board of Nursing.

## Dismissal

1. A student found guilty of any of the following will be dismissed from the Department of Nursing and subject to University disciplinary procedures:
-Academic cheating
-Plagiarism
-Unauthorized possession of examinations
-Falsification of patient and/or agency records
-Falsification of any LSUA documents
-Illegal possession, sale, use, or distribution of drugs
-Illegal possession of weapons
-Theft
-Any other activity that is incompatible with professional behavior as delineated in the Nurse Practice Act
2. A student will be dismissed from the Department of Nursing when:
a. Earning a grade of "W," "D," or "F" in a required clinical nursing course after enrolling* for the second time.
b. Earning two (2) grades of "D" or "F" in any required clinical nursing courses.
c. Withdrawing from a clinical nursing course after having enrolled in and withdrawn from two (2) other required clinical nursing courses numbered 1022 and above.
d. Continuing to demonstrate lack of professional compatibility while on probation.
e. Having been denied approval for continuance by the Louisiana State Board of Nursing.
f. Failing to declare criminal charges/arrests/convictions on admission into nursing.
g. Failing to declare criminal charges/arrests/convictions that occur during enrollment in the nursing program. (It is the student's responsibility to notify the Department of Nursing within seven (7) days of the occurrence.)
h. Declared ineligible according to LSBN criteria for enrollment.
[^5]
## Petitions for Exception

Exceptions to any of the policies may be considered by the faculty in the Department of Nursing. Petitions for exceptions are made to the Department of Nursing Academic Standards Committee for consideration. Recommendations are presented to the faculty for a final decision. Students who petition for re-entry are not guaranteed readmission into the Nursing program.

## Readmission after Dismissal

Students who are dismissed from the program for academic reasons (as stated previously in item $2 A, B$, and $C$ (under "Dismissal"), will have the opportunity to reapply for re-entry into the Nursing program after three (3) years (depending on the availability of resources in the Department of Nursing). The applicant will begin clinical Nursing courses again, starting with Nursing 1014/1015. Students re-entering the program after dismissal must meet the same academic requirements as
other students applying for initial entry into Nursing 1014/1015.

## Drug Testing Policy

This policy applies to all students admitted to the Department of Nursing. Drug testing may be requested only on the basis of a reasonable suspicion, using objective facts and reasonable inferences, that the student is under the influence of or is impaired by drugs or alcohol. When reasonable suspicions exist, the chair of the Department of Nursing will be notified by the clinical instructor involved and the student will be immediately suspended from attending any clinical nursing course. Campus security and a designated employee of LSUA will escort the student suspected of drug/alcohol use, to the testing facility. Testing will be done at the student's own expense. Once testing has been completed, the student must arrange for transportation to his or her home (at his/her own expense) and will report to the chair of the Department of Nursing the following morning for further instructions.

## Louisiana State Board of Nursing's Criteria for Enrollment in a Clinical Nursing Course or for Licensure as a Registered Nurse

The Nurse Practice Act requires that students who enroll in a clinical course, or become licensed as a registered nurse by examination, be of good moral character and have committed no acts which constitute ground for disciplinary action as defined in R.S. 37:921.
I. Students shall report the following to the Program Head and petition the Board for approval to practice as students of nursing in Louisiana prior to enrollment in a clinical nursing course:

- any disciplinary action by any licensing/certifying board in any state,
- any arrest, criminal charge, or conviction,
- any addiction or impairment which may affect their ability to practice nursing with reasonable skill and safety.
A. Students with the following conditions are ineligible to enroll in a clinical nursing course:

1. pending disciplinary action or any restrictions of any form by any licensing/certifying board in any state; or
2. pending criminal charge that involves any violence or danger to another person, or involves a crime which constitutes a threat to patient care; or
3. has pled guilty, nolo contendere, been convicted of, or committed a:
a. crime of violence specified in LRS 14:2(13), or
b. crime which involves distribution of drugs, or
c. crime which reflects on the ability of the person to practice nursing safely and is currently serving a court ordered probation; or
4. falsifies any documents submitted to the board or the nursing school.
For purposes of Section I and II, a pardon, suspension of imposition or sentence, expungement, or pretrial diversion or similar programs shall not negate or diminish the need to report.
B. Students reporting of ANY subsequent disciplinary action, arrest, charge, conviction, addiction, or impairment.
Any subsequent disciplinary action, arrest, criminal charge or conviction, addiction, or impairment must be reported IMMEDIATELY to the Program Head and the Board. The required documents shall be forwarded to the Board for determination for continuance in the clinical component.
C. Failure to disclose the required information constitutes falsification of documents and will result in denial of licensure. The Louisiana State Board of Nursing will conduct a criminal background records check on all applicants for licensure as a registered nurse in Louisiana.
II. Denial of Licensure, Reinstatement, or the Right to Practice Nursing as a Student Nurse
A. Applicants for licensure, reinstatement, or the right to practice as a student nurse shall be denied approval for licensure, for reinstatement, to receive a temporary
working permit, to be eligible for NCLEXRN , or to enter or progress into any clinical nursing course, if the applicant:
5. knowingly falsifies any documents submitted to the board or the nursing school; or
6. has pled guilty, nolo contendere, been convicted of, or committed a:
a. "crime of violence" as defined in R.S. $14: 2(13)$, or any of the following crimes: first degree feticide, second degree feticide, aggravated assault with a firearm, stalking, false imprisonment offender armed with dangerous weapon, incest, aggravated incest, molestation of a juvenile, sexual battery of the infirm; or
b. crime which involved distribution of drugs. For purposes of the above section, a pardon, suspension of imposition of sentence, expungement, or pretrial diversion or similar programs shall not negate or diminish the requirements of this section.
B. Applicants who are denied licensure, reinstatement, or the right to practice nursing as a student nurse shall not be eligible to submit a new application, unless the grounds for denial are falsification of records and until the following conditions are met:
7. a minimum of five (5) years has passed since the denial was issued;
8. the applicant presents evidence that the cause for the denial no longer exists; and
9. a hearing or conference is held before the board to review the evidence, to afford the applicant with the opportunity to prove that the cause for the denial no longer exists, and to provide an opportunity for the board to evaluate changes in the person or conditions.
III.

Delay of Licensure, Reinstatement, or the Right
to Practice Nursing as a Student Nurse:
A. Applicants for licensure, reinstatement, and
for practice as a student nurse shall be delayed approval for licensure, for reinstatement, to receive temporary working permit, to be eligible for NCLEX-RN, or to enter or progress into any clinical nursing course, if the applicant:

1. has any pending disciplinary action or any restrictions of any form by any licensing/certifying board in any state; or
2. has a pending criminal charge that involves any violence or danger to another person, or involves a crime which constitutes a threat to patient care; or
3. has pled guilty, nolo contendere, been convicted of or committed a crime that reflects on the ability of a person to practice nursing safely, and the conditions of the court have not been met, or is currently serving a court ordered probation of parole. If the crime is a "crime of violence" as defined in R.S. 14:2.(13) or any of the following crimes: First degree feticide, Second degree feticide, Aggravated assault with a firearm, Stalking, False Imprisonment-offender armed with a dangerous weapon, Incest, Aggravated incest, Molestation of a juvenile,

Sexual battery of the infirm, the applicant shall be denied.
For purposes of the above section, a pardon, suspension of imposition of sentence, expungement, or pretrial diversion or similar programs shall not negate or diminish the requirements of this section.
B. Applicants who are delayed licensure, reinstatement, or the right to practice nursing as a student nurse shall not be eligible to submit a new application until the following conditions are met:

1. the applicant presents sufficient evidence that the cause for the delay no longer exists; and
2. a hearing or conference is held before the board to review the evidence, to afford the applicant with the opportunity to prove that the cause for the delay no longer exists, and to provide an opportunity for the board to evaluate changes in the person or conditions.
Additional information regarding tuition, fees and length of the program may be obtained from the Department of Nursing and from the NLN Accrediting Commission, 61 Broadway, $33^{\text {rd }}$ Floor, New York, New York, 10006, Phone (800) 669-1556, ext. 153.

## COURSES OF INSTRUCTION

## IMPORTANT FACTS REGARDING COURSES

1. All courses of instruction offered by LSUA are listed in this section. This list was up to date and as correct as possible at the time of publication of this catalog. Since the catalog was prepared well in advance of its effective date, some courses may have been added, others may have been dropped, and additional approved changes in content may have been made.
2. Courses that have been approved as General Education Courses are designated by the following symbol ( $\uparrow$ ) placed before the title.
3. No credit will be given for a course unless the student has been duly registered in that course.
4. The amount of credit given for the satisfactory completion of a course is based on the number of lectures or recitations each week for one semester; for example, one credit represents one hour of lecture or recitation a week for one semester. Two to four hours of laboratory work are considered the equivalent of one lecture or recitation hour.
5. When a course consists entirely or partly of laboratory, that fact is stated in the description.
6. The number of credit hours a course carries per semester is listed following the course title. If the amount of credit listed is variable, e.g., "2-4," the amount of credit the student is to receive must be stated at the time of registration. Indication of variable credit does not mean that a course may be repeated for credit. If a course can be repeated for credit, that information is included in the course description.
7. Listing of a course in the catalog does not necessarily mean that it will be offered each year. A schedule of courses to be offered is published annually with updates provided at the beginning of each term. However, LSUA reserves the right to add to, delete from, or modify the class schedule and faculty
assignments as circumstances require.
8. The phrase "also offered as" that appears in some course descriptions, refers to cross-listed courses that are available through more than one department. In each of these instances, only one of the courses may be taken for credit.
9. A student may not continue in a course if the corequisite course is dropped prior to the last day of the midsemester examination period.

## COURSE NUMBERING SYSTEM

0001-0999: Offered by LSUA to permit students to make up deficiencies in previous training or to improve their facility in certain basic skills. Not for Degree Credit.
1000-1999: Primarily for freshmen. Ordinarily open to all students.
2000-2999: For sophomore level or above. It is not advisable for a freshman to register for a sophomore-level course unless the student has a 2.50 GPA or a composite ACT score of at least 26, or has placed into the course through an advanced-standing examination. Contact the appropriate department chair for further information.
Generally for students of junior level or above. Students below junior level should consult with their advisors prior to registering for one of these courses.
4000-4999 For advanced students of junior or senior level. Any student who has accumulated less than 60 hours must have the permission of the department chair from the department that teaches the course prior to registering for one of these courses.

# COURSE DESCRIPTIONS 

## Accounting (ACCT)

Financial Accounting Lec. 3 Lab. 0 Cr. 3 Prerequisite: MATH 1021. Financial accounting with emphasis on knowledge required for completion of the accounting cycle, including income measurement and financial statement preparation; accounting for current and plant assets, current and long-term liabilities, stockholders' equity, and cash flows
Managerial Accounting Lec. 3 Lab. 0 Cr. 3
Prerequisite: ACCT 2001. Principles and methods of accounting primarily concerned with data gathering and presentation for purposes of internal management evaluation and decision making.
Intermediate
Accounting I Lec. 3 Lab. 0 Cr. 3 Prerequisite: Grade of "C" or above in ACCT 2001 and 2101. Accounting concepts and principles underlying the preparation of financial statements; their application in the measurement and reporting of selected balance sheet items and related revenue and expense recognition.
Intermediate
Accounting II
Lec. 3 Lab. 0 Cr. 3 Prerequisite: Grade of "C" or above in ACCT 3020. Continuation of ACCT 3020. Accounting for liabilities, income taxes, pensions, leases, stockholders' equity, earnings per share, accounting changes and corrections of errors, and income and balance sheet presentations.
3121 Cost Accounting Lec. 3 Lab. 0 Cr. 3
Prerequisite: Grade of "C" or above in ACCT 2101. Nature, objectives, basic systems, and procedure of cost accounting and control for manufacturing firms; cost-volume-profit relationships; standard costs and variance analysis; direct costing; relevant costs; activitybased costing.
Accounting Information
Systems Lec. 3 Lab. 0 Cr. 3 Prerequisite: Grade of "C" or above in ACCT 2101 and CIS 1100. Analysis and design of standard accounting systems; emphasis on computerized systems and internal controlissues. Tax Accounting I Lec. 3 Lab 0 Cr. 3 Prerequisite: Grade of "C" or above in ACCT 2001. Fundamentals of federal income taxation
with respect to individuals and other entities, income inclusions and exclusions, and statutory deductions in arriving at tax liability.
Advanced Accounting Lec. 3 Lab 0 Cr. 3 Prerequisite: Grade of "C" or above in ACCT 3021. Completion of the core financial accounting sequence; business combinations, consolidated financial statement, segment reporting, foreign operations, and Securities and Exchange Commission procedures.
Auditing
Lec. 3 Lab. 0 Cr. 3
Prerequisite: Grade of "C" or above in ACCT 3021. Theoretical and practical development of the independent audit function; generally accepted auditing standards; collection and evaluation of audit evidence; understanding internal control; risk assessment; transaction cycles; and reporting.
Tax Accounting II Lec. 3 Lab. 0 Cr. 3
Prerequisite: Grade of "C" or above in ACCT 3221. Fundamentals of federal income taxation, with respect to partnerships, corporations, and shareholders.

## Governmental and Not-for-Profit

Accounting
Lec. 3 Lab. 0 Cr. 3
Prerequisite: Grade of "C" or above in ACCT 3020. Accounting, budgeting, fiscal processes, and financial records of local, state, and federal governmental bodies and of private nonprofit institutions.

## Anthropology (ANTH)

- General Anthropology Lec. 3 Lab. 0 Cr. 3 Origin and evolution of man, the modern races, prehistory of mankind, and linguistic classification.
- Culture Growth

Lec. 3 Lab. 0 Cr. 3
Nature of culture; social organization; primitive religion, magic, and arts.

## Anthropology

Study Tour
(Travel Course) Cr. 3 Selected sites and selected topics. Travels, lectures, readings, and reports. This course may be used as an elective credit only and may be repeated for up to six hours credit when sites and topics change.
Early Cultures of South
and MesoAmerica
Lec. 3 Lab. 0 Cr. 3 Introduction to the major early cultures of South and MesoAmerica. The course first looks at the earliest occupants of Mexico, Central America, and South America and their development from Archaic cultures into farming societies. Then the
focus shifts to the social, political, economic, religious, and architectural foundations of the major civilizations, including the Olmec, Maya, Toltec, Mixtec, Aztec and Inca.

## Evolution of Man

and Culture
Lec. 3 Lab. 0 Cr. 3
The biological and cultural evolution of the human species.

## Biology (BIOL)

$1001 \leftrightarrow$ General Biology I Lec. 3 Lab. 0 Cr. 3 An introduction to biological principles including basic biochemistry, cell structure and function, metabolism, genetics, evolution, and ecology. Degree credit will not be given for both BIOL 1001 and BIOL 1201.

- General Biology II Lec. 3 Lab. 0 Cr. 3 Prerequisite: BIOL 1001. A taxonomic survey of living organisms (viruses, bacteria, algae, fungi, higher plants and animals). Includes study of structure and functions of organs and systems with emphasis on advanced plants and vertebrates. Degree credit will not be given for both BIOL 1002 and BIOL 1202.
- General Biology

Laboratory I
Lec. 0 Lab. 2 Cr. 1
Prerequisite: credit or registration in BIOL 1001. Survey of Plant Kingdom.
$\uparrow$ General Biology
Laboratory II Lec. 0 Lab. 2 Cr. 1 Prerequisite: credit or registration in BIOL 1002. Survey of Animal Kingdom.

Physiology $1 \quad$ Lec. 3 Lab. 2 Cr. 4 Prerequisite: Eligibility for MATH 1021. Completion of all developmental courses is recommended. Topics include cell structure and function, tissue, integument, skeleton and muscle, chem istry, and biochemistry. Not for degree credit for science majors.
1162 Human Anatomy and
Physiology II
Lec. 3 Lab. 2 Cr. 4
Pre-requisite: BIOL 1161. Continuation of BIOL 1161. Topics include blood circulation, lymphatic system, imm unology, respiratory system, urinary system, reproduction, endocrinology, digestion, and nervous system. Not for degree credit for science majors.

- Biology for

Science Majors I
Lec. 3 Lab. 2 Cr. 4 Prerequisite: Eligibility for MATH 1021. Completion of all developmental courses is recommended. Credit will not be given for both this course and BIOL 1001 and 1003. General concepts in cellular structure, cellular metabolism, cellular comm unication, evolution, and genetics.

## - Biology for

Science Majors II Lec. 3 Lab. 2 Cr. 4 Prerequisite: Completion of BIOL 1201 with a "C" or better. Credit will not be given for both this course and BIOL 1002 and 1004. General concepts in ecology and the diversity of life.

## Rainforest Ecology (Travel Course) Cr. 3

An introduction to the moist lowland forest of the American tropics, including: the ecological functions that maintain the ecosystem, biological diversity, adaptations and interrelationships of species, threats to the ecosystem, and possibilities for management. Course will include pre-trip lectures and a one-week field trip to the rainforest of the Peruvian Amazon.

## $\checkmark$ Introduction to

Environmental Science Lec. 3 Lab. 0 Cr. 3 Prerequisite: Eligibility for ENGL 1001. The relationship of man as a biological unit to the Earth's ecosystems. A study of the basic laws which govern these ecosystems and ecological problems created by man's modification of the environment. This course is intended as an elective for non-science as well as science majors.

## Principles of Wildlife

Management
Lec. 3 Lab. 0 Cr. 3 Wildlife conservation and management; ecology and management of wildlife in relation to the objectives of consumptive and nonconsumptive interest groups.
$\uparrow$ General Microbiology Lec. 2 Lab. 4 Cr. 4 Prerequisite: Chemistry 1001 or 1201 and Biology 1001, 1201, or 1161. A study of the structure and function of microbial cells with emphasis on their relationship to man.
Cell/Molecular Biology Lec. 3 Lab. 0 Cr. 3
Prerequisite: BIOL 1201, 1202, and CHEM 1202. Living systems at the cellular, subcellular, and molecular levels. Emphasis on molecular control of cellular activity, intermediate metabolism, and energy transformation.

## Basic Organic

and Biochemistry
Lec. 4 Lab. 0 Cr. 4
Prerequisite: CHEM 1202. A presentation of: 1) the fundamental reaction capabilities of organic molecules and their functional groups, and 2) the basic principles of physiological chem istry with an emphasis on their application to problems encountered in the practice of nursing. Four hours of lecture each week.
Evolution
Lec. 3 Lab. 0 Cr. 3
Prerequisite: Biology 1202. Biology 2080 is recommended. Principles and processes in evolutionary biology.
Immunology Lec. 3 Lab. 0 Cr. 3
Prerequisite: BIOL 2051 or consent of instructor. BIOL 2080 recommended. Molecular and cellular basis of innate and acquired immunity.

Prerequisite: BIOL 2080, CHEM 1202. A systems approach covering operations associated with maintaining homeostasis. Major functional mechanisms of animal systems will be covered with emphasis placed on vertebrate animals.
Comparative Anatomy Lec. 3 Lab. 3 Cr. 4 Prerequisite: BIOL 1201, 1202. Structure and function in vertebrates as viewed from an evolutionary perspective.
Genetics
Lec. 3 Rec. 1 Cr. 4
Prerequisite: BIOL 2080. Molecular and Mendelian bases of inheritance. Fundamental laws of heredity applied to all kingdoms.
Developmental
Biology Lec. 3 Lab. 3 Cr. 4 Prerequisite: BIOL 2080. Developmental phenomena are approached first by analysis of the molecular and cellular bases of these processes, which are comm on to the eukaryotes, and secondly by descriptions of selected examples of development, including fungi, protozoa, algae, higher plants, and animals.
Survey of the Plant
Kingdom
Lec. 3 Lab. 3 Cr. 4
Prerequisite: BIOL 1201, 1202. An introduction to the plant kingdom with emphasis on plant cell structure, photosynthesis, cellular respiration, reproduction, heredity, and the evolutionary relationships of representative nonvascular and vascular plants.
3161 Plant Anatomy/
Physiology
Lec. 3 Lab. 3 Cr. 4 Prerequisite: BIOL 3160. A study of the structure, function, and development of the vegetative and
reproductive organs and the physiology of seed plants.
Natural History
of the Vertebrates Lec. 2 Lab. 6 Cr. 4
Prerequisite: BIOL 1201, 1202. Study of the taxonomy, phylogeny, ecology, and life histories of fishes, amphibians, reptiles, birds and mammals. Laboratory will emphasize field and laboratory study of representative Louisiana species.
Biological Research
Cr. 1-3
Prerequisite: Approval of instructor. Individual, supervised research problems. Students will prepare oral and written presentations of their research. May be repeated for degree credit for a maximum of six hours.
Senior Seminar
Cr. 1
Prerequisite: Senior standing required. A capstone course required of all biological sciences majors.
Conservation Biology Lec. 3 Lab. 0 Cr. 3 Prerequisite: BIOL 1201, 1202, (3153 recommended). Application of principles of ecology, evolution, and genetics to conservation. Emphasis on threats to biodiversity and habitats as well as management solutions for these threats.
Plant Taxonomy Lec. 2 Lab. 4 Cr. 4
Prerequisite: BIOL 3160. A study of the classification of nonvascular and vascular plants of the Southeastern United States with emphasis on plants native to Louisiana.

Endocrinology Lec. 3 Lab. 0 Cr. 3
Prerequisite: BIOL 3150. The chemical nature, roles in the regulation of biological processes and the mechanism of actions of the major hormones of the human endocrine system will be covered.
Principles of Ecology Lec. 3 Lab. 3 Cr. 4 Prerequisite: BIOL 1201, 1202 and STAT 2011. Study of the principles governing the relationships between living organisms and their environment.

Includes structure and function of ecosystems, communities and populations as well as discussion of current ecological problems. Laboratory emphasizes measurement, interpretation, and application of ecological data.
Limnology Lec. 3 Lab. 3 Cr. 4
Prerequisites: BIOL 4253 and CHEM 1212 or permission of instructor. The study of structure and function of freshwater systems such as lakes, ponds, rivers, and streams. Physical and chemical properties of freshwater habitats will be explored, along with their biotic composition and their productivity. Water use and the effects of human impact on these habitats will also be considered.
Topics in
Biology Lec. 2-3 Lab. 0-6 Cr. 3-4 Prerequisite: Permission of instructor. Study of a specific topic in the biological sciences. Topics offered to be determined by recent advances, needs of students, and availability of appropriate faculty. May be repeated for credit.

## Business (BUSN)

1001 Introduction to Business Lec. 3 Lab. 0 Cr. 3 (Not open to students who have credit for more than 12 semester hours in ACCT/BUSN/ECON courses.) A survey course designed to present an overview of the operation of the business firm and acquaint the student with phases of business organizations and operations and guide them in their occupational choice.
Personal Finance Lec. 3 Lab. 0 Cr. 3
Applied course in Personal Family Finance Problems. This includes need for borrowing, making many different types of expenditures, making plans for retirement, budgeting of income, insurance, investments, and home ownership.
Legal Environment
of Business Lec. 3 Lab. 0 Cr. 3 Studies the relationship between American legal institutions and the business world. Overview of the court system, ethics, torts, contracts, consumer protection, anti-trust, employment, and environmental laws.

## Principles of

Management Lec. 3 Lab. 0 Cr. 3 Prerequisite: ACCT 2101, ECON 2010 and ECON 2020. Management functions, including planning, organizing, staffing/human resource management, leading/interpersonal influence, and controlling in both domestic and international spheres.

## Business Law I

Lec. 3 Lab. 0 Cr. 3
A survey of general principles of law in the areas of contracts, intellectual property, sales, torts and Louisiana Civil Law.
Business Law II Lec. 3 Lab. 0 Cr. 3
Prerequisite: BUSN 3201. A survey of general principles of law in the areas of negotiable instruments, creditor/debtor rights, agency, business organization and Louisiana Commercial Code.
Business and Society Lec. 3 Lab. 0 Cr. 3 Prerequisite: BUSN 3200 and junior standing. Social roles of organizations whose primary function is the accumulation of profits; emphasis on current issues; historical development of business-society relationships.
Introduction to Operations
Management Lec. 3 Lab. 0 Cr. 3 Prerequisites: BUSN 3200 and MATH 2011. Principles and methodologies concerning productivity and quality of manufacturing and service organizations; production and service systems design; process and capacity design; total quality management; systems for just-in-time and purchasing management; inventory and materials management.

## Human Resource

Management
Lec. 3 Lab. 0 Cr. 3 Prerequisite: BUSN 3200 or consent of instructor. Human resource functions, including planning, recruitment, selection, development, maintenance, and reward of employees; relationships with environment and employee associations.
Principles of Marketing Lec. 3 Lab. 0 Cr. 3 Prerequisite: ACCT 2101 and ECON 2010 or 2020. The field of marketing; marketing environment, functions, and institutional structure at the macro level; marketing strategy and policies at the micro level; problems of cost and productivity; viewpoints of society, consumer, and marketing manager.
Consumer Analysis
and Behavior
Lec. 3 Lab. 0 Cr. 3
Prerequisite: BUSN 3401. Dynamics of consumer markets; their significance to marketing executives; identification and measurement of market segments; analysis of their behavioral patterns as a basis for marketing strategy.
Advertising Lec. 3 Lab. 0 Cr. 3
Prerequisite: BUSN 3401 or consent of instructor. Fundamentals of advertising theory and practice;
social and economic role of advertising; functions of advertising in marketing and communication.
Business Finance Lec. 3 Lab. 0 Cr. 3
Prerequisite: ECON 2020 and ACCT 2101. Finance function within the business enterprise; techniques of financial management, concepts of capital structure and dividend policy, working capital management, capital budgeting, institutional and international environment of the firm.
4113 Small Business
Management Lec. 3 Lab. 0 Cr. 3 Prerequisite: BUSN 3200, BUSN 3401, BUSN 3715. A multidisciplinary approach to small business; business startups, accounting, finance, marketing, management, promotion, layout, retail management, location analysis, and international small business.
4322 Employee Selection
and Placement Lec. 3 Lab. 0 Cr. 3 Prerequisite: BUSN 3320 or BUSN 4524 or instructor consent. The specifics of employee recruitment, hiring, and placement processes will be examined.
Multinational
Management Lec. 3 Lab. 0 Cr. 3 Prerequisite: BUSN 3200. Management concepts and philosophical bases for international management operations; environmental dynamics, multinational business organizations, cultural constraints, organizational structures and processes, and conceptual systems of international operations.
Sales Management
Lec. 3 Lab. 0 Cr. 3
Prerequisite: BUSN 3401. Principles of sales planning and control; organizing sales planning and control; organizing sales departments, developing territories, motivating sales persons, and controlling sales operations.

