LSUA

LSU *of* ALEXANDRIA

Message from the Chancellor

On behalf of the faculty, staff, and administration at Louisiana State University of Alexandria, please accept my sincerest congratulations for reaching this milestone in your life. Today is a special day that you will always remember, for today you will receive your LSUA diploma. We recognize your commitment, determination, and no doubt countless hours studying to achieve this remarkable goal. From this day forward, your future is changed for the better. Not only is your own life positively impacted, but the lives of your family and friends, our community, state, nation, and world.

As you walk across the stage today, I am sure you realize that you did not get here alone, but instead it was a combination of your support system, devoted faculty and staff, and our loyal community. To the parents, grandparents, spouses, children, and other loved ones of our graduates, I also say congratulations and thank you. This day would not be possible without your encouragement and understanding. Our faculty and staff have worked tirelessly to create and maintain a student-centered learning environment. Kudos to them!

LSUA takes great pride in knowing that students are at the center of our mission. Further, our supportive community has provided opportunities to our students that would not have been possible without them. LSUA is very grateful for the scholarships, financial support, and campus infrastructure projects that the LSUA Foundation and community have provided that have enhanced the student experience.

Although you are graduating from LSUA today, we hope this is only the beginning of a long and meaningful relationship. We look forward to hearing about your successes and know you will become our best recruiters. I encourage you to actively participate in the LSUA Alumni Association and connect with our alumni that are located all over the world.

Once again, congratulations to all of our graduates and best of luck in the future.

Go Generals,

Guiyou Huang

Commencement Speaker

The Honorable Jeffrey "Jeff" Hall, Mayor
City of Alexandria, Louisiana

Jeffery Hall, born December 26, 1951, is the son of the late Mr. Willie O. Hall and Mrs. Florice Hall from Alexandria, Louisiana.

Hall was educated in the Rapides Parish public schools. In 1969, he graduated from Peabody High School and entered Grambling State University in Grambling, Louisiana. He obtained his Bachelor of Science degree in accounting in 1972. In his early career, he worked for the Rapides Parish Police Jury. From there, he joined the City of Alexandria as a clerk, accountant, and assistant internal auditor before moving to Legal Services from 1980-81.

Jeffrey has over 42 years of professional experience in politics and business in Louisiana. He started his career with Cleco in 1981 and retired after 32 years of service. During his tenure with Cleco, he served as Vice President of Governmental Affairs and Economic Development, and Senior Vice President for Special Projects. Hall is also a past member of the Rapides Regional Hospital Advisory Board, the former chairman of the Greater Alexandria Economic Development Authority (GAEDA), and has served in various capacities with the Central Louisiana Chamber of Commerce.

Hall was first elected to the Louisiana House of Representatives in February of 2015 to finish former Representative Herbert Dixon's term. He was then elected in October of 2015 where he served three years of his four-year term. He served as a member of three committees in the House of Representatives: Education; Transportation, Highways, and Public Works; and Agriculture, Forestry, Aquaculture, and Rural Development. Before stepping down, he served as Vice-Chairman of the Education Committee and as First Vice-Chairman of the Louisiana Legislative Black Caucus (LLBC), the third highest position in the Caucus. He also chaired the LLBC's Economic Development Committee. Hall was also a member of the National Black Caucus of State Legislators. Hall was appointed to serve as a member of the Education Committee of the Southern Legislative Conference (SLC) for 2019 and 2019. The SLC is a branch of the Council of State Governments. Just recently, Hall was appointed to serve on the Advisory Council on Historically Black Colleges and Universities under the jurisdiction of the Board of Regents. He is also a member of the Louisiana Democratic Caucus, the Rotary Club of Alexandria, the Grambling State University and the National Alumni Association and Phi Beta Sigma Fraternity.

Jeffrey is married to Patricia Breaux Hall. They have been married 46 years and have two children, Nicole and Christopher. He is a member of True Vine Baptist Church where he serves as a Deacon.

The Academic Regalia Code

Guidelines with respect to academic regalia derive from traditions passed on since the Middle Ages. American universities agreed on a definite system in 1895 and devised an official Code of Academic Dress. In 1932, the American Council on Education presented a revised code which for the most part governs the style of academic dress today.

Black is the recommended color for all academic gowns. Bachelor's and master's gowns are untrimmed. Doctor's gowns are faced with black velvet or the other color associated with the degree with three chevrons across the sleeves. The Chancellor's gown is faced with four chevrons across the sleeves.

The hoods differ in length for the three degrees, bachelor's, master's, and doctor's and are lined with the official colors of the college or university conferring the degree, usually with one color forming a chevron pattern over the other. Hoods are edged and bound with velvet of the color appropriate for the degree and lined with the official colors of the college or university conferring the degree.

