## CALL FOR VOLUNTEERS!

### What is Mini CAPS?

Mini CAPS is a week-long camp offering fun, challenging and motivational learning opportunities. Children will have hands-on, interactive experiences in a variety of subjects, such as science, art, fitness, music, and much more.

Mini CAPS is looking for volunteers to help with the day-to-day activities of the camp. Volunteers will help staff with drop-off/pick-up, assist the children during session activities and with class transitions, as well as a variety of other duties. We depend on volunteers to ensure that campers have the best week of their lives.

If you are interested in volunteering or have additional questions, please contact us at 318-427-4441