## Marketing on the

Internet Lec. 3 Lab. 0 Cr. 3 Prerequisite: BUSN 3401. Appreciation of marketing principles and practices pertaining to the use of the Internet by organizations.
International Marketing Lec. 3 Lab. 0 Cr. 3
Prerequisite: BUSN 3401 or instructor consent. Global marketing environment and analytical process; global marketing as all-encompassing; marketing systems in various countries; strategies for multinational and international operations.
Marketing Management Lec. 3 Lab. 0 Cr. 3
Prerequisite: BUSN 3401 or consent of instructor. Analytical principles used in development of
strategies for solving marketing problems; policy areas of product, price, channels, and promotion integrated in development of the firm's total marketing effort.
Employment Law Lec. 3 Lab. 0 Cr. 3 Prerequisite: BUSN 3200. The study of the regulation of employment, with particular emphasis on wrongful discharge, discrimination, evaluation and regulation of job performance, and sexual harassment.

## Human Behavior

in Organizations Lec. 3 Lab. 0 Cr. 3
Prerequisite: BUSN 3200. Behavioral sciences applied to understanding human dynamics in organizations; focus on individual, interpersonal, group, and intergroup behavior; impact of human behavior on organizational effectiveness.

Prerequisite: BUSN 3200, BUSN 3401, and BUSN 3715. (May be taken only during either of the final semesters of course work.) The course will integrate the many facets of the Business Curriculum. The focus is on strategic management.
Business Internship Lec. 3 Lab. 0 Cr. 3
Prerequisites: BUSN 3200, BUSN 3401, BUSN 3715 , and instructor consent. This course is open only to students enrolled in the Bachelor of Liberal Studies - Business Major. The course is designed to be a structured program of supervised participation in activities of business. Students are given credit for major-related significant practical business experience. Students must work 180 hours during the semester; keep a journal describing their work activities and hours worked; write weekly reports and a final paper describing the learning value of their internship; and participate in group and individual sessions with the instructor. The student must have a 2.75 or better grade point average on all courses taken from the Department of Business Administration (or equivalent courses taken elsewhere) and make application for the Internship the semester prior to that in which it will be taken. The student's internship employment must be secured before registering for the class.

## Directed Study

in Business Lec. 3 Lab. 0 Cr. 3
Prerequisite: BUSN 3200, BUSN 3401, BUSN 3715 , and instructor consent. The course is open only to students enrolled in the Bachelor of Liberal Studies - Business Major. A survey of current literature and/or research in an area or areas of specific interest with the business disciplines.

Topic(s) of study are to be approved by the instructor and the department chair.

4999
Seminar in Business Lec. 3 Lab. 0 Cr. 3
Prerequisite: Instructor consent. Exploration and analysis of selected problems and issues in today's business environment. Course content necessarily changes each semester as selected issues are discussed. May be taken more than once for credit when topic changes.

## Chemistry (CHEM)

COREQUISITES: A student may not continue in a course if the corequisite is dropped prior to the last day of the midsemester examination period.
1001 Introductory Chemistry for
Non-Science Majors I Lec. 3 Lab. 0 Cr. 3
Prerequisite: Eligibility for MATH 1021. Credit will not be given for both this course and CHEM 1201. A course in the fundamentals of chemistry covering the basic topics of general, inorganic, and nuclear chemistry.
1002 Introductory Chemistry for
Non-Science Majors II Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in CHEM 1001. Credit will not be given for both this course and CHEM 1202. A continuation of CHEM 1001 covering the basic topics of organic chemistry and biochemistry.
$\uparrow$ Introductory Chemistry
Laboratory for
Non-Science Majors Lec. 0 Lab. 3 Cr. 1 Prerequisite: A grade of "C" or better in CHEM 1001. Corequisite: CHEM 1002. A laboratory course covering the fundamentals of inorganic, organic and biochemical operations and techniques.
$\leftrightarrow$ General Chemistry I Lec. 3 Lab. 0 Cr. 3 Prerequisite: Eligibility for MATH 1021. Credit will not be given for both this course and CHEM 1001. A course in the fundamentals of inorganic chemistry, modern chemical theories and principles, quantitative problem solving, energy, reactions and their applications. Students who plan to pursue curricula which require more than one year of college chem istry must take 1201 and 1202.

- General Chemistry II Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in CHEM 1201. A continuation of CHEM 1201. Additional theory and quantitative problem solving with emphasis in solution chemistry, equilibrium, kinetics, entropy and free energy.

General Chemistry
Lab oratory
Lec. 0 Lab. 6 Cr. 2
Prerequisite: A grade of "C" or better in CHEM 1201. Pre or corequisite: CHEM 1202. A laboratory course in fundamental chemical operations and elementary quantitative techniques.
2030

## Statics

Lec. 3 Lab. 0 Cr. 3
Prerequisite: A grade of "C" or better in MATH 1550, MATH 1552, and PHYS 2101. Vectorial treatment of resultants and equilibrium of force systems, centroids, centers of gravity, fluid statics, friction.

## Clinical Laboratory Technician (CLLT)

Introduction to Clinical

Laboratory Science Lec. 3 Lab. 0 Cr. 3
Prerequisite: A grade of "C" or better in BIOL 1161, MATH 1021, CHEM 1201, ENGL 1001 and HESC 1010. An introduction to the clinical laboratory science profession and its organizational structure. The communication
proces, professional ethics, the legal aspects of laboratory service, lab mathematics, basic quality control processes, lab safety and basic instrumentation are also introduced. The course is open to all students interested in entering the CLT Program or any clinical laboratory science discipline.
Clinical Hematology I Lec. 2 Lab. 3 Cr. 3 Prerequisite: A grade of "C" or better in CLLT 1010, admittance to the CLT Program, and approval of instructor. A study of the formation, development, morphology, and function of various types of normal/abnormal blood cells, synthesis of hemoglobin, and laboratory diagnosis of anemias. Course includes laboratory practices that support and reinforce these studies.
Clinical Hematology II Lec. 2 Lab. 3 Cr. 3 Prerequisite: A grade of "C" or better in CLLT 2110 and approval of instructor. A study of the pathophysiology of blood cells, especially the leukocytic line. Coagulation and hemorrhagic disorders will also be studied. Course includes laboratory practices in evaluation of abnormal blood smear and coagulation techniques.
Medical Parasitology Lec. 1 Lab. 3 Cr. 2 Prerequisite: A grade of "C" or better in CLLT 1010, admittance to the CLT program, or approval of instructor. A study of the morphology, physiology, life cycles, and epidemiology of human pathogenic parasites. Laboratory practices in the identification of these parasites.
Clinical Immunology and
Serology Lec. 2 Lab. 3 Cr. 3
Prerequisite: A grade of "C" or better in CLLT 2110 or approval of instructor. A study of the basic aspects of the immune system and application of the antigen-antibody reaction in various disease states. Laboratory practices pertinent to serological testing of blood and body fluids to support these studies.
Clinical Chemistry I Lec. 2 Lab. 3 Cr. 3
Prerequisite: A grade of "C" or better in CLLT 1010, CHEM 1201 or approval of instructor. A study of human biochemistry as an aid in the diagnosis of disease process including laboratory applications in body fluid analysis, manual biochemical procedures and instrumentation.
identification and differentiation.
Clinical
Immunohematology Lec. 2 Lab. 3 Cr. 3
Prerequisite: A grade of " $C$ " or higher in CLLT 2110 or approval of instructor. Pre or Corequisite: CLLT 2240. A study of basic theory and practice of immunohematology. Emphasis will be placed upon blood grouping, typing, and those services supplied by a blood collection and transfusion service.
Clinical Chemistry II Lec. 2 Lab. 3 Cr. 3 Prerequisite: A grade of "C" or better in CLLT 2250 or approval of instructor. The continuation of the study of human biochemistry as an aid in the diagnosis of disease process including laboratory applications in body fluid analysis, manual biochemical procedures and instrumentation.
Practicum I (See Description) Cr. 4
Prerequisite: A grade of "C" or better in all didactic and student laboratory CLLT courses. Clinical practice in a clinical affiliate. Emphasis is on developing and applying knowledge and technical skills in blood collection, clinical hematology, and coagulation clinical chemistry, immunohem atology, microbiology, urinalysis, and immunology/serology. Minimum of 320 clinical hours.
Practicum II (See Description) Cr. 2 Prerequisite: A grade of "C" or better in all didactic and student laboratory CLLT courses. This clinical practice is a continuation of CLLT 2410. Minimum of 160 clinical hours.

## Practicum III (See Description) Cr. 3

Prerequisite: A grade of "C" or higher in all didactic and student laboratory CLLT courses. This clinical practice is a continuation of CLLT 2420. Minimum of 240 clinical hours.

Basic Forensics Lab Lec. 1 Lab. 3 Cr. 2
Pre or Corequisite: CJUS 3310, natural science or biology class. Beginning basic study in the field of Forensic Science. Topics and hands on case studies which include crime lab organization, physical evidence collection and processing, microscope analysis of forensic specimens, and screening tests for blood traces.

## Advanced

Forensics Lab
Lec. 1 Lab. 3 Cr. 2
Prerequisite: CJUS 3310, CLLT 3311. Corequisite: CJUS 4310. Advanced study in the field of Forensic Science. Topics and hands-on case studies which include ballistics and blood splatter analysis, testing for illegal substances, DNA analysis and forensic odontology,
entomology, and anthropology exercises.

## Communication Studies (CMST)

## Speech Communication for Business

and the Professions Lec. 3 Lab. 0 Cr. 3 Prerequisite: CMST 1061. Continued exploration of interpersonal and public communication concepts and techniques applicable to business and professional situations, including organizational comm unication theory, interviewing,
proposal presentations, group decision making, organizational communication theory, interviewing,
proposal presentations, group decision making, parliamentary procedure, and intercultural communication.
Voice and Diction Lec. 3 Lab. 0 Cr. 3 A study of the speaking process, emphasizing articulation and pronunciation through application of basic phonetics.

- Communication

Fundamentals
Lec. 3 Lab. 0 Cr. 3 An introduction to the basic concepts and techniques of intrapersonal, interpersonal, and public communication, with opportunities for comm unication skills acquisition and practice.

## - Introduction to

Mass Media Lec. 3 Lab. 0 Cr. 3 Introduction of Mass Media will highlight the various aspects of American mass media including development, structure, problems and opportunities. Mass communications theory and processes will also be addressed.

- Interpersonal

## Communication

Lec. 3 Lab. 0 Cr. 3 Theories and research in dyadic (one-to-one) comm unication, including the roles of self-concept and perception in comm unication; listening; verbal and nonverbal communication; and relationship development and maintenance. All concepts will be studied from various cultural and co-cultural perspectives.
$\uparrow$ Oral Performance of
Literature
Lec. 3 Lab. 0 Cr. 3
Theory and practice of the oral communication of literature, including prose, poetry, and drama. Emphasis on conveying to an audience intellectual, emotional, and aesthetic content of literature through the voice and body.
$\leftrightarrow$ Public Speaking Lec. 3 Lab. 0 Cr. 3
Exploration of public comm unication concepts and techniques, including audience analysis, topic selection and research, organization of materials, and delivery skills. Creation and presentation of speeches and analysis of other speakers.

- Argumentation and

Debate
Lec. 3 Lab. 0 Cr. 3
Prerequisite: CMST 1061 or 2060. A study of the principles of argumentation and debate, including analysis, collection and use of evidence, reasoning, and refutation; class debating in vital questions.
Readers Theatre
Lec. 3 Lab. 0 Cr. 3
(Also offered as THTR 2145) Oral performance of literature by a group: adaptation of materials, presentation skills, and staging techniques. (Credit will not be given for both CMST 2145 and THTR 2145)
Media Writing Lec. 1 Lab. 4 Cr. 3 Prerequisite: "C" or better in ENGL 1002; minimum typing ability of 35 words per minute. Practice in locating sources of news, interviewing, and note taking; evaluating and organizing facts; writing basic kinds of news stories, using wire service style.
Broadcast Newswriting Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in CMST 2151. An exploration of writing techniques for radio, television, video new releases, and other broadcast media.

Forensic Practicum Lec. 0 Lab. 1 Cr. 1 Prerequisites: Consent of instructor and membership of the LSUA Speech Team. Preparation and presentation of speeches and/or interpretative materials for intercollegiate competition. May be repeated for a maximum of 3 hours credit.
Internship Lec. 0 Lab.TBA Cr.1-3
Prerequisite: Consent of Faculty Coordinator. Supervised work in local businesses, private agencies, or on-campus offices concerned with communication studies, mass communication, public relations, or other related journalistic projects. Interns must also attend discussions with Faculty Coordinator and read assigned material. May be repeated for a maximum of 6 hours credit.

## Principles of

Public Relations
Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or higher in CMST 2000. An exploration of the role of public relations in society which will provide insight into the influence of various publics on and the application of public relations principles to campaigns and organizations.

Selected Topics
in Speech
Lec. 3 Lab. 0 Cr. 3
Prerequisite: Consent of instructor. May be taken for a maximum of six (6) hours when topics vary.

## History of

American Film Lec. 3 Lab. 0 Cr. 3
A study of the development of cinema in the United States.

Composition Lec. 3 Lab. 0 Cr. 3
Prerequisite: CMST 2040. Study of rhetorical and aesthetic elements of solo and group performance, including performances of literature, cultural performances, and experimental performance.
Advanced Public
Speaking Lec. 3 Lab. 0 Cr. 3 Prerequisite: CMST 1061 or CMST 2060. This course is designed to refine the student's public speaking skills. Advanced preparation in audience analysis, style, and vocal and physical delivery will be addressed.
Mass Media Law Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or higher in CMST 2000. A study of the legal rights of and the legal restraints on the mass media. Emphasis will be on first amendment considerations and historical precedents of current media law.
Small Group Communication
and Problem Solving Lec. 3 Lab. 0 Cr. 3 Communication skills theory applied to small groups and teams. An emphasis on group dynamics, groups as systems, leadership, and individual roles in group interaction and problem solving.
3115 Communication
and Gender Lec. 3 Lab. 0 Cr. 3 Prerequisite: CMST 2010 or permission from instructor. An examination of biological and cultural perspectives on communication between the sexes.
Family Communication Lec. 3 Lab. 0 Cr. 3
Prerequisite: CMST 2010. An exploration of the family as a communication system. Communication theory and current research will provide valuable insight into the study of key components of family communication.

Contem porary
U.S. Cinema Lec. 3 Lab. 0 Cr. 3
An exploration of American film-making since 1970.

4005

4090

American Film Comedy Lec. 3 Lab. 0 Cr. 3
An exploration of film comedy, through close analys is of movies, scholarly research, and careful discussion.
Media Ethics and
Social Responsibility Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or higher in CMST 2000. An examination of the role of the media in society as an ethically responsible institution. Students will discuss ethical issues and policies, as well as ethical considerations in gathering, processing, and disseminating information.

## American

Media History Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or higher in CMST 2000. An exploration of the development of the media. Areas of consideration will be journalism, advertising, press agentry, and public relations.
Communication in
Organizations
Lec. 3 Lab. 0 Cr. 3
Speech Communication theory and practice in organizations; research used to identify and solve communication problems; analyses of organizational communication.

## Contemporary Theories

of Communication Lec. 3 Lab. 0 Cr. 3 Current methods and theories of human communication; research literature; behavioral antecedents and consequences of messages and their variations; how messages interact with communication to produce behavioral outcomes.

## Nonverbal

Communication Lec. 3 Lab. 0 Cr. 3
Prerequisite: CMST 2010. Nonverbal message systems such as kinesics and proxemics; relationship between verbal and nonverbal comm unication.
Implications of Computers
and Technology on
Human Communication Lec. 3 Lab. 0 Cr. 3 A study of the dynamics of interpersonal, small group, and public forums when mediated through technology.

## Communication Training

and Development Lec. 3 Lab. 0 Cr. 3 Corequisite: CMST 4900. Focus on applied communication in organizations. Students will learn how to assess organizational issues and will create and practice adult learning activities on a wide range of communication topics.

## Persuasive

Communication Lec. 3 Lab. 0 Cr. 3 Prerequisite: CMST 1061 or 2010 or 2063 or equivalent. Nature of persuasive speaking.
Introduction to Communication
Research Methods Lec. 3 Lab. 0 Cr. 3 Prerequisites: CMST 4114 and STAT 2011 (or equivalent). Corequisite: CMST 4150. Capstone course for Communication Studies majors. Students will learn basic methods of data collection and the techniques available to interpret, report, and disseminate information in a variety of communication research projects.

## Communication

## Seminar

Lec. 3 Lab. 0 Cr. 3 The purpose of this course is to integrate knowledge from across the curriculum. Trends that connect the courses will be discussed. The student will gain insight into communication in every level of society

## Computer Information Systems (CMIS)

Basic Computer

## Literacy

Lec. 0 Lab. 2 Cr. 1
A hands-on introduction to the operation and use of the microcomputer. Topics covered will include turning on the computer, using a mouse, interacting with the graphical user interface, word processing, spreadsheet creation, email, and searching the Internet. Not for baccalaureate degree credit.
Personal Productivity
Using IT Tools Lec. 3 Lab. 0 Cr. 3 Prerequisite: CMIS 1000 or a passing grade on the LSUA computer competency exam. Develops skill in using current off-the-shelf word processing, presentation, spreadsheet and personal database software.

## Information Systems

Fundamentals Lec. 3 Lab. 0 Cr. 3 Prerequisite: CMIS 1150. Systems theory, quality, decision making, and the organizational role of information systems are introduced. Information technology, including computing and telecommunications systems, are stressed. Concepts of organizations' information systems growth and process improvement are introduced.

## Programming Lec. 3 Lab. $0 \quad$ Cr. 3

Prerequisites: CMIS 1150, MATH 1021. Introduces the concepts of creating projects using objects, decisions, loops and data management in a visual interface environment. It uses the basic
concepts of programming, problem solving and programming logic using object oriented, event driven language.

## Networking

Fundamentals Lec. 3 Lab. 0 Cr. 3
Prerequisite: CMIS 1200. Provides a foundation in current network technologies for local area networks (LANs), side area networks (WANs), and the Internet. Addresses the hardware, software, terminology, components, design, network connections, topologies and protocols.
Database Fundamentals Lec. 3 Lab. 0 Cr. 3
Prerequisite: CMIS 1200. Covers the theory, utilization, design and maintenance of modern database technologies. Focuses on the relational model and includes object-oriented issues. Explores popular DBMS products, in particular Microsoft Access.
Database Applications Lec. 3 Lab. 0 Cr. 3 Prerequisites: MATH 1021, CMIS 1200 and CMIS 1250 or CMIS 3200. Network, hierarchical, and relational models; manipulation languages; relational database design theory.

## System Administration/

Operating Systems I Lec. 3 Lab. 0 Cr. 3 Prerequisite: CMIS 1200. Provides a basic understanding of the issues and knowledge needed in performing the function of System Administration. Stresses both the Windows and Unix type operating System.
Special Topics in Advanced Microcomputer
Applications Lec. 3 Lab. 0 Cr. 3
Prerequisite: Consent of the instructor. The study and use of selected software packages and/or computer languages available for the microcomputer. May be taken more than once for credit when topic changes.

## Application Interface

Development
Lec. 3 Lab. 0 Cr. 3
Prerequisite: CMIS 1150. A study of tools and techniques used in the development of application interface development. The object-oriented and visual programming paradigms as well as current operating systems will be emphasized.

## Management of Information

Resources Lec. 3 Lab. 0 Cr. 3
Prerequisite: CMIS 1150. Information as a resource; issues in information resource management; elements of information systems; development and maintenance of information systems; controlling information resources.

Internet Development

## Tools Lec. 3 Lab. 0 Cr. 3

 Prerequisite: CMIS 1150, CMIS 1250. Understanding of the Internet and its structure for use in business; technologies employed to develop Internet applications; development of business applications for the Internet.
## Database Processing for

Management Lec. 3 Lab. 0 Cr. 3
Prerequisite: CMIS 3100. Structure and function of managerial database; design options and implementation of database management systems in the firm; laboratory practice includes use of a particular software system.

## Advanced Business

Programming Lec. 3 Lab. 0 Cr. 3 Prerequisite: CMIS 1150 or permission of the instructor. Computer programming methods for business systems emphasizing contemporary programming environments and applications development interfaces.
Computer Organization Lec. 3 Lab. 0 Cr. 3
Prerequisite: CMIS 3200. Basic digital circuits; Boolean algebra and combinatorial logic, data representation and transfer, and digital arithmetic; digital storage and accessing, control functions, input-output facilities, system organization, features needed for multiprogramming, multiprocessing, and real-time systems.

## Business Decision Support

Systems
Lec. 3 Lab. 0 Cr. 3
Prerequisite: CMIS 3110. Laboratory practice includes use of a particular software system. Business decision modeling; constructing a decision support system (DDS); DSS development tools; executive information systems; expert systems (ES) in business.
Enterprise Systems Lec. 3 Lab. 0 Cr. 3
Prerequisite: CMIS 3100. Overview of key enterprise systems concepts from functional, technical, and implementation perspective; emphasis on the process-centered organization and how integrated systems are designed to support cross-functional business; hands-on computer based exercises involving a hypothetical global company.

Lec. 3 Lab. 0 Cr. 3

Prerequisite: CMIS 3100. Data Warehouses for business; topics include; top-down design, bottom-up design, data charts, multidimensional data, data mining, web-enabled data warehouse, knowledge management.

## Business Data Communications

and Networking
Lec. 3 Lab. 0 Cr. 3
Prerequisite: CMIS 3100. Telecommunications in business, including both voice and data communication, technical details (hardware, software, protocols, network configurations), network management, and security issues.

## Analysis and Design of

Information Systems Lec. 3 Lab. 0 Cr. 3 Prerequisite: CMIS 3110, 3200. Design philosophies and techniques for the creation of information systems for management decision making; conceptual design of actual information systems.

## Senior Seminar

Lec. 3 Lab. 0 Cr. 3
Prerequisite: Senior standing and consent of the instructor. A seminar with topics presented by students, faculty, and guests. Students will be required to develop and present a semester project.

## Criminal Justice (CJUS)

1107 Introduction to Criminal
Justice
Lec. 3 Lab. 0 Cr. 3
Introduction to criminal justice, its historical and philosophical background; its organizations, agencies, and processes, the development of modern practices; and its role in a democratic society.
Police Process Lec. 3 Lab. 0 Cr. 3
A study of the role, scope, organization, and management of police agencies.
The Judicial Process Lec. 3 Lab. 0 Cr. 3
Also offered as PRLG 2132. An examination of the role, function, and structure of the courts and their relationship to the criminal justice system.
Corrections Process Lec. 3 Lab. 0 Cr. 3
A study of the American correctional process with emphasis on the development of current correctional programs and practices, modern rehabilitative processes, and community-based correctional efforts. Focus is also given to the roles of the correctional system and its interrelation with the other components of the criminal justice system.
Criminal Investigation Lec. 3 Lab. 0 Cr. 3
A course in the aspects of law enforcement investigations, interviews, confessions, use of written notes and statements, case preparations, trial preparation and procedures; police patrol, an analysis of pertinent court decisions and problems, and methods of coping with current
emergency situations confronting law enforcement.
Criminal Law Lec. 3 Lab. 0 Cr. 3
Prerequisite: CJUS 1107 or consent of instructor. A course in the substantive criminal law that includes definition of law, definition of crime, general principles of criminal responsibility, elements of major crimes, punishments, conditions or circumstances that may excuse from criminal responsibility or mitigate punishment, the court systems of Louisiana and the United States, basic concepts of criminal law with emphasis on the penal law of the State of Louisiana.
Ethical Leadership in
Criminal Justice Lec. 3 Lab. 0 Cr. 3 Prerequisites: A grade of "C" or better in CJUS 1107 and CJUS 2131 or instructor consent. A look at leadership and ethical issues faced in a criminal justice setting.
Research Methods in Criminal Justice
and Criminology Lec. 3 Lab. 0 Cr. 3
Prerequisite: CJUS 1107. Basic research skills and methodologies will be explored through a thorough examination of the works of the criminal justice researchers and criminologists.

## Community Oriented Policing

and Problem Solving Lec. 3 Lab. 0 Cr. 3 A study that blends the concepts of community policing and problem oriented policing into a combined approach to provide quality police service. A proactive philosophy that promotes solving problems that are criminal, affect our quality of life, or increase our fear of crime. Encourages developing strategies to identify, analyze and address com munity problem s at the ir source.
Industrial and
Business Security Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in CJUS 1107 or instructor consent. An examination of the basic problems, procedures and needs in the field of security work. A comparison of private agencies, hotels, retail, and industrial enterprises which handle their own security with private and public security organizations. Emphasis is given to the role of private, industrial, and business security systems and their relationship to the criminal justice system.
Juvenile Delinquency Lec. 3 Lab. 0 Cr. 3
A study of the problems of juvenile delinquency with emphasis on theories, preventive programs, juvenile law, courts, treatment, and current problems in the juvenile justice system.

## Survey of Forensic

Science
Lec. 3 Lab. 0 Cr. 3
A study of those fields of basic and applied science which have been specifically adapted to legal proof. Emphasis will be placed on the procedures used to examine both persons and physical evidence and the rules of admissibility applicable to the results of such procedures.

