

Don't Weep for Me Later
By Jeanni Ritchie

Don't weep for me later
Laugh with me today

Don't buy flowers for my grave
Pick some peonies for my room

Don't lament our past
Rejoice in our future

And when I am gone...

Don't cry for my departure
Celebrate my life

Don't moan my trials
Cheer for my victories

Don't regret missed opportunities
Remember times well-spent

Don't wail over my tombstone
Dance over my dirt

Sojourn with me in life
Treasure the good times in death
