Appendix I – Nightingale Tribute

Nursing is a calling, a lifestyle, a way of living. Nurses here today honor Name and his/her life as a nurse. Name is not remembered by his/her years as a nurse, but by the difference he/she made during those years by stepping into people’s lives… by special moments:

Name Was There

When a calming, quiet presence was all that was needed,

Name- was there. (spoken in unison)

In the excitement and miracle of birth or in the mystery and loss of life,

Name- was there. (spoken in unison)

When a silent glance could uplift a patient, family member or friend,

Name- was there. (spoken in unison)

At those times when the unexplainable needed to be explained,

Name- was there. (spoken in unison)

When the situation demanded a swift foot and sharp mind,

Name- was there. (spoken in unison)

When a gentle touch, a firm push, or an encouraging word was needed,

Name- was there. (spoken in unison)

In choosing the best one from a family’s “Thank You” box of chocolates,

Name - was there. (spoken in unison)

To witness humanity---its beauty, in good times and bad, without judgment,

Name - was there. (spoken in unison)

To embrace the woes of the world, willingly, and offer hope,
Name - was there. (spoken in unison)

And now, that it is time to be at the Greater One’s side,

Name - IS there. (spoken in unison)

Name, we honor you this day and give you a white rose to symbolize our honor and appreciation for being our colleague.

Appendix II – Nurse’s Prayer

Give me strength and wisdom,
When others need my touch;
A soothing word to speak to them,
Their hearts yearn for so much.
Give me joy and laughter,
To lift a weary soul;
Pour in me compassion,
To make the broken whole.
Give me gentle, healing hands,
For those left in my care;
A blessing to those who need me,
This is a Nurse’s prayer.
