EXECUTIVE SUMMARY

The LSUA Foundation is a nonprofit, institutionally-related Foundation, dedicated to supporting the purpose of higher education at LSU Alexandria.

The LSUA Foundation engages in educational, literary and charitable purposes to promote the education and cultural welfare of LSU Alexandria and all departments and units of the University and to develop, expand, and improve LSUA's facilities so as to provide broader educational advantages and opportunities for our students and faculty. Additionally, the Foundation supports LSUA through the investments and ownership of ancillary resources including the Alexandria Museum of Art, Generals Athletic Association, and The Oaks Residence.

Our goal is to expand awareness of LSUA's contributions to higher education and to foster private financial support for LSUA. The Foundation encourages and receives philanthropic gifts and bequests. Behind every gift to the Foundation is an individual or organization determined to advance the availability and quality of higher education in Central Louisiana.

Foundation staff provide the operational support for the Foundation. Under the leadership of its President, the team consists of the Coordinator of Donor Relations, the Coordinator of Alumni Relations, and a student worker. All Board fundraising events are coordinated through this office.

LEADERSHIP

The LSUA Foundation was established in 1992 to build the university's endowment and to ensure the continued availability of undergraduate, college-level educational opportunities for Central Louisiana citizens. The current Board is comprised of community members who support the university and give of their time, talents, and resources to LSUA. These strong, civic-minded individuals consider higher education a priority for Central Louisiana and provide leadership for the university's philanthropic endeavors.