## Corrections Within

the Community
Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in CJUS 1107 and CJUS 2216 or instructor's consent. An in-depth study of correctional programs and practices that function outside the traditional institutional setting. Survey of community corrections in terms of historical contributions; legal, social, and ethical considerations; professionalism; roles of staff, administration, and com munity resources in relationships among and between the community systems.
Probation and Parole Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in CJUS 1107 and CJUS 2216 or instructor's consent. A study of the theory and practice of probation and parole as a function of the criminal justice system.
Constitutional Law and
Criminal Justice
Lec. 3 Lab. 0 Cr. 3
Study of constitutional law and its applicability.
Administration of
Criminal Justice Lec. 3 Lab. 0 Cr. 3
An examination of principles of organization, administration and functional interrelation of criminal justice agencies. An evaluation of personnel policies, divisions, operations, management procedures and policies, along with evaluations of each agency as part of a system.
The U.S.
Prison System
Lec. 3 Lab. 0 Cr. 3
Prerequisite: A grade of "C" or better in CJUS 1107 and CJUS 2216 or instructor's consent. A thorough review of the Federal Bureau of Prisons (BOP). A review of the different levels of institutions, prison policies, and practices of the BOP.

## Forensic Science

Applications
Lec. 3 Lab. 0 Cr. 3
Prerequisite: A grade of "C" or better in CJUS 3310 or instructor's consent. An advanced examination of the field of forensic science as it pertains to the police investigations and Criminal Justice career professionals. New applications and technology will be introduced along with the
appropriate tools to use in given evidentiary situations.
Contemporary Issues in
Criminal Justice Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in CJUS 1107 and at least 9 hours of credit in criminal justice courses. Examination of the literature and analysis of current issues relevant in criminal justice.

Criminal Justice
Lec. 3 Lab. 0 Cr. 3
Prerequisites: A structured program of supervised observation and/or participation in activities of local, state, and/or federal criminal justice agencies. One hundred eighty (180) clock hours are required. Weekly written reports must be submitted. Open only to Criminal Justice majors who have completed 12 semester hours in Criminal Justice and have no prior criminal justice work experience. A minimum of a 2.75 grade point average in all Criminal Justice course work is required. Must have permission of criminal justice instructor, coordinator, or department chair. Must make application for the internship the semester prior to that in which it will be taken.

## Early Childhood Education (ECED)

## 2001 Introduction to Early

Childhood Education
Lec. 3 Lab. 0 Cr. 3
An introduction to the history, theories, and developmentally appropriate practices of educating the young child.
Curriculum in Early
Childhood Education Lec. 3 Lab. 0 Cr. 3 Planning and development of developmentally appropriate curriculum for the young child. Emphasis on environments, activities, materials and interactions for infants and preschool children.

## Early Childhood and Elementary

Children's Literature (Travel Course) Cr. 3 Selected sites and topics related to children's literature. Introductory lectures, travel, discussions and reports. This course is designed to provide and extend student experiences with children's literature through study and travel. Noted authors, illustrators, and their works will be examined in the classroom and the studies will be further enriched through on-site visitations to the locations where these individuals lived, worked and were inspired. This course may be used for elective credit only.

- Child Psychology Lec. 3 Lab. 0 Cr. 3
(Also offered as PSYC 2076). Prerequisite: PSYC 2000 or 2060 or consent of instructor. Study of the physical, social, intellectual, and emotional development of the child.
2090 Organizing \& Operating Early Childhood
Education Programs Lec. 3 Lab. 0 Cr. 3 The staff's role and responsibility in organizing and operating Early Childhood Education programs, working with parents in both schooland home settings, and investigating community resources.
Practicum in Early Childhood

## Education

Lec. 0 Lab. 3-9 Cr. 1-3
Prerequisite: Open only to ECED majors who have completed major requirement courses, (i.e., education, psychology, kinesiology) and have a GPA of at least 2.0. May be taken for a maximum of 3 semester hours of credit. Must have consent of instructor the semester prior to enrolling. A structured program of supervised observation and/or field experience in early childhood education programs.

## Economics (ECON)

 Environmental Economics Lec. 3 Lab. OCr 3Prerequisite: ECON 2010 and 2020. Market failure and government failure, benefit cost analysis, the economics of energy, the efficient allocation of pollution, stationary and mobile sources of air pollution, water pollution, and toxic wastes.
Prerequisite: ECON 2010 and 2020. Role of commercial banks, otherfinancialinstitutions, and the central bank in affecting the performance of
the economy; relationships of money and fiscal the central bank in affecting the performance of
the economy; relationships of money and fiscal policy to prices, production, and employment; internal and external effects of U.S. fiscal and monetary policy.

## American Economic

History Lec. 3 Lab. 0 Cr. 3
Prerequisite: ECON 2010 or 2020 or HIST 2057. A description and analysis of the principal features of the American economic experience, the colonial relationship with England, the economics of slavery, and the industrialization and urbanization of America. Attention also is given to insight into contemporary problems that can be gained by an examination of our historical experience.

Prerequisite: ECON 2010 and 2020. Economic theory applied to the private market and to the public sector; public goods, efficiency, voting, externalities, principles of taxation, benefit-cost analysis, and policy analyses of current issues.
Environmental Economics Lec. 3 Lab. 0 Cr. 3

- Principles of Macroeconomics Lec. 3 Lab. 0 Cr. 3 Prerequisite: MATH 1021. An introductory study of the nature of economics, economic concepts and problems, economic system, and the role of government. Specialemphasis is placed upon the accounting, analytical and policy aspects of national income and product and upon the money and banking system.

## $\uparrow$ Principles of

Microeconomics Lec. 3 Lab. 0 Cr. 3 Prerequisite: MATH 1021. A study of basic economics, exploring theories of production, determination of prices in regulated and unregulated industries, functional distribution, international economics, and problems of economic development.

- Money and Banking Lec. 3 Lab. 0 Cr. 3 <br> \section*{Education <br> \section*{Education <br> <br> Curriculum and Instruction (EDCI)} <br> <br> Curriculum and Instruction (EDCI)}

## Teaching Computer Literacy

in the Elementary and
Secondary Schools Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in EDCI 2020 and credit for CMIS 1000. Provides students with skills and knowledge to effectively and ethically integrate technology in K-12 instruction to incre ase student learning. Students will utilize a variety of educational technology tools with attention to selection and use of hardware, software, and audiovisual media.
Children's Literature Lec. 3 Lab. 0 Cr. 3
Prerequisite: Admission to the Professional Teacher Education Program or consent of the chair of the Department of Education. Survey of Children's literature across time, genres, and media; focus on wide reading in children's literature and an appreciation of the value of literature for children. For education majors only. Limited field experience is required.
Secondary Methods I Lec. 3 Lab. 1 Cr. 3
Prerequisite: Consent of the Department of Education Chair. Interaction with theoretical perspectives, standards-based planning, research-based pedagogical and management practices, assessment roles, and selected materials, methods, and technologies for the purpose of preparing teacher candidates to become proactive educators who possess the knowledge, skills, and dispositions to positively
impact the learning of diverse learners in varied and multicultural $6-12$ school settings. Candidates will plan and teach peer lessons in a lab setting as well as participate in on-site field-based experiences.
Classroom
Management
Lec. 2 Lab. 2 Cr. 3
Prerequisite: Admission to the Professional Teacher Education Program or consent of the chair of the Department of Education. Proactive techniques for management of the classroom environment including time, space, materials, and behavior in order to motivate elementary students and enhance their learning.

Elementary Science Lec. 3 Lab. 2 Cr. 3 Prerequisite: Admission to the Professional Teacher Education Program or consent of the chair of the Department of Education. Structures of scientific disciplines for teaching in lower/upper elementary school: strategies, techniques, basic rationales, and materials.
Methods and Materials in Science
and Social Studies Lec. 3 Lab. 2 Cr. 3
Prerequisite: Student must be enrolled in the alternative certification program. Structures of the social studies and science disciplines for teaching in the upper/lower elementary school; basic rationales, strategies, techniques, and materials. Field experiences required.
Materials and Methods in Elementary
Social Science Lec. 3 Lab. 2 Cr. 3 Prerequisite: Admission to the Professional Teacher Education Program or consent of the chair of the Department of Education. Structures of the social studies disciplines for teaching in the upper/lower elementary school: strategies, techniques, basic rationales, and materials.
Materials and Methods in Teaching
Elementary Reading Lec. 3 Lab. 2 Cr. 3 Prerequisites: Admission to the Professional Teacher Education Program, concurrent registration in EDCI 3500, or consent of the chair of the Department of Education. Instructional materials and methods in reading at the elementary school level; understanding and skills in a laboratory situation in the public school.
3400 Content, Methods, and
Materials for Elementary (1-5)
Mathematics I Lec. 3 Lab. 2 Cr. 3
Prerequisites: A grade of "C" or better in MATH 1202 and admission to the Professional Teacher Education Program or consent of the chair of the Department of Education. Interaction with
theoretical and historical perspectives, standardsbased mathematics, research-based pedagogical practices, and effective materials for the purpose of preparing teacher candidates to become proactive educators who positively impact the mathematical knowledge, skills, and dispositions of diverse learners in varied and multicultural elementary school settings. Technology and manipulatives incorporated as vehicles for learning content that focuses on number sense, numeration, estimations, operations, algebraic reasoning, patterns, functions, and relations involving whole numbers. Emphasis on problem solving, reasoning, communicating mathematically, and making connections within mathematics, across disciplines, and in the real world. Field-based experiences required.

## Materials and Methods

in Teaching Elementary
Language Arts Lec. 3 Lab. 2 Cr. 3 Prerequisite: Admission to the Professional Teacher Education Program, concurrent registration in EDCI 3200, or consent of the chair of the Department of Education. Instructional materials and methods in teaching language arts communication skills at the elementary school level; understanding and skills in a laboratory situation in the public school.

## Secondary

Methods II (Biology) Lec. 2 Lab 2 Cr. 3 Prerequisite: Consent of the chairs of the Department of Biological Sciences and the Department of Education. Interaction of researchbased instructional strategies, content-specific strategies, best teacher practices, standardsbased lessons, response options to a variety of classroom situations, and factors that impact student learning and teacher performance. Field mentors, university content professors, and education faculty collaborate to guide and critique the planning and presenting of candidates' content specific lessons. Thirty+ hours of content-specific field experiences required.

## Secondary

Methods II (English) Lec. 2 Lab 2 Cr. 3 Prerequisite: Consent of the chairs of the Department of Arts, English and Humanities and the Department of Education. Interaction of research-based instructional strategies, contentspecific strategies, best teacher practices, standards-based lessons, response options to a variety of classroom situations, and factors that impact studentlearning and teacher performance. Field mentors, university content professors, and education faculty collaborate to guide and critique
the planning and presenting of candidates' content specific lessons. Thirty+ hours of content-specific field experiences required.

## Secondary

Methods II (Mathematics) Lec. 2 Lab 2 Cr. 3 Prerequisite: Consent of the chairs of the Department of Mathematics and Physical Sciences and the Department of Education. Interaction of research-based instructional strategies, content-specific strategies, best teacher practices, standards-based lessons, response options to a variety of classroom situations, and factors that impact student learning and teacher performance. Field mentors, university content professors, and education faculty collaborate to guide and critique the planning and presenting of candidates' content specific lessons. Thirty+ hours of content-specific field experiences required.

## 4044 <br> Secondary Methods II

(Social Studies) Lec. 2 Lab 2 Cr. 3 Prerequisite: Consent of the chairs of the Department of Behavioral and Social Sciences and the Department of Education. Interaction of research-based instructional strategies, contentspecific strategies, best teacher practices, standards-based lessons, response options to a variety of classroom situations, and factors that impact student learning and teacher performance. Field mentors, university content professors, and education faculty collaborate to guide and critique the planning and presenting of candidates' content specific lessons. Thirty+ hours of content-specific field experiences required.

## Secondary

Methods II (Business) Lec. 2 Lab 2 Cr. 3 Prerequisite: Consent of the chairs of the Department of Business Administration and the Department of Education. Interaction of researchbased instructional strategies, content-specific strategies, best teacher practices, standardsbased lessons, response options to a variety of classroom situations, and factors that impact student learning and teacher performance. Field mentors, university content professors, and education faculty collaborate to guide and critique the planning and presenting of candidates' content specific lessons. Thirty+ hours of content-specific field experiences required.

## Assessing and Guiding Classroom

Reading Instruction Lec. 2 Lab. 3 Cr. 3 Prerequisite: A grade of "C" or better in EDCI 3200 and admission to the Professional Teacher Education Program or consent of the chair of the

Department of Education. Additional training in reading instruction beyond that offered in the basic reading course, EDCI 3200, with emphasis on assessment.

## Reading in the

Content Area Lec. 2 Lab. 2 Cr. 3
Prerequisite: Admission to the Professional Teacher Education Program, EDCI 3200, or consent of the chair of the Department of Education. Methods and materials in the teaching of reading in content subjects with emphasis on development, evaluation and modification of content-specific instructional materials; literacyoriented content-specific teaching strategies; student-oriented learning strategies; and notetaking, study, test-taking and research strategies and assessment strategies appropriate for diverse learners in content classroom. Field experience required.

## Assessing and Guiding Classroom

Mathematics Instruction Lec. 2 Lab. 3 Cr. 3 Prerequisite: A grade of "C" or better in EDCI 3400 and admission to the Professional Teacher Education Program or consent of the chair of the Department of Education. Addresses the purposes, types and uses of assessment data as it relates to the learning of mathematics in the elementary school. The teacher candidate acquires efficiency in the use of varied assessment techniques in an effort to provide learners of mathematics equal opportunities of revealing their mathematical knowledge, skills, attitudes, and needs.
Content, Methods, and

## Materials for Elementary

Mathematics II
Lec. 2 Lab. 3 Cr. 3 Prerequisite: A grade of "C" or better in EDCI 3400 and admission to the Professional Teacher Education Program or consent of the chair of the Department of Education. Interaction with theoretical and historical perspectives, standardsbased mathematical content, research-based pedagogical practices, and selected materials for the purpose of preparing teacher candidates to become proactive educators who positively impact the mathematical knowledge, skills, and dispositions of diverse learners in varied and multicultural elementary school settings. Content focuses on fractions, decimals, and percents addressing concepts and operations, relationships, proportional and algebraic reasoning, geometry, measurement, data analysis, probability, patterns, functions, and relations. "Field-based experiences required.

## Teaching in the Multicultural

Classroom Lec. 3 Lab. 0 Cr. 3 Prerequisite: EDCI 3127 or consent of the chair of the Department of Education. Strategies and resources for teaching students of cultural diversity in the classroom; development of units and activities of cultural variety.

## Special Topics

in Education Lec. TBA Lab. TBA Cr. 1-3 Prerequisite: Permission of chair of the Department of Education. May be repeated once for credit if topics change. This course is designed to cover current topics in education, including currentrese arch topics, state mandates, and other topics not specifically addressed in other courses. This course includes classroom lecture, viewing of professional development materials, and seminar presentations and discussions. Field experiences may be required.

## Student Teaching/

Internship in
Elementary Grades Lec. 0 Lab. 35+ Cr. 3-9 Prerequisite: See "Requirements for Student Teaching." Pass-No credit grading. Student teaching/internship is an all-day, full-time, schoolbased experience which is supervised by a certified mentor teacher and a university supervisor. Student teaching interns and alternative certification interns plan, direct, and evaluate learning experiences in elementary 1-5 settings. At least 180 hours of teaching are required. Additional hours of observation and participation are required. Seminars are required for student teaching interns and alternative certification interns. Students in the undergraduate program may receive 9 credit hours for this course. To meet the needs of alternative certification students, this course may be taken once for 6 credit hours in 1 semester or twice for 3 credit hours for 2 consecutive semesters.
4945 Student Teaching/
Internship in
Secondary Grades Lec. 0 Lab.35+ Cr. 3-6 Prerequisite: See "Requirements for Student Teaching." Pass-No Credit grading. Student teaching/internship is an all-day, full-time, schoolbased experience which is supervised by a certified mentor teacher and a university supervisor. Student teaching interns and alternative certification interns plan, direct, and continually assess learning experiences of students in grades 6-12. At least 120 hours of teaching are required. Additional hours of
observation and participation are required Seminars are required for student teaching interns and alternative certification interns. To meet the needs of alternative certification students, this course may be taken once for 6 credit hours in 1 semester or twice for 3 credit hours for 2 consecutive semesters.

## English (ENGL)

On the basis of a diagnostic test, previous college English (if any), and proficiency in writing, students will be required to take from one to three semesters of freshman composition. The required courses must be taken progressively. Each student must complete ENGL 1002 with a grade of "C" or higher, or demonstrate equivalency, to advance to all other English courses. Students whose ACT scores in English place them in 1002 as the initial course may receive advanced standing credit for ENGL 1001 upon request.

## 0001 Developmental

English I Lec. 3 Lab. 0 Cr. 3
Placement: ACT score as specified in the Placement section of the catalog. ENGL 0001 is a skills improvement course that may not be used as credit for a certificate or a degree. It offers an intensive study of basic English composition and grammar with a focus on the sentence and the paragraph. A grade of " $C$ " or higher is required to advance to ENGL 0002.
Developmental
English II Lec. 3 Lab. 0 Cr. 3 Placement/Prerequisite: ACT score as specified in the Placement section of the catalog or a grade of "C" or higher in ENGL 0001. ENGL 0002 is a skills improvement course that may not be used as credit for a certificate or a degree. It offers an intensive study of basic English composition and grammar with a focus on the paragraph and the essay. A grade of " C " or higher is required to advance to ENGL 1001.
$\uparrow$ English Composition Lec. 3 Lab. 0 Cr. 3 Placement/Prerequisite: ACT score as specified in the Placement section of the catalog or a grade of "C" or higher in ENGL 0002. ENGL 1001 offers an introduction to composition and analysis of the essay and its rhetorical strategies. A grade of "C" or higher required to advance to ENGL 1002.
$\uparrow$ English Composition Lec. 3 Lab. 0 Cr. 3
Prerequisite: ENGL 1001. An introduction to poetry, drama, the short story and the novel and to writing the research paper. A grade of " $C$ " or higher is required to advance to higher level English courses.

## Advanced English

Composition Lec. 3 Lab. 0 Cr. 3 Theory and practice of exposition, description, and narration.
$\uparrow$ Professional Writing Lec. 3 Lab. 0 Cr. 3
Theory and practice in various types of writing effective documents in the professions with emphasis on composition, rhetorical strategies, discourse and audience analysis, ethical and cultural considerations, and visual design. Writing assignments will include writing effective reports, memos, letters, etc.
Introduction to
Creative Writing Lec. 3 Lab. 0 Cr. 3 Forms of creative writing; practice in writing poetry and short fiction
English Grammar Lec. 3 Lab. 0 Cr. 3 Analysis of the sentence and its parts, and discussion of the bases of good usage; reflects both traditional and modern approaches to grammar; of particular interest to prospective English and elementary education majors.
$\checkmark$ Introduction to Fiction Lec. 3 Lab. 0 Cr. 3 Study and appreciation of the short story and the novel.
$\leftrightarrow$ Poetry Lec. 3 Lab. 0 Cr. 3 Introduction to the study and interpretation of poetry, with attention to the various resources of poetic language-figurative language, tone, meter and rhyme and allusion. Introduction to the capacity of poetry to offer a distinct mode of apprehending the universe.
$\uparrow$ Tragedy and Comedy Lec. 3 Lab. 0 Cr. 3 A comparative study and close reading of examples of tragedy and comedy from the ancient to the modern worlds.
Literature Study Tour (Travel Course) Cr. 3
Travel to selected sites of literary interest; pre-tour lectures, discussions, assigned readings and essays.

- The Novel

Lec. 3 Lab. 0 Cr. 3
Introduction to the novel as the distinctively modern contribution to the literary tradition, with particular attention to its role in reflecting and shaping new conceptions of human consciousness and of the individual's relationship to society.

- Epic
Lec. 3 Lab. 0 Cr. 3

A comparative study and close reading of examples of several heroic epics, from the ancient to the modern world.

2084 - Myths, Legends,
and Folklore
Lec. 3 Lab. 0 Cr. 3 Course will examine myths, legends, and folklore by taking the position that myths, legends, and folklore are the foundation for narrative patterns in literature.

- Shakespeare

Lec. 3 Lab. 0 Cr. 3
A selection of the major plays.
3001 Writing Professionally in the Arts
and Social Sciences Lec. 3 Lab. 0 Cr. 3 Training in writing skills needed by majors in the arts and social sciences. Course will include both theory and practice in producing proposals, research studies, reports, advertising materials, etc.
Business/Technical
Writing Lec. 3 Lab. 0 Cr. 3 Training in skills required of practicing professionals in business and technical fields. Lecture and practical exercises.

## Fiction Writing

Workshop I
Lec. 3 Lab. 0 Cr. 3
Prerequisite: ENGL 2005. Guided practice in short story writing with an emphasis on developing characters, conflicts, and plots for short stories.
Poetry Writing
Workshop I
Lec. 3 Lab. 0 Cr. 3
Prerequisite: ENGL 2005. Guided practice in writing poetry for publication.
3009 Creative Non-Fiction
Writing Workshop $1 \quad$ Lec. 3 Lab. 0 Cr. 3 An introduction to and guided practice in the art of creative non-fiction.
3011 Lec. 3 Lab. 0 Cr. 3 A study of American poets and their poetry to the present day.

- Old English Poetry Lec. 3 Lab. 0 Cr. 3

A study of the major aesthetic and cultural trends in the poetry of Anglo-Saxon England.

A survey of British Literature from the beginning to 1798.

Chaucer Lec. 3 Lab. 0 Cr. 3
A study of the major aesthetic, social, cultural, and historical themes in the poetry of Chaucer.
$\uparrow$ British Literature II Lec. 3 Lab. 0 Cr. 3

A survey of British Literature from 1798 to present.

## - Seventeenth-Century

## Poetry

Lec. 3 Lab. 0 Cr. 3
A study of the major social, aesthetic, historical, and cultural trends in seventeenth-century British poetry.

Milton
Lec. 3 Lab. 0 Cr. 3
A study of the major aesthetic, cultural, political, and social themes in Milton's poetry and prose.

## Greek Tragedy

Lec. 3 Lab. 0 Cr. 3
A study of the major works of ancient Greek tragedy.

- European Drama Lec. 3 Lab. 0 Cr. 3

A study of representative plays of modern European drama as they reflect the major historical, cultural, aesthetic, and social trends.
$\rightarrow$ American Literature I Lec. 3 Lab. 0 Cr. 3 A survey of works by significant writers from the beginning through the Civil War period.

- The British Novel Lec. 3 Lab. 0 Cr. 3 A study of the major cultural, social, and aesthetic trends in the British novel.
- American Literature II Lec. 3 Lab. 0 Cr. 3 A survey of works by significant writers from the Civil War period to the present

Lec. 3 Lab. 0 Cr. 3
A study of the novels that have contributed significantly to the culture and literary heritage of the United States, including a variety of influential works representing the early eighteen hundred to the mid nineteen hundreds to gain a sense of the evolution of the American novel.
The European Novel Lec. 3 Lab. 0 Cr. 3
A study of the major cultural, social, political, and aesthetic trends in the Continental European novel.
A study of representative plays of modern American drama as they reflect major historical, cultural, aesthetic, and social trends.

Shakespearean Drama Lec 3 Lab. 0 Cr. 3
A detailed study of Shakespeare's tragedies. May be repeated for a maximum of six (6) hours credit when plays vary.

## Special Topics

Lec. 3 Lab. 0 Cr. 3
May be taken for a maximum of 6 hours of credit when topics vary. Consult department for topic to be offered. Examination of a particular literary tradition, genre, theme, or regional literature (e.g., the Gothic, the Pastoral, Literature and Childhood, Louisiana W riters).
$\checkmark$ Studies in
Southern Literature Lec. 3 Lab. 0 Cr. 3 A selected survey or thematic study of the fiction, poetry, drama, and essay-writing of the American South. (May be taken for up to six credit hours as topics change.)

Advanced Grammar Lec. 3 Lab. 0 Cr. 3
A concentrated study of American English grammar with attention to traditional descriptive and prescriptive grammatical rules and to rhetorical rules.
History of the
English Language
Lec. 3 Lab. 0 Cr. 3 Study of the development of the English language from its Indo-European origins to the present. Special attention will be paid to changes in grammar and vocabulary.

## - Major Writers in World

Literature Lec. 3 Lab. 0 Cr. 3
This course will examine classic works in translation from Homer to Cervantes, excluding English and American Literature.

## - Survey of African-American

Literature Lec. 3 Lab. $0 \quad$ Cr. 3
Survey of African-American literature in the United States from slave narratives to the present.
Beginning Playwriting Lec. 3 Lab. 0 Cr. 3 Prerequisite: THTR 1020. Also offered as THTR 4008. Guided practice in beginning playwriting. Credit will not be given for both ENGL 4008 and THTR 4008.
Studies in
Modern Poetry
Lec. 3 Lab. 0 Cr. 3
A detailed study of one or two post-Romantic poets or of a specific theme in post-Romantic poetry. May be repeated for a maximum of six (6) hours credit when topics vary.

The Russian Novel Lec. 3 Lab. 0 Cr. 3
A detailed study of one major Russian novelist or of a theme relevant to the Russian novel.

The Short Story
Lec. 3 Lab. 0 Cr. 3
A study of the literary elements of the short story, the historical development of the genre, and the major themes treated by the short story.
Studies in Major
Authors
Lec. 3 Lab. 0 Cr. 3
May be taken for a maximum of 6 semester hours of credit when topics vary. Consult department for topic to be offered. Detailed study of works by one or two authors from Spenser and Donne to Joyce and Morrison.
Studies in Shakespeare Lec. 3 Lab. 0 Cr. 3
May be taken for a maximum of 6 semester hours of credit when topics vary. Attention to the plays.
Studies in Drama
Lec. 3 Lab. 0 Cr. 3
A detailed study in one or two playwrights or of a theme in drama. May be repeated for a maximum of six (6) hours credit when topics vary.
Studies in
British Literature
Lec. 3 Lab. 0 Cr. 3
A detailed study of one or two British authors or of a specific theme in British literature. May be repeated for a maximum of six (6) hours credit when topics vary.

The Novels of
Henry James
Lec. 3 Lab. 0 Cr. 3 A detailed study of the novels of Henry James and of his literary themes and techniques.
Special Topics in
Lec. 3 Lab. 0 Cr. 3

## American Literature <br> to 1865

A study of authors such as Bradstreet, Franklin, Poe, Emerson, Hawthorne, Melville, Whitman, Dickinson; topics such as The American Renaissance, Romanticism and Transcendentalism, The American Gothic, Nature and Culture. May be taken for a maximum of 6 hours credit when topics vary.

