Alternative Certification – All Grades (HPE)

1. Why have you chosen to become a teacher?

2. What part of the teacher's position most interests you and why?

3. Name a teacher who taught you and whom you would most like to emulate. Explain why.

4. What dispositions do you bring to the field of education? Dispositions include but are not limited to: responsible, fair, caring, sound decision-making, honest, ethical, effective verbal and written communication, and punctual.

5. What are dispositions (see examples in previous question) that you need to address to be an effective teacher?

6. What professional goals do you have, both immediate and long-term (after graduation)?
