### How to obtain a Federal Parent PLUS Loan

Complete a Federal Parent PLUS Loan Application and Credit Authorization Form and return it to the Louisiana State University Student Financial Aid Office, or complete the online application at [studentloans.gov](https://studentloans.gov) (log in using your parent FSA ID). We will use the information on this form to inform the Federal Government of your interest in obtaining a loan and certify the student's planned enrollment and Federal Parent PLUS Loan eligibility.

Please visit [Studentloans.gov](https://studentloans.gov) (<https://studentloans.gov/myDirectLoan/index.action>) to complete your master promissory note (MPN) if you are a new borrower for this student or if your MPN has expired. This will be the PLUS MPN for parents of Dependent students, be sure to use your parent FSA ID.

### What is a Master Promissory Note?

A Promissory Note is a binding legal document that lists the conditions of your loan and the terms of repayment. Instead of completing a MPN every year, we utilize a multi-year MPN that only has to be completed once while your student is attending LSUA.

### How do I sign a MPN?

You will sign the MPN with your FSA ID. This is why it is very important to be sure you use your correct log in.

### What is the interest rate?

Federal Parent PLUS Loans have a fixed interest rate of 6.28%.

### Other than interest, are there any fees or charges to get a Federal Parent PLUS loan?

Yes, the loan fee is 4.228% for loans.

### When will repayment begin?

Repayment begins right after the last disbursement of the loan. Interest accrues as soon as the first disbursement is made. There is no grace period for this loan; the parent borrower repays both principal and interest while their student is in school. The repayment term will be 10 to 30 years depending upon the repayment plan selected. Parents have the options to defer payments for PLUS loans originated after July 1, 2008 provided the designated student is enrolled at least half-time each semester (six or more credit hours that can be counted for Title IV aid). Parents can contact their loan servicer to request a deferment. Visit the National Student Loan Data System ([www.nslds.ed.gov](http://www.nslds.ed.gov)) to see who is currently servicing your loan and how to contact them.

### When will the Federal Parent Plus Loan Disburse?

In accordance with federal loan regulations and LSUA's disbursement schedule, the loan will be applied to your students account once all requirements are met after the 14th class day. The loan funds (less the fees) are evenly disbursed between the Fall and Spring semesters, unless the loan is for a single semester in which case the loan will be split into two disbursements for that semester.

### What if there are funds left over once my students' charges are covered.

At this time all refunds are issued to the student in the form of a check or direct deposit, if that is set up. If you wish to have the credit balance sent to you have your student let you sign into their myLSUA and input your direct deposit information in the bank manager link found in the student tab. Be sure to discuss with your student to not go in and alter that information. Other than that you may want to choose to borrow only enough to cover all current costs and projected for the future term.