## American Literature

since 1865
A study of authors such as Twain, London, James, Wharton, Eliot, Faulkner, O'Neil, Ellison, Ginsberg; topics such as Local Color Writing, Realism and Naturalism, The Harlem Renaissance, Modernism and the Lost Generation, Native American Literature, The Beat Generation, Postmodernism. May be taken for a maximum of 6 hours credit when topics vary.

## Basic Sculpture

Lec. 0 Lab. 6 Cr. 3
A development of three-dimensional structures; exercises and experiments relative to theories and techniques; actual projects using appropriate materials and processes; discussions, lectures, slide talks, and outside reading.
1762 Sculpture II Lec. 0 Lab. 6 Cr. 3
Studies in sculpture using appropriate materials and processes.
Drawing and
Composition Lec. 0 Lab. 6 Cr. 3
Basic principles of observation, with emphasis on the graphic analysis and delineation of spacial structure.
Lithography Lec. 0 Lab. 6 Cr. 3 Planographic printing from plates in black and white.
Basic Design Lec. 0 Lab. 6 Cr. 3
Design as a basic problem-solving creative activity; project dealing with mechanical and com municative utility.

Lec. 0 Lab. 6 Cr. 3
Studio problems in pottery, glazing, and kiln firing. Introduction to
Ceramics
Lec. 0 Lab. 6 Cr. 3
Prerequisite: FIAR 1661. Problems in ceramic forming techniques; making of clays and glazes; and kiln firing.

Drawing and

Composition
Lec. 0 Lab. 6 Cr. 3
Studies from the live model; introduction of graphic representation, structure, and form.

1849 Introduction to
Painting (See Description) Cr. 3
Basic studio practice and theory in painting; traditional and modern materials and terminology; value and color experiences involving simple forms in space. Six hours of studio/lecture each week.
Fine Arts Study Tour (Travel Course) Cr. 3
Selected sites and topics. Introductory lectures, travel, discussions, and reports. This course is designed to provide students with an introduction to the great works of art through study and travel to museums. Specific works to be studied will correspond to holdings of museums visited.

## Art Education for

Elementary Schools Lec. 2 Lab. 2 Cr. 3 A critical analysis and evaluation of past and present concepts of art education with a view toward developing a functional art program for the elementary schools of Louisiana. Art materials, techniques, and art activities recommended for use in the elementary school grades. Readings, discussions, and studio activities.

## Art Education for

Elementary Schools Lec. 2 Lab. 2 Cr. 3 Prerequisite: FIAR 2271. A critical analysis and evaluation of past and present concepts of art education with a view toward developing a functional art program for the elementary schools of Louisiana. Art materials, techniques, and art activities recommended for use in the elementary school grades. Readings, discussions, and studio activities.
$\checkmark$ Historical Survey
of the Arts
Lec. 3 Lab. 0 Cr. 3
Prehistoric, Near-Eastern. Greek, Roman, and Medieval art
$\checkmark$ Historical Survey
of the Arts
Lec. 3 Lab. 0 Cr. 3
Renaissance to modern art.
$\uparrow$ Survey of
20th Century Art
Lec. 3 Lab. 0 Cr. 3 Modern Art.
Color Design
Lec. 0 Lab. 6 Cr. 3
Color as a functional design element of perception and visual communication.

## Basic Jewelryl

Metalsmithing
Lec. 0 Lab. 6 Cr. 3
Piercing, construction, cold connection, soldering forming, and stone setting; studio problems in bronze, copper, and sterling silver.

## Intermediate

Ceramics Lec. 0 Lab. 6-12 Cr. 3-6
Prerequisite: FIAR 1662. May be repeated for credit for a maximum of 9 sem. hrs. Studio problems in ceramics; formulation of clay bodies and glazes; theories of kiln operation and maintenance.

## Intermediate Drawing

and Composition Lec. 0 Lab. 6 Cr. 3 Prerequisite: FIAR 1848. Emphasis on imaginative composition utilizing the figure, still life, and landscape forms.

Prerequisite: FIAR 1847 and 1848. Studio problems in still life directed toward conceptual attitudes; analysis of structure and color in composition; individual criticism, class discussion. Painting Lec. 0 Lab. 6 Cr. 3 Prerequisite: FIAR 1847 and 1848 and 2881. Studio approaches to abstraction; thematic problems based on the figure and nature forms; synthesizing form and experience; individual criticism, class discussion.

- Basic Photography Lec. 0 Lab. 6 Cr. 3 Basic photographic concepts and techniques. Practical and expressive application of photographic processes to the visual arts. Lectures, classroom critiques, studio work, outside research.

## - Intermediate

Photography Lec. 0 Lab. 6 Cr. 3 Prerequisite: FIAR 2995. A combination of experimental darkroom lab techniques; continuing development of black and white photography, with emphasis on creative image orientation.

## Early Christian

and Byzantine Art Lec. 3 Lab. 0 Cr. 3 Painting, sculpture, and architecture of the Christian era through $12^{\text {th }}$-century Byzantium.
Early Renaissance
Painting in Italy
Lec. 3 Lab. 0 Cr. 3
Consent of instructor. The origins of early development of Italian Renaissance art in Florence and Siena.
High Renaissance and Mannerist
Painting in Italy Lec. 3 Lab. 0 Cr. 3 Consent of instructor. The climax and aftermath of Italian Renaissance Art in Florence, Rome, and Venice.

## Nineteenth Century

European Painting
Lec. 3 Lab. 0 Cr. 3
Consent of instructor. History of art in European countries from the French Revolution 1789 to 1900. Emphasis on Neo-Classicism, romanticism Realism, Impressionism, Post-Impressionism, and Symbolism.

## Early Twentieth Century

European Art
Lec. 3 Lab. 3 Cr. 3
Consent of instructor. History of painting and sculpture in European countries from 1900 to 1960. Emphasis on Fauvism, cubism, Geometric Abstractions, Futurism, Dada, Surrealism, German Expressionism, British Figurative Art, and the School of Paris.
Independent Study
in Art History
Lec 3 Lab. 0 Cr. 3 Consent of instructor. May be taken for a maximum of 6 hours of credit when topics vary.
Special Studies
in Painting Lec. 0 Lab. 6 Cr. 3 Consent of instructor based on student's portfolio, advanced studio work in a predetermined area of specialization.
Special Studies
in Photography
Lec. 0 Lab. 6 Cr. 3
Consent of instructor. Individual creative research in predetermined area of specialization.

## French (FREN)

Students whose curricula require foreign language are urged to schedule a foreign language each semester until the appropriate credit has been earned. Students who select for study a foreign language in which they have some high school credit may take a placement test in that language and be registered at the course level appropriate to their score on the test (regardless of the amount of credit earned in high school). Credits, up to a maximum of 14 semester hours, may be earned by placement test and posted immediately. For placement purposes, the test is valid for two years. Advanced-standing credit for any course above 2102 must be established by credit examination.
It is recommended that students with foreign language credits earned at another college take the placement test for guidance in scheduling. In the absence of test scores, students with 1-2 semester hours of transfer credit should enter course 1001, 3-7 semester hours enter course 1002, $8-11$ semester hours enter course 2102, and 12-14 semester hours enter course 2155.

## $\checkmark$ Readings in French

Literature
Lec. 3 Lab. 0 Cr. 3 Readings in contemporary French prose. Special emphasis on comprehension as well as oral and written expression in the language.

## Geography (GEOG)

- World Regional

Geography
Lec. 3 Lab. 0 Cr. 3
An examination of the regions and societies of the world with emphasis on the natural, human, historical, cultural, economic, and population geography of each region or society.

- Elementary French I Lec. 4 Lab. 0 Cr. 4 Basic lexicon and structures of French. Emphasis on communicative language use.
- Elementary French II Lec. 4 Lab. 0 Cr. 4 Prerequisite: completion/credit of FREN 1001. Basic lexicon and structures of French. Em phasis on communicative language use.
Study Tour (Travel Course) Cr. 3
Travel to selected sites of French-language cultural and historical significance; pre-tour lectures, activities, discussions, assigned readings and post-tour assignment. This course may be used as general elective credit only and may be repeated for up to six hours credit when sites and topics change.
Culture and Civilization Lec. 3 Lab. 0 Cr. 3 (A four week course with 45 contact hours.) Extensive study of the culture and the civilization of one of the countries where the target language is spoken. Specifically designed for teacher certification for teaching of French in elementary school.
$\uparrow$ Intermediate French I Lec. 3 Lab. 0 Cr. 3 Prerequisite: completion/credit of FREN 1002. Continuation of Elementary French; structures and lexicon of French. Additional emphasis on reading and writing. Supplementary work in language laboratory.
- Intermediate French II Lec. 3 Lab. 0 Cr. 3 Prerequisite: completion/credit of FREN 2101. Continuation of Elementary French; structures and lexicon of French. Additional emphasis on reading and writing. Supplementary work in language laboratory.
- Human Geography Lec. 3 Lab. 0 Cr. 3

The earth's surface from the standpoint of its physical and cultural regions. Emphasis on the relationship between culture and the physical
environment, the distribution of people and their use of the land.
$\uparrow$ Principles of Physical
Geography Lec. 3 Lab. 0 Cr. 3 Earth and solar system; bases of natural regionalism; weather and climate; landforms; hydrography; vegetation; soils, minerals.

## Geography of Latin

America
Lec. 3 Lab. 0 Cr. 3
Prerequisite: GEOG 1001. Physical and cultural geography of Central, South America, and Caribbean with emphasis on social, economic, and political development.

## - General Geology:

Physical Lec. 3 Lab. 0 Cr. 3
Prerequisite: Eligibility for MATH 1021. Earth materials and land forms; processes at work on and within the earth.

Historical
Lec. 3 Lab. 0 Cr. 3
A study of the origin, constitution, structure, and history of the earth, including the forces and events that have affected and continue to affect its development and the history of living things as recorded in sedimentary environments.

## Health Sciences (HESC)

## Historical Geography of the

South Lec. 3 Lab. 0 Cr. 3 Physical and cultural geography of the southern U.S. with emphasis on geographical elements identified with the South; historical development, environment, economy, and culture.
Geography of Europe Lec. 3 Lab. 0 Cr. 3 Prerequisite: GEOG 1001. Physical and cultural geography of Europe with emphasis on the environment, historical, development, economies, and cultures.
Geography of
Exploration
Lec. 3 Lab. 0 Cr. 3 Examination of travels, discoveries, cartography, and cultural encounters since the $15^{\text {th }}$ century with emphasis on European exploration of the Americas, Africa, and Asia.

## Geology (GEOL)

- General Geology:

Basic Electrocardiology Lec. 3 Lab. 0 Cr. 3 Prerequisites: Eligible for enrollment in MATH 0004 or higher. This course provides a complete introduction to the principles and techniques
involved in electrocardiography. The major concepts included are cardiac anatomy and electrophysiology, arrhythmias, cardiac medications, treatments, and diagnostic testing.
Introduction to the
Health Care System Lec. 1 Lab. 0 Cr. 1 (Also offered as NURS 1003). This course is designed to introduce persons with an interest in health care delivery to he health care system. The information in this course will focus on the history of health care. Other areas of interest are the financial aspects of health care, providers of health care, legal and ethical issues of health care, and health care as a profession. Recommended for pre-nursing students and other students interested in health care delivery.
Client Care Interactions Lec. 2 Lab. 0 Cr. 2 (Also offered as NURS 1004). Prerequisite: Eligibility for ENGL 1001. This course provides for the study of concepts in client care interactions. The use of communication skills with patients, families, and health team members is stressed. Emphasis is placed on the care- giver's development of skills to promote positive relationships with clients across the life span.
Phlebotomy Lec. 3 Lab. 12 Cr. 7 Prerequisite: A grade of "C" or better in HESC 1003, HESC 1004. Co or prerequisite: HESC 1400 and exemption from or successful completion of REA 0005. The phlebotomy course is designed to prepare a clinical practitioner whose primary function is to obtain, process, and transport blood specimens. Emphasis is on venipuncture and micro-collection techniques. Infection control, safety, total quality management, departmental management, medical-legalissues, and professionalism are topics included to prepare the student to assume the role of the phlebotomist in the medical laboratory. Supervised clinical phlebotomy experience is provided in a variety of health care settings.
Upon satisfactory completion of the course, the
student is qualified to participate in national examinations for phlebotomy certification.
Medical Coding I Lec. 3 Lab. 0 Cr. 3
Pre or corequisite: HESC 1400. This course is designed to provide an overview of CPT and ICD-9-CM coding systems. Emphasis will be placed on the in-depth understanding of ICD-9-CM coding and classification systems in order to assign valid diagnostic and/or procedure codes. Integrated throughout the course will be the development of use of practical situations and
critical decision making skills imperative to the professional medical coder.
Medical Coding II Lec. 3 Lab. 0 Cr. 3 Prerequisite: HESC 1400 and HESC 1006. This course provides an overview fo CPT and ICD-9CM coding system for procedures in ambulatory care. Emphasis is on development skills needed for completion of the procedure coding for medical billing forms prepared in physician offices, medical-surgical clinics, and other ambulatory facilities. Basic coding rules, regulations, use of symbols, abbreviations, conventions, and guidelines for performance of diagnosis and procedure coding are explored.
1008 Medical Coding III Lec. 2 Lab 3 Cr. 3 Prerequisite: HESC 1006, HESC 1007, and HESC 1400, Pre or corequisite: HESC 1003, HESC 1004. This course is designed to assist students in developing and understanding advanced CPT and ICD-9-CM coding classification systems in order to assign valid diagnostic and/or procedure codes. Other classifications, nomenclatures, and medical vocabularies are also presented. The laboratory sessions include opportunities for application of coding principles related to reimbursement, the prospective payment system, and ethical issues related to reimbursement. Practice sessions will include coding inpatient and outpatient records, case mix/severity data, and PPS reimbursement methods.

## Nonprescription Drug

Therapy Lec. 3 Lab. 0 Cr. 3
A course designed to provide students with a foundation of knowledge in the treatment of common illnesses and ailments with nonprescription drug therapy. The major concepts include defining the health problem being treated, selecting the appropriate drug product for treatment, drug administration, drug classification, drug ingredients, drug interactions, contraindications, and other essentials for helping individuals self treat. Open to students in all majors.
Medical Terminology for
Health Professionals Lec. 3 Lab. 0 Cr. 3
A course designed to enable the student to understand and interpret complex medical terms by learning prefixes, suffixes, and root elements commonly used in a clinical setting. Knowledge of these terms will enhance the student's ability to understand frequently used medical terms relating to patient (client) care.

Pharmacy Practice
Lec. 2 Lab. 2 Cr. 3
Prerequisite: A grade of "C" or better in ENGL 1001, HESC 1003, HESC 1004, HESC 1400, PHSC 1001. Pre or corequisite: HESC 1115. This course provides instruction in the technical procedures for preparing and dispensing drugs in the hospital, retail, and long-term care settings when under the direct supervision of a registered pharmacist. Topics include drug packaging and labeling, dispensing techniques, non-sterile compounding, quality assurance, pharmacy law, billing and inventory management, and the future of pharmacy practice.
Sterile Products/Lab Lec. 2 Lab. 2 Cr. 3 Prerequisite: A grade of "C" or better in HESC 1102, HESC 1115, HESC 1116 and HESC 1151. This course provides an introduction to aseptic techniques, admixture preparation, incompatibility and stability, im munization and irrigation solutions, total parenteral nutrition, and chemotherapy.

## Pharmaceutical Dosage

## Calculations and

 MeasurementsLec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in ENGL 1001, HESC 1003, HESC 1004, HESC 1400, PHSC 1001. Pre and/or corequisite: HESC 1102, HESC 1115. A course designed to provide the allied health student with a foundation in dosage calculations and measurements. Instructs and trains the individual to calculate properly medication (drugs) dosages and measurements. This course is designed to present clear and concise methods of dosage calculation and afford the student the opportunity to practice these skills utilizing practical situations.

Practice I Lec. 0 Lab 16 Cr. 5 Prerequisite: A grade of "C" or better in ENGL 1001, HESC 1003, HESC 1004, HESC 1400, PHSC 1001. Pre or corequisite: HESC 1102, HESC 1115, HESC 1116. This course provides the Pharmacy Technician clinical student the opportunity to work in pharmacy settings under the supervision of a registered pharmacist. Emphasis
is placed on effective communication, understanding pharmacy operations, and dispensing of medications. The student will be assigned to retail and hospital pharmacies for approximately 240 hours.

## Pharmacy Clinical

Practice II
Lec. 0 Lab 16 Cr. 5
Prerequisite: A grade of "C" or better in HESC 1102, HESC 1115, HESC 1116 and HESC 1151. Pre and/or corequisite: HESC 1202, HESC 1110. This course provides continued opportunity to work in a pharmacy setting under the supervision of a registered pharmacist. The student will be assigned to retail and hospital pharmacies for approximately 250 hours. This is a continuation of Health Science 1151.

## Applied Clinical

Pharmacology Lec. 3 Lab. 0 Cr. 3
Prerequisite: A grade of "C" or better in HESC 1102, HESC 1115, HESC 1116 and HESC 1151. This course presents major drug classifications with specific drug pototypes for each classification. The emphasis will be on drug therapy as it relates to different patient populations. Also included are therapeutic and adverse effects, patient information, and compliance.
1400 Health Care Language
Applications Lec. 3 Lab. 0 Cr. 3 Prerequisite: Eligibility for ENGL 1001. A comprehensive study of the complex language of health care, medical terminology, with practical applications. The body systems approach provides the learner with a strong foundation for interpretation of case reports, operative and diagnostic lists, autopsy records, laboratory and radiology reports. To broaden the understanding of applications of health care language, basic underlying concepts of anatomy, physiology and pathology are integrated with related medical terminology.

## History (HIST)

## 1001 History of Western

Civilization I
Lec. 3 Lab. 0 Cr. 3
A broad survey of ideas, institutions, and societies in Western Civilization from the earliest times to the Reformation Era.
1003

- History of Western

Civilization II
Lec. 3 Lab. 0 Cr. 3
A broad survey of ideas, institutions, and societies in Western Civilization from the Reformation Era to the present.

World History to 1500 Lec. 3 Lab. 0 Cr. 3
A survey of human history from the earliest times to 1500, emphasizing developments in and interactions between human cultures and civilizations. Topical focuses include human and physical geography; economic, technological, social, cultural, intellectual, religious, legal and political developments through hum an history; and comparisons and contrasts between major historical civilizations.

## History and Ethics

of Nursing Lec. 3 Lab. 0 Cr. 3 (Also offered as NURS 1007) This course focuses on the development of nursing as a health care profession and on ethical issues that an individual should consider in the practice of that profession.
$\checkmark$ English History Lec. 3 Lab. 0 Cr. 3 A survey of English history from Roman times to 1500.
$\checkmark$ English History Lec. 3 Lab. 0 Cr. 3
A survey of English history from 1500 to the present time.
Historical/Cultural Study

## Tour

(Travel Course) Cr. 3 Selected sites and selected topics. Travels, lectures, readings, and reports. This course may be used as elective credit only and may be repeated for up to six hours credit when sites and topics change.
$\checkmark$ American History I Lec. 3 Lab. 0 Cr. 3
Survey of American history from the earliest times to 1865 . Topics include interactions between Europeans, Indians and Africans in America; the impact of English colonial developments; American slavery; causes and consequences of the American Revolution; development of antebellum America; foreign policy and territorial expansion in North America; and the American Civil War. Prerequisite for all advanced courses in American history.
$\leftrightarrow$ American History II Lec. 3 Lab. 0 Cr. 3
Survey of American history from 1865 to present. Topics include Reconstruction, industrialization, immigration, Progressivism, Twentieth-Century American foreign policy and wars, the Great Depression and New Deal, the Cold War and civil rights movement, and contemporary domestic and foreign policy developments. Prerequisite for all advanced courses in American history.

## - African-American

History Lec. 3 Lab. 0 Cr. 3 Prerequisite: HIST 2055 and HIST 2057; or consent of instructor. Social, cultural, and economic role of African-Americans in the U.S. from 1619 to the present.
Selected Topics Lec. 3 Lab. 0 Cr. 3
Prerequisite: The applicable survey course or permission of the instructor. An examination of topics significant to understanding hum an history. Course content and subject varies; may be taken twice for credit.

## - Louisiana History Lec. 3 Lab. 0 Cr. 3

General survey of the political, economic, social, and cultural development of Louisiana. Topics include French and Spanish colonial developments; state constitutional, political and legal developments; the unique contributions of Louisiana's social, cultural and ethnic diversity; and the economic development of the state.

## French Revolution

and Napoleon Lec. 3 Lab. 0 Cr. 3 The significant historical developments during the age of the French Revolution and Napoleon. Emphasis will be given to political, military, social, economic, geographic, ideological and cultural changes during the late $18^{\text {th }}$ and early $19^{\text {th }}$ Centuries.
Nineteenth Century
Europe Lec. 3 Lab. 0 Cr. 3
The significant historical developments in Europe between 1815 and 1919. Emphasis will be given to revolutions, ideologies, nationalism, industrialization, imperialism and World War I.
Contemporary Europe,
1919 to the Present Lec. 3 Lab. 0 Cr. 3 The significant historical developments in Europe since 1919. Emphasis will be given to post-W orld War I democracies, totalitarianism, the Great Depression, World War II, the Cold War, decolonization and the new Europe.
Colonial America and
American Revolution:
1607-1783
Lec. 3 Lab. 0 Cr. 3
Prerequisite: HIST 2055 and 2057; or consent of instructor. The cultural, economic, political, and military developments in the thirteen colonies and the struggle for American Independence.
Age of Jefferson,
1783-1815 Lec. 3 Lab. 0 Cr. 3
Prerequisite: HIST 2055 and 2057; or consent of instructor. Aftermath of the American Revolution,
adoption of the Constitution, Jeffersonian philosophy, formation of a political party system, and War of 1812.
Jacksonian America:
1824-1848 Lec. 3 Lab. 0 Cr. 3
Prerequisite: HIST 2055 and HIST 2057; or consent of instructor. The rise of Andrew Jackson, political party development, reform movements, slavery, sectionalcrisis, and Mexican War.
Civil War
Lec. 3 Lab. 0 Cr. 3
Prerequisite: HIST 2055 and HIST 2057; or consent of instructor. Also offered as MILS 4055. A study of the causes of the Civil War, the secession crisis, military campaigns, leadership and homefront.
The American
Teens and Twenties Lec. 3 Lab. 0 Cr. 3 Prerequisite: HIST 2055 and HIST 2057; or consent of instructor. From the election of 1912 to the Crash of 1929; Woodrow Wilson and reform at home; developments in foreign policy; World War I and its impact; social and political developments of the Jazz Age; development of the Great Bull Market and its collapse.
Age of Roosevelt Lec. 3 Lab. 0 Cr. 3 Prerequisite: HIST 2055 and HIST 2057; or consent of instructor. From the inaugural of FDR to the surrender of Japan; the Great Depression and the New Deal; the thirties' search for an American culture; the road to Pearl Harbor; America in World War II, at home and abroad.
History of Contem porary
America Lec. 3 Lab. 0 Cr. 3 Prerequisite: HIST 2055 and HIST 2057; or consent of instructor. History of America since 1945, focusing on domestic affairs.

## Military History of

the United States Lec. 3 Lab. 0 Cr. 3 Prerequisite: HIST 2055 and HIST 2057; or consent of instructor. Also offered as MILS 4066. Military policy and campaigns, organizations of armed forces and war economies.
4071 The Antebellum South Lec. 3 Lab. 0 Cr. 3 Prerequisite: HIST 2055 and HIST 2057. Economics, social, intellectual, and political development of the South to 1860.

Lec. 3 Lab. 0 Cr. 3
Prerequisite: HIST 2055 and HIST 2057. Political, economic, social, and intellectual history of the South since 1877.

Louisiana to 1815 Lec. 3 Lab. 0 Cr. 3 Prerequisite: HIST 2055 and HIST 2057 . Political, economic, and social development of early Louisiana.
World War II
Lec. 3 Lab. 0 Cr. 3
Prerequisite: HIST 2055 and HIST 2057. Global crisis of the 1930's: Axis and Allied Strategies; major military campaigns, great power diplomacy; life on the home fronts; Holocaust; espionage and resistance; the experience of combat; social, political, and scientific consequences.

## Contem porary

World History Lec. 3 Lab. 0 Cr. 3
The history of the world from 1945 to present, emphasizing the transformations of international relations, the international economy and the developing world.

## Special Studies in United

States History
Lec. 3 Lab. 0 Cr. 3
Prerequisite: HIST 2055 and HIST 2057 and consent of history faculty. May be repeated for credit when topics vary.
Independent Study Lec. 0 Lab. 0 Cr. 3
Prerequisite: HIST 2055 and HIST 2057 and consent of instructor; classification as junior or senior; 3.0 or higher overall GPA. Reading and research on selected topics. May be taken twice for credit.

## Interpretation (INTR)

## American Sign

Language I
Lec. 3 Lab. 0 Cr. 3
An introductory course in American Sign Language (ASL) designed to develop basic receptive and expressive language skills. Emphasis will be on development of appropriate handshapes and movements necessary to produce accurate signs. Students will learn basic language structures, acquire a working vocabulary and knowledge of sentences, phrases, and appropriate non-manual behaviors in ASL. The use of the voice by instructor and students is held at a minimum.

## American Sign

Language II Lec. 3 Lab. 0 Cr. 3 Prerequisite: INTR 1320. Designed to develop expressive and receptive signing skills. Em phasis on vocabulary acquisition, understanding and use of ASL and linguistic structures. The natural language approach and cultural interactions are used to develop appropriate conversational skills in ASL.

American Sign
Language III Lec. 3 Lab. 0 Cr. 3
Prerequisite: INTR 1321. A conversational course focusing on specific grammatical and cultural topics. Emphasis on the development of fluent conversational skills using grammatical nonmanual signals and markers. Student will learn how to narrate, describe, com pare and comment. Narratives of native language users are used for beginning text analysis of ASL. Interactive ASL lessons without voice lead to expand vocabulary mastery and fluency.

