

LSUA Alcohol Policy

Louisiana State University at Alexandria prohibits alcoholic beverages from being served at any campus sponsored events. This includes events sponsored by student organizations and Student Life. The following is an excerpt from the Student Handbook:

Sale or Use of Alcoholic Beverages

LSUA complies with all federal and state laws which regulate the sale and use of alcohol. The University neither condones nor shields from prosecution any individual found in violation of the Louisiana Alcoholic Beverage Control laws. The University does authorize alcoholic beverages on campus for sanctioned events complying with state law. This authorization is granted on a case-by-case basis for beer and wine only and must be obtained from the Chancellor. The University will adhere to all laws which prohibit drinking by underage individuals.

As an active student organization at LSUA, all members are expected to comply with all policies of the University, and student organizations will not be allowed to serve alcohol at events.
