Semester applying for:

Religious Affiliation

Funds for the Lettie Pate Whitehead Scholarship are limited. Submission of this application and meeting the above requirements does not guarantee receipt of the award. The award amount will be a maximum of \$1000 per semester. Awards will be made on a first come, first served basis in the order that completed applications are received and applicant meets all required criteria at the time of review, until all available funds are exhausted. If you register after submitting an application, then you must submit a new application for re-consideration. Students seeking a Lettie Pate Whitehead Scholarship must submit an application for every semester they desire to be considered for an award.

By my signature below, I certify that all information reported on this form to be truthful and accurate. I also certify that I have read and understand all information listed on this form. I authorize the LSUA Financial Aid and Scholarship Office to provide any agency that furnishes funds for this scholarship about my academic and personal information, such as religious affiliation, as may be required by that agency.