## American Sign

Language IV Lec. 3 Lab. 0 Cr. 3 Prerequisite: INTR 2320. An advanced ASL performance course integrating cultural and linguistic competencies ranging from informal to formal communication events. Emphasis on greater fluency in the use of idiomatic language use and the mastery of vocabulary and syntax. Linguistic competence is enhanced through interactive discourse with users of native language.

## Kinesiology (KINS)

## ACTIVITY COURSES <br> Lec. 0 Lab. 3 Cr. 1 (unless otherwise specified)

Beginning Activities
1121 Fencing
1123 Archery
1124 Tennis
1125 Golf
1126 Gymnastics
1127 Modern Dance
1129 Badminton
1130 Bowling
1131 Ballet
1132 Ballroom Dancing
1134 Folk and Square Dancing
1135 W ater Exercises
1136 Swimming
1140 Scuba Diving
Prerequisite: KINS 1136 or consent of instructor. Basic techniques and procedures in Skin and Scuba Diving. Three hours laboratory per week.
1142 Aerobic Conditioning
1146 Weight Training
1152 Dance Theatre
May be taken twice for credit. Admission by audition. Participation in the performing modern dance theatre. Four hours laboratory per week. Jazz Dance

1157 Aerobic Dance
1161 Self Defense

## Intermediate Activities

1223 Archery II
Prerequisite: consent of instructor.
1224 Tennis II
Prerequisite: consent of instructor.
1226 Gymnastics II
Prerequisite: Successful completion of KINS 1126 or consent of instructor.
1257 Aerobic Dance II
Prerequisite: Successful completion of KINS 1157 the preceding semester (excluding summer session) or consent of instructor.
1261 Self Defense II
Prerequisite of successful completion of KINS 1161 or consent of instructor.

## Advanced Activities

1337 Senior Life Saving
1338 Water Safety Instructor's Course
1340 Advanced Scuba Diving
Prerequisite: Basic Open W ater Certified Diver. Advanced techniques and procedures in scuba diving. Three hours laboratory per week.

## PROFESSIONAL COURSES

1600 Personal and Community
Health Lec. 3 Lab. 0 Cr. 3
A survey of current problems affecting the overall health of the individual and society in our modern environment.
1999 Special Topics Lec. 0 Lab. 3 Cr. 1
May be taken for a maximum of four (4) semester hours credit when topics vary. Three (3) hours of lab. Identification, analysis, and practice of skills and techniques fundamental to exercise/sports, rules, strategies, and appropriate safety procedures.

## Nutrition in

Health and Disease Lec. 3 Lab. 0 Cr. 3
Prerequisite: CHEM 1001 or 1201, or BIOL 1001 or 1201. Course designed primarily for students planning to enter the health field. Principles of nutrition and dietary modifications relating to health and disease conditions across the ages.
2500 Lec. 3 Lab. 0 Cr. 3
Prerequisite: Sophom ore standing. For Health and Physical Education majors and minors. Structural human anatomy and its application basic to an understanding of problems in athletic and corrective physical therapy.

## Principles and History

of Physical Education Lec. 3 Lab. 0 Cr. 3 A study of the scientific, philosophical and historical foundations of health education and physical education.
Principles of
Conditioning Lec. 1 Lab. 1 Cr. 2 Course designed to present current methods and concepts of training and conditioning. The place of physical fitness activities in the physical education program. Current trends in fitness programs, participation in selected activities designed to promote fitness, planning programs for physical fitness for educational institutions and social agencies.

## Physical Education for the

Elementary School Lec. 2 Lab. 2 Cr. 3 For elementary school teachers. Progressively graded programs of physical activities for elementary schools; preparation in skills, attitudes, and knowledge requisite to health education of children. Field experiences will be required.

## Practicum in the Teaching

of Individual Sports Lec. 0 Lab. 3 Cr. 1
Prerequisite: competency in the activity to be taught and permission of instructor. Credit may be repeated three times if experience represents different individual sports for a maximum of three credit hours.
The Coaching of
Gymnastics Lec. 1 Lab. 2 Cr. 2 Prerequisite: successful completion of KINS 1126 or KINS 1226 and consent of instructor. Principles and techniques of coaching gymnastics: Organization and administration of practice and various levels of competition.

## Adapted Physical

Education
Lec. 3 Lab. 0 Cr. 3
Laws affecting physically challenged and mentally challenged individuals; the motor abilities of physically challenged children and how activities can be modified to suit their needs and interests.

## Methods and Materials in

Health \& Physical Education for
the Elementary School Lec. 3 Lab. 3 Cr. 4 Methods and materials for health and physical education at the kindergarten and elementary levels will be examined. Preservice teachers will experience lecture sessions with the incorporation of a variety of hands-on laboratory activities. Participation in activity sessions, practice in teaching, and field experiences will be required.

Preservice teachers will acquire requisite skills, attitudes, and knowledge needed to positively impact the health and physical education of children.

2601

First Aid Lec. 3 Lab. 0 Cr. 3
Designed to teach the lay person proper techniques required to complete CPR, rescue breathing, Heimlich Maneuver, and wound care. Information regarding shock, poisoning, fractures, and unconsciousness is included for adults, children, and infants.
Methods and Materials in
Health Education for
the Elementary School Lec. 3 Lab. 0 Cr. 3 Designed for elementary education majors. Preparation of the elementary school teacher in skills, attitudes, and knowledge requisite to health education of children.

## Beginning Modern

Dance Lec. 0 Lab. 3 Cr. 1
For majors or minors in physical education.

## Tests and Measurements

in Physical Education Lec. 2 Lab. 2 Cr. 3 An introduction to testing and evaluation in physical education. Current research in the field and statistical techniques involved.
Techniques and Methods
of Teaching Physical
Education (K-12) Lec. 2 Lab. 3 Cr. 3 Microteaching and field experience required. Current teaching methods and materials in physical education; teaching styles, aids, and formulation of lesson and unit plans.

## Introduction to

Motor Learning Lec. 3 Lab. 0 Cr. 3 Principles of motor learning and improvement of physical performance; role of growth and development; and emotional and psychosocial phenomena in motor learning and performance.
Exercise Physiology Lec. 3 Lab. 0 Cr. 3
Prerequisite: KINS 2500, 2504. Basic physiological concepts of the muscular, metabolic, cardiorespiratory systems; behavior of each system in relation to exercise; determination of normal and abnormal physical responses to exercise; development of a philosophy of scientific inquiry.
Methods and Materials in
Health and Physical Education
for the Middle and
Secondary School
Lec. 3 Lab 3 Cr. 4 Methods and materials for health and physical education at the middle and secondary school
levels will be examined. Preservice teachers will experience lecture sessions with the incorporation of a variety of "hands-on" laboratory activities. Participation in activity sessions, practice in teaching, and field experiences will be required. Preservice teachers will acquire requisite skills, attitudes, and knowledge needed to positively impact the health and physical education of children.
Stress Management Lec. 3 Lab. 0 Cr. 3 Sources of stress; evaluation of stress-related diseases; techniques for promoting stress reduction; prevention of stress-related diseases.

## Methods in Coaching

Individual and Team
Sports - Part I
Lec. 1 Lab. 1 Cr. 2 Prerequisite: KINS 2504. This course is a study of the coaching methods used in various fall sports (individual and team) with an emphasis on fundamentals, instruction, rules, safety, basic athletic training concepts, and principles of conditioning. The duties and responsibilities of a coach as well as management and organization of individual and team sports will be examined. Field experiences are required.

## Methods in Coaching

## Individual and Team

Sports - Part II
Lec. 1 Lab. 1 Cr. 2
Prerequisite: KINS 2504. This course is a study of the coaching methods used in various spring sports (individual and team) with an emphasis on fundamentals, instruction, rules, safety, basic athletic training concepts, and principles of conditioning. The duties and responsibilities of a coach as well as management and organization of individual and team sports will be examined. Field experiences are required.
School Health Program Lec. 3 Lab. 0 Cr. 3
Organization and administration of a school health program with emphasis on establishing a program and utilization of available resources in school health. Special attention will be given to a coordinated school health program involving health services, healthful school living, school environment, school health administration, physical education, nutrition services, and evaluation of school health programs.

## Community

Health Issues Lec. 3 Lab. 0 Cr. 3 Community health aspects and implications of tobacco, alcohol, drugs, venereal disease and other communicable diseases; other community health problems.

## Safety Education

Lec. 3 Lab. 0 Cr. 3
Safety issues relating to the home, school, and work environments will be emphasized. The social, emotional, and economic impact of accidents, the knowledge related to accidents, habits, skills, and general safety measures will be examined.

## Mathematics (MATH)

PreCollege Algebra
with Arithmetic
Lec. 5 Lab. 0 Cr. 5 Not for degree credit. Five semester hours will be added to the degree program of any student taking this course. Operations with whole numbers, decimals, fractions, signed numbers, polynomials; functions and graphs; special products and factoring; rational expressions; systems of linear equations; exponents; radicals; equations; applications of equations. (A grade of "C" or better is required to advance to College Algebra.)
0004 PreCollege Algebra Lec. 3 Lab. 0 Cr. 3 Not for degree credit. Prerequisite: Placement by ACT (see placement section of this catalog), or consent of the department. Three semester hours will be added to the degree program of any student taking this course. Polynomials, functions and graphs; special products and factoring; rational expressions; systems of linear equations, exponents; radicals; equations; applications of equations.. (A grade of "C" or better is required to advance to College Algebra.)

- College Algebra Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in MATH 0003 or 0004, placement by ACT (see placement section of this catalog), or consent of the department. Functions and graphs; polynomial, rational, exponential and logarithmic functions; equations; inequalities. A graphing calculator is required. (A grade of "C" or better is required to advance to any higher numbered math course.)
$\uparrow$ Plane Trigonometry Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in MATH 1021, credit based on ACT (see placement section of this catalog), or consent of the department. Trigonometric functions and identities, inverse trigonometric functions, graphs, solving triangles and equations, complex numbers, and polar coordinates of equations and inequalities.
- PreCalculus Lec. 3 Lab. 0 Cr. 3

Prerequisite: A grade of "C" or better in MATH 1021, credit based on ACT (see placement
and Calculus II Lec. 5 Lab. 0 Cr. 5 Prerequisite: A grade of "C" or better in MATH
section of this catalog), or consent of the department. Polynomial, rational, exponential, and logarithmic functions; systems of equations and inequalities; matrices and determinants; sequences and series; conics; and parametric equations. A graphing calculator is required.
$\leftrightarrow$ Analytic Geometry
and Calculus $1 \quad$ Lec. 5 Lab. 0 Cr. 5 Prerequisite: A grade of "C" or better in both MATH 1022 and MATH 1030, or consent of the department. Credit will be given for only one of the following: MATH 1431, MATH 1550. Analytic geometry, limits, derivatives, integrals, and their applications. written communication of mathematics.

## $\checkmark$ Calculus with Business and

Economic Applications Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in MATH 1021 or consent of the department. Differential and integral calculus of algebraic, logarithmic, and exponential functions with applications to business and economics. Prerequisite: A grade of "C" or better in MATH 1201. Primarily for students in elementary education. (A grade of "C" or better is required of education majors.) Synthetic and coordinate geometry in two and three dimensions; spatial visualization and counting procedures; symmetries and tilings; history of geometry;

## - The Nature of

Mathematics
Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in MATH 1021 or consent of the department. Not for science, engineering, or mathematics majors. For students who desire an exposure to mathematics as part of a liberal arts education. Sets, logic, number systems, counting techniques, probability and statistics.

Problem Solving Prerequisite: A grade of "C" or better in MATH 1100. Primarily for students in elementary education. (A grade of "C" or better is required of education majors.) Cardinality and integers; decimal representation and the number line; exploratory data analysis; number sense; openended problem solving strategies; and written communication of mathematics.

## Geometry, Reasoning,

and Measurement Lec. 3 Lab. 0 Cr. 3
1550. Techniques of integration, parametric equations, polar coordinates, infinite series, vectors in the plane, and introduction to differential equations and partial derivatives.
2011 Lec. 3 Lab. 0 Cr. 3 (Also offered as PSYC 2011 and STAT 2011.) Prerequisite: A grade of "C" or better in MATH 1021 or consent of the Department of Mathematics and Physical Sciences. Graphical display of data, descriptive statistics, probability, the normal distribution, standard scores, confidence intervals and hypothesis testing based on one sample, regression, and correlation.

## Mathematics

Study Tour
(Travel Course) Cr. 3
Prerequisite: Permission of instructor. Travel to selected sites of interest in mathematics, pre-tour lectures, discussions, assigned readings and reports.
Fundamentals
of Mathematics
Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in MATH 1550. Introduction to techniques of mathematical proofs; sets; logic; relations and functions; induction; cardinality; and properties of real numbers.

## Multidimensional

Calculus Lec. 3 Lab. 0 Cr. 3
Prerequisite: A grade of "C" or better in MATH 1552. Vectors and geometry in space, functions of several variables, partial derivatives, multiple integrals, and applications.
Selected Topics in
Mathematics Lec. 3 Lab. 0 Cr. 3
Prerequisite: Consent of the department. May not be repeated for credit.
Statistical Methods Lec. 3 Lab. 0 Cr. 3
(Also offered as PSYC 3012 and STAT 3012) Prerequisite: A grade of "C" or better in MATH/STAT/PSYC 2011. Math majors may not take as a Math elective, but may take as a free elective. A continuation of MATH/STAT/PSYC 2011. Descriptive statistics, confidence intervals and hypothesis testing based on one or more samples, various Chi-Square tests, regression, one-way analysis of variance (ANOVA), and nonparametric statistics.

## Elementary Differential

Equations
Lec. 3 Lab. 0 Cr. 3
Prerequisite: A grade of "C" or better in MATH 1552. A beginning course in ordinary differential equations with emphasis on solving linear differential equations.

Prerequisite: A grade of "C" or better in MATH 2057 or MATH 3085. Divisibility, Euclidean

Number Theory Lec. 3 Lab. 0 Cr. 3

## Linear Algebra <br> Lec. 3 Lab. 0 Cr. 3

Prerequisite: A grade of "C" or better in MATH 1552. Systems of linear equations, vector spaces, linear transformations, matrices, and determinants.
Probability Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in MATH 2057. Introduction to probability, emphasizing concrete problems and applications, random variables, expectation, conditional probability, law of large numbers, central limit theorem, and stochastic processes.
Geometry Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in MATH 2040. The foundations of geometry, including work in Euclidean and non-Euclidean geometries.

## Advanced Calculus I Lec. 3 Lab. 0 Cr. 3

Prerequisite: A grade of "C" or better in MATH 2040, 2057, and 3085; or equivalent. Differential and integral calculus of real and vector-valued functions of several real variables.
Advanced Calculus II Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in MATH 4031. Vector integral calculus, Stokes' theorem, series, orthogonal functions, selected related topics.
Complex Variables Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in MATH 2057. Analytic functions, integration, power series, residues, and conformal mapping.
Introduction
to Topology Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in MATH 2040. Set theory and logic, properties of topologicalspaces, connectedness, compactness, countability, separation axioms, and other selected topics.
Mathematical Statistics Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in MATH 3355. Experimental design, sampling methods, non-parametric methods, hypothesis testing, and regression.
4065 Numerical Analysis I Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in MATH 2057 and basic programming ability. Newton's method, Lagrange interpolation, least-squares approximation, orthogonal polynomials, numerical differentiation and integration, Gaussian elimination.
algorithm, prime numbers, congruences, and topics such as Chinese Remainder Theorem and sums of integral squares.

Abstract Algebra
Lec. 3 Lab. 0 Cr. 3
Prerequisite: A grade of "C" or better in MATH 2040 or MATH 3085. Elementary properties of sets, relations, mappings, integers, groups, subgroups, normal subgroups, quotient groups, homomorphisms, automorphisms, and permutation groups; elementary properties of rings.
Partial Differential
Equations
Lec. 3 Lab. 0 Cr. 3
Prerequisite: A grade of "C" or better in MATH 3065 and 3085. First-order partial differential equations and systems, canonical second-order equations, Green's functions, method of characteristics, properties of solutions, and applications.
in Mathematics Lec. 1-3 Lab. 0 Cr. 1-3 Prerequisite: Consent of Department of Mathematics and Physical Sciences. May be taken for a maximum of 9 semester hours of credit. A grade of "C" or better is required to take subsequent offerings of this course.
Senior Seminar for
General Studies Lec. 2 Lab. 0 Cr. 2
Prerequisite: Senior standing required and at least 6 hours of mathematics courses numbered 3000 or above. A capstone course required of all General Studies majors with a Mathematics concentration. Each student will undertake several math related reading projects, make oral presentations, and write an expository paper on a mathematical topic. Credit will be given for one of the following: MATH 4997, MATH 4998.
Senior Seminar Lec. 2 Lab. 0 Cr. 2
Prerequisite: Senior standing required and at least 9 hours of mathematics courses numbered 3000 or above. A capstone course required of all Liberal Studies or Bachelor of Science mathematics majors. Each student will undertake several math related reading projects, make oral presentations, and write an expository paper on a
mathematical topic. Credit will be given for only one of the following: MATH 4997, MATH 4998.

## Military Science (MILS)

Introduction of Officership I

Lec. 1 Lab. 2 Cr. 3
Introduction to the Reserve Officer Training Corps (ROTC) and the customs, traditions, organization and role of the U.S. Army; basic map reading and land navigation skills, basic first aid, military writing skills.
1012 Introduction of
Officership II Lec. 1 Lab. 2 Cr. 3 Prerequisite: MILS 1011 or permission of instructor. Introduction to radio comm unications; reinforcement of map reading and land navigation skills; introduction to small unit tactics and operations; introduction to the Constitution, leadership and officer ethics.
Officer Leadership and
Management Roles I Lec. 2 Lab. 1 Cr. 3 Pre-requisite: MILS 1011 and 1012 or consent of instructor. Map symbols and reference systems; land navigation; small unit tactics; exercises in written and oral comm unication; first aid.
Officer Leadership and
Management Roles II Lec. 2 Lab. 1 Cr. 3 Pre-requisite: MILS 1011, 1012, and 2161 or consent of instructor. Planning, organizing, and managing the activities of small organizations, time management, tactics, Army organization.

Military Science I Lec. 3 Lab. 1 Cr. 4 Prerequisite: MILS 2161 and 2162 or equivalent. Advanced map reading, communications, operation orders, squad tactics, and leadership. Field training exercises and social activity.

## Advanced

Military Science II Lec. 3 Lab. 1 Cr. 4 Prerequisite: MILS 2161 and 2162 or equivalent. Advanced study in preparation for small unit operations, offensive and defensive tactics, practical exercises in oral and written communication and seminars in preparation for summer field camp. Field training exercises and social activity.
Practicum in Advanced
Summer Camp
Lec. 0 Lab. 3 Cr. 1
Prerequisite: MILS 3011 and 3012 or equivalent. Field exercises and training in a military setting.

## Advanced

Military Science III
Lec. 3 Lab. 1 Cr. 4 Prerequisite: MILS 3011 and 3012 or equivalent. Staff organization and functions, techniques of command and leadership, decision making, problem solving, and advanced communications. Field training and social event.

## Advanced

Military Science IV Lec. 3 Lab. 1 Cr. 4 Prerequisite: MILS 3011 and 3012 or equivalent. Professional development, career options, ethics and leadership, unit administration, standards of conduct, military justice, war and morality, transition to the officers corps. Field exercises and social event.
Civil War
Lec. 3 Lab. 0 Cr. 3
Prerequisite: HIST 2055 and HIST 2057; or consent of instructor. Also offered as HIST 4055. A study of the causes of the Civil War, the secession crisis, military campaigns, leadership and homefront.

## Practicum in Military Staff Planning

and Execution Lec. 1 Lab. 0 Cr. 1
Practical exercises in military staff planning, leadership, and ROTC activities.

## Military History of

the United States Lec. 3 Lab. 0 Cr. 3 Prerequisite: HIST 2055 and HIST 2057; or consent of instructor. Also offered as HIST 4066. Military policy and campaigns, organizations of armed forces and war economies.

## Music (MUSI)

- Music Appreciation I Lec. 3 Lab. 0 Cr. 3 Open to all students. A general introduction to Western concert music with emphasis on great works of the nineteenth century. Includes how to listen to classical music; concert-going; and stylistic characteristics of nineteenth century romanticism in music.
$\checkmark$ Music Appreciation II Lec. 3 Lab. 0 Cr. 3
Open to all students. A general introduction to Western concert music with emphasis on great works of the twentieth century. Includes the state of the arts in contemporary America; new trends in music such as the performer versus the com puter/synthesizer; and stylistic characteristics of twentieth century music.
University Chorus Lec. 0 Lab. 3 Cr. 1
(Course may be repeated for credit four times) Enrollment in this course by permission of the instructor. Intensive study of choral music of all
periods, including preparation for public performance.
Summer Musical Lec. 0 Lab. 3 Cr. 1

## Performance Laboratory

Prerequisite: Consent of instructor. Participation as a performer in the LSUA Summer Theatre musical production(s). May be taken four times, for a maximum of four semester hours credit.
American Musical
Theatre Lec. 3 Lab. 0 Cr. 3 (Also offered as THTR 3020.) Development of the American Musical in its cultural, theatrical, and social contexts from its beginning to the present day; elements of musical theatre focusing on the works of composers, lyricists, designers, directors, choreographers, and performers.

## Nursing (NURS)

Pharmacological Dosages
and Solutions Lec. 1 Lab. 0 Cr. 1
Prerequisite: Eligibility to take MATH 1021, Pre- or Corequisite: NURS 1016. An in-depth analysis of the process of calculating medication dosages and solutions for adults and children. Content progresses from calculation of intramuscular and intravenous medications and solutions. Problems commonly encountered in the practice of Nursing related to dosages and solutions will be included with an emphasis on drug response as influenced by drug dosage.
Introduction to the
Health Care System Lec. 1 Lab. 0 Cr. 1 (Also offered as HESC 1003). This course is designed to introduce persons with an interest in health care delivery to the health care system. The information in this course will focus on the history of health care. Other areas of interest are the financial aspects of health care, providers of health care, legal and ethical issues of health care as a profession. Recommended for pre-nursing students and other students interested in health care delivery.
Client Care Interactions Lec. 2 Lab. 0 Cr. 2 (Also offered as HESC 1004). Prerequisite: Eligibility for ENGL 1001. This course provides for the study of concepts in client care interactions. The use of communication skills with patients, families, and health team members is stressed. Emphasis is placed on the care-giver's development of skills to promote positive relationships with clients across the life span.

1006
Toward Healthy Aging Lec. 3 Lab. 0 Cr. 3
Course introduces developmental concepts and principles of later adult life. Biological, cognitive, psychological, and sociological influences will be analyzed. Emphasis is placed on assisting and meeting health care demands of any elderly individuals in need of assistance in meeting selfcare deficits and needing to acquire self-care skills. This course may be taken by any student as a general elective and will not satisfy any nursing degree requirements.
History and Ethics
of Nursing
Lec. 3 Lab. 0 Cr. 3
(Also offered as HIST 1007). This course focuses on the development of nursing as a health care profession and on ethical issues that an individual should consider in the practice of that profession.

## Health Care of Women Lec. 3 Lab. 0 Cr. 3

Prerequisites: ENGL 1001 or permission of instructor. Course provides for the overall study of women as members of society, as well as their diseases and/or childbearing functions. Attention will be focused on the contemporary woman as a health care consumer. Major concepts to be explored include assessment of woman's health using a holistic approach; psychophysical health concerns of the contemporary woman; lifestyle concerns of the contemporary woman; social, economics, and environmental hazards; and an overview of major reproductive and gynecologic concerns.
Understanding Medical
Terminology
Lec. 1 Lab. 0 Cr. 1
This course is designed to enable the student to understand complex medical terms by learning the three hundred prefixes and suffixes most commonly used in medical terminology. Knowledge of these root elements will enable the student to understand the most frequently used medical terms. Audionyms and visual symbols will be used to introduce each root element.
Techniques for Professional and Personal

## Survival

Lec. 3 Lab. 0 Cr. 3
Course designed to provide the student with a better understanding of self and others, insight into one's own personality, a feeling of selfesteem and self-confidence, and techniques to improve relationships, cope with stress, and reduce anxiety.
1014

## Fundamentals of

Nursing
Lec. 4 Lab. 0 Cr. 4 Prerequisites: Successful completion ("C" or better) of ENGL 1001, CHEM 1001, MATH 1021, and BIOL 1161. Corequisite: NURS 1015.

Course introduces basic concepts and principles of nursing care. Emphasis is placed upon the development of fundamental nursing skills, techniques, and knowledge that provide a foundation upon which to build future nursing courses. The philosophy, conceptual framework of nursing program, professional ethics, nursing process, mental health concepts, communication techniques, principles of nutrition, pharmacology, and medical-surgical asepsis are introduced.

## Fundamentals of

Nursing Laboratory Lec. 0 Lab. 6 Cr. 2 Prerequisites: Successful completion ("C" or better) of ENGL 1001, CHEM 1001, MATH 1021, and BIOL 1161. Corequisite: NURS 1014. Clinical laboratory for Nursing 1014. Experience is in the nursing laboratory and in health agencies, providing the student the opportunity to develop nursing skills by giving direct patient care.
LPN Transitional
Course Lec. 2 Lab. 0 Cr. 2 Prerequisite: CHEM 1001, ENGL 1002, MATH 1021, BIOL 1162. Pre or corequisite: STAT 2011, PSYC 2070. Must complete all prerequisites with a grade of "C" or better. An introduction to the philosophy and conceptual framework of the curriculum of LSUA Department of Nursing. The nursing process and other concepts basic to the practice of nursing are explored. These include: professional role socialization, adaptive and maladaptive responses to stress with emphasis on mental health stressors and application of the nursing process. This course is designed to be the first nursing course taken by the LPN upon acceptance to the nursing clinical sequence.

