# MESSAGE FROM THE CHANCELLOR

---

## PAUL D. COREIL, PH.D. LSU of Alexandria Chancellor

All of us from LSU of Alexandria congratulate you for reaching this significant milestone in your life – graduating from college! Completing the requirements for a college degree can only result from substantial sacrifice, dedication, and hard work. So, today, we celebrate your accomplishments and thank everyone responsible for helping you reach this goal. We are excited and honored to celebrate this graduation at the Rapides Parish Coliseum without limitations.

The past 2+ years have been extremely challenging due to COVID-19; however, today, our focus is on you, our LSUA students who exhibited grit and did not allow obstacles to stop your hopes and dreams! We have been amazed and inspired by the exceptional resilience you showed in dealing with COVID-19 disruptions, a tornado on campus, and two major hurricanes that impacted classes and campus life. It has been an honor and privilege to serve as your chancellor during these challenging times.

We know that this is only the beginning of many accomplishments you will achieve throughout your life. We hope that your experience at LSUA, and the degree you have earned, will enable you to reach your personal and career goals and, at the same time, help make the world a better place for us all!

Please accept our congratulations and thanks to the parents, grandparents, loved ones, supporters, and friends of our graduates. Please know that these accomplishments would not have been possible without your tireless support!

We want to sincerely thank all of our students, families, and supporters who continue to believe in the high-quality education provided by LSUA. We maintain a firm commitment to building a positive future for our students through outstanding faculty and staff who remain dedicated to a quality university education. LSUA is committed to the long-term economic future of central Louisiana, the State of Louisiana, the nation, and the world. We pledge to continue to attract and educate a growing number of high-quality students, like the outstanding graduates we celebrate today, in the years ahead.

We look forward to hearing about your future success and hope to engage with you through LSUA's Alumni and Friends Association and related activities. Please stay in touch and continue recommending LSUA to potential students you meet and work with - we know alumni are our best recruiters!

Again, congratulations to all of our graduates and their families, and best wishes for a successful future!

Go Generals!

# DEGREE WITH HONORS

---

At each commencement, the Chancellor's Award for "Highest Academic Achievement" is awarded to the graduate receiving an associate degree and to the graduate receiving a baccalaureate degree with the highest GPA, provided that more than 50 percent of the total hours attempted in pursuit of the degree have been earned at Louisiana State University of Alexandria.

Graduates receiving baccalaureate degrees may receive their degrees *summa cum laude*, *magna cum laude*, or *cum laude*. The determination for these designations is based on the student's cumulative grade point average and the completion of at least 48 institutional hours to qualify for Latin Honors. Degrees are awarded *summa cum laude* to students whose grade point averages are between 3.90 and 4.0; *magna cum laude* to students whose grade point averages are between 3.70 to 3.89; and *cum laude* to students whose grade point averages are between 3.50 and 3.69.

Students graduating with honors are recognized at the commencement ceremony by the honors cords they wear. Students graduating *summa cum laude* wear gold cords; those graduating *magna cum laude* wear silver cords; and those graduating *cum laude* wear white cords.

Degree Candidates presented with honors in this program is presumptive evidence and is not to be regarded as conclusive. This program contains the names of candidates for degrees and honors at the time of the printing deadline.

## GAMMA BETA PHI - HONOR GRADUATES

Gamma Beta Phi is a national collegiate honor and service organization. Students must have an overall 3.0 grade point average to be invited to become members. The gold satin stole worn by graduates signifies that they are members in good standing.

# THE MACE

---

A mace is the traditional university symbol of educational authority and institutional identity and is presented at formal university rituals and traditions, such as commencement ceremonies. The LSUA mace is forty-eight inches tall and weighs approximately ten pounds. It is crafted of wood from a fallen live oak tree native to the Louisiana State University of Alexandria campus and solid brass. The brass spacers that collectively form the shaft are engraved with milestone dates in the history of the university.

The mace is topped with a four-sided acorn, calling attention to the fiftieth anniversary in 2010, the service of Louisiana State University of Alexandria to Louisiana and Central Louisiana in particular, desirable attributes imparted in graduates of Louisiana State University of Alexandria and embossed figures depicting "One World – Diverse – Intertwined."

