

Program Improvement Survey of Principals

Standards Alignment:

- CAEP: Standards R1.1, R1.2, R1.3, R1.4, R2.3, R3.2, R3.3, R4.1, R4.2, R5.1, R5.2, R5.3, R5.4
- InTASC: Standards 1, 2, 3, 4, 5, 6, 7, 8, 9, 10
- Louisiana Framework: 1, 2, 3, 4

Overview:

Purpose – As EPP stakeholders, employer satisfaction with our completers’ impact and preparation in working with P-12 students is important. The EPP uses the survey data to ensure program impact and continued growth. Survey results also provide valuable information to the EPP about areas that need to be strengthened and the overall effectiveness of the program.

Description - Principals provided input on LSUA’s completers teaching in their schools after one year of employment. They were asked to give feedback based on their observations and interactions with LSUA’s completers and to give their perception of completer preparedness to teach effectively.

Identify an area that may strengthen the LSUA EPP.	No suggestions at this time.			
	Assessment correlation to the content standards is an area that we can all get better at; however, I feel if this was discussed earlier in a program, it would provide a great base to grow from for a newer teacher.			
Do you have any other comments?	The teacher that we recently hired was exceptionally prepared for the job!