## 1020 Medical Surgica

Nursing I Lec. 4 Lab. 0 Cr. 2 Prerequisite: NURS 1014, NURS 1015, STAT 2011, PSYC 2000 and BIOL 1162. Corequisite: NURS 1021. Must com plete all prerequisites with a grade of "C" or better. Course provides for the study of patients with well defined medical-surgical problems. The nursing process is used to focus on needs of patients responding to stress and illness. Major concepts and theories of selected medical-surgical disorders include interruption in tissue integrity, pain, altered ventilatory function, derangement of body fluids, and mechanisms of shock.

Nursing Laboratory 1 Lec. 0 Lab. 12 Cr. 2 Prerequisite: NURS 1014, NURS 1015, STAT 2011, PSYC 2000 and BIOL 1162. Corequisite:

NURS 1020. Clinical laboratory for Nursing 1021. Provides clinical training for nursing care of patients adapting to the stress related to surgical intervention, cancer, burns, and dermatological disorders, and those experiencing oxygen deprivation will be provided in general hospital medical-surgical units. Orientation to surgery and recovery rooms will be provided.

## Psychiatric-Mental

Health Nursing Lec. 4 Lab. 0 Cr. 2 Prerequisite: NURS 1014, NURS 1015, STAT 2011, PSYC 2000, and BIOL 1162. Corequisite: NURS 1026. Must com plete all prerequisites with a grade of "C" or better. Course is designed as a study of man's adaptive and maladaptive responses to stress throughout the life cycle. The principal focus of the course is on the utilization of the nursing process with clients in mental health settings which provide secondary care. Particular emphasis is given to the use of techniques of comm unication which are appropriate for one-toone psychotherapeutic nurse-patient relationships. The concepts of stress-adaptation, basic human needs and developmental processes are interwoven in the structure of the course, and an eclectic view of other relevant contemporary theories is presented.

## 1026 Psychiatric-Mental Health

Nursing Laboratory Lec. 0 Lab. 12 Cr. 2 Prerequisite: NURS 1014, NURS 1015, STAT 2011, PSYC 2000, and BIOL 1162. Corequisite: NURS 1025. Guided clinical laboratory experiences for Nursing 1025.
Maternal and
Neonatal Care
Lec. 4 Lab. 0 Cr. 2
Prerequisite: NURS 1020, NURS 1021, NURS 1025, NURS 1026, ENGL 1002, BIOL 1162, and PSYC 2070. Corequisite: NURS 2046. Must complete all prerequisites with a grade of "C" or better. An eight-week course. This course is designed to facilitate learning about pregnancy, labor, delivery, and the postpartal period and the neonate. Through the application of growth and development principles and the use of the nursing process, students identify stressors, promote health and adaption in women, their families, and the neonate. Included in discussions are concepts of nutrition, communication, cultural diversity, roles of the nurse, levels of care, legal/ethical principles, and professional values as they relate to adaptive/maladaptive responses in women, their families, and the neonate. Emphasis is placed on the nurse's role in assisting women and their families to adapt to stress
associated with the antepartal, intrapartal, postpartal, and neonatal periods.
Maternal and Neonatal
Care Laboratory Lec. 0 Lab. 12 Cr. 2 Prerequisite: NURS 1020, NURS 1021, NURS 1025, NURS 1026, ENGL 1002, BIOL 1162, and PSYC 2070. Corequisite: NURS 2044. An eightweek laboratory course required to be taken concurrently with Nursing 2044. Clinical nursing care experiences are provided in appropriate primary and secondary settings which include: the newborn nursery, labor and delivery, operating room, recovery room, and postpartal units as well as the antepartal clinic, the family planning clinic and perinatal education classes.
2048 Nursing Perspectives Lec. 2 Lab. 0 Cr. 2
Prerequisites: NURS 1022, 1024. Must complete all prerequisites with a grade of "C" or better. Course surveys nursing history and presents current issues, problems, and emerging trends. Concepts explored include legal aspects, professional organizations, and role transition from student to practitioner. Responsibilities of the registered nurse and management skills related to the delivery of direct patient care are included in this theory course.

## Nursing Care

of the Child Lec. 4 Lab. 0 Cr. 2 Prerequisites: NURS 1020, NURS 1021, NURS 1025, NURS 1026, ENGL 1002, and PSYC 2070. Corequisite: NURS 2054. Must complete all prerequisites with a grade of "C" or better. Course is designed to facilitate learning about the uniqueness of caring for children and their families, expanding the student's ability to assess, analyze, plan, implement, and evaluate nursing care. Through the application of growth and development concepts and the use of the nursing process, students identify stressors and promote health in children and their families. Additionally, the concepts of nutrition, communication, cultural diversity, roles of the pediatric nurse, legal-ethical principles, levels of care, and professional values are discussed in relation to adaptive and maladaptive responses in children and their families.

## Nursing Care of the

Child Laboratory Lec. 0 Lab. 12 Cr. 2 Prerequisites: NURS 1020, NURS 1021, NURS 1025, NURS 1026, ENGL 1002, and PSYC 2070. Corequisite: NURS 2053. Clinical experiences are provided in primary, secondary and tertiary care settings.

## Medical-Surgical

Nursing II Lec. 4 Lab. 0 Cr. 2 Prerequisites: NURS 2044, NURS 2046, NURS, 2053, NURS 2054, and BIOL 2051. Pre- or Corequisites: NURS 2048 and NURS 2080. Corequisite: NURS 2059. Must complete all prerequisites with a grade of "C" or better. Course provides a study of adult patients with well-defined stressors related to alterations of gaseous transport, body regulation and integration. The nursing process is utilized to formulate nursing care plans and to apply theoretical knowledge to patient situations. Expected outcomes of nursing intervention are evaluated.

## Medical-Surgical

Nursing II Laboratory Lec. 0 Lab. 12 Cr. 2 Prerequisites: NURS 2044, NURS 2046, NURS, 2053, NURS 2054, and BIOL 2051. Corequisite: NURS 2057. Pre- or Corequisites: NURS 2048 and NURS 2080. Correlation of theory and clinical is provided on medical-surgical units in comm unity facilities.
Medical-Surgical
Nursing III Lec. 4 Lab. 0 Cr. 2 Prerequisites: NURS 2057 and NURS 2059. Corequisite: NURS 2061. Pre- or Corequisites: NURS 2048 and NURS 2080. Must complete all prerequisites with a grade of "C" or better. Course provides a study of adult patients experiencing well defined stressors related to alterations of sensorimotor function, gastric absorption, intestinal and urinary elimination, and reproductive functions. In addition to strengthening the role of the associate degree nurse as a provider of care through the use of the nursing process, the role as manager of groups of patients is emphasized. The clinical experience and independent study is designed to provide the student with opportunities for self-growth in nursing and to encourage the beginning transition from student to professional nurse.

## 2061 Medical-Surgical

Nursing III Laboratory Lec. 0 Lab. 16 Cr. 3 Prerequisites: NURS 2057 and NURS 2059. Corequisite: NURS 2060. Pre- or Corequisites: NURS 2048 and NURS 2080. The clinical experience is provided on medical-surgical nursing units in community facilities.
Pharmacology Lec. 3 Lab. 0 Cr. 3 Prerequisite: NURS 1022, 1024; LPN and BIOL 1162; RN; or permission of instructor. Must com plete all prerequisites with a grade of "C" or better. This course is designed to give the nursing student thorough and practical information about
classifications and groups of drugs, their therapeutic action(s), indications, interactions (including foods) and side effects. The focus is placed on the nursing assessment, implementation (including calculation and conversion of dosages), client teaching and evaluation in regard to drug therapy.
Health Assessment Lec. 3 Lab. 0 Cr. 3 Prerequisites: Enrollment in clinical nursing courses or LPN status. Course provides for the development of techniques in basic physical assessment, history taking, and recording. Both normal and abnormal findings as well as age and cultural variations will be encountered.

## Paralegal/Legal Assisting (PRLG)

1001 Introduction to
Paralegal Studies
Lec. 3 Lab. 0 Cr. 3
An introductory course in paralegal studies/legal assisting; the role and skills of the paralegal/legal assistant.
Law Office Management Lec. 3 Lab. 0 Cr. 3
Prerequisite: PRLG 1001 or consent of instructor. An overview of the fundamentals of law office management including personnel relations, timekeeping, billing, financial management, docket control systems, and law library maintenance. The course will also focus on legal ethics, client relations, and professional responsibility.
Civil Litigation
Lec. 3 Lab. 0 Cr. 3
An introduction including case preparation, discovery, pleading and motions, trial and posttrial proceedings.

## Legal Research and

Writing I
Lec. 3 Lab. 0 Cr. 3
Prerequisite: A grade of "C" or higher in ENGL 1002. An overview of basic techniques and methods of legal research; practice in writing various legal documents and proper legal citation forms.

## Legal Research and

Writing II Lec. 3 Lab. 0 Cr. 3
Prerequisite: A grade of "C" or higher in PRLG 2230. An overview of basic techniques and skills needed for the use of legal references; practice and guidance in legal writing, analysis, and evaluation.

Selected Topics in Paralegal
Studies Lec. 3 Lab. 0 Cr. 3
May be taken more than once for credit when topic changes.

## Pharmaceutical Marketing (PMKT)

## 4001

Principles of
Managed Care
Lec. 3 Lab. 0 Cr. 3
Prerequisites: BIOL 1161, BIOL 1162, HESC 1400, HESC 1115, HESC 1202, BUSN 3200, BUSN 3401. Pre- or co-requisite: BUSN 4423. This course is designed to introduce the student to the various forms of managed care in the health care industry and their impact on the pharmaceutical industry. Students will learn the various strategies and marketing practices for successful business practices within the managed care market.
Pharmaceutical Laws
and Regulations Lec. 3 Lab. 0 Cr. 3
Prerequisites: BIOL 1161, BIOL 1162, HESC 1400, HESC 1115, HESC 1202, BUSN 3200, BUSN 3401. Pre- or co-requisite: BUSN 4423. This course is designed to introduce the student to the various laws and regulations governing the pharmaceutical industry. The course focuses on FDA regulation beginning with product development and continuing to the regulations and guidelines governing prescription drug promotion and associated marketing practices.

## Pharmaceutical

Product Management Lec. 3 Lab. 0 Cr. 3 Prerequisites: BIOL 1161, BIOL 1162, HESC 1400, HESC 1115, HESC 1202, BUSN 3200, BUSN 3401. Pre- or co-requisite: BUSN 4423. This course is designed to introduce the student to the management of both new market drug entries and established pharmaceutical product brands. The course covers such topics as market research, sales strategy, pricing considerations, sales force marketing and advertising.
Pharmaceutical
Marketing I Lec. 2 Lab. 2 Cr. 3 Prerequisites: BIOL 1161, BIOL 1162, HESC 1400, HESC 1115, HESC 1202, BUSN 3200, BUSN 3401. Pre- or co-requisite: BUSN 4423. This course is designed to introduce the student to the basics of marketing pharmaceutical drug products. The student is introduced to marketing aids and strategies of the pharmaceutical industry and will learn the task of specific product detailing.

## Pharmaceutical

## Marketing II <br> Lec. 0 Lab. 12 Cr. 3

Prerequisite: PMKT 3401. This course is designed to introduce the student to the sales and marketing techniques utilized by American pharmaceutical companies and to the current practices in the treatment of specific disease states. This course allows the student to enter into a preceptorship with pharmaceutical drug representatives and provides the student clinical clerkships in local hospitals.

## Philosophy (PHIL)

## - Introduction to

Philosophy
Lec. 3 Lab. 0 Cr. 3
Major works from the philosophic tradition as they examine questions such as the ground and status of knowledge (epistemology); the nature of truth and Being, and the meaning and status of nature (metaphysics); principles of political life and law, ancient and modern (political philosophy); the nature of virtue: right, good, and human excellence (moral philosophy).
$\uparrow$ Introduction to Philosophy:
Elementary Logic Lec. 3 Lab. 0 Cr. 3 No special background presupposed. Formal and informal reasoning: traditional syllogistic logic, modern deductive logic, and scientific method in the natural and social sciences.

- Ethics

Lec. 3 Lab. 0 Cr. 3
Classical and modern theories of right and good, freedom and obligation, and rights and duties; consideration of the ground for sound moral judgment. Includes works of philosophers such as Plato, Aristotle, Cicero, Aquinas, Machiavelli, Mill, and Kant.
Bioethics
Lec. 3 Lab. 0 Cr. 3
Defining health and disease; deciding on rights, duties, and obligations in the patient-physician relationship; abortion and the concept of a person; defining and determining death; euthanasia and the dignity of death; allocation of medical resources, both large-scale and small-scale; experimentation with fetuses, children, prisoners, and animals; genetic testing, screening, and interference.

## - History of Ancient and

Medieval Philosophy Lec. 3 Lab. 0 Cr. 3 Introduction to philosophy through a study of some of the main writings of classical and medieval philosophy.

## - History of Modern

Philosophy
Lec. 3 Lab. 0 Cr. 3
Introduction to philosophy through a study of some of the main writings of Modern philosophy.
Special Topics in
Philosophy
Lec. 3 Lab. 0 Cr. 3
Special Topics in Philosophy may be taken for up to six (6) credit hours when topics vary.

## Physical Science (PHSC)

- Physical Science I Lec. 3 Lab. 0 Cr. 3 Eligibility for MATH 1021. A non-technical survey course covering a broad range of topics in the field of chemistry and physics. It is not intended for students who wish to pursue further work in chemistry or physics, and may not be substituted for basic courses covering these areas of science.

Prerequisite: A grade of "C" or better in PHSC 1001. A non-technical survey course in the physical sciences. Topics are taken primarily from the fields of astronomy, chemistry, meteorology, and earth sciences. Credit will not be given for both this course and any other college level astronomy.

- Physical Science

Lab oratory
Lec. 0 Lab. 2 Cr. 1 Prerequisite: A grade of "C" or better in PHSC 1001. Laboratory course in the fundamentals of physical science.

## Physics (PHYS)

COREQUISITES: A student may not continue in a course if the corequisite is dropped prior to the last day of the midsemester examination period.
1001 Principles of Physics Lec. 3 Lab. 0 Cr. 3 Prerequisite: Eligibility for MATH 1021. Credit will be given for only one of the following: PHYS 1001, PHYS 2001, PHYS 2101. A study of basic principles of mechanics, heat, sound and electromagnetism with emphasis on applications in the health professions. Three hours of lecture each week. Not for science and engineering majors.
2001
$\uparrow$ General Physics I Lec. 3 Lab. 0 Cr. 3
Prerequisite: A grade of "C" or better in MATH 1022. Credit will be given for only one of the following: PHYS 1001, PHYS 2001, PHYS 2101. Non-calculus physics for students in all medical curricula and for students in certain curricula in agriculture, forestry, home economics, arts and sciences, education and business. A study of
principles and applications of mechanics, heat, and sound.

- General Physics II Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or better in PHYS 2001. Credit will not be given for both this course and PHYS 2102. A study of principles and applications of light, electricity and magnetism, and topics in modern physics.

## Physics

Study Tour (Travel Course) Cr. 3 Prerequisite: Permission of instructor. Travel to selected sites of interest in physics, pre-tour lectures, discussions, assigned readings and reports.

## - General Physics

Laboratory I
Lec. 0 Lab. 3 Cr. 1
Pre or corequisite: A grade of "C" or better in or registration in PHYS 2001 or 2101. Laboratory course to accompany PHYS 2001 or 2101.

## - General Physics

Laboratory II Lec. 0 Lab. 3 Cr. 1 Pre or corequisite: A grade of "C" or better in or registration in PHYS 2102 or 2002. Laboratory course to accompany PHYS 2102 or 2002.

## Political Science (POLI)

1001 Fundamental Issues
of Politics
Lec. 3 Lab. 0 Cr. 3
An introduction to the central questions at issue in politics, with special emphasis on their significance for the American government.

A survey of the principles, structures, processes, and functions of American government with emphasis on the national government. Topics
include constitutional development, federal-state relationships, electoral politics, law, public policy and civic responsibility.

## - Louisiana

Government Lec. 3 Lab. 0 Cr. 3
A survey of state and local political tendencies in Louisiana with special emphasis on political development after 1812.
Internship (Internship) Cr. 1 Supervised work in national, state or local government or private agencies concerned with public policy designed to provide practical experience in government, politics, and administration. Interns must also attend discussions with the Faculty Coordinator and read assigned materials. Registration with consent of faculty coordinator only. See the Department of Behavioral and Social Sciences office for selection criteria. May be repeated once for a maximum of 2 hours credit.
Special Topics in
American Politics Lec. 3 Lab. 0 Cr. 3 Prerequisite: POLI 2051 and consent of instructor. May be repeated for a maximum of 6 semester hours of credit when topics vary.

## The American

Presidency Lec. 3 Lab. 0 Cr. 3
Prerequisite: POLI 2051 or equivalent. The presidency in the American political system; emphasis on process of presidential selection, evolving role of the president, politics of the executive apparatus of the presidency, and presidential interaction with other political institutions and actors.
4039 Southern Politics Lec. 3 Lab. 0 Cr. 3. The American South in the American political system; analysis of the unique role of the region's politics and government in historical perspective and in contemporary American government.
from Plato to More Lec. 3 Lab. 0 Cr. 3 Ancient and Medieval political thought.
Special Topics in
Political Theory Lec. 3 Lab. 0 Cr. 3
Prerequisite: Consent of instructor. May be repeated for a maximum of 6 semester hours credit when topics vary.

Readings Course Lec. 0 Lab. 0 Cr. 3
Prerequisite: Consent of instructor. Supervised reading and research in an assigned field of political science.

Readings Course Lec. 0 Lab. $0 \quad$ Cr. 3
Prerequisite: Consent of instructor. Supervised reading and research in an assigned field of political science.

## Psychology (PSYC)

Psychology of Death, Dying
and Bereavement Lec. 3 Lab. 0 Cr. 3 Prerequisite: ENGL 1001 or consent of instructor. An applied survey course with particularem phas is on humanistic perspectives, adjustment mechanisms, self growth, and development of a personal philosophy of death. Discussion of the historical, legal, medical and moral aspects of death, the psychological process of dying, and bereavement and grief. This course may be taken only as a general elective, and will satisfy neither psychology degree requirements nor psychology electives.

Introduction to

## Psychology

Lec. 3 Lab. 0 Cr. 3 Prerequisite: ENGL 1001. A survey course with emphasis on introducing the student to the understanding, prediction, and control of behavior.

- Psychology of

## Adjustment

Lec. 3 Lab. 0 Cr. 3 Prerequisite: PSYC 2000 or 2060 or consent of the instructor. An introduction to the study of adjustment mechanisms in normal adults with emphasis upon personal, social and vocational adjustment, plus a survey of broad areas of abnormal behavior.
$\leftrightarrow$ General Statistics Lec. 3 Lab. 0 Cr. 3 (Also offered as MATH 2011 and STAT 2011.) Prerequisite: A grade of "C" or better in MATH 1021 or consent of the Department of Mathematics and Physical Sciences. Graphical display of data, descriptive statistics, probability, the normal distribution, standard scores, confidence intervals and hypothesis testing based on one sample, regression, and correlation.
Social Psychology Lec. 3 Lab. 0 Cr. 3 Prerequisite: three hours of psychology or sociology. Survey of cultural forces as they affect attitudes, sociallearning, perception, and the communication of the individual and the group.

## $\checkmark$ Educational

Psychology Lec. 3 Lab. 0 Cr. 3 Prerequisite: ENGL 1001. Principles of learning, motivation, development, and evaluation as related to the educative process.

- Developmental

Psychology Lec. 3 Lab. 0 Cr. 3 Prerequisite: ENGL 1001; and PSYC 2000 or 2060, or consent of instructor. A life span survey of psychological changes (social, emotional, \& intellectual) in development from conception to death.
$\uparrow$ Child Psychology Lec. 3 Lab. 0 Cr. 3 (Also offered as ECED 2076) Prerequisite: PSYC 2000 or 2060 or consent of the instructor. Study of the physical, social, intellectual, and emotional development of the child.
Adolescent Psychology Lec. 3 Lab. 0 Cr. 3 Prerequisite: PSYC 2000 or 2060 or consent of the instructor. Study of the physical, social, intellectual, and emotional behaviors of the adolescent.
Directed Studies Lec. 0 Lab. 9 Cr. 3
Prerequisite: PSYC 2000 and 2060; and consent of instructor. Selected areas and topics, readings, literature reviews and other independent activities in psychology under faculty supervision.
(Also offered as MATH 3012 and STAT 3012) Prerequisite: A grade of "C" or better in MATH/STAT/PSYC 2011. Math majors may not take as a Math elective, but may take as a free elective. A continuation of MATH/STAT/PSYC 2011. Descriptive statistics, confidence intervals and hypothesis testing based on one or more samples, various Chi-Square tests, regression, one-way analys is of variance (ANOVA), and nonparametric statistics.
Research Methodology Lec. 3 Lab. 1 Cr. 3 Prerequisite: PSYC 2000 or 2060 and 2011; or consent of instructor. Lecture and laboratory beginning course in applying the scientific method to the problems of psychology.

## Principles and Theories

of Learning Lec. 3 Lab. 0 Cr. 3 Prerequisite: PSYC 2000 or 2060 or consent of instructor. A survey of current theories of learning.

## - Personality

Psychology Lec. 3 Lab. 0 Cr. 3
Prerequisite: PSYC 2000 or 2060 or consent of instructor. A study of major theories of personality.

## Advanced Social

Psychology
Lec. 3 Lab. 0 Cr. 3
Prerequisite: PSYC 2040 or consent of instructor.
A study of the nature of social behavior, social
stimulation, and response; a psychological analysis of society and social institutions.

History of Modern
Psychology
Lec. 3 Lab. 0 Cr. 3
Prerequisite: Six hours of psychology. A historical survey of psychology with special reference to schools of psychology.
Introduction to
Psychometrics Lec. 3 Lab. 0 Cr. 3 Prerequisite: PSYC 2000 or 2060 or consent of instructor. Test construction, standardization, validation, intelligence, clerical, mechanical, and spatial aptitude feats; interests and personality tests; test batteries.

Psychology Lec. 3 Lab. 0 Cr. 3 Prerequisite: PSYC 2000 or 2060 or consent of instructor. An intensive study of the functioning of the nervous system with respect to sensation, perception, learning, and motivation.
The Psychology of Work:
Industrial and Organizational
Psychology Lec. 3 Lab. 0 Cr. 3
Prerequisite: Psychology 2000 or 2060 or consent of instructor. Applications of psychology with emphasis on human resources and organizations in the real world.
in Psychology Lec. 3 Lab. 0 Cr. 3 Prerequisite: Psychology 2000 or 2060 or consent of instructor. The study of the psychopharmacology of psychoactive and other drugs and the effects these drugs have on behavior.

## Introduction to Abnormal

## Psychology Lec. 3 Lab. 0 Cr. 3

Prerequisite: PSYC 2000 or 2060 or consent of instructor. A study of the nature and development of abnormal personality and behavior.
Introduction to
Lec. 3 Lab. 0 Cr. 3

## Counseling Psychology

Prerequisite: PSYC 2000 or 2060; or consent of instructor. A survey of counseling psychology as a profession. Topics include the scientist/practitioner model, the target population of counseling psychology, technical tools needed for future practice, current unresolved issues and controversies in the field, and ethical and professional issues.
Field Practicum II
Lec. 0 Lab. 9 Cr. 3
Prerequisite: PSYC 3801. Direct community or campus experience in the application of psychological principles in a field setting under faculty supervision.
Directed Research II Lec. 0 Lab. 9 Cr. 3
Prerequisite: PSYC 3805 and consent of instructor. Each student develops and executes an independent research project under faculty supervision; this intensive project culminates in the production of a scholarly effort such as a professional article or presentation.

## Field Practicum III Lec. 0 Lab. 0 Cr. 3

Prerequisite: PSYC 4801. Direct community or campus experience in the application of psychological principles in a field setting under faculty supervision.
Directed Research III Lec. 0 Lab. 9 Cr. 3
Prerequisite: PSYC 4805 and consent of instructor. Each student develops and executes an independent research project under faculty supervision; this intensive project culminates in the production of a scholarly effort such as a professional article or presentation.

## Senior Seminar in

## Psychology

Lec. 3 Lab. 0 Cr. 3
Prerequisite: Senior standing. A recapitulation of the various theoretical orientations and perspectives in the field of psychology, including current issues in the field.

## Radiologic Technology (RADT)

## Introduction to

Radiologic Technology Lec. 1 Lab. 0 Cr. 1 Introduction to Radiography. A survey of basic principles and practices of radiography with hospital radiology department observation.

## Radiographic

Procedures I
Lec. 2 Lab. 3 Cr. 3
Prerequisite: A grade of "C" or better in RADT 1002, BIOL 1162, RADT 1004, ENGL 1002,

## Basic Principles of

Radiologic Technology Lec. 2 Lab. 0 Cr. 2 Pre or Corequisite: A grade of " C " or better in RADT 1000, ENGL 1001, BIOL 1161. Corequisite: RADT 1002, RADT 1004. An introduction to the principles and practices of radiography in the delivery of health care. Concepts explored include the historical and professional perspectives, trends in health care delivery system, legal and ethical considerations, imaging process, radiographic preparation and examinations, safety principles, comm unications, and patient management techniques.

## Radiographic Image

Production I Lec. 2 Lab. 3 Cr. 3
Prerequisite: A grade of "C" or higher in RADT 1000, ENGL 1001, BIOL 1161. Course Corequisite: BIOL 1162 , RADT 1001, RADT 1004. A study of radiation concepts and principles including x-ray properties, basic x-ray equipment, principles of x-ray production, x-ray interactions, prime factors of exposure, exposure control systems, and technical factors that influence and control image production quality. The laboratory provides opportunities for demonstrations with phantoms and practice laboratories.

Practicum II Lec. 0 Lab. 12 Cr. 3 Prerequisite: A grade of " $C$ " or better in RADT 1001, RADT 1002, RADT 1004, MATH 1021. Corequisite: RADT 1006, RADT 1007. Clinical performance of basic skills in radiology with emphasis on preparation of the patient, room, and equipment for fluoroscopic, mobile, surgical, emergency/trauma and general radiographic procedures.

