

Advanced Placement Examination of the College Board (AP)

The Advanced Placement Program of the College Board allows high schools to offer well-qualified students college-level courses simultaneously with their high-school programs of study. Each May, advanced placement examinations are administered (by the College Board) to students who have participated in this program.

LSUA awards credit for acceptable AP test scores. **Students are responsible for requesting that their AP scores be sent to LSUA.** Follow this link to [access the table](#) that gives the equivalent transfer courses for AP Exams and the minimum scores that must be obtained on each exam.

College Level Examination Program of the College Board (CLEP)

This program offers the opportunity for a student to obtain college-level credit based on intensive reading in a particular field, on-the-job experience, correspondence courses, or other means of formal or informal preparation. LSUA grants college-level credit on the basis of scores earned on certain CLEP subject examinations. LSUA does not offer credit for *CLEP general examinations*.

Follow this link to [access the table](#) that gives the equivalent transfer courses for CLEP exams and the minimum scores that must be obtained on each exam. **Students are responsible for requesting that their CLEP scores be sent to LSUA.** Additional CLEP subject examinations may be accepted for credit. Contact Office of Admissions for the most recent list of approved subject examinations.

LSUA also administers CLEP subject examinations. Students interested in taking one or more CLEP subject examinations at LSUA should visit Testing Services located in the Student Center.
