It will be important to use an actual email that you check so that if you have questions, we can contact you.

Once logged into Transferology, you can choose from the three tabs on what type of credit they are transferring.

To see how courses transfer, type in the school name in the box. It should automatically populate choices for you to select.

Select the semester and year the course is taken. It does change how courses transfer so please select the correct semester and year.

Then type the Department and select the plus sign on the right to add it.

Once all courses have been added, click Search for Matches in the upper right side.

The screenshot displays the Transferology website interface. At the top, there is a navigation bar with the Transferology logo, a user profile for 'Michael', and several utility links: 'Will My Courses Transfer?', 'Find a Replacement Course', and a notification bell. Below the navigation bar is a secondary bar with statistics: '+ Courses (10)', '% Matches (0)', '★ Favorites (0)', and '📁 Programs (0)'. The main content area is divided into two sections. On the left, the 'Courses' tab is active, showing a search form for 'Arkansas State University-Main Campus' with 'Fall' semester and '2006' year selected. The 'Department' is set to 'ENG - ENGLISH'. Below the form is a table of course suggestions with columns for Course ID, Title, and Hours, and a plus sign in the right margin for each row. On the right, the 'My Courses' section shows a list of courses from 'Arkansas State University-Main Campus' with columns for Course ID, Title, Semester/Year, and Hours, and a trash icon in the right margin for each row.

The list will sometimes have LSUA at the top and others part of the way down. Because it varies for each search, there are two ways that you can find LSUA.

First, you can use the filter on the right hand side to display variables that would generate LSUA.

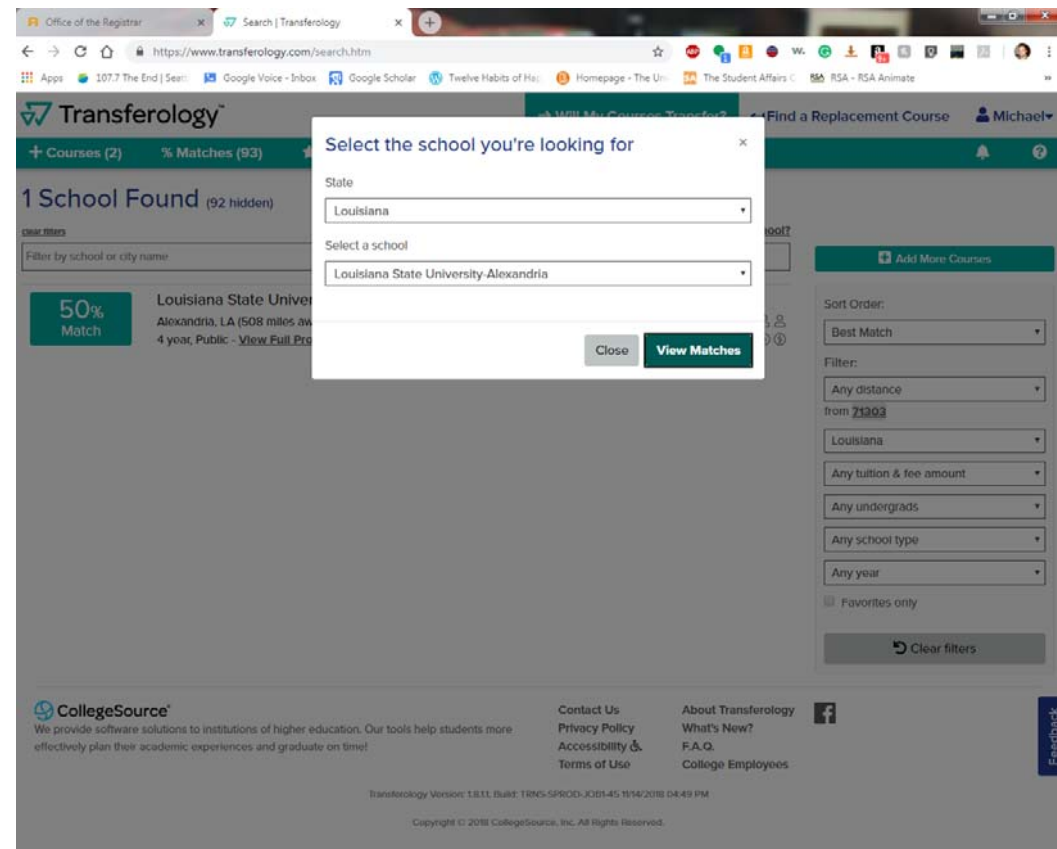

The other is to use the Looking for a particular school link over the right side of the search bar. (Green Circle)

The screenshot shows the Transferology website interface. At the top, there's a navigation bar with 'Transferology' logo and links like 'Will My Courses Transfer?' and 'Find a Replacement Course'. Below this, a teal banner indicates '93 Schools Found'. A search bar is present with the text 'Looking for a particular school?' circled in green. To the right of the search bar is an 'Add More Courses' button. Below the search bar, a list of schools is displayed, each with a '100% Match' badge, school name, location, and type. A filter sidebar on the right allows users to refine results by distance, state, tuition, and school type. A 'Feedback' button is visible in the bottom right corner.

Match	School Name	Location	Type
100%	Benedictine College	Atchison, KS (590 miles away)	4 year, Private not-for-profit
100%	Illinois College	Jacksonville, IL (596 miles away)	4 year, Private not-for-profit
100%	Eastern Illinois University	Charleston, IL (615 miles away)	4 year, Public
100%	Peru State College	Peru, NE (659 miles away)	4 year, Public
100%	Franklin College	Franklin, IN (671 miles away)	4 year, Private not-for-profit
100%	Drake University	Des Moines, IA (714 miles away)	4 year, Private not-for-profit
100%	University Of Nebraska At Omaha	Omaha, NE (715 miles away)	4 year, Public
100%	Metropolitan Community College Area	Omaha, NE (717 miles away)	2 year, Public

When using the particular school link, it opens this window.

Select the state and then choose LSUA. After that click Find Matches.

- Once you find LSUA, it should move to a screen similar to the one on the right.
- There are two tabs. The first one is for courses that match. The second one is for courses that are Maybe.
- The Matches lists shows how each course transfers to LSUA.
 - The i in the circle is showing that there is a note for the course.
- The Maybe tab shows courses that we do not a record of transferring. However, we also review all requests so the course will be reviewed to see if there is a transferable course.

The screenshot displays the Transferology interface. At the top, there's a navigation bar with the Transferology logo, a 'Will My Courses Transfer?' button, and a 'Find a Replacement Course' button. Below this, a teal bar shows navigation options: '+ Courses (10)', '% Matches (75)', '★ Favorites (0)', and '📁 Programs (0)'. The main heading is 'Louisiana State University-Alexandria ☆'. On the right, there are buttons for 'Return to Search', 'Print', and 'Request Information'. The main content area has two tabs: '9 Matches' (selected) and '1 Maybe'. A note states: 'The matches below indicate specific courses you may be awarded after completing and transferring, assuming you earned a passing grade in the transferred course. Matches may change depending upon your major.' Under 'Courses from: Arkansas State University-Main Campus', there is a list of courses with arrows indicating transfer paths and some with an 'i' in a circle. A 'School Profile' sidebar on the right shows the LSUA logo, address (8100 Hwy 71 South, Alexandria, LA 71302), contact info ((318) 445-3672), and statistics like Distance (9.7 mi), School Type (Public), Year Type (4 year), Total Students (3,372), and Undergrads (3,372). Tuition & Fees are listed as In-state: \$6,66 and Out-of-state: \$14,02. A 'Feedback' button is visible at the bottom right.