Production II Lec. 2 Lab. 3 Cr. 3 Prerequisite: A grade of " $C$ " or better in RADT 1002, BIOL 1162, RADT 1004, ENGL 1002, MATH 1021. Corequisite: RADT 1005, RADT 1007. The comprehensive study of technical factors and variables that affect the photographic and geometric quality are analyzed. The focus is on methods of processing with related practical application; design and construction requirements for development, processing, and veiling. Practice in the radiographic laboratories provides competency building in sensitometric measurements and processor monitoring.

MATH 1021. Corequisite: RADT 1005, RADT 1006. A study of radiographic procedures with emphasis on quality (technical and positional accuracy) radiography of the head, thorax, pelvic girdle, and vertebral column. Provides a foundation in performance of mobile, surgical and trauma radiography, fluoroscopic and contrast media examinations. The skills are practiced with a phantom in the radiographic laboratory.
Radiobiology Lec. 2 Lab. 0 Cr. 2 Prerequisite: A grade of "C" or higher in RADT 1005, RADT 1006, RADT 1007, PSYC 2000, STAT 2011. Corequisite: RADT 1010. An indepth study of radiation protection safety practices and Radiobiology, including radiologic measurements, quantities, units, detection devices, radiation effects, dose limits and calculations, protective measures, equipment and shielding, federal and state regulations.

## Radiographic

Practicum I
Lec. 2 Lab. 0 Cr. 2
Pre or Corequisite: A grade of "C" or higher in RADT 1000, ENGL 1001, BIOL 1161, BIOL 1162. Corequisite: RADT 1001, RADT 1002, RADT 1024. Classroom experience designed to provide students with fundamental understanding of the radiological examination of the chest, abdomen, upper and lower extremities, and shoulder girdle.

## Radiographic

Practicum I Laboratory Lec. 0 Lab. 12 Cr. 3 Pre or Corequisite: A grade of "C" or higher in RADT 1000, ENGL 1001, BIOL 1161, BIOL 1162. Corequisite: RADT 1001, RADT 1002, RADT 1014. Clinical experiences with emphasis on operation of equipment, performance of darkroom and office procedures, patient care managem ent, application of radiation protection precautions, and general radiographic process, and evaluation. Skills practice with a phantom in the radiographic
laboratories and skills performance in the actual clinical setting are included.
Radiographic Special
Imaging Technology Lec. 3 Lab. 0 Cr. 3 Prerequisite: A grade of "C" or higher in PHYS 1001, RADT 1008, RADT 1010. Corequisite: RADT 2004, RADT 2007. A study of specialized imaging techniques and utilization of therapeutic equipment with emphasis on accessory devices, x-ray circuitry and rectification, image intensified fluoroscopy, body section radiography, macro radiography, mammography, digital imaging, thermography.

## Radiographic

Procedures II Lec. 2 Lab. 3 Cr. 3 Prerequisite: A grade of "C" or higher in PHYS 1001, RADT 1008, RADT 1010. Corequisite: RADT 2002, RADT 2007. An in-depth study of advanced imaging and radiological procedures involving of all body systems; basic pharmacology, venipuncture, advanced contrast media emanations, pelvimetry, mammography, computed tomography, scanograms, pediatric radiography, and foreign body localization. Laboratory sessions provide for use of computerized programs and model reviews.

## Advanced Radiographic Procedures

and Imaging Modalities Lec. 2 Lab. 3 Cr. 3 Prerequisite: A grade of "C" or higher in RADT 1008, RADT 1010. Corequisite: RADT 2007. An in-depth study of advanced imaging and radiological procedures involving all body systems; basic pharmacology, venipuncture, advanced contrast media examinations, scanograms, pediatric radiography, geriatric radiography, and foreign body localization. A study of specialized imaging techniques and utilization of the rapeutic equipment with em phasis on accessory devices, image intensifies fluoroscopy, body section radiography, macroradiography, mammography, digital imaging, computed tomography, thermography. Laboratory sessions provide for use of computerized programs and model reviews.
Radiographic
Practicum IV Lec. 0 Lab. 20 Cr. 5 Prerequisite: A grade of " $C$ " or higher in RADT 1008, RADT 1010. Corequisite: RADT 2005. The laboratory and clinical practice in the application of general radiographic procedures, including emergency/trauma, mobile, surgical, fluoroscopic procedures, contrast media, angiography, cardiac catheterization, CT and MRI. Includes skills practiced with phantom in the
radiographic laboratories, and skills performance in the actual clinical setting with emphasis on special imaging modalities.
Radiographic Pathology Lec. 2 Lab. 0 Cr. 2
Prerequisite: A grade of "C" or higher in RADT 2005, RADT 2007. Corequisite: RADT 2012, RADT 2032. A study of disease processes and their radiographic manifestations. Emphasis on radiographic anatomy, physiology, pathology, and evaluation of radiographic quality with related exposure considerations.

## Radiographic

Practicum V Lec. 0 Lab. 24 Cr. 6
Prerequisite: A grade of "C" or better in RADT 2005, RADT 2007. Corequisite: RADT 2010, RADT 2032. The clinical practice in the integration and application of all clinical skills including production of diagnostic radiographs, patient management, and performance of radiographic procedures with proficiency, and use of independent judgement. Students are provided opportunities to demonstrate radiation safety practices, effective communication, performance of radiological procedures utilizing appropriate supplies and accessory devices. Rotations will be provided in radiation oncology, nuclear medicine, and ultrasound.
Radiographic Seminar Lec. 2 Lab. 0 Cr. 2
Prerequisite: A grade of " $C$ " or better in RADT 2005, RADT 2007. Corequisite: RADT 2010, RADT 2012. A course which permits selected study of topics related to the professional practice of radiologic technology and review materials in preparation for the American Registry of Radiological Technologists examination.

## Reading (READ)

## 0003 Developmental

Reading I
Lec. 3 Lab. 0 Cr. 3
For students whose standardized test (NelsonDenny Reading) indicates a grade equivalent of 8.9 or below. Not for degree credit. Intense work with functional reading skills including word recognition, comprehension, structural analysis, phonetic analysis. PASS/NO CREDIT.

## Developmental

Reading II Lec. 3 Lab. 0 Cr. 3 Prerequisite Developmental Reading I or placement on standardized reading test (NelsonDenny) of grade equivalent of at least 9.0 but less than 12.0. Not for degree credit. Intensive work with comprehension and vocabulary. PASS/NO CREDIT.

## Religion (RELG)

- Introduction
to Religion Introduction to the study of religion as an academic discipline, including ways of being religious; religious experience; function of religious scriptures, beliefs, and rituals; nature of religious stories; role of religion in society and for individuals.

## $\checkmark$ Introduction to

New Testament
Lec. 3 Lab. 0 Cr. 3 Introduction to the history, religion, and literature of early Christianity from about 30-150 CE, with emphasis on writings of the New Testament. The course will focus on the way Christianity arose out of the Jewish religion and the way it spread in the Greco-Roman world. The course also introduces students to modern methods of critical analysis and interpretation in New Testament scholarship.

## $\checkmark$ World Religion <br> Lec. 3 Lab. 0 Cr. 3

Survey of Western religions, including Judaism, Christianity, and Islam; and Eastern religions, including Hinduism, Buddhism, and the religions of China and Japan. The course will also include discussion of oral religions and alternative paths. Religion Study Tour (Travel Course) Cr. 3 Travel to selected sites of religious interest. Course includes pre- and post-tour lectures, reading assignments, discussions; and post-tour writing assignment.

## A Study of

the Holocaust
Lec. 3 Lab. 0 Cr. 3
An introduction to the Holocaust that examines its history and process of its development and implementation, and its meaning and implications for the $21^{\text {st }}$ century.
American Judaism
Lec. 3 Lab. 0 Cr. 3
An examination of the many factors, which have helped to shape the American Jewish experience (from Biblical beginnings to the present day).

An examination of the Biblical prophets, their historical contexts, their messages, and their relevance for the $21^{\text {st }}$ century.

## Seminar in Women

and Religion
Lec. 3 Lab. 0 Cr. 3
The role of women in religion from its beginning to the present. This course will examine ways in which religion has endorsed the exclusion of women from full participation in both sacred and secular power, as well as the ways in which women have broken through institutional barriers.

## History of Christian Thought

to the $16^{\text {th }}$ Century Lec. 3 Lab. 0 Cr. 3 Prerequisites: English 1001 and 1002. A study of the development of Christian thought from the first century until the Reformation. This course will consider institutionalization of the Christian church and the development of Christian thought. The course will also explore political and cultural influence on major writers of the era.
The History of

## Ancient Israel

Lec. 3 Lab 0 Cr. 3 An examination of the origins and development of ancient Israel and the implications for an understanding of current events.

Thought Lec. 3 Lab. 0 Cr. 3 Major Theologians and theological movements of the $20^{\text {th }}$ century including neo-orthodox theology as well as liberation, Latin American, African American, and feminist theologies.

## Studies in Literature

and Religion
Lec. 3 Lab. 0 Cr. 3
May be taken for a maximum of 6 hours of credit when topics vary. Analysis of literature from religious perspectives. Representative topics include religious thought and contemporary literature, American Literature, or Southern Literature; Major novels and religious thought; or specific authors such as Flannery O'Connor, John Updike or Toni Morrison.

## Social Work (SOWK)

## Introduction to

Social Work Lec. 3 Lab. 0 Cr. 3
An introduction to and overview of the profession of social work. An examination of the value, knowledge, and skill bases of social work from a generalist perspective. Overview of general systems theory. Human diversity in social work practice.

## Social Work as

a Social Institution Lec. 3 Lab. 0 Cr. 3 This course will describe the historical background of approaches to social welfare in Europe and the United States. The student will be introduced to the more important contemporary programs in the United States and the major policy issues of concern to the profession of social work from a historical perspective.
Dynamics of
Family Violence
Lec. 3 Lab. 0 Cr. 3 Also offered as SOCL 2092. The study of family
violence including child, spouse and elderly abuse and their impact on society.

## Aging in

American Society Lec. 3 Lab. 0 Cr. 3 Also offered as SOCL 2093. A survey of social and cultural aspects of aging with particular emphasis upon American Society and the problems encountered by older persons.

Deviance
Lec. 3 Lab. 0 Cr. 3
An introduction of the study of deviance in American society, its implications, functions, and dysfunctions.
Introduction to
Women's Studies
Lec. 3 Lab. 0 Cr. 3
An introduction to women's issues including the examination of social, political, and economic organization of society.
Contemporary Society Lec. 3 Lab. 0 Cr. 3 Also offered as SOCL 4531. Social, demographic, psychological, cultural, and health factors related to the aging process in contemporary society.

## Sociology (SOCL)

$\checkmark$ Introductory
Sociology Lec. 3 Lab. 0 Cr. 3
A survey of major subject areas and principles of sociology.
Selected Topics in
Sociology Lec. 3 Lab. 0 Cr. 3 May be taken for credit twice if topics vary.
Dynamics of Family
Violence
Lec. 3 Lab. 0 Cr. 3
Also offered as SOW K 2092. The study of family violence including child, spouse and elderly abuse and their impact on society.
Aging in
American Society Lec. 3 Lab. 0 Cr. 3 Also offered as SOWK 2093. A survey of social and cultural aspects of aging with particular emphasis upon American society and the problems encountered by older persons.

## - Current Social

Problems Lec. 3 Lab. 0 Cr. 3 Contemporary social problems and their consequences for mankind, with specialemphasis on the American society.

## 2505 Marriage and Family

## Relationships

Lec. 3 Lab. 0 Cr. 3
Current issues and trends in marriage and family relationships.
3501 Sociology of Deviance Lec. 3 Lab. 0 Cr. 3
Sociological theories of deviant behavior; supporting research on mental illness, crime, sexual deviance, drug abuse, and suicide.

3605
Collective Behavior Lec. 3 Lab. 0 Cr. 3
Sociological analysis of noninstitutionalized group behaviors: crowds, public, panics, fads, hostile outbursts and social movements.
The Family
Lec. 3 Lab. 0 Cr. 3
The family as a social institution.
4461

4531
Crime, the criminal justice system and penology. The Aged in
Contemporary Society Lec. 3 Lab. 0 Cr. 3 Also offered as SOWK 4531. Social, demographic, psychological, cultural, and health factors related to the aging process in contemporary society.

## Spanish (SPAN)

See note on foreign language placement and credit policy above the listings of French courses.

## 1000 Survival Spanish for

Criminal Justice Lec. 1 Lab. 0 Cr. 1
Basic one-way communication of phrases, commands and questions utilized in law enforcement.
1001 Elementary Spanish I Lec. 4 Lab. 0 Cr. 4 Basic lexicon and structures of Spanish. Emphasis on communicative language use.

- Elementary Spanish II Lec. 4 Lab. 0 Cr. 4

Prerequisite: completion/credit of SPAN 1001. Basic lexicon and structures of Spanish. Emphasis on communicative language use.
1030 Spanish Study Tour I (Travel Course) Cr. 1
Travel to selected sites of Spanish cultural and historical significance; pre-tour lectures, activities, discussions, assigned readings and post-tour essay. This course may be used as general elective credit only and may be repeated for up to two hours credit when sites and topics change. Students may not exceed two hours credit in any combination of 1030 Travel Courses. This course may not be taken concurrently with SPAN 2030.

## $\checkmark$ Readings in

Spanish Literature Lec. 3 Lab. 0 Cr. 3 Prerequisite: completion/credit of SPAN 2102. Interpretative reading of Spanish texts; development of competency in written Spanish.

## Special Education (SPED)

2701 Vocational and Transition

## Services for Students

with Disabilities Lec. 3 Lab. 0 Cr. 3 Prerequisite: EDCI 2700 or consent of the instructor. This course is designed to provide methods of assessing vocational progress for mild/moderate learners. Emphasis is also on job try-outs and managing appropriate behaviors.

## Assessment and Evaluation

of Exceptional Learners Lec. 3 Lab. 0 Cr. 3 Prerequisite: EDCI 2700 or consent of the instructor. This course is designed to provide knowledge and skills for the utilization of intelligence, achievement and other tests for assessing and evaluating children with disabilities. Field experiences are required.

## Methods and Materials for

Mild/Moderate Learners Lec. 3 Lab. 2 Cr. 3 Prerequisite: EDCI 2700 or consent of instructor. This course is designed to provide knowledge and skills for the utilization of appropriate strategies and materials for children with learning and
Spanish Study Tour II (Travel Course) Cr. 3
Travel to selected sites of Spanish cultural and historical significance; pre-tour lectures, activities, discussions, assigned readings and post-tour essay. This course may be used as general elective credit only and may be repeated for up to six hours credit when sites and topics change. This course may not be taken concurrently with SPAN 1030.

## - Intermediate

Spanish I
Lec. 3 Lab. 0 Cr. 3 Prerequisite: completion/credit of SPAN 1002. Continuation of Elementary Spanish; structures and lexicon of Spanish. Additional emphasis on reading and writing. Supplementary work in language laboratory.

- Intermediate

Spanish II Lec. 3 Lab. 0 Cr. 3 Prerequisite: completion/credit of SPAN 2101. Continuation of Elementary Spanish; structures and lexicon of Spanish. Additional emphasis on reading and writing. Supplementary work in language laboratory.
behavior problems. Field experiences with children with mild/moderate disabilities are required.

## Behavioral Management of

Students with Mild/Moderate
Disabilities Lec. 3 Lab. 1 Cr. 3 Prerequisite: EDCI 2700 or consent of the instructor. This course emphasizes the application of behavior modification principles, techniques, and strategies in the classroom setting. Field experiences are required.
Practicum in Assessment
and Evaluation of
Exceptional Learners Lec. 1 Lab. 4 Cr. 3 Prerequisite: SPED 3701. Practicum for SPED 3701. This course is designed to provide 56 clock hours in administration, scoring and interpretation of norm-referenced and criterion-referenced tests, including the development of individualized intervention plans (IEP, ITP). Field experiences are required.

## Statistics (STAT)

$\leftrightarrow$ General Statistics Lec. 3 Lab. 0 Cr. 3 (Also offered as MATH 2011 and PSYC 2011) Prerequisite: A grade of "C" or better in MATH 1021 or consent of the Department of Mathematics and Physical Sciences. Graphical display of data, descriptive statistics, probability, the normal distribution, standard scores, confidence intervals and hypothesis testing based on one sample, regression, and correlation.
Statistical Methods Lec. 3 Lab. 0 Cr. 3
(Also offered as MATH 3012 and PSYC 3012) Prerequisite: A grade of "C" or better in MATH/STAT/PSYC 2011. Math majors may not take as a Math elective, but may take as a free elective. A continuation of MATH/STAT/PSYC 2011. Descriptive statistics, confidence intervals and hypothesis testing based on one or more samples, various Chi-Square tests, regression, one-way analysis of variance (ANOVA), and nonparametric statistics.

## Study Skills (STSK)

College Study Skills Lec. 3 Lab. 0 Cr. 3 Provides students with information, methods and skills needed for satisfactory performance in college course work. Designed to include specific study techniques such as time management, concentration, note taking, comprehension and retention of learning, use of new technology and
preparing for and taking examinations. Will also include career development activities. Credit for this course may not be used to fulfill degree requirements. PASS/NO CREDIT.

## Theatre (THTR)

1020 - Introduction
to Theatre
Lec. 3 Lab. 0 Cr. 3
A survey of the history and arts of the theatre; attendance of local theatrical productions usually required.
Acting Lec. 3 Lab. 0 Cr. 3
Exploration through theatre exercises, movement training, monologues, and scene work of the actor's problems of intention, physical and vocal expression of emotion, and concentration.
Movement for the Actor Lec. 2 Lab. 2 Cr. 3
Beginning stage movement for the actor, including flexibility, realignment, spatial awareness, gesture and body composition, and physical characterization.

Introduction to
Play Production Lec. 3 Lab. 0 Cr. 3
Acting, directing, staging, lighting, costuming, and other aspects of producing a play. Concurrent registration in THTR 2026 is required.
2023 Stage Makeup Lec. 1 Lab. 2 Cr. 1
An exploration of the fundamentals of straight and character makeup; practical experience in the design and application of stage makeup.
$\checkmark$ Acting II Lec. 3 Lab. 0 Cr. 3
Prerequisite: Grade of C or better in THTR 1025 or equivalent, or permission of instructor. Advanced scene study from modern and contem porary theatrical works. Exploration of the principles involved in a workable theory of acting and their application through development of technical skill.
Theatre Practicum Lec. 0 Lab. 1 Cr. 1
Prerequisite: Consent of instructor. Participation in play performance and/or production. May be taken three times, for a maximum of three semester hours credit.

Stage Voice:
Basic Techniques Lec. 3 Lab. 0 Cr. 3 Prerequisite: CMST 1050. Development of the actor's voice through physical awareness, breath release, phonation, resonance, and articulation to meet theatre performance standards.

## - Introduction to

Dramatic Form
Lec. 3 Lab. 0 Cr. 3
Comedy, tragedy, and melodrama through a study of representative plays.
Theatre Study Tour (Travel Course) Cr. 3
Travel to a major center(s) of professional theatre activity and attendance of selected productions. Course also includes pre- and post-tour lectures and discussions, assigned readings, and writing reviews and reports. This course may be used as an elective only and may be repeated for up to six hours credit when destinations and/or productions change.

## Summer Performance

Lab oratory
Lec. 0 Lab. 3 Cr. 1
Prerequisite: Consent of instructor. Participation as a performer in the LSUA Summer Theatre production(s). May be taken four times, for a maximum of four semester hours credit.

## Summer Production

Laboratory Lec. 0 Lab. 3 Cr. 1
Prerequisite: Consent of instructor. Participation in building/gathering assignments in advance of the LSUA Summer Theatre production(s) or as a member of a running crew. May be taken four times, for a maximum of four semester hours credit.

Lec. 3 Lab. 0 Cr. 3
(Also offered as CMST 2145) Oral performance of literature by a group: adaptation of materials, presentation skills, and staging techniques. (Credit will not be given for both CMST 2145 and THTR 2145)
American Musical
Theatre Lec. 3 Lab. 0 Cr. 3
(Also offered as MUSI 3020.) Development of the American Musical in its cultural, theatrical, and social contexts from its beginning to the present day; elements of musical theatre focusing on the works of composers, lyricists, designers, directors, choreographers, and performers.
Fundamentals of
Theatre Technology Lec. 3 Lab. 0 Cr. 3 Corequisite: Concurrent enrollment in THTR 2026. This introductory course is intended to develop skill in basic stagecraft and theatre production.
Advanced Acting Lec. 3 Lab. $0 \quad$ Cr. 3 Prerequisite: THTR 2025. Advanced study of characterization and scene work.
lopment of Theatre
and Drama III
Lec. 3 Lab. 0 Cr. 3 Historical survey of the development of theatre and drama from the late $19^{\text {th }}$ Century to the present day.
Beginning Playwriting Lec. 3 Lab. 0 Cr. 3 Prerequisite: THTR 1020. Also offered as ENGL 4008. Guided practice in beginning playwriting. Credit will not be given for both THTR 4008 and ENGL 4008.

Lec. 3 Lab. 0 Cr. 3
Prerequisite: THTR 2022, 2025, and 2028; or equivalent. Director's problems of script analysis, characterization, and scene visualization.
and Drama I Lec. 3 Lab. $0 \quad$ Cr. 3 Historical survey of the development of theatre and drama from ancient Greece through the early Renaissance.
3122 Development of Theatre
and Drama II Lec. 3 Lab. 0 Cr. 3
Historical survey of the development of theatre and drama from the Renaissance through the late $19^{\text {th }}$ Century. characterization, and scene visualization.

Prerequisite: THTR 3025. Fundamental techniques of acting in period styles; acting styles required by plays for the Greek, Neoclassical, Elizabethan, $18^{\text {th }}$ Century, $19^{\text {th }}$ Century, and modern periods.
4132 Senior Project
Lec. 3 Lab. 0 Cr. 3
Prerequisite: Senior standing and completion of at least 12 hours of course work in theatre in courses numbered 3000 or above. Required for all seniors who are majoring or concentrating in theatre. Application of the knowledge and skills they have learned in their respective areas (design/technology, acting/directing, or theatre history/literature).

## University Studies (USTY)

1001 University Studies Lec. 1 Lab. 0 Cr. 1 This course will focus on introducing the student to campus life and university culture, addressing study skills necessary for college success, and beginning the exploration of career development.