The colors associated with the different subjects are as follows:

Apricot	Nursing	Maize	Agriculture
Brown	Fine Arts, Architecture	Olive Green	Pharmacy
Citron	Social Work	Orange	Engineering
Copper	Economics	Pink	Music
Crimson	Journalism	Purple	Law
Dark Blue	Philosophy	Russet	Forestry
Drab	Business	Sage	Physical Education
Golden Yellow	Science	Salmon Pink	Public Health
Gray	Veterinary Medicine	Scarlet	Theology
Lemon Yellow	Library Science	Silver Gray	Speech
Light Blue	Education	White	Arts, Letters, Humanities

Degree with Honors

At each commencement, the University Medal for "Highest Academic Achievement" is awarded to the graduate receiving an associate degree and to the graduate receiving a baccalaureate degree with the highest GPA provided that more than 50 percent of the total hours attempted in pursuit of the degree have been earned at Louisiana State University of Alexandria.

Graduates receiving baccalaureate degrees may receive their degrees *summa cum laude, magna cum laude*, or *cum laude.* The determination for these designations is based on the student's grade point average. Degrees are awarded *summa cum laude* to students whose grade point averages are within the 3.90 to 4.0 range. In order for a degree to be awarded *magna cum laude,* the grade point average must be within the 3.70 to 3.89 range. Degrees are awarded *cum laude* to students whose grade point averages are between 3.50 and 3.69. Students who are awarded their degrees with honors must also have satisfied all additional requirements imposed by their college or department.

Students graduating with honors are recognized at commencement by wearing honors cords. Students graduating *summa cum laude* wear gold cords. Those graduating *magna cum laude* wear silver cords; *cum laude* graduates wear white cords.

GAMMA BETA PHI

Honor Graduates

Gamma Beta Phi is a national collegiate honor and service organization. Students must have an overall 3.0 grade point average to be invited to become members. The gold satin stole worn by graduates signifies that they are members in good standing.

The Mace

A mace is the traditional university symbol of educational authority and institutional identity and is presented at formal university rituals and traditions, such as commencement ceremonies.

The LSUA mace is forty-eight inches tall and weighs approximately ten pounds. It is crafted of wood from a fallen live oak tree native to the Louisiana State University of Alexandria campus and solid brass. The brass spacers that collectively form the shaft are engraved with milestone dates in the history of the university. The mace is topped with a four-sided acorn, calling attention to the fiftieth anniversary in 2010, the service of Louisiana State University of Alexandria to Louisiana and Central Louisiana in particular, desirable attributes imparted in graduates of Louisiana State University of Alexandria and embossed figures depicting "One World – Diverse – Intertwined." The acorn is crowned with the familiar LSUA oak tree logo with the blue and gold banner ensigna.

Alexandria resident and master craftsman Glen Armand crafted and donated the mace in honor of the fiftieth anniversary of the founding of Louisiana State University of Alexandria. The LSUA mace was first presented to the faculty, staff and students at the closing commencement exercises of the fiftieth anniversary, December 16, 2010.

Alma Mater

The path of life enduring lies with stately grace,
Under oaks and pines securing, our home LSUA.

To thee our source of wisdom our hope and future shine,
To thee, our Alma Mater we'll be forever thine.

As we journey onward, the knowledge we obtain
And the lessons here imparted eternally remain.

To thee our source of wisdom our hope and future shine,
To thee, our Alma Mater we'll be forever thine.

Blakesley, Josh (2009)

University Seal

The university seal was first developed as the University logo in 1994 and now stands as the official LSUA seal.

The focal point of the seal is the oak tree in the center. It symbolizes knowledge and stability and also represents the live oaks found on campus. The lines behind the tree are symbolic of both a rising sun and the row crops that surround LSUA. The waving banner on which Alexandria is written symbolizes the flowing Red River, and the surrounding circle is symbolic of lifelong learning.

Message from the LSU President

On behalf of the LSU community, I'd like to welcome you to the Spring 2019 LSU Alexandria commencement ceremony.

I hope you enjoy your time with family, friends, faculty and peers as you celebrate the life-changing accomplishments we recognize today.

Receiving a college degree has never been more important than it is right now, and at this event, you'll witness graduates achieve that critical, hard-earned milestone. With an LSUA education as their foundation, future opportunities are truly boundless.

I know that as our newest alumni go out into the world to change it for the better, they will keep the LSUA and the Alexandria community that cheered them on along their path to success forever close to their hearts.

Please join me in congratulating the LSUA Spring 2019 graduating class. We can't wait to see what they'll do next!

F. King Alexander