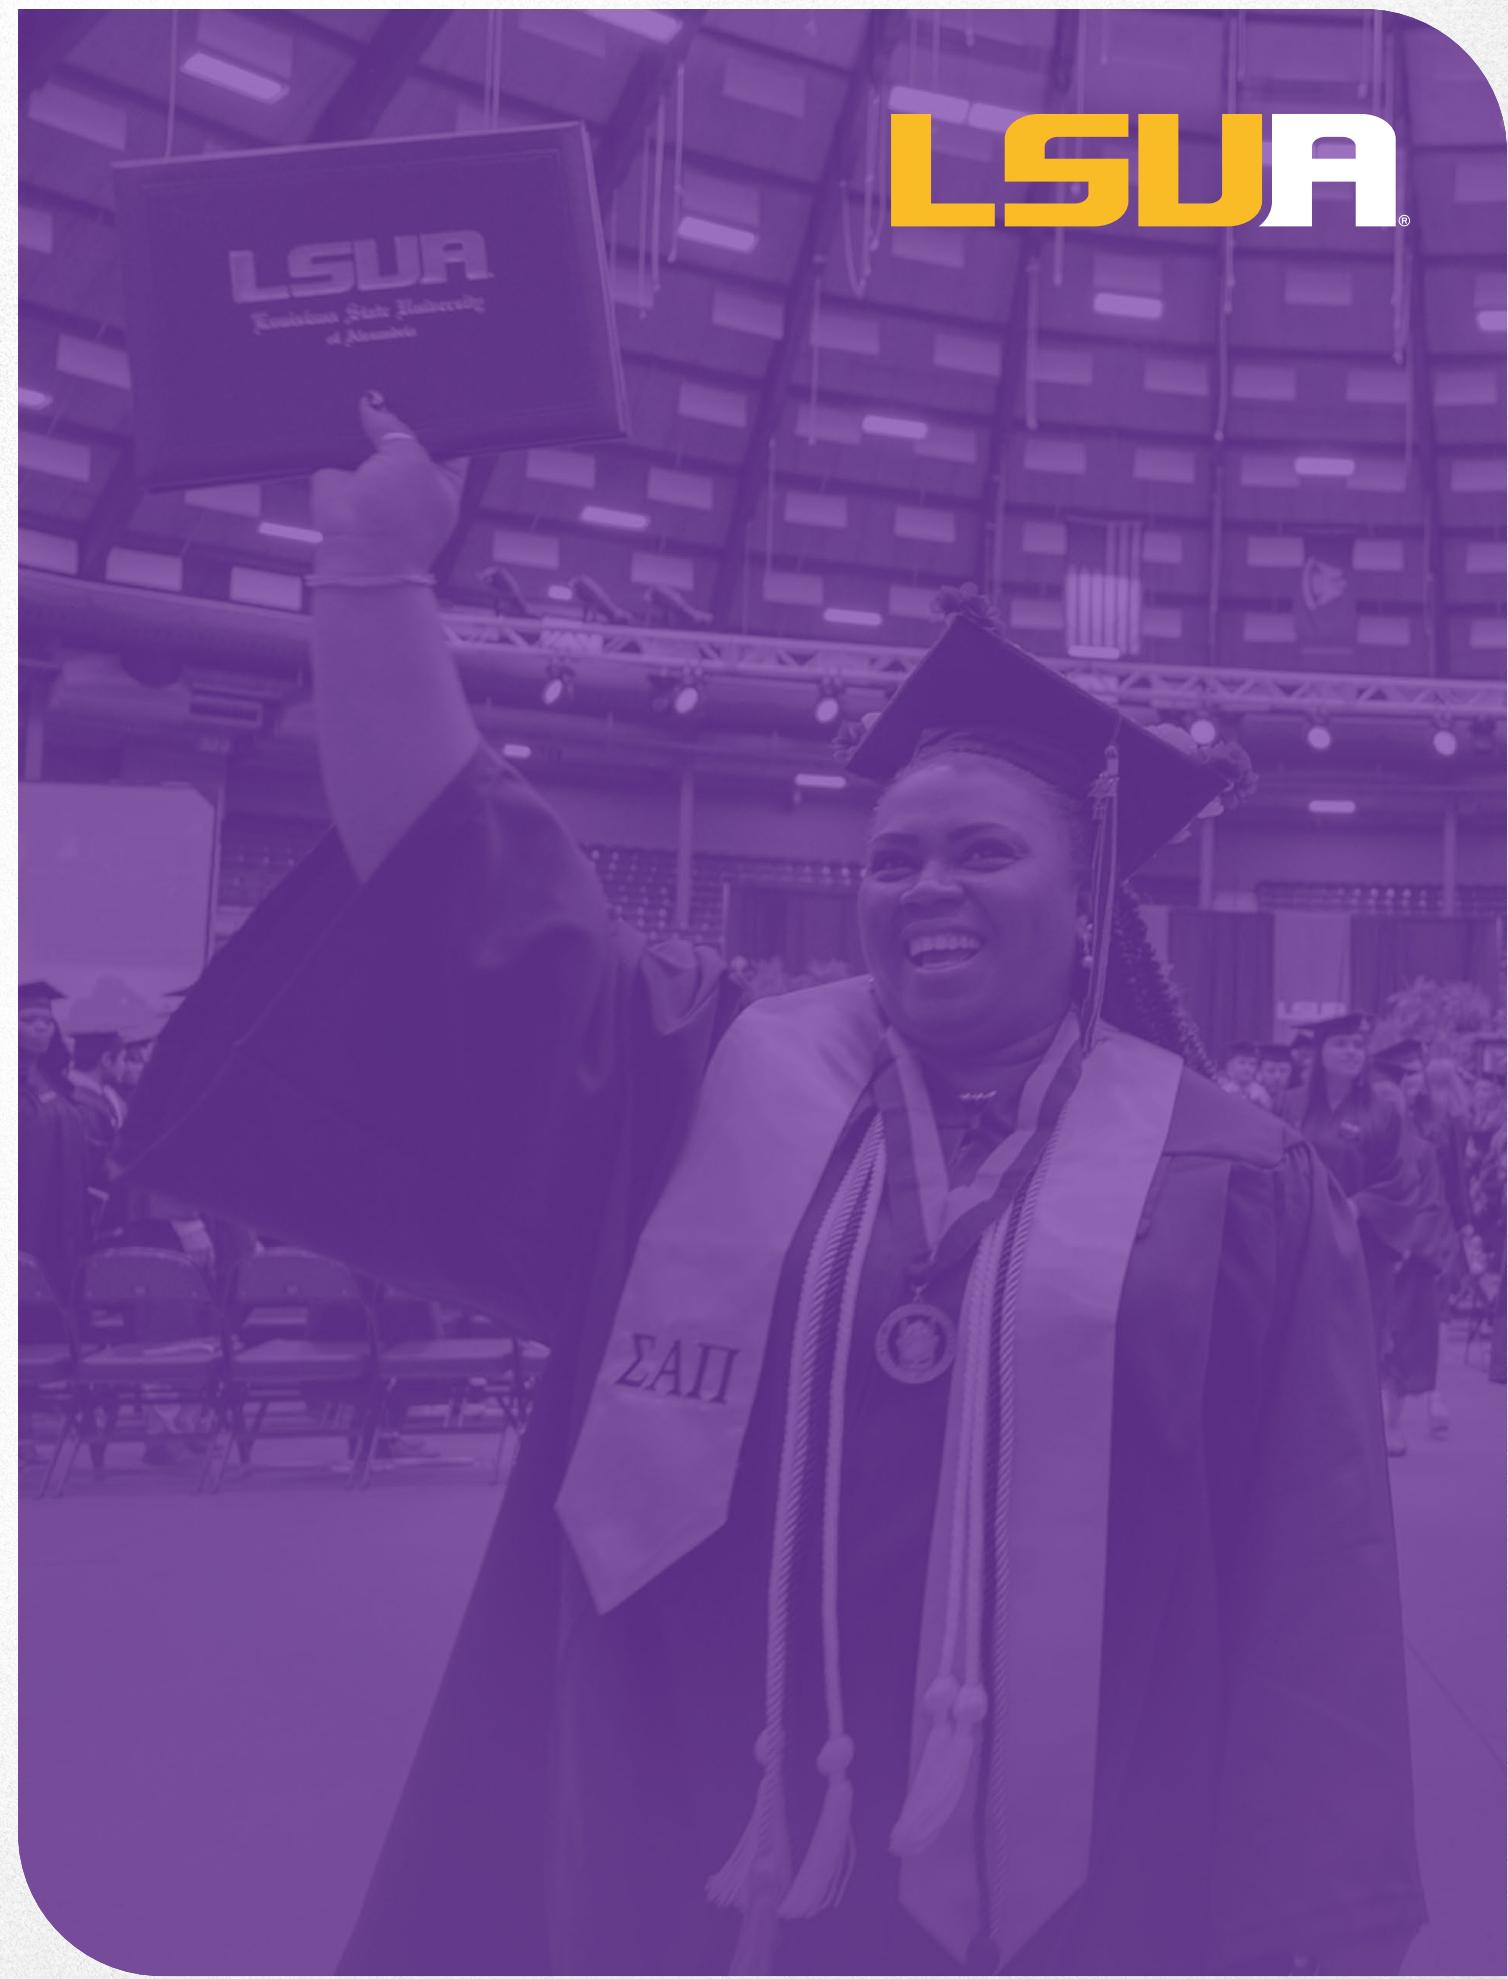

The acorn is crowned with the official LSUA oak tree seal with the historical blue and gold banner insignia. Alexandria resident and master craftsman Glen Armand crafted and donated the mace in honor of the fiftieth anniversary of the founding of Louisiana State University of Alexandria. The LSUA mace was first presented to the faculty, staff and students at the closing commencement exercises of the fiftieth anniversary, December 16, 2010.

The logo for LSUA (Louisiana State University at Alexandria) is displayed in large, bold, yellow letters. A registered trademark symbol (®) is located in the top right corner of the letter 'A'.

LSUA®

A black banner hangs from the ceiling, featuring the letters 'LSUA' in white, with 'Louisiana State University at Alexandria' written below it in smaller white text.

# ALMA MATER

---

The path of life enduring lies with stately grace,  
Under oaks and pines securing, our home LSUA.

To thee our source of wisdom our hope and future shine,  
To thee, our Alma Mater we'll be forever thine.

As we journey onward, the knowledge we obtain  
And the lessons here imparted eternally remain.

To thee our source of wisdom our hope and future shine,  
To thee, our Alma Mater we'll be forever thine.