## ADMINISTRATORS, FACULTY AND PROFESSIONAL STAFF

Aaron, Belinda, Director of Budget and Risk Management/Safety; B.S., Texas A\&M University; M.B.A., University of Phoenix, Baton Rouge campus

Aggarwal, Khem, Professor of Mathematics; B.A., M.A., Ph.D., Punjab Agricultural University (India)
Allen, Douglas, Professor of Biology; B.S., M.S., Auburn University; Ph.D., Ohio State University
Andress, Gwen, Financial Aid Counselor and VA Coordinator; B.S., Northwestern State University (LA)
Andries, Cathy, Program Specialist; B.S., Louisiana College
Ardoin, Rebecca, Associate II; Children's Center
Armstrong, Thomas F., Provost and Vice Chancellor
for Academic and Student Affairs and Professor of History; B.A., M.A., University of Colorado; Ph.D., University of Virginia
Arnold, Robin, Professional Advisor; B.S., M.A. Northwestern State University (LA);
Awtry, Thomas, Chair, Department of Mathematics and Physical Sciences and Professor of Mathematics; B.S., Louisiana State University at Shreveport; M.S., Ph.D., Louisiana State University
Beard, Elizabeth, Instructor of English, B.A., Spring Hill College; M.A., Louisiana State University
Beck, Elaine, Instructor of Education; B.S., Northwestern State University (LA), M.Ed., Baylor University
Bilotta, Warren, Assistant Professor of Economics; B.S., University of Florida; Ph.D., Georgia State University
Blackwell, Alice, Assistant Professor of English; B.A., Carleton College; M.A., Ph.D., University of North Carolina at Chapel Hill
Bordelon, Angela, Assistant Professor of Nursing; A.D.N., Louisiana State University at Alexandria; B.S., M.S., Northwestern State University (LA)

Bordelon, Angela M., Financial Aid Counselor and Work-Study Coordinator; A.S., B.G.S., Louisiana State University at Alexandria

Bovey, Seth, Professor of English; B.S., M.A., Texas A\&M University; Ph.D., University of New Mexico
Burns, Betty C., Executive Assistant to the Chancellor

Butler, Robin, Natural Sciences Laboratory Coordinator; B.S., M.S., University of Texas at EI Paso
Calbeck, William S., Associate Professor of Mathematics; B.S., Virginia Tech; M.A., Ph.D., University of W isconsin
Carr, Carol, Associate Professor of Nursing; B.S.N., University of Southern Mississippi-Hattiesburg; M.S.N., University of Alabama-Birmingham

Carroll, Idalia, Vocational Counselor; B.G.S., Louisiana College; M.A., Northwestern State University (LA)
Caruso, Kelly, Financial Aid Counselor, B.S., Louisiana State University; M.S., Mississippi State University
Cavanaugh, Robert, Chancellor and Professor of Health and Physical Education; B.S., M.S., Ph.D., Louisiana State University
Chaka, Gezahegn, Assistant Professor of Chemistry; B.S., Asmara University, Ethopia; M.S., Addis Ababa University, Ethiopia; Ph.D., Wayne State University
Clark, Dixie, Chair, Department of Business Administration and Professor of Accounting; B.B.A., M.B.A., Stephen F. Austin University; D.B.A., Louisiana Tech University
Conley, David Rick, Assistant Professor of Management and Marketing; B.S., M.B.A., Ohio State University
Corbat, Carol, Director of Institutional Research and Effectiveness and Professor of Biology; B.S., Purdue University; M.S., Pennsylvania State University; Ph.D., University of Georgia
Cox, Robert, Director of Technical Services; B.A., King College; B.S., Louisiana State University
Crook, Reed, Assistant Professor of Biology; B.S., Brigham Young University; M.S., Ph.D., University of Georgia
Delaney, Angie, Associate II; Children's Center
Deshotels, Darlene, Assistant Professor of Nursing; B.S.N.,University of Southwestern Louisiana; M.S.N., Northwestern State University (LA)
deVille, Roy V., Jr., Professor of Fine Arts and Director of University Art Gallery; B.A., M.A., Northwestern State University (LA)
Doucet, Julien, Assistant Professor of Mathematics; B.S., M.S., University of New Orleans; M.S., Ph.D., Tulane University
Douzart, Elizabeth, PASS-PORT, Assessment, and Technology Coordinator; A.A., Louisiana State University at Alexandria, B.S., Louisiana State University; M.Ed., Northwestern State University (LA)

Duke, Genet, Assistant Professor of Geology; B.A., M.S., Dartmouth College; Ph.D., South Dakota School of Mines and Technology
Dyson, Audrey, Associate II, Children's Center
Elder, Elisabeth, Professor of Biology; B.S., Southern
Methodist University; M.S., Stephen F. Austin State University; Ph.D., Texas A\&M University
Elder, Richard, Assistant Professor of Psychology;
B.S., M.S., Fort Hays State University; Ph.D., Kansas State University
Ellington, Brenda, Assistant Professor of Reading; B.A., Louisiana Tech; M.Ed., University of Southwestern Louisiana
Elm ore, Kimberly, Instructor of English; B.A., Virginia Polytechnic Institute and State University; M.A., University of Alabama in Huntsville
Elmore, Owen, Assistant Professor of English; B.A., Athens State University; M.A., University of Alabama; Ph.D., Auburn University
Fontenot, Charles, Network Administrator; A.S., Louisiana State University at Alexandria, B.G.S., Louisiana State University
Ford, Monica, Applications and Database Analyst; B.S., Louisiana State University; B.S., Northwestern State University (LA).
Fox, Dorene, Coordinator of Title III Programs and Director of the Advising Center and Professor of Mathematics; B.S., Rockford College; M.S., Ph.D., University of Southwestern Louisiana
Franklin, Sandra, Instructor of Health Sciences-Rad Tech; B.S., Northeast Louisiana University
Franks, Patricia, Associate Professor of Nursing; B.S.N., M.S.N., Northwestern State University (LA)

Fry, Barbara, Instructor of English/Reading; A.G.S., Northwestern State University (LA); B.G.S., M.A., University of Louisiana at Monroe
Gallagher, Bernard, Professor of English; B.A., M.A., University of Montana; Ph.D., State University of New York, Binghamton
Gaspard, Rusty, Assistant Librarian; B.A., Louisiana College; M.L.I.S., Louisiana State University
Gauthier, Chad, Allied Health/Nursing Lab Coordinator, A.D.N., Louisiana State University at Alexandria

Gill, Julie, Assistant Professor of Kinesiology; B.A., Louisiana College; M.Ed., Northeast Louisiana University
Golemon, Clarence, Professor of Education and Director of Student Teaching; B.S., M.S., Ph.D., Louisiana State University

Gormanous, Greg, Chair, Department of Behavioral and Social Sciences and Professor of Psychology; B.A., Louisiana College; M.S., Northwestern State University; Ph.D., University of Southern Mississippi
Green, Cynthia, Professional Advisor; B.S., Louisiana College; M.S., North Texas State University
Guidroz, Lara, Instructor of Mathematics; B.S., McNeese State University; M.Ap.St., Louisiana State University
Guillory, Geraldine, Associate Professor of Nursing; B.S.N., M.S.N., Northwestern State University (LA)

Guillory, Janice, Associate Professor of Education; B.S., M.Ed., Ed.S., Louisiana State University

Guillory, June, Assistant to the Director of Institutional Research and Effectiveness; B.S., Northwestern State University (LA)
Gunn, Katherine, Coordinator of Media Relations; B.A., Louisiana State University
Gupta, Renu, Associate Professor of Mathematics; B.S., PAU, India; M.S.T, University of Wisconsin; Ed.S., Northwestern State University(LA)
Gwartney, Richard, Executive Director of LSUA Downtown and Associate Professor of Theatre and Communication Studies; B.F.A., University of Tulsa; M.A. University of Oklahoma

Hale, Amy, Instructor of Mathematics; B.S., Louisiana College; M.Ed., Northwestern State University (LA)
Halpin, Eamon, Interim Chair, Department of Arts, English and Humanities and Professor of English; B.A., M.A., University College-Dublin, Ireland; Ph.D., Louisiana State University
Hayes, Katie, Associate II, Children's Center; B.S., Grambling State University
Haynes, Sue, Associate Professor of Nursing; B.S.N., M.S.N., Northwestern State University (LA)

Henry, Alan, PC Support Specialist
Herring, Sheryl, Assistant Professor of Health Sciences; B.S. Northeast Louisiana University; M.S., Central Michigan University
Herrington, Kim, Associate Professor of Nursing; B.S.N., Mississippi University for Women; M.S.N., University of Mississippi Medical Center
Herrington, Larry, Professor of Mathematics; B.S., M.S., Northwe stern State University (LA); Ph.D., University of Arkansas-Fayette ville
Hickman, Linda, Assistant Professor of Nursing; A.D.N., Louisiana State University at Alexandria; B.S.N., M.S.N., Northwestern State University (LA)

Hines, Bonnie, Associate Librarian; B.A., Northwestern
State University (LA); M.L.S., Louisiana State University; Ed.D., Northwestern State University (LA)

Huey, David, Interim Chair, Department of Biological Sciences and Professor of Biology; B.S.,University of Tennessee, Martin; M.S., University of Memphis; Ph.D., North Texas State University

Jackson, Elizabeth, Assistant Professor of Nursing; A.D.N., Louisiana State University at Alexandria; B.S.N., M.S.N., Northwestern State University (LA)

Jackson, Steven, Associate Professor of English; B.A., M.A., University of Central Arkansas; Ph.D., University of Southwestern Louisiana

Jeane, Nelda, Associate Professor of Nursing; B.S.N., Northeast Louisiana University; M.S.N., University of Texas at Arlington
Johnston, Callum, Associate Professor of Early Childhood Education; B.S., College of Charleston; M.Ed., College of Charleston; Ph.D, Florida State University
Joiner, Haywood, Jr., Chair of Allied Health and Associate Professor of Allied Health; B.A., Grambling; M.Ed. Northwestern State University (LA)
Jones, Ginger, Associate Professor of English; B.A., Quincy University; M.A., Ph.D., University of Missouri at Columbia

Karam, Robert, Executive Director for Facility Services; B.S., Louisiana State University

Kelly, Charles, Assistant Professor of Criminal Justice;
B.C.J., Loyola University; M.S., University of Alabama; Ph.D., University of Southern Mississippi
Kelly, Kathryn, Assistant Professor of Psychology; B.A., M.A., Ph.D., Louisiana Tech University

Kieffer, Shelly, Recruiter/Admissions Counselor; A.A, Louisiana State University at Alexandria; B.A. Louisiana State University
LaBorde, Melissa, Director of Institutional Advancement; B.A., M.A., Northeast Louisiana University
LaCaze, Donna, Instructor of Education; B.A., Northeast Louisiana University; M.Ed., Ed.S., McNeese State University
Lacombe, Tammy, Assistant Professor of Nursing;
A.D.N., Louisiana State University at Alexandria; B.S.N., Northwestern State University (LA); M.S.N., University of Phoenix
Lary, Dorothy, Chair, Department of Nursing and
Associate Professor of Nursing; B.S.N., M.S.N., Northwestern State University (LA)

LeJeune, Adena, Assistant Professor of Accounting; B.S., M.P.A., Louisiana Tech University

Litton, Freddie, Professor of Education; B.S., M.Ed., Northwestern State University (LA); Ed.D., University of Northern Colorado
Manuel, Patricia, Assistant to the Director of Accounting
Services; A.S., Louisiana State University at Alexandria; B.S., Louisiana State University
Marivani, Syrous, Associate Professor of Mathematics; B.A., Williams College; M.S., Texas A\&I University, Kingsville; Ph.D., University of Texas
Martin, Carol, Instructor of Business Applications and Coordinator of Student Computer Competency; B.S. University of Alabama; M.S. University of Kentucky
McCampbell, Mary, Coordinator of Grant Development; B.A., Louisiana State University

McCauley, Kimberly, Instructor of Mathematics; B.S.E., University of Central Arkansas; M.S., McNeese State University
McGraw, G. Wayne, Professor of Chemistry; B.S., Ouachita Baptist University; Ph.D., Florida State University
Melton, Tanya, Assistant Professor of Mathematics;
M.E., Angel Kanchev University of Rousse, Bulgaria; M.S., Ph.D., University of Louisiana at Lafayette

Moreau, Tamra, Director of Continuing Education; B.A. Louisiana Tech University
Nangia, Shonu, Assistant Professor of Foreign Languages; B.A., M.A., Jawaharial Nehru University, India; Ph.D., Wayne State University
Nass if, Dusty, Assistant Professor of Health Sciences; B.S. Northeast Louisiana University; Pharm. D. University of Arkansas for Medical Science
Negatu, Zeleke, Assistant Professor of Biology; B.S., M.S., Addis Ababa University, Ethiopia; Ph.D., Louisiana State University
O'Donnell, Doran, Assistant Professor of Communication Studies; B.A., University of Colorado, Colorado Springs; M.A., University of Cincinnati; Ph.D., University of Southern Mississippi

Ordes, Kerry, Assistant Professor of Political Science; B.G.S., M.A., Ph.D., University of New Orleans

Ortigo, Margaret, Associate Professor of Sociology; B.A., M.A., Northwestern State University (LA)

Parks, Melissa, Assistant Professor of Kinesiology; B.S., M.Ed., McNeese State University; Ph.D., Louisiana State University
Parvez, Sultan, Associate Professor of Physics; B. S., M.S., Jahangirnagar University, M.S., Ph.D., Southern Illinois University at Carbondale

Perkins, Bobbie, Assistant Professor of Nursing;
B.S.N., Louisiana College; M.S.N., Northwestern State University (LA)

Posey, Kenn, Director, Financial Aid and Scholarships; B.A., M.Ed., Northwestern State University (LA)

Purifoy, Sandra, Instructor of Biology; B.S., Louisiana College; M.S., Louisiana Tech University
Purvis, Dan, Student Activities/Intramural Coordinator; A.A., Jones County Junior College; B.S., Belhaven College; M.Ed., Delta State University
Quinn, Leslie, Registrar and Director of Enrollment Services; B.A., University of Arkansas, Fayetteville; M.A., Northeast Louisiana University

Rabalais, Brandi, Recruiter/Admissions Counselor; B.L.S., Louisiana State University at Alexandria

Radonovich, Nancy, Assistant Librarian; B.S., Carlow College; M.L.S., North Carolina Central University
Rankin, Arthur, Assistant Professor of English; B.A., University of Texas, Austin; M.A., Southwest Texas State University; Ph.D., Texas Tech University
Richerson, Susan, Assistant Director and Associate II, Children's Center; A.D., Louisiana State University at Alexandria
Roberts, Frances, Director of Auxiliary Services; B.G.S., Southeastern Louisiana University

Robertson, Henry O., Jr., Associate Professor of GeographylHistory; B.A., Randolph-Macon College; M.A., Ph.D., Louisiana State University

Robinson, Catherine, Instructor of Allied Health; B.S., University of Southern Mississippi; M.S., Central Michigan University

Rogers, James L., II, Assistant Professor of History; B.A., M.A., University of Louisiana at Monroe; Ph.D., University of Tennessee, Knoxville
Rolfes, Fred, Instructor of Mathematics; A.B., Princeton
University; M.A., University of California at Los Angeles; M.S., University of Southwestern Louisiana; M.A., University of Texas at Austin
Rollins, Debra, Assistant Librarian; B.A., Centenary College; M.L.I.S., Louisiana State University
Roy, Samantha, Associate II, Children's Center
Rundell, Judith, Professor of Education and Chair, Department of Education; B.A., Louisiana Tech University; M.A., University of Texas at Austin; Ed.D., Northwestern State University (LA)

Sanchez, Melissa, Instructor of Radiologic Technology;
B.S., McNeese State University

Sanson, Jerry, Professor of History and Political Science; B.A., Louisiana College; M.A., Ph.D., Louisiana State University

Saunders, Betty, Assistant Director of Student Aid and Scholarships; A.S., Louisiana State University at Alexandria, B.G.S. Louisiana State University
Seymour, Teresa, Director of Educational Technology; B.S., M.A., Louisiana Tech University

Shook, Rhonda, Interim Director of Theatre and Assistant Professor of Communication Studies and Theatre; B.A., University of the Ozarks; M.A., Arkansas Tech University; Ph.D., Southern Illinois University at Carbondale
Simmons, Jeremy, Assistant Professor of Fine Arts, B.S.Ed., B.F.A., Emporia State University; M.F.A., Indiana University
Singh, Saurabh, Educational Technology Specialist; B.A., Louisiana State University, M.Ed., Louisiana State University in Shreveport
Slavant, Dee, Director of Student Services; B.S., The University of Tulsa; M.Ed., Ph.D., Louisiana State University
Smith, Debra, Assistant Professor of Nursing; A.S., San Jacinto College; B.S.N., M.S.N., Northwestern State University (LA)

Spurlin, Warren, Instructor of Health Sciences; B.S., University of Louisiana Monroe
Stacy, Jim, Associate Professor of Theatre and
Communication Studies; B.A., McNeese State University, M.A., Louisiana State University; Ph.D., New York University
Sullivan, Susan, Assistant Professor of Biology; B.S. Baldwin-W allace College; Ph. D. University of Georgia
Tate, Albert Jules, III, Director of Library Services and Associate Professor of Books and Libraries, B.A., St. Joseph Seminary, S.T.B.-M.A., Katholieke Universiteit te Leuven, M.S.L.S., Catholic University of America

Thaxton, Deron, Executive Director of Information and Educational Technology Services; A.S., B.S., Northwestern State University (LA)
Treuting, Mary, Professor of Psychology; B.A., M.A., Ph.D., Louisiana State University
Trotter, James, Golf Course Manager and Campus Beautification Coordinator; B.S., Louisiana State University

Vanderslice, Stephen, Professor of English and Philosophy; B.A., M.A., Ph.D., University of Dallas
Villarreal, Karen, Assistant Professor of Mathematics;
B.S., Loyola University; M.S., Texas A\&M University; Ph.D., Tulane University

Voelker, Carolyn, Associate Professor of Nursing; B.S.N., Northeast Louisiana University; M.S.N., Northwestern State University (LA)
Wesse, David, Vice Chancellor for Finance and
Administrative Services; A.A., South Suburban College; B.S., Illinois State University; M.S., Loyola University of Chicago
Whittington, Beth, Assistant Professor of Criminal Justice; B.A., M.A., Northeast Louisiana University
Williams, Dessie, Assistant Professor of Study Skills and Coordinator of Multi-Cultural Affairs; B.S., Louisiana College; M.A., Northwestern State University (LA)
Williams, Larry, Director of Procurement Services and Property Management; B.S., M.S., Northwestern State University (LA)
Williamson, Randal, Director of Accounting Services and Bursar Operations and Assistant Business Officer; B.S., Northwestern State University (LA)
Wilson, Steven, Coordinator of Planning and
Assessment; B.A., Louisiana College; M.A., Ph.D., Texas Tech University

Wimmert, Kathryn, Personal Counselor; B.A., University of South Florida; M.A., Northwestern State University (LA)
Wooley, Lillian, LSUA Coordinator at the Learning Center for Rapides Parish; B.S., B.A., M.A., Northwestern State University (LA)
Wright, MichaeI, Instructor of Criminal Justice; A.A., Pensacola Jr. College; B.S., M.S., Florida State University
Yates, D onald, Assistant Professor of Computer Information Systems; B.S., Louisiana College; M.S., Louisiana Tech University
Younger, Vicki, PK-16+ and NCATE Co-Coordinator;
B.S., Louisiana State University; M.Ed., Northwestern State University (LA)

## FACULTY AND ADMINISTRATIVE EMERITI

## Barber, Patsy K.

Professor Emeritus of Business Administration
Beckerdite, Fred W.
Professor Emeritus of Biology

## Burns, Anna C.

Professor Emeritus of Books and Libraries

## Chandler, Percy R.

Professor Emeritus of Accounting, Marketing and Management

## Chasteen, Nina

Professor Emeritus of English

## Chen, Isaac

Professor Emeritus of Physics and Mathematics
DeLee, James
Professor Emeritus of Education

## Eakin, Sue L.

Professor Emeritus of History

## Firnberg, James W.,

Professor Emeritus of Education and Chancellor Emeritus

## Malone, W. Wayne

Professor Emeritus of Mathematics
Martin, Benjamin F.
Professor Emeritus of Biology and Chancellor Emeritus

## McSparrin, Bernard H.

Professor Emeritus of Biology

## Melebeck, Claude B.

Professor Emeritus of Speech

## Odom, Barbara W.

Professor Emeritus of Nursing
Smith, Hugh C.
Professor Emeritus of Biology

## Wells, Darthon V.

Professor Emeritus of Chemistry

## BOLTON AWARD FOR TEACHING EXCELLENCE

The Bolton Award for Teaching Excellence is presented annually to the full-time faculty member who, upon recommendation of a selection committee, best exemplifies the University commitment to teaching, service and professional development. Previous recipients are listed below.

David Huey . . . . . . . . . . . . . . . . . . . . . . . . . . 2005-06
Dorene Fox . . . . . . . . . . . . . . . . . . . . . . . . . . 2004-05
Not Awarded . . . . . . . . . . . . . . . . . . . . . . . . . 2003-04
Mary Treuting . . . . . . . . . . . . . . . . . . . . . . . . . . . 2002-03
Jerry Sanson . . . . . . . . . . . . . . . . . . . . . . . . . 2001-02
Glenn DiStefano . . . . . . . . . . . . . . . . . . . . . . . . . 2000-01
Claude Melebeck . . . . . . . . . . . . . . . . . . . . . . . . 1999-00
Brenda Cook .............................. 1998-99
Michael Collins ..... 1997-98
Dottye Morton ..... 1996-97
Walter Connell ..... 1995-96
Gloria Shelby ..... 1994-95
Marcia Armand ..... 1993-94
William Ellis Powell ..... 1992-93
James Gauthier ..... 1991-92
Wanda Guidry ..... 1990-91
Jerry Myrick ..... 1989-90
Wayne Malone ..... 1988-89
ENDOWED PROFESSORSHIPS
The University's endowed professorships and theirrecipients are as follows:
Bolton Endowed Professorship in Business
Administration
Not awarded at this time
The F. Hugh Coughlin Endowed Professorship Syrous Marivani ..... 2006-2008
The Frances Holt Freedman Endowed Professorshipin the History and Ethics of NursingHenry Robertson2006-2008
The Mark Eugene Howard Endowed Professorship in Liberal Arts (English)
Owen Elmore. ..... 2006-2008
The Huie-Dellmon Trust Endowed Professorship in Liberal Arts \& Sciences Ginger Jones ..... 2005-2007
The Huie-Dellmon Trust Endowed Professorship in ScienceElisabeth Elder2006-2008
The Jack and Sue Ellen Jackson Endowed Professorship in Education Melissa Parks ..... 2006-2008
The J. H. Johnson Endowed Professorship in Business Administration
Beth Whittington ..... 2005-2007
The Cliffe E. Laborde, Sr. Endowed Professorship inEducation
Julie Gill ..... 2005-2007
The Barbara M. Martin Endowed Professorship in NursingKim Herrington2005-2007
The Roy O. Martin Lumber Company Endowed Professorship in Nursing
Nelda Jeane ..... 2006-2008
The Roy and Vinita Martin Endowed Professorship in Math and Science
Not awarded at this time

The Howard M. and Eloise Ferris Mulder Endowed Professorship

Sultan Parvez
2006-2008
The Rapides Regional Medical Center Endowed Professorship in Radiologic Technology

Not awarded at this time

## FACULTY SENATE

| College of Arts and Sciences |  |
| :---: | :---: |
| Member at Large | Elisabeth Elder |
| Arts, English, and Humanities | Arthur Rankin |
| Behavioral and Social Sciences | Henry Robertson |

## CLASSIFIED STAFF

Abshire, Joyce, Administrative Coordinator 2
Allen, Charles, Police Officer I
Armand, Troy, Trades Apprentice
Aymond, Cecil, Maintenance Foreman
Bandy, Heather A., Administrative Coordinator 4; B.S., Louisiana College
Barton, Amy, Human Resource Analyst 2; A.S., Louisiana State University at Alexandria
Belgard, Steve, Maintenance Repairer 2
Belgard, Titus, Library Specialist 2
Birdlong, Vanessa, Custodian 2
Blood, Esther, Library Specialist
Blue, Otis, Custodian 2
Bowie, Barbara, Custodian 2
Bowie, Carla, Custodian 2
Bowie, Mary, Custodian 2
Bradford, Verna, Custodian 1
Busch, Shalonda, Custodian 2
Byrd, Natalie, Administrative Assistant 3
Clark, Jackie, Custodian 1
Cooley, Amy, Administrative Assistant 3
Cormier, Jessie, Maintenance Repairer 2

Cornell, Glenna, Information Technology Office
Specialist 1; A.S., Louisiana State University at Alexandria

Crooks, Karen Annette, Accounting Specialist 1
Dalton, Phyllis, Administrative Coordinator 4
Decuir, Debbie, Accounting Specialist 2
Dufour, Sandra, Administrative Program Specialist A
Edwards, Ray, Operating Engineer Superintendent
Eversull, Susan, Administrative Assistant 3; A.S.,
Louisiana State University at Alexandria, B.S., Louisiana State University.
Fontenot, Joe, Carpenter Master
Gauthier, Heather, Administrative Coordinator 3
Goree, Karen, Administrative Assistant 3; A.S., B.L.S.,
Louisiana State University at Alexandria
Green, Claudette, Custodian 2
Gremillion, Sandra, Administrative Assistant 3
Harvey, Callie, Administrative Coordinator 3
Hickman, Wanda, Administrative Coordinator 3
Hill, Gloria, Administrative Coordinator 2
Hoover, Richard, Mobile Equipment Operator 2
Hunter, Rachael, Administrative Assistant 3; A.S.,
Louisiana State University at Alexandria
James, LaMona, Administrative Assistant 3
Johnson, Gary, Laborer
Johnson, Steve, Custodian 2
Jones, Howard, Custodian Supervisor 2
Kirk, Kevin, Custodian 2
Lair, Dwayne, Mobile Equipment Operator 2
Lemoine, Mary, Procurement Specialist 2; A.S.,
Louisiana State University at Alexandria
Mayeux, Lisa, Administrative Assistant 3; A.A., B.G.S., Louisiana State University at Alexandria
McCann, Deborah, Administrative Assistant 3
McCollum, Beverly, Administrative Coordinator 3
McNeely, Arthur, Operating Engineer Leader
Milliner, Jodeen, Administrative Assistant 3
Mitchell, James, Mobile Equipment Operator 2
Monk, Jessie, Administrative Assistant 3; A.A.,
Louisiana State University at Alexandria
Norman, Karen, Administrative Assistant 5; B.S., Louisiana State University

Perkins, Tiffany, Human Resource Analyst 3
Phillips, Sadie, Administrative Coordinator 4
Poret, Keith, Police Officer 3
Posey, Kenneth C., Operating Engineer Leader
Powell, Gloria, Administrative Coordinator 2
Quinn, Charles, Maintenance Repairer 2
Reed, Beverly, Administrative Coordinator 3
Reed, Carla, Administrative Assistant 3
Robison, Rebecca, Administrative Coordinator 4
Sampson, Kevin, Maintenance Repairer 2
Saunders, Dale, Police Sergeant
Silas, Junetha, Accounting Specialist 2
Simmons, Clenard, Mobile Equipment Operator 2
Smith, Jennifer, Administrative Assistant 3
Smith, Linda, Administrative Assistant 3; A.S, Louisiana State University at Alexandria
Smith, Lisa, Accounting Technician; A.S., Louisiana State University at Alexandria
Sumbler, Brenda, Custodian 2
Tam, Nikki, Administrative Coordinator 2
Tanner, Laurie, Administrative Assistant 5; A.S., Louisiana State University at Alexandria, B.S., Louisiana State University
Washington, Catherine, Food Service Preparation Specialist 2
West, Jaime, Administrative Coordinator 2
West, James, Carpenter Master
West, Renee, Administrative Coordinator 3; A.S., Louisiana State University at Alexandria
Williams, Karen, Administrative Coordinator 2
Wilson, Ruby, Custodian 2
STAFF SENATE

Belinda Aaron Heather Bandy Steve Belgard Shalonda Busch Glenna Cornell Joe Fontenot

June Guillory Lisa Mayeux Mary McCampbell Tammy Moreau Sadie Phillips Linda Smith

Officers of LSU at Alexandria's Student Government Association took the oath of office during an installation ceremony on Tuesday, October 18. The SGA meets weekly and is open to all LSUA students.

[^0]:    * Only Math scores from an ACT test taken within the past three years will be used for appropriate math placement.
    ** Developmental Math (non-credit) preparatory to MATH 1021.
    *** If the ACT Math score is 24-27, the student may petition the Department of Mathematics and Physical Sciences for a departmental credit exam for College Algebra

[^1]:    ${ }^{1}$ The Centennial Honor, Chancellor Scholarship, Founders Scholarship, Merit Honor and University Scholarship Awards are given in increments of four (4) semesters for students pursuing associate degrees and increments of eight (8) semesters for students pursuing bachelor's degrees offered by LSU at Alexandria.
    ${ }^{2}$ This scholarship may be reduced if student is a TOPS recipient.

[^2]:    I. English Composition 6 hours
    II. Mathematics ${ }^{2}$. . . . . . . . . . . . . . . . . . . . . . 6 hours

[^3]:    1 Requirement may be met through successful completion of CMIS 1000 or through an acceptable score on the computer competency examination (CCE). The basic computer competency examination is administered through Testing Services (Student Center 220). Students who make an unsatisfactory score on the exam are required to take CMIS 1000.
    ${ }^{2}$ Mathematics courses must include MATH 1021 or higher.
    ${ }^{3}$ Humanities must include 3 hours of communication studies.

[^4]:    Note: Students who minor in communications studies take CMST 1061 to fulfill their General Education Requirement.

[^5]:    * "Enroll" refers to students who register for credit, attend class, write one examination and later drop the course.
